

LOCAL HAPPENINGS

League Baseball—Newmarket vs. Stouffville this Friday afternoon on the local diamond.

Pupils from Altona public school had signal success in writing on the recent entrance examination to high school. Seven students were sent up, and all passed. Miss Kate Reesor the teacher may be justly proud of the results. Miss Reesor intends to remain at Altona another year.

The serious condition of Mr. Albert Davis is giving his friends considerable anxiety. Mr. Davis recently consulted a specialist, only to learn that his physical condition is anything but promising. His son Ace has arrived from Western Canada and accompanied his father to Toronto for the consultation.

Principal Cedric Watson and Miss Lillian Dowdell of the Stouffville public school staff are taking special courses at Toronto Normal School at present. Mr. Watson is specializing in art and Miss Dowdell in mathematics. The voluntary action of these teachers in equipping themselves with these special courses will be appreciated by the school board and by the parents whose children will have the advantage of being taught by pedagogues holding specialist certificates. Other teachers from this district who are taking summer courses this year in Toronto include Miss Wahneta Tann taking art, and Miss Gladys Dougherty securing the first part of her kindergarten primary certificate.

For Sale—High School books good condition. Bargain. Mrs. Johnston, Silvester block.

Until further notice the millinery parlors of Mrs. Watts will be open only on Tuesday afternoons and Thursday evenings each week.

The first local gardener to offer new potatoes this season was Robt. Stewart, and he's sold half his early patch all ready. The early bird gets the worm, came very true in this case.

William Chapman has sold his farm at Bethesda, being lot 13 in the 5th concession, to N.D. Sedorka of Toronto, the sale price being reported at \$6300. Mr. Chapman takes over some city property in the deal which was arranged through Geo. Baker, the local realtor. The farm contains 50 acres.

The Barkey Memorial flag pole which came to grief in a recent squall of wind, is likely to be replaced by new parts this week, so that it may hold high its golden dome once more on the park grounds. Two new sections have been purchased by the town, and men engaged to put them up this week. The motto of the council and park commission who have handled this so promptly, to never let the old flag fall, was the right course, and with the extra guy wires to be added to the new pole, it will take more than a squall of wind to bring down the flag again.

Lennox Picnic at Island Grove will be held on August 3rd, the same date as the L.O.L. celebration in Stouffville which is being held in conjunction with the Business Men's Association.

The estate of the late Alfred B. Hoover was probated at \$10,000. The entire estate is left to his widow, the residence on Church street valued at \$3,000 is ultimately to pass on to the adopted daughter Marjorie.

Willmott Warner of Markham village has sold his confectionery business in that place to Alf. Bothwright of Kitchener. The new proprietor of the Markham store is a brother-in-law to Mr. Harry Welman. The store is located on the Main street almost at the intersection with the provincial highway at the south end of the village.

Listen in every Tuesday and Thursday 7.30 to 7.45 over C.F.R.B. Radio station Toronto and come and dance every Wednesday evening to the Rocky Mountaineers Orchestra at Cedar Glen Pavilion South side Musselman's Lake

The committee in charge of the affairs for the big celebration to be held here on August 3rd (Civic Holiday) are now selling a separate ticket for the street carnival. The regular 50c ticket on sale for some time admits the holder to the afternoon sports as well as the street carnival, but it was decided to issue a 25c ticket for the night affair only. Either the 25 or 50c ticket will entitle the holder to the same chance of winning the new Ford Tudor which is to be given free to the lucky ticket holder.

The weed inspectors James Gowland and James MacLean called at The Tribune last week while in this district inspecting weed crops both in the fields and on the roadside. The gentlemen note that the sow thistle is being got under control, and for the locality adjacent to Stouffville they declare the weed menace is not so pronounced. There has been a big improvement in the last three weeks they state in the matter of cutting weeds, and with the exception of a bad situation at the O'Boyle cemetery two miles down the tenth officials had no complaints to offer.

The morning train from Toronto on Monday was derailed about two miles south of Stouffville, just at the James McCreight farm. The engine and tender nosed into the embankment before the train came to a halt, but the passenger cars merely left the rails which had been riddled up by the engine running over the ties. The passengers only received a mild jolt as they suddenly halted. A wrecking train came down from Lindsay and worked all day in relaying the track and lifting the engine and cars back. It was not until seven in the evening that the road was reported opened and the evening train able to come through.

The biggest fish that has been landed in these parts this summer was pulled out of the Scugog at Port Perry last week by Tim O'Neill. He caught a lunge weighing 7½ pounds. As this is said to have been the only fish pulled out of the big pond that day, Tim must have had a particularly attractive bait that demanded the attention of such a big fish. When the strike was made Tim realized at once that he had a particularly voracious monster that might have been a descendant of the fish that swallowed Jonah. Holding onto the jerking line Tim landed his prey, which he brought home as proof that his experience wasn't just another "fish" story. If it proved as pleasing to the taste as it was to the eye Tim might be tempted to spend all his spare time between funerals in an effort to land another big fish of the Jonah type.

Mr. W. B. Kester, with his wife and family are here from Calgary visiting his mother Mrs. George Kester. They made the trip from Alberta in their motor car, and coming through Montana saw the real hardships that western farmers are called on to endure this year due to the drought and low prices. The Montana sheep and cattle ranches are virtually burned to a crisp, while the poorer grade cattle are being shot in order to preserve the food and water for the better stockers. The price per pound is so low for these animals that it would not pay freight rates to ship them to more favorable parts or to market. Mr. Kester says that the Calgary area is feeling the pinch keenly although the crops are fair in that territory. On the announcement of President Hoover's moratorium on the war debt, there was a great feeling of optimism noticeable in the country, and a perceptible increase in business was registered. Travelling for a large clothing house located in Hamilton this old Stouffville boy is in a good position to speak intelligently on conditions in Western Canada and we are glad to note that he anticipates a steady improvement in trade this fall.

Ho: for Mulock's picnic on Saturday.

Lost—Large gold sunburst Liberal reward. Tribune office.

New potatoes made their appearance on the Alliston market last week at \$2.50 per bag.

Mrs. Robt. Fairies, one of our highly esteemed residents, suffered a stroke this week, and is quite seriously ill at the home of her son Floyd.

Stouffville defeated Newmarket on Tuesday in the Canal Town by 8 to 3, and thereby secured the first standing the York-Ontario League by a safer margin. Newmarket are Runners-up.

Writing from Regina Mr. John Graham, a former Ballantrae boy, indicates that his section of Western Canada, is sharing the strenuous days of practically all parts of the globe. Work is difficult to find for the laboring man, and one carpenter who had heretofore always enjoyed plenty to do, found it necessary to return with his family to old Ontario last week.

Reginald Walker, charged with theft, and Eustace Johnson, charged with receiving, appeared in County Court in Toronto on Monday before Magistrate Keith. Walker pleaded guilty to the theft charge and told the Court he had taken the watch from the purse of a lady bathing at Musselman's Lake and had gone to Toronto with Johnson to pawn it. Johnson said he did not know the watch had been stolen until after it had been pawned. Both were remanded in custody until the 17th. The lads were arrested over a week ago by Constable Pugh.

Last week Mr. R. S. Reid of Chicago was the guest of Mr. A. V. Nolan. Although for long years he has been a citizen in the big American centre—Mr. Reid is a Canadian by birth, and a brother of Chas. C. Reid who frequently visits in town. Speaking on the financial trend in the U.S.A. our American guest, predicts that the day will come when a system of branch banking will be instituted across the line similar to that in operation in Canada. Chicago, he says, is fast headed that way. Mr. Reid is connected with the big Foreman's bank there and consequently has a close insight into the financial trend.

After practically winning the baseball game last Friday on the local diamond from Aurora, Stouffville through a series of poor judgments and fumbling had it snatched from them in the final innings. At the end of the sixth Stouffville lead by two runs 5 to 7, and it looked as though it was all over but the cheering, when the visitors connected with the ball in proper fashion and this coupled with weak support given the pitcher allowed the Aurora lads to score two runs and thus tie things up. The game ended in this fashion. Bruce Lehman was on the mound for the locals and pitched good ball. Despite the outcome Mather's nine still top the league standing with Newmarket in second place. The locals are playing a splendid game this season, and look like sure winners of the York-Ontario League.

Theodore Wideman, employed last winter in the Ringwood Garage, was taken in hand last week by the police charged with "dopping" cars. He made a written confession to having put either sugar, grinding compound or salomoniac in some ten different cars, mostly customers at the Ringwood Garage. He has been held, in custody for a week in an effort to find out why he acted thus, and was expected to receive his trial Wednesday this week. The case is complicated by the fact that Wideman could offer no real motive for his strange action, and by the fact that after signing the confession and making it individually to each car owner alleged to have suffered, he then denied all he had confessed to and stubbornly declared he was innocent. He admitted that he had not been unduly forced into signing the confession but gave no reason for his strange action.

It is expected that the readers of the Globe who now receive their copies through the local post office will shortly receive them at The Tribune office where facilities will be arranged to hand them out each morning. This change will not affect subscribers on the rural routes, and is being put into effect in order to stall off the new increased postal rates recently made effective on newspapers. The new rates would mean an increase of \$30,000 per year to the Globe alone, and is calculated by the postal department to bring them increased revenue. If other papers through Canada take the same action as The Globe the higher rate is likely to bring reduced revenue to the department. Of course the other dailies in Toronto are not so greatly affected as this paper mentioned because The Globe place more papers in the mail every morning than any other. Before the change is made all subscribers will be notified.

SANDFORD GARDEN PARTY

The annual garden party and concert of Sandford United Church will be held on Frank Brown's Lawn, Sandford, on Friday July 17. Tea served from 5.30. The Melody Boys of Hamilton have been engaged for the evening and will present an enjoyable program. Visit Scott Township for big annual event.

MELVILLE

Mr. John Miller has purchased a threshing outfit.

Jerry and Wilfred McGill were Toronto visitors on Sunday.

Miss Jennie Carruthers spent the weekend with Miss Trout in Toronto. Miss Doris' Lot of Montreal spent a few days at Mr. Willis Lehman's. Miss Helen Hasting of Stouffville visited with Miss Marion Sellers last week.

Rev. A. and Mrs. McNeil had tea with Mrs. M. Houck on Monday evening.

Miss Velma White is spending her holidays with her grand parents Mr. and Mrs. Thos. White.

Mr. Douglas Kinch of Toronto is visiting a few days with Mr. and Mrs. Nehemiah Gayman.

Mr. and Mrs. Ward Hallman were guests on Sunday of Mr. and Mrs. Willis Lehman.

Miss Olive McKinnon motored to Port Bolster on Monday.

Miss Eleanor and Annie White visited with their sister Mrs. Jack Leadbetter of Markham on Saturday evening.

Miss Edith Brodie is visiting her sister Mrs. Robt. Kelly of Sunderland.

Mr. and Mrs. Harvey Houck spent Monday afternoon with Mr. and Mrs. Percy Putebough of Maple.

Stanley Powell and Wilson Boyd two of our young Orangemen attended the Orange Walk in Toronto on Saturday.

Mr. and Mrs. Orval Roach and daughter Irma motored to Sunderland on Monday where Mr. Roach and Irma took part in the Orange walk.

Mr. Harold Carruthers and Mr. and Mrs. George Carruthers and family of Brantford were guests of Mr. and Mrs. O.K. Carruthers of Toronto on Sunday.

Mrs. Livingston and grandson Donald Banks of Toronto also Mr. and Mrs. Walter Scott and daughter Jean of Richmond Hill and Miss Jean Scott of St. Catharines called on Mrs. J. Nigh on Sunday.

The young people of Bethesda, Peaches and Melville are anticipating a real treat next Wednesday evening when they will gather at the home of Rev. McNeil for a social. There will be a ball game early in the evening after which a profitable and interesting program is being arranged.

Rev. Auld of Markham will deliver the address and there will be special music from the three societies. A booth in charge of the W.A. will provide lunch. Everyone welcome.

LEMONVILLE

We are pleased to see Mrs. J. K. Brown out again after her recent illness.

Mr. and Mrs. Herb. Wells and family of Aurora spent Sunday with Mr. and Mrs. Elmer Wells.

Blake Yake is engaged for the holiday season on a farm near Aurora.

Master Donald Harwood of Toronto is holidaying with his aunt and uncle Mr. Herm and Miss Mina Burkholder.

What about the Ladies' Aid Lawn Social?

Rev. Mr. Mills and wife are boarding with Mrs. Thos. Spence for a time.

Mr. and Mrs. Albert Westland of Toronto and Mr. and Mrs. Foster Wagg of Mongolla were Sunday guests with Mr. and Mrs. John Spence.

We welcome Rev. and Mrs. E. C. French and family of St. John, Newfoundland, to our parsonage. Rev. Mr. French gave his first sermon on Sunday afternoon, which was highly appreciated by all who heard him.

Mr. R. French who has been attending Toronto University for the past year, spent the weekend with his parents, this being his first visit with the family since he left St. John last September.

Mr. H. C. Fennock of Stouffville spent the weekend with his grandmother, Mrs. M. Cook. Miss Janet Button also was the guest of Mrs. Cook on Sunday.

Miss Helen Walsh of Newmarket is spending the summer with her sister Mrs. Jim Cooney. Mr. P. Cooney was also a visitor at the home of his son Jim for a week.

Mr. and Mrs. Harry Beck and son John Henry, Mrs. Mary Canning and other friends all of Toronto spent Sunday with Mr. Michael Wallace.

Mr. and Mrs. Kerr and son Russel of Toronto spent Sunday with Mr. and Mrs. Thos. Spence.

Master Thos. Kerr of Toronto is spending the summer with his aunt and uncle Mr. and Mrs. Thos. Spence.

Mr. Bill Walsh and sister Kathleen of Newmarket and friend Miss Jane Morgan of Toronto called on relatives in town on Wednesday.

Mrs. Jack Holman of Toronto is spending some time with Mrs. M. Cook.

Mr. and Mrs. Blake Sanders of Stouffville called on relatives in town Sunday evening.

The United Church Sunday School held their picnic at Lake Musselman's on Saturday afternoon. The picnic was enjoyed by the members of the congregation as well as the children.

PERMANENT Beauty of the FORD

THERE are definite reasons why time and weather are kind to the Ford. First is the body finish, with its primer coat, two surface coats, two double coats of pyroxylin lacquer, finish coat.

Another important factor is the use of Rustless Steel for the radiator shell, head lamps, hub caps, cowl finish strip, and other exterior parts of bright metal.

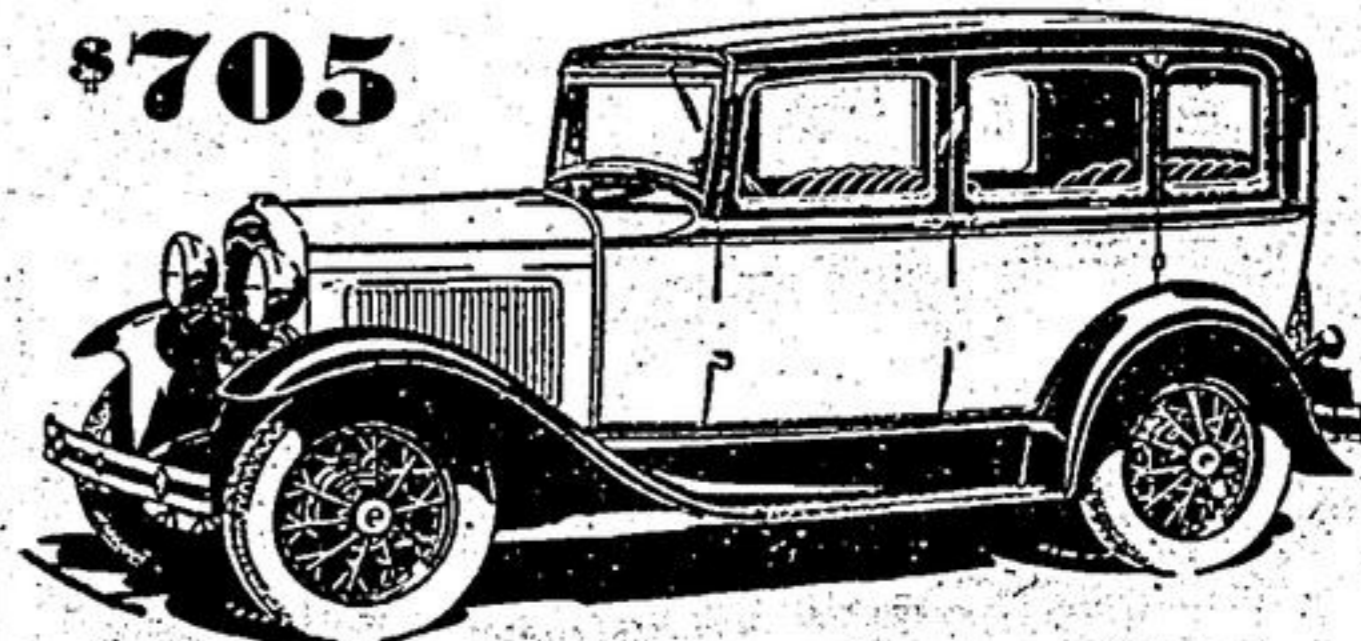

This remarkable metal will not rust, corrode or tarnish under the severest weather conditions. It never needs polishing. All it requires is wiping with a damp cloth as you wipe the windshield. Its gleaming luster is never lost. There is nothing to scale or chip off because it is the same bright metal all the way through. And it is exceptionally difficult to dent because it has twice the strength of ordinary steel.

Again, the Ford Motor Company is now treating the wheels, fenders, running board shields and front splash pans with Bonderite before they are enameled. This holds the enamel to the steel, so wind, rain or mud will not cause the finish to crack, chip or peel. If the enamel is scratched enough to expose the raw steel, this new treatment will help to stop rust from spreading.

The enduring beauty of the Ford increases your pride of ownership, and is a factor in maintaining re-sale value. Come in, let us demonstrate these features, and explain to you how the cost of the Ford can remain so low in spite of the extra value.

\$705

THE STANDARD SEDAN

F. O. B. East Windsor, Ontario, plus taxes. Bumpers and spare tire extra at small cost. You can buy a Ford for a small down payment, on convenient, economical terms.
