Terms Cash

Widow will do family washings, finished or rough dry, 40 cents a dozen called for and delivered. Mrs. Jack, Main street.

While the man who grows potato stalks is not exactly to be envied, it is interesting nevertheless to note the tremendous growth this year of the vines. Mr. George Bowers informs us that he had a stalk measuring eight feet and four inches in length, which must have resembled a pumpkin vine.

His friends in town will be sorry to learn that our young business man Mr. Earl Grubin, R. O., is leaving this weekend to take over an optical business at Picton, which he recently purchased. His parlors in Stouffville, however will not be entirely closed, as he will be here at least two days each month, of which announcement will be made at a later date. Earl is a town boy, educated in our own schools, and later a graduate with highest honors at the Toronto College of Optometry. With him will go the best wishes of the citizens for a successful career in the city.

On Monday evening Mrs. Nathan Forsyth tripped over a protruding block of cement sidewalk just north of the United Church on Church street, fell to the ground sustaining a sprained wrist, and other injuries, as well as smashing her glasses. This is the second or third accident at or near the same place, which is said to be due to the heavy condition of the sidewalk. After night the shadows from the trees make it difficult to see the uneven cement work, and the street and sidewalk committee of the council should take immediate steps to make the going safe at this point.

Dr. S. T. Bodendistel, was called to Unionville on Monday where a horse belonging to Clark Johnston had slipped and fallen on the roadway. The local V.S. found that nothing could be done for the animal, a valuable mare, which broke a leg in the fall. The animal was destroyed.

Delegates to the Ontario Liberal Convention last week from here included Mrs. George Lee and Miss Nettie Bruce. Others who motored to London for the occasion were Mrs. George Storey, Mrs. W. H. Shaw, Mrs. Alex. Grubin, Dr. W. A. Sangster, and Mr. and Mrs. Morgan Baker.

Do not forget the Hallowe'en Masquerade and box social at Mrs. M. E. MacNelly's, Lake Musselman, on Friday evening, Oct. 30. Everyone is requested to come in fancy costume or pay a fine of one big nickel. First and second prizes are given for best lady and best gentleman. Program of hallowe'en games and auction of boxes.

At the close of the Business and Young Men's Bible Class meeting on Sunday last it was decided, on the occasion of the annual meeting in the basement of the church, on the evening of Nov. 6 to hold a Pot Luck Supper. A nominating committee was also appointed to draft a set of officers for the coming year, and report at the meeting on November 6th.

Miss Marguerite Hodgins, daughter of our local C.N.R. agent, again won signal honors in the tennis finals for the city championship in Toronto this fall. Marguerite duplicated her performance of last year by capturing the championship in ladies' single contest. In 1930 they presented her with a silver cup, and this year the prize will be a valuable club bag. Miss Hodgins is employed in the hydro offices who is to be congratulated on her ability on the tennis court.

The ability of the local press to get results was again demonstrated last week when Mrs. Schell of Gormley who spends much of her time with her daughter Mrs. Moyer at Dixon Hill, advertised her house to rent at Gormley. The advertisement caught the eye of Mr. Ralph Bruels of Toronto and he will shortly become a resident of the comfortable little hamlet to the west of Stouffville some eight miles.

A resident of the Atha district passed away on Sunday morning when death claimed Margaret Madill in her 76th year. She was a spinster and resided alone with her aged sister Minnie who is over 80 years of age. There also survives three brothers, John and Tom Madill of Claremont and Ebenezer at Aurora. For some years the late Miss Madill lived in California but since 1920 lived in the house where she died on the 8th concession of Pickering.

Stouffville hydro electric users may think they are due for a nice Christmas present by way of a rebate of one-twelfth of the amount of their total payments to the Hydro during the past year, but their neighbors to the north are still more fortunate. The users of hydro in Uxbridge will be given back on their December payments an amount equal to one-sixth (sixteen and two-thirds per cent) of the amount collected from each customer during the year 1930. As in Stouffville, this rebate will be made on the next billing.

"We get several papers at our home here in Rokeby, Sask.," writes Mrs. James H. White, "but the Stouffville Tribune is the first one opened. I would not like to be without it even if times are hard." We are glad to know that our efforts are appreciated and certainly such commendation will do its part to maintain the standard of the local paper. Even newspapers like to be appreciated. Mrs. White and her husband are old residents of the Lemonville district, who moved West possibly twenty years ago or more.

Mr. L. Fingold, the Claremont merchant has opened a general store business in Aurora. Under selling the local stores in the sale of bread by the loaf, he is said to have started a "bread war" on Yonge street, and householders were enjoying a cash and carry loaf for only 4 cents last week. This is one war the police will not be called on to put an end to.

When taking on a supply of gasoline at Strong's garage about nine-thirty on Saturday evening, the Ford coach belonging to Dr. S. S. Ball suddenly sprang into flames, and before the fire brigade was called, was reduced pretty much to a wreck, so far as the body of the car goes. A couple of small extinguishers were emptied on the blaze with little or no effect, but when the fire chemical engine opened its nozzle, the blaze was subdued in less than two minutes. Notwithstanding the fact that several men were present when the first flame shot out, the car was enveloped so quickly that the doctor's medical grip and satchel were burned in the rear of the car. The damage is partly covered by insurance.

The Mitchell Mission Band will hold a bazaar and tea on Saturday afternoon at 2 o'clock, in the basement of the Presbyterian church. Numerous fancy articles and linens from China will be on sale.

A special showing of ladies fall and winter coats is announced for Saturday this week at Shaw's store. With this opportunity of having the manufacturers samples brought to your very door, do not miss seeing the display.

You have heard the original Seth Parker old time singers over the radio, then hear the Seth Parker group from Allandale this Thursday evening in the Melville church, 6th concession, Markham. Old time melodies and song with all the extras depicted in an evening at Seth Parker's home. Admission 25c

To Arthur Forsyth, local tonorial artist, belongs the hunters' delight of bringing home the first deer of the present season. In company with Fletcher Goudie, and Ward Halman, Art. journeyed north on the Monday, of last week, returning on Friday with his prey. The trio dropped in east of North Bay and thirteen miles out, our south side business man got his first glimpse of the fleet footed animal. Instead of being attacked with "buck fever" like many a huntsman, he pulled up his rifle, with sure and steady aim.

There passed away at Tisdale, Sask., last month a former resident of Whitchurch and Markham Townships in Reuben Steckley in his 82nd year. At one time the deceased kept store at Bethesda, and later farmed on the 5th concession of Markham, but over 25 years ago he moved to Western Canada. Two years ago he visited here making his headquarters at the home of his brother-in-law Mr. John Atkinson, Main street west. His wife predeceased him some years, but he is survived by a family of several children including Mrs. L.J. Ernest of Tisdale with whom the father lived of recent years. Frank Steckley of Bethesda and Abram of Stouffville were cousins to the deceased.

Only what seemed a miracle saved a car load of people from death on Friday afternoon when the big Hudson car they were traveling in turned completely upside down on the roadway at Dickson Hill. The driver, a Mr. Cook of Toronto, was accompanied by his mother and two daughters. They were travelling south on the 8th of Markham going down the moderate grade to the bridge at the foot of the big incline "opposite" the mill, when Fred Ramer drove out onto the road from his field. Cook endeavored to avoid a collision and he did, but his car swerved, turned over tearing the top off and smashing every glass in it. The lady in the car was injured and was taken to Toronto by a passing motorist, but the other occupants escaped with minor bruises.

The annual rally of the Mission Bands of Toronto East Presbyterian, was held in Stouffville United Church, on Saturday afternoon, at 2:30 p.m. Bands were present from Agincourt, Unionville, Millikens, Markham, Melville, Stouffville and Uxbridge. The programme took the form of scenes, portraying the child life of Japan, one scene being given by each band. The pretty Japanese costumes worn by the children made it very interesting. Musical numbers were given by Unionville Band and Stouffville "Mary Haig" band. The meeting was presided over by Mrs. Coleman Presbyterian Secretary of Mission Bands and greetings were brought by Mrs. Shiell, pres. of Toronto East Pres., Mrs. Thomas of the Toronto Conference Branch and Mrs. Gundy of the Dom. Board. At the close of the programme supper was served to over 200 guests and brought to a close a very successful rally.

SHAKESPEARE

"Rightly to be great is not to stir without great argument."

SERENITY comes from sincerity of purpose; tranquillity is the result of study and labor, but notions of fidelity are inherent.

15 Eggs to the Dozen

Here's the way one man, who feeds Quaker Ful-O-Pep Egg Mash, expresses his increased production: "I gather 15 eggs for every dozen I got before I used Quaker Ful-O-Pep Egg Mash."

The base of Quaker Ful-O-Pep Egg Mash is pure oatmeal. To this are added many other important ingredients which go to form a "perfectly balanced ration"—a mixture which supplies all the necessary elements for heavy egg production.

Bone meal and calcium carbonate furnish the all-important minerals. Cod Liver Meal, high in vitamine D, takes the place of sunshine and makes it possible for your hens to produce as many eggs in winter (when eggs are high) as they do in the spring.

Ful-O-Pep Egg Mash is the cheapest feed you can use because IT PRODUCES MOST EGGS FOR LEAST MONEY.

Besides being perfectly balanced, it is finely ground and thoroughly mixed. Your hens cannot pick it apart—every mouthful is perfectly balanced, and because of these features less feed is required.

Consider the economy of Ful-O-Pep Mash when you compare its price with cheaper feeds. Eighty pounds will go as far as one hundred pounds of an ordinary mixture. For the sake of "More Eggs and Greater Profits" feed

Quaker FUL-O-PEP EGG MASH

Made by The Quaker Oats Company, Peterborough, Ontario.

Manufacturers of Quaker Ful-O-Pep Chick Starter; Quaker Ful-O-Pep Growing Mash; Quaker Ful-O-Pep Chick Feeds; Quaker Ful-O-Pep Egg Mash and Quaker Ful-O-Pep Scratch Grains for Poultry. Quaker Dairy Ration for Milk Cows. Quaker Schumacher Feed for cattle, hogs and horses.

Built Especially for Farm & Town Homes

F. Y. W. BRATHWAITE

Hardware—Stouffville, Ontario.

this store will be open Tuesday Thursday and Saturday evening. Closed Wednesday at noon.

Do not overlook the date of Nov. 11th as the time of the benefit concert in aid of Stouffville cemetery to be given by The Blind Performers of Toronto, noted entertainers. The Cemetery Commission hopes that all citizens will get behind this effort to raise funds for improvements to city of our dead.

Canadians have been greatly interested in the "Good Will Ship" from Australia just arrived in Canada with a cargo of fruits, etc. from the sister Dominion. This week Ratcliff & Co. received a consignment of the Australian raisins which for size and flavor are superior to other imported varieties, and we understand they will retail at only 10c pound. Housewives should demand empire products under these conditions.

His friends in town and on the bowling club will be glad to learn that Percy Spofford is making satisfactory recovery from his recent accident when he was struck by a train at the Langstaff crossing on October 18, injuring his foot so that it had to be amputated at the ankle. On Tuesday this week Mr. Spofford was able to be out on the veranda at the hospital, and it is hoped that he will be taken home in a few days.

Rev. T. H. Mitchell, M.A., D.D., former Ringwood boy, and pastor of Robertson United Church, Edmonton, was formally inducted to the chair of practical theology at St. Stephens College on Oct. 5, says the Edmonton Bulletin. After the usual preliminaries incidental to such a ceremony, Dr. Mitchell thanked the gathering for the honor conferred on him, and then developed the subject of his induction address.

"Social Conditions of the Present Day," which clearly showed his intimacy with this phase of practical theology. He drew attention to the present serious social dilemma and to the suggested cures, chiefly insurrection and democratic extension, both of which he affirmed must bow to the primary necessity of hard work under spiritual leadership.

The century, he contended, was indeed scientifically miraculous but moral development had not kept pace. Carrying his attack of the mechanical to its greatest exponent, communism, Dr. Mitchell vigorously challenged the destination of Soviet-Russia without Christian love.
