## FORMER BETHESDA RESIDENT DIES AT UPLAND, CAL.

Mr. Benjamin M. Byer passed away at the home of his daughter Mrs. Louisa Decker, in Upland, California in his 95th year.

Mr. Byer was born near Chippawa, Ontario, (1837) and in 1861 he was married to Miss Nancy Steckley of the 4th con. of Markham on the farm now owned by Mr. D. Empringham near Gormley. They first settled on the farm north of Bethesda now occupied by Eldon Bolander, and a few years later they moved to the sixth line on lot 4.

In 1874 together with the family they moved to the state of Kansas which was later known as "the great corn belt". Here they engaged in farming for several years, then they moved to Arizona and later to Upland, California where they lived until the time of Mr. Byer's death which occurred on December 27th last.

Mr. Byer was a member of the Brethren in Christ Church. A true and devoted Christian, always eager to be in his place at church services until the last year or so of his life.

Six weeks prior to his death he contracted pneumonia from which he never recovered.

Mr. Byer retained his mental faculties to a marked degree and his greatest delight was to talk about the joys that await the faithful followers of the Lord.

He leaves to mourn his loss his widow, one son John H. and four daughters, Mrs. Louisa Decker, Mrs. M. A. Stover, Mrs. Emma Franklin, and Mrs. Leah Thomson, several grand-children and a host of friends. Those from Gormley who visited with the late B. U. Byer in recent years are, Mrs. L. Hoover, Mr. John Hoover, Mr. and Mrs. D. Byer, Mr. L. B. Heise and Miss Elva L. Heise.

## LATE JOHN QUANTZ

The death occurred on Sunday, January 10th in the General Hospital, Toronto, of John Quantz, one of the highly respected farmers of Uxbridge Township, in his 80th year. The remains were taken to Uxbridge for burial in Uxbridge cemetery on Tuesday, January 12th 1932, services conducted by Rev. A. E. Owen.

The late John Quantz was a son of the late Fredrick and Mary Quantz, and was taken quite ill on Jan. 2 and removed to the hospital where an operation was successfully performed but his condition was such that he failed to rally and passed away on Sunday.

He leaves to mourn his death his sorrowing wife who is at time of writing also quite ill and one son Roy, to whom the sympathy of all is extended in their bereavement.

The late John Quantz mentioned above was a first cousin of W. A. Quantz of Stouffville, his father Fredrick was a brother of the late Geo. B. Quantz, father of our W. A.

## SERIOUS ILLNESSES

William Gower who has been ill for a year or more is in a serious condition at his home here.

Miss Thillie Stouffer who has been keeping house for her brother Eli in the east end, is in the General Hospital, and is expected to undergo an operation this week.

Last week Mrs. Murchison was removed from her home on Church street to Toronto where she underwent an operation, and is now making satisfactory recovery.

Mrs. Wm. Vaddell who has been confined to the General Hospital, Toronto, where she underwent a surgical operation a couple of weeks ago, is expected home this week, much improved in health.

Another local person in the hospital is Miss Ila McGuire, who lived with Rev. Mr. Fleischer until she took a position in Toronto. Ila was operated on last week for appendicitis, and is making a satisfactory recovery.

On Wednesday evening last week Mrs. Arthur Swift, wife of one of our garage proprietors, was seized with a sudden illness, and was rushed to St. Michael's Hospital, Toronto, where three hours later she underwent an operation. Since that time her condition has been precarious, but latest reports indicate that Mrs. Swift has made a rally and is somewhat improved. For some time she had been suffering from stomach trouble.

## ASK MINISTER TO INVESTIGATE PRICES

The executives of the five Milk Producers' Associations functioning in York and adjoining counties are again troubled by a looming cut in prices by the Toronto Dairies. They expect an effort to get them to accept a fall of forty cents per hundred pounds from the \$1.85, now understood to be the price paid by the Toronto Dairies, though some are buying "bootleg" milk at lower rates.

The move to cut the farmers is chiefly made on the ground that much milk is obtainable a long way from Toronto at a greatly reduced price. Milk is being shipped to Toronto from as far as Woodstock.

Speaking of the matter to The Tribune, Mr. J. R. Campbell of Markham township, an experienced and former active member of the producers' association, suggested the other day that the whole matter should be taken before the Minister of Agriculture. This is a good suggestion, and one we hope the Association will consider. If the Minister finds that the price ought to be cut because there are many farmers willing to supply milk at the lower rate, then it will be his duty to see that the cut in price is passed on to the consumer. If the lower rate proposed is not to benefit the dairies they are not likely to make such valiant attempts to reduce prices below a living profit for the producer.

## A DAUGHTER OF PIONEER PARENTS

Death Ends Long Illness for Late Adaline Stouffer—A Church Funeral

A sincere and devout christian woman passed away on Friday of last week, January 15, 1932, when death removed Miss Adaline Stouffer from a long siege of illness. She had been nursed by her sister Mrs. Jacob Roadway at her home on Church street for a year prior to her passing away. The funeral on Sunday afternoon took place to Stouffville cemetery. The service in the Mennonite Church was in charge of the family pastor Rev. W. B. Moyer, who paid fitting tribute to the christian fortitude and life of the late Miss Stouffer. The pall bearers were Messrs. Malc. Ramer, Fred Raymer, Wm. Connor, Jacob Meyers, Ambrose Stover and Wm. Renne.

The late Miss Stouffer was one of a family of nine children born to the late Mr. and Mrs. Abram Stouffer, pioneer settlers on the homestead just north of the village. This is the third break in the family in a comparatively short space of time, Mrs. Bruce a sister, and Noah a brother having passed away. The surviving members of the family are Abram, (the only surviving brother) living on the homestead, and five sisters being Mrs. Martin Wideman, Mrs. Chris. Raymer, Miss Elizabeth Stouffer, Mrs. Simeon Hoover, and Mrs. Jacob Roadway all living in and near Stouffville.

The late Adaline Stouffer who was in her 70th year, was a woman of very quiet disposition. From early childhood she had been a faithful member of the Mennonite Church, and in the local congregation she was a keen worker until laid aside by sickness. The large turnout on Sunday was a tribute to her cherished memory.

## A NEW LESSON IN GEOGRAPHY

Moose Factory, on James Bay will henceforth be known as Moosonee. This fresh name for Ontario's only seaport is a new one for our school children to learn, and though we do not know the exact meaning of the name, it seems to be justified by the fact that it has been used by the Indians of the district for many years back. As everyone knows, the T. & N. O. Railway was completed to the new port last Autumn, and it will be opened for tourist trade and general business next June. In preparation for the opening the railway management is erecting a small hotel of the bungalow type. A combination passenger and freight depot of a temporary character will also be built to serve the new town on a site which will not obstruct the erection of a permanent building as the development of business warrants. The management is to be congratulated upon restricting its building operations in keeping with the times. The prospect is that with the resumption of normal economic conditions a considerable tourist business to Moosonee will be developed. There is romance in the thought that Ontario is at last in touch by rail with Hudson Bay, that great inland sea which for centuries has been nothing more than a large body of water on the map, identified, in the main with the history of the historic Hudson's Bay Company—Mail and Empire.

## MOTHER PASSES AWAY AS SHE SITS IN CHURCH PEW

Sitting quietly in church with head bowed in prayer, Mrs. C. S. W. Scott passed away suddenly on Sunday morning in Trinity United Church at Newmarket. When her daughter with whom she had gone to church discovered her mother was stricken she immediately had her carried out and medical aid secured. But death had come suddenly and without pain or warning.

Although a great shock to her family and her many friends all could not help feeling that it was a beautiful ending to a life of goodness.

Mrs. Scott was Selina Millard, a daughter of the late Joseph Millard one of the oldest families in Newmarket.

The funeral took place on Wednesday, a very large number of friends at the house, on Main St., and also in the cemetery at Newmarket, the Rev. Mr. Andrews officiating. Mrs. George Robinson who is a cousin to the deceased, attended the funeral accompanied by Mr. and Mrs. Wm. Reesor of Altona and Hewson Millard of Stouffville.
