**ANNUAL PLOWING MATCH**  
**ATTRACTED OVER 2,000 PEOPLE**

78 Entries in All Events at Match Held at Claremont On Wednesday

**RECORDS OF OTHER YEARS BROKEN**

Large Entry of Boy Plowmen a Feature: Banquet Served After Match at Claremont.

Breaking all previous records for the number of entries in all classes and also for attendance of plowmen and spectators, the annual plowing match of the South Ontario Plowmen's Association, held on Wednesday last week on the beautiful farm of Ex-Warden G. Malcolm Forsyth, near Claremont, was in every way a wonderful success.

Numerous Entries  
There were in all 78 entries in the various events, and over thirty acres of land yielded to the advance of the ploughs in the hands of skillful manipulators. The weather, like a day in the early fall, helped to swell the attendance, which was estimated at three o'clock in the afternoon at two thousand. Plowmen and spectators from a radius of fifty or sixty miles came to the Forsyth farm, and with interest watched the contestants in the nine different classes for horse drawn ploughs and for tractors. The attendance and the success of the match generally brought smiles to the faces of President W.C. Ormerod, first vice-president John Medd, second vice-president Innes Grant, secretary-treasurer W. S. Croxall and his assistant, Thomas Hall, and the directors associated with them.

Many Boy Contestants  
An outstanding feature of the match was the large number of boys who competed, there being no less than nineteen in one class alone.

A Genial Host  
The owner of the farm where the match was held, G. M. Forsyth, proved to be a genial host. His family worked hard from morning until night to entertain the contestants and their helpers, and some idea of the magnitude of their task may be had from the fact that at noon they fed over two hundred persons. They had not anticipated such a crowd, but they proved equal to the task which confronted them. Incidentally, it may be noted that it is sixty years since a plowing match was held in the township, and it was held on the same farm.

An outstanding feature of the match was the banquet served in the evening by the Women's Institute in the Community Hall, when over three hundred were fed. The menu was all that could be desired and many favorable comments were held. After the supper adjournment was taken to the hall upstairs, where Mr. G. M. Forsyth presided over a gathering which taxed the hall to its capacity. In addition to the presentation of prizes by Secretary-Treasurer Croxall, brief but appropriate addresses were made. All of the speakers congratulated the Association on the success of the match. The dominant keynote of most of the addresses was that farmers should have ample reward for their toil and heavy investments, and that while tillers of the soil in the great open spaces of the country were hard hit in the present depression, they must have faith and courage to sustain them until the better days dawn. These, the speakers were agreed, were not far away.

During the evening Mr. Goddard, of Balsam, prominent farmer and reader, delighted the audience with his interpretation of some of the works of Robert W. Service, poet of the Yukon.

**Vegetables Appreciated**

Our popular C.N.R. agent, Jno. Hodgins has received the following letter from H. T. Alcorn, station agent at Dumfries, Sask.  
"Just a few words to let you know that the car of vegetables covered by your waybill of Oct. 19, arrived on Monday in the very best condition. The contents of the car weighed an even 35000 lbs. and has been well distributed throughout the district.  
It was a fine car a gift which is greatly appreciated, and brought back many fond memories of younger days in Ontario to many of the recipients. As a helper in the distribution I wish I could convey to you all the smiles and the words of appreciation from each person who shared in the gift. Mr. Thorne the local minister is writing to the Men's Bible Class to convey the thanks of the community to those who shared in the making up of the car and will most likely cover this much better than I can.  
I was born in Ontario but left when quite young. Those golden pumpkins brought back memories of trips I have made east during the past years to a part of the country which has many wonderful harvests."

**Stock for Sale**

Very satisfactory prices were secured at the recent annual sale of surplus purebred stock held at the O.A.C. receipts totalling \$5,764.20. About 1,200 buyers from all parts of Ontario and points in the United States and Quebec attended, and with a fine quality of stock offered, bidding as a whole was brisk. The top price was \$225 for a Holstein bull, while in the sale of shorthorns a bull calf brought \$210 and a heifer \$285. A total of \$2,082.50 was paid for 39 hogs and in the sheep division 26 ram lambs netted \$402.40. Ten head of Shorthorns brought \$1,315.

**Won Signal Honors**

Miss Marion Klinck was successful in winning the first prize in the senior Home Canning Club competition at Newmarket last Saturday conducted by the York County Jr. Girls, supervised by the Dept. of Agriculture. Miss Klinck's younger sister Aura of Victoria Square was also a prize winner of equal success, for she stood first in the Junior Home Garden and Canning competition. The Misses Klinck are to be congratulated on their success in winning a trip to the Girls' Conference at Guelph, also Silver and glassware gifts.
