

LOCAL HAPPENINGS

Next Sunday is Easter Day.

Monday March 21, marked the first day of spring.

Order your Hot Cross buns right now at Stouffville Bakery. Just step to the phone please.

Suits with extra trousers, (ready-to-wear) by best makers at only \$19.50. F. E. Rae's tailoring shop.

A batch of light weight bread made in Simcoe, was seized and later handed over to the poor of the community, which proves to us once again, that the poor always get the short end of everything.

This Friday being a public holiday business places will be closed. The banks and government post offices also observe Easter Monday as a holiday, and will do so as usual next Monday.

Mr. and Mrs. A. G. Snider of Vaudor have been spending a few days with Miss Nora Stapleton. Mr. Snider who is the general merchant in the "county seat of Whitechurch" is recovering from an illness of some duration, and will soon be in good health again, it is hoped.

C.P.R. detectives made an interesting discovery at Alliston. They report that young men are "riding the bumpers" out of the city dropping off at rural points, where with a hard luck story they beg their meals and often something more, picking up considerable change during the day. In the late afternoon they get back to the city and spend their evenings attending hockey matches and the theatres, on the money they begged.

Old man winter still has a kick!

Mrs. Wm. Lewis has gone to Kingston to be with her eldest daughter there who is ill at present.

Butter fat has reached the peak price for at least the last twelve months. Stouffville Creamery is quoting 24c for butter fat cream delivery at the plant. This is a sharp advance of 3c in a week, or 8c of an increase in three weeks. Looks as if the old reliable cow is still on top!

The colder weather last week, has preserved a good sheet of ice at the rink, and skaters are still enjoying this popular and healthy pastime. Likewise the curlers are all happy individuals, and were sorry we cannot wish them a long period of good ice. Most people are longing for warm spring weather.

It is reported that the Supreme court action in an effort to set aside the last will and testament of the late Adam Betz who died in Stouffville, is to be settled by the contending parties. In the event of no settlement being reached, the case may be heard in the court next week.

Dr. Fred Brillinger and wife of Peekskill, New York, have been spending a few days with his parents Mr. and Mrs. Henry Brillinger, and with his brothers in town, Messrs. Harry, Walter, and Percy Brillinger. Making the motor trip from their New York home the doctor met with a motor accident near Tonawanda, just out of Buffalo, and made the remainder of the trip by train. Mrs. Brillinger suffered slight injuries in the collision in which their car figured.

It's not right to say that everything is dropping—the tax rate in Uxbridge town advanced three mills for 1932, to a rate of 52 mills.

New Suits ready-to-wear for spring all newest patterns, by one of the best makers—only \$19.50 with 2 pairs pants. F. E. Rae, tailor

The Raymer Erentide hour next Sunday 5.30 to 6.30 o'clock, will render a special Easter program. Selections from the Messiah by Handel, the Hallelujah Chorus, and many other favorites.

Mr. Foster Wagg of Mongolia who is giving up his 100 acre farm at the end of this month is reported to have rented a house and lot at Gormley where he and wife and seven small children will reside.

The 29th annual meeting of the York County Mission will convene in the Wideman Mennonite church on Good Friday morning at 10 o'clock. There will be afternoon and evening meetings also, to which the public are invited.

Rev. W. A. Cameron, of Weyburn, Sask., who is attending the annual meeting of the Presbyterian Home and Foreign Mission Association of Canada being held in Toronto, visited the weekend with his uncle Dr. D. C. Smith.

This Thursday evening is the date of the Oratorical Night under auspices of the High School, to be held in the Auditorium Theatre. In addition to the contest, a good musical program is promised. Come and support this worthy effort. Admission 25c

Mrs. Ormsby Lehman and Mrs. Cereal Cadieux have been summoned to their parental home a mile and a quarter east of Balsam, several times lately, owing to the serious illness of their father David Jones. He was in an unconscious condition for some days over the weekend.

Next Sunday afternoon the Business and Young Men's Bible Class, will take up for discussion "The Gibraltar of Our Christian Faith." We expect a lively discussion to take place on the different theories of Christ's Resurrection. What are its historical and legendary aspects? We invite all to come and hear this very important subject discussed.—Press correspondent.

In the long list of casualties from cold and the flu we note that two of the business men are taking an enforced rest from their labors on Main street. Messrs. John Monkhouse, the merchant tailor, and one of our longest standing business men, also Mr. Benj. Doten, the barber, are among the fallen. An assistant from Toronto, is engaged to carry on the work at the barber shop during Mr. Doten's illness. Both these men have had an unduly heavy sickness, but we all hope to see them in their accustomed places of business soon.

It would be almost impossible to mention all the sick people in town and district for almost every home has been touched with the cold or flu, but fortunately there are few in a serious condition. One outstanding case that is giving great anxiety is that of Harry Holden, eldest son of Mr. and Mrs. Delbert Holden, whose condition last week for a few days was of the gravest. With a trained nurse, and careful medical attention everything is being done for the lad, and latest reports as to his improvement are encouraging. Harry is a student of the Continuation School.

The young daughter of Mr. E. M. McGrattan, thsmith, who came down from Uxbridge to see the "Rosey O'Reilly" play on Friday evening, was an enforced visitor in town over Sunday. The sudden snow storm Friday night blocked a cut in the road between Lincolnville and Goodwood, thus preventing motor traffic getting through over the weekend. Likewise, an adjutant of the Salvation Army, reached here on Sunday morning by automobile from Toronto, enroute to Uxbridge, but could go no farther, and had to cancel his engagement in the northern town much to the disappointment of the Uxbridge people, who had anticipated his visit.

The annual supper served by the ladies of the Christian Church, is looked upon by many as one of the especially good things of the year, and in their anticipation they were not disappointed Wednesday evening last week. The supper served in the basement of the church, left no one unsatisfied, and the contented congregation which gathered in the upper part of the building for the intellectual treat which followed, were a satisfied lot. The chief item on the program was the address by Rev. F. E. Meadows of Newmarket, on "The Lost Dream". With so many devices in this modern day to serve our every whim, the speaker indicated that this "spoon fed" age lacked the vision of the pioneer, and the inspiration for hard work. Mr. Brown, the soloist was greatly appreciated also.

Call and see the new suit lengths for spring at F. E. Rae's.

Party that lost crank for Chev. Six, may have same by calling at Tribune Office.

Rev. C. N. Good, a well known evangelist in this district, is conducting special meetings in the Mount Joy Mennonite church.

Mr. Delbert Holden purchased 25 head of choice beef cattle this week from Mr. Chas. Harper, and on Tuesday shipped two car loads for the Toronto market. Choice heavy steers were quoted at 6 to 6 1/2 c a pound on Monday and the quality of the stock in the local shipment ought to realize top notch prices.

The soloists taking part in the Cantata "Olivet to Calvary," and which is to be given by the choir of the United Church, on the evening of Good Friday, March 25th are: Mrs. Harold Lewis, soprano, Mr. Carson Wideman, tenor, and Mr. Roberts Williams of Toronto, baritone.

Although farmers will be seeding in this section within a few weeks, there are at least six farms in the locality that have no tenants at the present time. In all probability they will not be worked. In the Claremont locality two or more farms are idle also, a situation quite new to the district. High taxes and low prices for farm commodities are the chief causes for the lack of tenants for these properties.

Mrs. Clarence Glover with her two children, 4 and 6 years, moved from the farm at Victoria Square last week to live in Stouffville. She has rented half of Mr. George Brownsberger's double house opposite the Standard Garage on Main street. Mrs. Empringham of Gormley has also come to live in town and will reside with her daughter Mrs. Glover. We welcome these additional residents to our community.

The sudden death from a heart attack in Toronto on Sunday morning of Mrs. Ira Bowdway, aged 68 years, came as a surprise to those who knew her. Her maiden name was Modena Lawr, being born on the 3rd concession of Uxbridge Township. For 25 years she had lived in Toronto, and was a member of the Bible Students organization. Surviving are her husband, two sons, William and Kenneth Bowdway, Toronto; five daughters Mrs. A. M. Carson, Long Branch; Mrs. H. Thornback, Mrs. T. W. Lobb, Mrs. William Telford, and Miss Blanche Bowdway, and 15 grandchildren, all of Toronto. Mr. Arthur Yake of Stouffville was a brother-in-law of the deceased, while Mr. Isaac Bowdway is a brother of the bereaved husband. The funeral took place from the late home in the city on Tuesday, interment being in Stouffville cemetery.

A perusal of the annual report of the Stouffville public library appearing in our recent issue would certainly convince the most skeptical of the decided asset which our community has in this splendid institution. In these times of high pressure with every hour seemingly filled with some form of entertainment be it good or bad, the library is a sort of haven where people may pause and meditate over a good book. Speaking along this line from still another angle Dr. Locke, chief librarian said in part in making his annual report in Toronto:—"The place of the Library in such times is to provide a solace through books for the loneliness and the friendliness of the unemployed in the seemingly busy and unthinking world. If it did only this it would amply justify its presence in the community, for this is a work of the highest importance, inasmuch as it helps to dissipate the depression that is within, and this in turn helps to color with a more rosy hue the world which has seemed so dull and cold and dead. And is there a greater work in the world than this?"

PAUL BOWDWAY, MANAGER
Stouffville, Ontario

Anyone wishing to purchase a sample of the York Bible Class Year Book may see a copy at Alex. Scott's Store.

On Wednesday morning this week Mr. Gordon Ferris was rushed to the General Hospital in Toronto, suffering from abdominal trouble. He was seized with sudden pain during the night and suffered intensely. An operation is likely to be performed.

Stouffville and district is specially invited to hear the Cantata, "The Prince of Life" which will be given in the United Church at Markham on the evening of Thursday, March 24. The music is much sweeter than in many cantatas. Silver collection will be taken.

Quite a number of Stouffville people attended the funeral of the late Daniel Meyers of Zephyr, which took place on Tuesday of last week. He was a member of the Mennonite Church in Scott Township, and the funeral service was conducted by Rev. S. Goudie of Stouffville. Among others in attendance from here was Mr. Martin Tait, an old school chum of the deceased. The late Mr. Meyers was a brother-in-law of Mrs. Levi Hoover, and was only 57 years of age. His brother the late Peter Meyers was a boot and shoe merchant in Stouffville over 25 years ago.

Mr. Merchant or Business Man—Do not make your accounts out on a piece of note paper or blank form, it looks mighty cheap, when properly printed bill heads or statements may be had in lots as low as 100. The cost is so small it will not deter you from placing an order. Your business should be worthy of respect, but you cannot command it when you are "billed" out on a piece of "scrap" paper.

Mr. James R. Wilkin of Myrtle, Manitoba, spent a few days this week with an old school chum Mr. T. Birkett. Mr. Wilkin owns a section of land about 2 1/2 miles from Mr. Robt. Miller's farm south of Winnipeg. The section last year was hard hit by the grasshoppers which came in millions, damaging chiefly the large barley acreage such as Mr. Wilkin had in crop. The Miller crop was not so affected as it was sown to wheat. Mr. Wilkin came east by motor, and intends to return in time to put in his spring crop.

The results of the recent farm stock sales have been more or less mixed, so far as prices are concerned. Implements are selling well, also horses, but the price of dairy cows is just the opposite. Animals that a couple of years ago brought \$125 are today selling at \$50 or less. At Robt. Smith's sale in Markham township last Saturday, the highest priced cow was \$57, and this was also the case on the farm of David Boyd a few days prior to the Smith sale. However, Deputy-Reeve Smith obtained a price for his horses that really made him smile. The team sold at \$200 each to a Scarborough buyer, while his third horse also went at \$200. Deputy-Reeve Smith will remain on the farm on the 7th concession, the property not having been sold at the sale.

5,000 DEMAND DOGS TO HUNT

No decision has been reached yet by the Ontario Government regarding the proposed ban on using dogs for deer hunting. The hunters met members of the Government at Queen's Park two weeks ago, Frank Baker, the implement agent of Stouffville, going down from here to assist in saving the dog for the hunters.

Ontario Hunters' Game Protective Association secured 5,000 signatures on a petition supporting the hunting of deer with dogs which was placed before the Fish and Game Committee of the Ontario Legislature on the occasion mentioned. The association in February issued a plea for help to circulate the

An Oatmeal Feed!

Just what Baby Chicks should have

No wonder baby chicks thrive so heartily on Quaker Ful-O-Pep Chick Starter. The base of this remarkable feed is good pure oatmeal—just the thing for tiny, tender crops. Combined with the oatmeal are Cod Liver Oil and Cod Liver Meal, together with essential minerals and other valuable ingredients. All thoroughly and accurately mixed! All ready for feeding, just as it comes from the sack.

Chicks grow faster, stronger, and resist unfavourable weather when you give them this wholesome oatmeal-base feed.
