WANT CLOCK TOWER RUSHED

Order Placed For the Clock Councillors are Told at Their Meeting Monday Long Session Held.

At the May meeting of the village Council on Monday evening, Dr. Ira Freil, president of the Business Men's Association, announced that the donor of the proposed new clock had deposited the funds for the clock (\$2,000) in a local bank to be drawn on the order of The Reeve, Dr. Freil and A. V. Nolan to pay for the clock to be ordered this week from Croyned, England, and urged the council to make all haste to award a contract for building the brick tower for which funds are also pledged. The clock would be ordered in England this week.

Reeve-Morden said he would see that the matter would be pressed and he would call the council together just as soon as he received the more definite plans and specifications from the engineer which would possibly be some time this week.

On behalf of the town band Mr. Closson requested a grant to repair the drum, and was promised \$25, which he said would be satisfactory.

A third deputation was composed of Messrs. Wash. Paisley and Wm. Stewart who interviewed council respecting a new sidewalk on the south side of Main street from the creek to a point east on the school hill. From the discussion we understand council intends to construct a new sidewalk which will be raised considerably higher than the old walk, and work is likely to be started very soon.

Councillor Russell called attention to an alleged dangerous sidewalk near Orlan Mott's home, but no action was taken.

A long argument ensued on the advisability of enforcing the parking bylaw. The trouble all arose over certain drivers leaving their trucks on the road or boulevards all night, and on Sundays. Councillors Russell and Dowsnell supported a proposal to issue a newspaper warning, but Councillor Watts opposed this method. He didn't wish to do anything that might interfere with patrons to the town, and countered that the constable be notified to deal with offenders, and thus avoid issuing too many notices.

The Reeve favored a general notice but the matter ended without a resolution forthcoming.

Ten dollars was struck from a bill presented by the Fire Brigade for attending a fire in Markham Township. The brigade will be requested to present the bill to the farmer whom they served, and whom it was stated was willing to pay for the service.

Wm. Watson appeared in person asking for a reduction of frontage tax for new road as he understood that where a creek crossed a property a reduction in frontage tax was granted. The time having long elapsed for appeals no action was taken, but it was stated that Mr. Watson's frontage charge as made was correct, and that he would not be entitled to reduction because of the creek at his premises.

Can collection day was set for Friday, May 8th, (tomorrow)

A long time was spent in informal discussion, the session lasting until after 11 p.m. The members were all present including Reeve Morden, and Councillors Watts, Weldon, Dowsnell and Russell.

Passing accounts occupied considerable time, and were passed for payment as follows:

Hydro—Workmen's Comp. Board \$14.00, Albert Lehman, repairs 60c Ferranti Meter Co. \$30.50, J. S. Dougherty, stamps \$3.50.

Water Works—H. Burgess, 29 hrs. work and car \$9.70, John Gower, work \$20.50, Workmen's Comp. \$6.75.

General Account—Attending 2 fires in village \$12, Hydro light \$2, M. Hill, repairs \$3, F. H. Sangster, equalization \$1.70, F. D. Morton \$9, B. & S. Telephone Co. \$14, Broadway's, supplies \$10.65, Standard Garage, repairs \$5.75, J. McFarlane sewer work \$1.50, Ida Simpson, board \$13, Workmen's Compensation \$7.2, J. S. Dougherty, Insurance \$11.35, J. Gower, work \$5.35, Ed. Thorn, 60 hrs. gravel \$105, Ed. Thorn, 13½ hrs. truck \$13.50, Ed. Thorn 13½ hrs. man \$4.05

THE "BEE"

Citizens are requested to assist in the "Bee" to be held at the park on Wednesday afternoon, May 13, for the purpose of putting the baseball diamond in condition. Helpers are asked to bring shovel, hoe and rake at one o'clock or shortly after prepared to assist in the work for the benefit of the Baseball Club. This being the half-holiday a good turnout is anticipated.

SEVENTH LINE MARKHAM

Here we are again in the merry month of May. By all appearances we have some warm weather. After a beautiful start it didn't pan out so well. The folk were just beginning to warble "Hail Gentle Spring" or something like that when the gentle spring proceeded to hail, snow, rain, freeze and what not. As Mark Twain was wont to say "Everyone talks about the weather but no one does anything about it!" Our church service is being enlarged upon these days. The regular service at Peachs, as you know comes in the morning but we are now favoured by a service in the evening every second Sunday. And let us get to the bottom of this. It seems that a new organ is on the cards, the old one having served faithfully many a long year and of course organs are not like Tennyson's brook they won't go on forever.

The Young Men's Class have therefore decided to hold these special services for the purpose of raising funds to purchase said organ. Mr. C. E. Powell, principal of Stouffville Continuation School is billed as the speaker of the evening on Sunday, May 10th at 7:30 p.m. Standard Time. He is also to be accompanied by musical talent so a real evening is assured. Sunday being Mother's Day, Church and Sunday School are to be combined also a program of some sort will be presented. The time is 10:30—of course—half an hour later than usual. No one should be late.

An editorial in one of the leading morning papers, caught our fancy the other day. Denoting the bombastic utterances of a certain (?) it went on to say that an Englishman would think a great deal more of a person if they talked up to him. Quite so dear readers. We might ask you for a ten-spot and you might admire our nerve, but would the ten-spot be forthcoming? That's a dog from a different kennel, sez you.

Seeing a new car on this avenue is something unusual the last while they generally belong to an outsider anyway but here we have a brand new Essex Challenger right in our own back-lane, owned by Mr. Walter Brignall of the Corners. How about a ride Walter?

Our highway is in wonderful shape once more. Thanks to our foreman Mr. Forsyth plus the cooperation of the natives, Smooth as a billiard table, believe it or not.

Mr. Albert Lister and Mr. and Mrs. J. T. Hosking and family had tea with Mr. and Mrs. Lewis on Sunday.

Mr. and Mrs. J. W. Warriner of Markham visited on this line on Sunday.

A number of our Masons visited Markham Friday evening on the occasion of the visit of Rt. Wor. Bro. Dr. W. A. Mathieson, D.D.G.M. Nearly two hundred brethren turned out to make it one of the largest if not the largest gathering in the history of the Lodge.

Mr. and Mrs. Elmer Wells and family visited with Mr. and Mrs. Jonas Lewis on Sunday evening.

There's a wild rumor of wedding bells around the south end of the avenue. Can't find out any names but the rumour persists. Time will tell.

Last call for the week. Where were the Melville celebrities last session? Perhaps the frigid atmosphere got the better of them—and perhaps not. Who knows? The Scribe

ROSS DAVIS TO TAKE LOCAL CENSUS

In a few weeks the time worn jokes regarding census-taking will be renewed, for the census-takers will be at work in Canada again. The first true census was taken in Canada, in Quebec, known as New France, in 1665. Nova Scotia (Acadia) and Newfoundland followed. In the next century European nations began to take census but the early European counts were mainly to give the monarch of the day an idea of how many serfs he had and how much money he could extract from them. The first modern census was taken in Britain in 1801.

The Census, taken every ten years, proves an interesting link in history. The exact population is ascertained, and especially this year it will prove interesting because it will show the actual number of unemployed.

Ross Davis, we understand has been recommended and will be named this week as enumerator for Stouffville. The official appointments are expected to be announced any day.

GOODWOOD

Sally the Cyclone is going to blow up again in the United Church on Thursday May 7th on account of the last presentation falling on a rainy evening.

Mr. Jno Rae is getting his building moved to the foundation he has prepared. We presume will soon be ready for business in his new garage.

WOLVES ATTACK HERD OF CATTLE

Raids Causing Anxiety to Farmers in North End of Victoria County

A pack of several wolves boldly attacked a herd of cattle in Somerville Township in the northern part of Victoria County on two nights last week, and although none of the cattle were killed, three had their flanks badly torn, one had a fore-shoulder ripped, another had most of its tail torn off and another was found in a swamp almost dead from exhaustion and fright. One of the wolves was seen walking between the barn and house in broad daylight.

M. H. McCallum, Fenelon Falls, authority on wild life, says the deer in that district have been wiped out by the wolves, farmers can keep sheep no longer unless they stand guard over them or keep them locked, and as the wolves are becoming more numerous, farmers can expect a considerable trouble from now on, with wolves chasing their cattle.

J. A. Hawtin who held so many cattle sales in this locality purchased many of his critters in Victoria County, and in fact one or two cows sold in Stouffville by him had bobbed tails, said to have been the result of wolves attacking the cattle.

NEW DANCE GARDENS OPENED FOR SEASON

Probably the outstanding social event of the weekend was the grand opening of the new Cedar Beach Dance Gardens at Lake Musselman. The big building formally opened on Saturday evening, drew one of the largest crowds ever assembled at Musselman's at one time, which is saying something for this now popular resort.

Visitors from far and near were more than delighted with the spacious new building which boasts a dance floor second to none, and the largest of its kind within many miles. It is estimated that some 800 people tripped the light fantastic there on Saturday evening to the music of the new orchestra rendering all the popular dance music in good style.

Novelties and entertaining features added to the opening program and pleased the patrons immensely.

This fine new building situated on the north shores is well equipped from a culinary standpoint, and the general service is of a high order. The lighting effect too is very pleasing, and the management who have spent a great deal to realize their desire in producing a high-class summer resort of this nature, intend to maintain it purely on a high scale.

Dancing every Wednesday and Saturday evenings with special programs will be maintained throughout the season, while private parties may be provided for any other evening of the week or any afternoon. The bathing beach in front of the pavilion dance gardens and the Tom Thumb Golf just across the road at the rear, all go to make Cedar Beach Gardens an ideal place for amusement, and a delightful spot to spend a few hours.

CAN COLLECTION DAY

In accordance with the usual custom the municipal council hereby proclaim as "can" collection day.

FRIDAY, MAY 8TH

Old junk of all kinds will be removed, but not vegetable matter.

By order of council
W. E. Morden, reeve.

MRS. PEARSON WAS NATIVE OF UXBRIDGE TWP.

A life-long resident of Uxbridge Township, Elizabeth Morgason, widow of the late Philip Pearson passed away on Saturday last week in her 78th year. The late Mrs. Pearson died at the family homestead at lot 12, concession 2, Uxbridge, and was born on lot 13, having spent all her life in this one place.

She was a daughter of the late John Morgason, and was married in 1883 to Mr. Pearson who predeceased her some years. Two children survive the parents being Mrs. A. McDonald of Uxbridge Township and Edwin on the homestead. The deceased was a member of a large family, and is now survived by three sisters and six brothers, namely, Mrs. J. H. Bowman of Schomberg, Mrs. S. Miller and Miss Mary Morgason, both of Goodwood, also William, Andrew and Thomas Morgason of Goodwood, George of Toronto, Jacob of Norval, and Jonathan of Stouffville. The late Mrs. Thos. Armstrong was another sister.

Mrs. Pearson was a member of Goodwood United Church and was a beloved mother. The funeral on Monday to Glasgow cemetery was largely attended, the service being in charge of Rev. A. Harden and Rev. E. Morton. The six brothers of deceased acted as pall bearers.
