"Greetings, Chief Swiftest Rider Of Mighty Waters"

Honours have been heaped upon Captain R. G. "Jock" Latta, commander of the trans-Atlantic record liner Empress of Britain since his new 42,500 vessel regained the Blue Ribbon of the Atlantic for the British Empire by all classes of people but none have been more sincerely offered than the recent tribute of the Six Nations Indians.

Encamped at Loretteville, Quebec, where they are establishing a village in which the ancient arts of the redman are practiced, members of the Six Nations under the leadership of 31 year old Chief Wolverine recently honoured the Canadian Pacific Commodore by adopting him into the tribes and conferring chieftainship upon him as a tribute

to his feats of seamanship with the big white "war-canoe." Meeting the Empress of Britain in their gaily decorated birch-bark canoes a score of braves and Squaws, led by Wolverine, Running Bull, American Horse and Princess White Eagle, danced their ceremonial dance on the Games Deck of the mighty liner, stood in reverent silence while the old Chief invoked the great spirits and rent the air with their whoops as Princess White Eagle and Chief Wolverine crowned the new chief with a war bonnet of eagle's feathers.

Photos show (left) Chiefs and braves in their canoes cluster round the big ship as she arrives, (right) The final ceremony, and the deer skin certificate of adoption.

Fall plowing with a Fordson

DRY ground, hot weather, weeds . . . all are drawbacks to fall plowing. All these drawbacks disappear when a Fordson Agricultural Tractor is hitched to the plow.

The improved Fordson engine develops 30 horse-power at 1100 r. p. m. It has ample power to turn dry ground. It also has plenty of power to plow the weeds under no matter how heavy the growth.

Put a Fordson Agricultural Tractor to your fall plowing this year. Put a Fordson to all the farm jobs of seeding, tending, and harvesting. It will pay you in time saved and labor costs saved. Let us demonstrate the new features of the improved Fordson.

FEATURES OF THE IMPROVED FORDSON

1. More Power
2. Easier Starting
3. New Cooling System
4. New Lubrication System
5. New Ignition System
6. Large Air-Washer
7. Redesigned Transmission
8. Longer-Wearing Crankshaft
9. Improved Gasoline Carburetor
10. Hot-Spot Manifold
11. Heavy Fenders and Platform—Standard Equipment
12. Sixteen-Plate Transmission Brake
13. Steel Steering Wheel—Hard Rubber Covered
14. Shock-Absorbing Front Coil Spring
15. One-Piece Cast Front Wheels

The Fall Assizes

William Bunker Charged With Drowning Son—Try York Men

Small lists have been set down for the Fall sitting of York County Assizes and the Court of General Sessions, as announced yesterday.

In the Assizes, only one murder trial is slated, that of William Bunker, who is charged with drowning his infant son last spring when he himself attempted suicide. Former York Township officials and others will go on trial on charges of bribery and conspiracy, as the result of Judge Denton's inquiry last winter. They are Peter Mohan, J. C. Woolner, A. E. Baker, W. G. Armstrong, B. Holden, W. MacQueen, E. G. Westbury, J. J. Little and D.K.G. Strathairn.

Added to the brief Assize list are charges of manslaughter against F. M. Rogers, Jack MacDonald, Roy Culver, Harry Smokler, Harry Hanson, Marcus Dikianides, Stefano Darrigo and David Lipson. Thomas Graham is charged with a statutory offence.
