## PASTOR'S FAREWELL NEXT SUNDAY

With his farewell service next Sunday evening Rev. S. S. Shantz, pastor of the Stouffville and Altona Mennonite churches for the past four years, will draw his ministry to a close on this field.

As a fearless fighter for the fundamentals in Christianity Mr. Shantz has gathered to himself a large following, and at no time has the local church stood more shoulder to shoulder than at the moment when his pastor is about to leave. He has filled the limit of time, four years, allotted to a pastor on one circuit.

Rev. and Mrs. Shantz after their marriage located on the Scott Township circuit where they spent two years. Later they served two terms on the mission field of West Africa at Nigeria. Just prior to coming to Stouffville they filled the appointment at Vineland, and now go to Owen Sound to enlarge the work there which is at present a mission charge.

Rev. Mr. Shantz inaugurated the summer evangelistic meetings in Stouffville which have proved so popular and spiritually profitable. No doubt these arena meetings so well founded will continue to be a feature of the Mennonite summer work on this field.

Sunday evening the farewell service opens at eight o'clock, an hour that will permit friends from outside and from sister churches to attend. There will however, be a 7 o'clock service conducted by young people on Sunday evening. For this farewell occasion, the Mennonite Church will undoubtedly be taxed to accommodate the friends that will be anxious to attending.

## School Notes

Sorry to report Miss Styles, of our staff on the sick list a couple of days this week. Mr. H. O. Klinck is filling in the vacancy.

### College Humor

Our brain is a wonderful organ. It begins to work as soon as we get up and continues till we get to school.

### Sports Day

On Friday afternoon of this week Stouffville High School will hold a Field Day in Memorial Park. This is a new venture for the local school, but a very popular event. All students have been requested to enter in at least two competitions in order to obtain the full cooperation of all members.

The following are the listed events for girls:—100 yd. dash, 50 yd. dash, 220 yd. dash, Running Broad Jump, Standing Broad Jump, Hop Step and Jump, Running High Jump, Baseball Throwing Overhand  
Extras:—Novelty Race (three legged-race) Tennis Serving, Potato Race.

A similar list of events will be engaged in by the boys with other additional events including Shot-Put, Form Relay Race and Slow Bicycle Race.

The judges are Mr. A. V. Nolan, Dr. S. S. Ball and Mr. A. Stover. It is hoped that all citizens of Stouffville and surrounding district will join with the students in turning out to see these events and so make it a gala day for all.

Parents of pupils will all be pleased to know that teaching of all subjects is well underway and with our excellent staff should be a record year.

## The Tower Fund

It is expected that the committee in charge of securing funds for the tower building will complete their work next week, so that next issue The Tribune will announce the final gifts which are hoped for within the next few days.

Mrs. Arehle Leaney who is still with her sister in Minden sends us \$5, which together with \$5 from the Stouffville Planning Mill (Wes. Schell) and \$2 from Mr. W. L. McNabb, one of our Main street citizens forms the receipts this week.

If you would have a part in erecting this fine memorial, get your contribution in without delay. Immediately the fund closes arrangements will be made to erect the marble panels on which will be inscribed the names of the donors to the clock.

One day last week Mr. Elijah Pennock was down town as far as the post office. This is the first time this one-time police official of Stouffville has been able to put in a front street appearance in several months. Our old townsman who is 80 years of age is troubled with sluggish circulation affecting his feet.

## York Pioneers

A letter written by Fred Williams concerning "Old Families in York County," as published in the Newmarket Express-Herald brought forth a reply last week from Mr. A. D. Bruce who writes:

"As you have expressed your curiosity concerning the descendants of those couples mentioned in the register, I am taking the liberty of writing to you.

"Bloughs, Smellies and Dalziels are still residing in Vaughan Township.

"Phillips—Mr. Phillips, clerk of York County Council, is I believe, of this family, and could give you further information. Norman Jones, E. A. Button, F. L. Button, Fred Silvester (all of Stouffville) and D. E. Jones of Markham are grandsons, and Mrs. (Rev.) Crawford Brown of Toronto (daughter of the late Senator L. M. Jones) is a granddaughter.

"Klinck (now spelled Klinck)—Collateral descendants are: Ross Klinck of Gormley, Harry O. Klinck of Stouffville, Professor L. Klinck, president of the University of British Columbia. Mrs. F. C. Rowbotham of Stouffville and Mrs. Clarke, living near Lindsay.

"Hornor and Hoover—Hornors are still residing in York and Ontario Counties, while the Hoovers are one of the large clans of this continent, and is particularly numerous throughout the townships of Markham and Pickering. At the Hoover reunion, held in Unionville, a few weeks ago, a letter was read from President Hoover, regretting his inability to be present. All the Hoovers of Canada and the U.S.A. are said to be descended from Ludwig Hoover, who emigrated from Switzerland, to Pennsylvania in the first half of the 18th century. Incidentally, I might mention that the historian Parkman mentions the evidence given by one Hoover, a teamster of the Pennsylvania contingent in Braddock's army, who escaped with his life, when Braddock's army was all but annihilated by the French and Indians at the Monongahela.

"McMurchy—The family is still numerous in King Township, and the late Angus McMurchy, K.C., Dr. Helen McMurchy, Miss McMurchy and Lady Wilson, all of Toronto, are of this family.

"Lemon—Gordon Lemon of Lemonville, Whitechurch, is a grandson.

"Morden—Family still numerous in the district.

"Kendrick—Mrs. Nelson Byer of Stouffville is of this family.

"Vanzant—The family still numerous in different localities but not many of the name are in the immediate district from which the couple of one hundred years ago, came.

"I note your remarks about Mr. Jenkins being a marrying minister," as also your conclusion about the number of runaway matches. I know nothing about his much marrying before he arrived in Canada, but from individuals of a former generation I have heard an entirely different reason given for his popularity as "a marrying minister." The reasons given had its roots in the political controversies of that far-off day. Mr. Jenkins was not only a sympathizer with those who were fighting the Family Compact, he was a leading figure, locally, in the opposition to the government of the day. At that period, only clergy of the Church of Rome, of the Church of England, and of the Presbyterian Churches were allowed to perform the marriage ceremony. All Protestants, other than Anglicans, if opposed to the Family Compact, preferred being married by a Presbyterian minister rather than by an Anglican, and as Mr. Jenkins was for several years the only Presbyterian minister between the Bay of Quinte and Lake Huron, he was known far and near, and Presbyterians, Baptists, Methodists, Mennonites and Quakers came to him to be married.

"They came on foot, on horseback and by the sleigh load. It is said that on one occasion a sleighing party brought eight couples to him to be married. The auspicious ceremony was performed, after which the numerous bridegrooms, groomsmen, assisted no doubt, by Mr. Jenkins' lusty sons, cleared the snow from a level piece of ground, where all danced; a happy ending to an occasion upon which so many people had been made happy.

"A century ago Mr. Jenkins was a notable personage in this part of Upper Canada, and interesting tales could be told regarding him. The house which he built for himself (and which was the scene of much of his multi-marrying activities) is still inhabited, and is one of the most commodious and best preserved dwellings in the district. It is surely worthy of having placed upon its walls, a tablet by the historic sites committee of the Ontario Historical Society.

The regular meeting of Stouffville council for October will be held on Monday evening. We understand a request will be made for street lamps in at least one spot near Main street, while a protest may also be lodged against the inactivity of the Board of Health in permitting manure piles to be created close to homes and business places without the proper screens and boxes. The Public Health Act contains specific measures regarding this matter, which is claimed to be openly violated in town.

The marriage took place on Saturday, September 26 1931, at Keswick, Ont., by the Rev. C. E. Fockler, cousin of the bride, when Meeda Helena, only daughter of Mr. and Mrs. John W. Cleaver of Stouffville and Oliver T. (Barney) Harding of Toronto, son of Mrs. Alice and the late William Harding of Stouffville were united in wedlock. After a short honeymoon the young couple will be at home to their friends at 40-A-Scollard St., Toronto. The local friends of this young couple extend to them best wishes for their future happiness.

Rev. S. S. Shantz who will conduct his farewell service next Sunday evening in the Mennonite Church, prior to moving to Owen Sound.

## VEGETABLE BUYER CAMPBELL SOUP CO.

R. E. Brown Receives Important Position with Big Cannery—Local Vegetable Men Benefit

Local vegetable growers will be glad to know that the buyer for the new factory of the Campbell Soup Co., at New Toronto, will be located right here in our midst. This week Mr. R. E. Brown received the appointment as vegetable buyer for this large and important firm. Mr. Brown's ability was well known to this big American firm who established a Canadian branch to escape the tariff wall raised in this country. He has on many occasions purchased vegetables here for their account and delivery in New Jersey.

While the new million dollar Canadian plant at New Toronto is just opening, the firm are on the market right now for supplies, and Mr. Brown is ready to purchase large quantities of carrots, turnips, and some potatoes. He will also require other lines of vegetables, but could not furnish the press with prices at this time.

Another year he will be able to advise the farmers on the amount of vegetables they might safely put in, and also the varieties best suited for the canning trade. While the buyer is located in this district he will find it necessary to load many cars of supplies from various points over the country.

## THE PLOWING MATCH

Arrangements for the annual plowing match of the North York Association are progressing favorably. The support, given the prize list this year is, away better than the directors hoped for, and now they are able to report that the funds are nearly all in sight for this big annual event.

The Col. Snively farm at Lake Wilcox is an ideal place for such a competition. In the evening the Gormley Women's Institute will serve meals in the pavilion at the lake and following this the prizes will be awarded there.

The directors are requested to report their collections to the secretary, A. V. Nolan, as promptly as possible.

## Whitchurch Council

The regular meeting of the Whitchurch Township Council for October was held on Friday, the session being speeded up in order that the members might be free to patronize the school fair being held that day at Vandorf where the council was in session.

Arrangements were made for the collector's bond to the amount of \$20,000. This was given in four surities of \$5000 each. Collector Steckley furnished one himself and the other three were contributed by Messrs. W. J. Paddington, F. J. March and J. A. Clark.

A communication from R. E. White, the district representative, urged council to provide for taking a bull census of the township, this to be done when the assessors are on their rounds next spring. The work could be done with no extra expense, and very little inconvenience to any one.

The Junior Farmers Club was granted \$10 for home competitions conducted under direction of the District Representative. This is an annual grant, for which the motion was introduced by Councillors Ratcliff and Rae.

Deputy Reeve Williams and Councillor Evans introduced a resolution which passed to ratify an agreement for the township to purchase gravel from the Metropolitan right of way from Mulock's Corners to Newmarket, at 15 cents per yard. Chas. Bostick was awarded \$10 being for one sheep killed by dogs, and J. A. Clark \$12 for two killed, and \$8 for two injured, a total of \$20.

Reeve Herman Kidd presided over the meeting, with all members present being Deputy Reeve Williams and Councillors Rae, Ratcliff, and Evans. Adjournment was made to Saturday, Oct. 24th, after passing the following road accounts:—

Road Accounts  
Division 15 \$593; Division 29 \$21-25; Division 45 \$74.95; Division 38 \$113.75; Division 4 \$5.28; Division 6 \$29; Division 44 \$10.15; Division 41 \$6; Division 19 \$90.48; Division T.L.S. \$59.40; Division 46 \$24.98; Division 38 \$33.25; Division 18 \$5 Division 24 \$15.50; Division 15 \$8.55; Division 33 \$13.30.

Thos. Ayre, damages re blasting \$3.35; M. F. Starr, weed inspector \$39; A. H. Vanstrand, assessing \$9 W. Beach, constable \$12; J. Williamson, \$137.50; Riverdale Isolation Hospital \$57.00

## SEASON'S AUCTION OPENED SATURDAY

The first general farm stock sale of the season in the Stouffville district was held on Saturday when the entire stock and implements on the farm of Mr. John K. Brown at Lemonville, were disposed of under the auctioneer's hammer. Mr. Brown is retiring from the farm to locate in Stouffville and has sold his property to Mr. Albert Neighorn who now becomes one of the biggest land owners in the Township, having a block of 450 acres. Saturday's sale drew a tremendous crowd and the general outcome of the sale was good.

Prices on implements, and live stock exceeded the expectations of many at the sale. A binder which had seen many years service was knocked off at \$50. Much interest centred around the sale of cows and horses. For cows the top notch price obtained was \$100 for a nice heifer 2½ years, while other milkers realized prices close to this. Work horses went at \$100 to \$110 with a pair of 2-year-old colts selling at \$80 each. All the grain, hay and hogs were sold at cash prices, the recent slump in the hog market having its effects on the pork prices obtained Saturday. Sows sold for \$15 each which a few years ago would have brought \$30 with less effort on the part of the auctioneer. Fortunately neither extreme lasts long. Sheep went at attractive prices to the buyer bringing only \$5.25 each.

The total sale figures, we understand, exceeded the figures at which the stock was estimated prior to the auction. Auctioneer Silversides anticipates a fair run of late fall sales.
