SEEDING STARTS

South Markham Farmer Finished Saturday, While Another Plants Potatoes

Seeding in this locality is fairly general this week, although the unexpected cool weather the first of the week retarded operations to some extent. Farmers on high land or land well drained are well advanced with their spring work however. The fine warm weather of a week ago proceeded by high winds dried up the soil, and left it in good condition for working. South of Stouffville the work is more advanced than to the north, and one farmer, W.M. Young of the 5th concession of Markham completed seeding on Saturday evening. W.J. Spears on the same concession planted a small field of potatoes on Saturday, which is the first we have heard of, although another farmer in the same area put in ten acres of peas.

Fall wheat is looking well, but frost has been a little hard on the meadows, some showing considerable heaving. Despite the fall in prices of farm commodities, seed merchants are doing a rushing business, and one dealer tells us the last two weeks were the biggest two in comparison with other years that they have experienced in a long long time.

East York Bowlers

The re-organization of the East York Bowling League took place at Richmond Hill on Thursday evening of last week. The league is composed of seven clubs including Markham, Unionville, Agincourt, Stouffville, Richmond Hill, Aurora and Newmarket. It was decided to affiliate with the Provincial Association of Lawn Bowlers. The matter of drawing up the year's schedule was left to a further meeting to be held in Stouffville.

The officers were elected as follows:—
Pres.—W. R. Sanders, Stouffville
Vice-Pres.—Mr. Cole, Mr. Marshall
Sec'y-Treas.—W. E. Morden Stouffville.

W. M. S. AT UNIONVILLE

Mrs. Shiel, past president of the Toronto East Presbyterian was guest speaker at the Easter Thankoffering of the Unionville United Church W.M.S. Mrs. D. A. MacKeracher was in the chair. The devotional part of the service was conducted by the president, Mrs. Aaron Coulson and Mrs. C. Crawford Melville and Stouffville Auxiliaries had been invited, the Ladies' quartette of Stouffville United Church supplying special music. A vote of thank and appreciation to the speaker and quartette was moved by Mrs. Milliken Smith and Miss M. Miller. Tea was later served in the church parlors. A life membership was presented to Mrs. Fuller by several members of the auxiliary. Mrs. Fuller has moved from the district and this was presented to her as a sign of appreciation.

Assessment Completed

Assessor George Storey has completed his work for this year and this week turned in his roll to the council. In some municipalities this announcement is the signal for some dog owners to have their canines returned home after a holiday in the country. Evading the assessor to save dog tax is really no use in Stouffville where an alert constable has the same right to take up the animal for not having a tag any time of the year.

While the details of the roll for 1932 will not be made known until the council examines it on Monday evening, it is understood that the assessment stands about the same as in 1931, or slightly higher. Any increase would be accounted for by new dwellings going up.

Scout Movement On

It is being urged upon the Business Men's Association that they should take under their wing a Boy Scout organization and form a Troop in Stouffville.

In order that this project might be fully discussed a meeting of the Business Men's Association will be called for Friday evening May 6th, in the Fire Hall at 8 p.m.

In order that proper data may be put before the meeting Mr. Arthur E. Patton Jr., Field Secretary for the Boy Scouts of Ontario, has kindly consented to come out and address the meeting.

Parents, clergymen, teachers and women who are interested in boys are especially invited to be present and take part in the discussion.

MRS. JAMES HAND DIES IN SLEEP

The citizens were shocked to learn of the sudden death of Mrs. James Hand, who passed away in her sleep at her home on Main street east, Stouffville, Wednesday morning. Mrs. Hand suffered a slight shock a few days ago when a grass fire threatened her house, and for three days as a result she was confined to her home. Aside from this her health was in a precarious condition. Her husband the late James Hand who taught school here for over 40 years, died five years ago last month.

The funeral will be held on Saturday afternoon at 2 p.m. to Stouffville cemetery.

GOODWOOD

We congratulate Miss Edna Foskett on her high standing at Uxbridge High School for the second quarter. Edna obtained 50 per cent on her fourth term work.

The many friends of Mr. J. W. Widdifield will learn with the greatest pleasure that he is now considered to be well out of danger and on the road to recovery after his recent operation and attack of pneumonia. Mr. Widdifield was for several days unconscious and for some time his life was despaired of, but now that the turn has been made all hope to see him home again shortly and making rapid strides towards complete recovery. He has been confined to the Western Hospital, Toronto but will soon be back in Siloam.

RINGWOOD

Miss Ada Barkey spent the weekend in Tilsonburg.

E. R. Sinclair is reforesting his lot west of the house with spruce trees.

Mr. Allen Pipher and family of Oshawa were Saturday visitors with Mrs. Wm. Pipher.

Roy Grove attended the funeral of Mr. Michael Wallace at Newmarket on Tuesday this week.

Great concern is felt for the recovery of Mrs. Ezra Clubine who is very ill at her home on the townline west of Ringwood.

An unfair report has been circulated to the effect that Constable Walker carried out a "booze" raid here one evening last week. On looking up the facts we learn there is nothing whatever in the story. Constable Walker was in the village on Friday but his mission was not a serious one and did not involve anyone in a liquor charge.

The greatest quack army we have ever seen is to be found on the farm of Aaron Grove, son of J. L. Grove, living between the 7th and 8th concessions of Markham. No less than 2000 ducklings are waddling about, while Mr. Grove expects another 4000 more from eggs now passing through the incubators. Hatching results are said to be very satisfactory this season on the Grove farm where ducks are raised on such an extensive scale.

A country minister is said to have taken final leave of his congregation in the following pathetic manner: "Brothers and sisters, I have come to say good-bye. I don't think God loves this church very much because none of you ever die. I don't think you love each other, because I never married any of you. I don't think you love me because you have not paid me my salary, and your donations are moldy fruit and wormy apples — by their fruits ye shall know them. Brothers, I am going away to a better place I have been called to be chaplain of Anamosa penitentiary. I go to prepare a place for you! Good-bye."

BOX LACROSSE RULES

O.A.L.A. Executive Make a Number of Important Changes.

Periods Will Be of Twenty Minutes Duration With Ten Minute Intermittions—Goal Sizes—Reduced and Line From Crease is Eliminated—Drastic Rules to Prevent Rough Play.

Some important decisions were made by the O.A.L.A. executive in connection with box lacrosse. It was decided that the playing periods be three 20 minute periods with a 10 minute rest between instead of four 15 minute periods. It was felt that this would be more convenient for the spectators.

The size of the goals was changed from 4 feet wide and 5 feet high to 4½ feet wide and 4½ feet high. The line extending across the playing area from the crease was eliminated so that all box lacrosse rules both amateur and professional will be fundamentally the same. The players will not be permitted to pass the ball back to the goalkeeper when he is in the crease. It was felt that such a line would be the result of much whistle blowing and it is the object to speed up the game in every way possible.

No slashing of any kind will be permitted in box lacrosse which includes the unnecessary hitting across the arms. Referees will receive strict instructions to carry out this undesirable method of checking.

Fred Wagorne was appointed to convene the Jr. teams adjacent to Toronto and district. Jr. clubs who have as yet not entered are asked to enter at once as a meeting will be called in a few days and entries closed.

Frank Doyle of Orillia, a member of the 1932 executive, was appointed as the association's representative on the Tri-County League. All the teams from the section are members of the association.

All groups must have winners declared by October 15 as Ontario play-downs will begin after this date. An attempt is being made to organize a club in Stouffville, to play with teams in the immediate district.

150 LARGE PERCH SENT TO TORONTO FROM KESWICK

The first bucket of lovely ten-inch perch was sent to Toronto Tuesday night from Keswick. The big run is on in the Maskinonge river. Owing to the season, parties of perch fishers have spent the past two week-ends on the Lake Simcoe streams without getting a bite, but Cecil Clapp, chief perch adviser of Toronto, saw this catch of 150 fish with his own eyes and declares the season open, says the Newmarket Express Herald.

The "Klinck" Budget

Has Been Accepted by All Parties

Strong differences of opinion concerning the financing and administration of the University of British Columbia, between President Klinck and Board of Governors on the one hand, and the University Senate on the other, have culminated in the unanimous adoption by the Board of "Klinck Budget" and policies. As a consequence all Senate resolutions concerning distribution of revenue, which were presented to the Board of Governors from time to time during the past six weeks, are automatically dropped. The decision of the Governors makes it final that the faculties of arts and science, applied science, and agriculture remain intact, and come under the department of applied science, as recommended by the Senate.

The budget provides for heavy reductions in administration costs amounting to \$233,783.00 for the year 1932-33. Provision is also made for reducing the student attendance from 2020 to 1725.

Young Mother Passes

The death of Mrs. Louis Thompson occurred at Goodwood about noon on Wednesday this week. She was a daughter of Mr. Chas. Lee, road superintendent for Uxbridge township, and was only 26 years of age. Besides her husband a baby 15 months old survives, the young mother, also her parents and three brothers and two sisters. They are George Lee, Stouffville, Garnet Lee, Scott Township, Clifford Lee of Siloam; Mrs. Ed. McNelly of Lake Musselman, and Mrs. James Gearing of Toronto.

Local Happenings

Miss Dorothy McGrogan spent the weekend with friends in Toronto.

Don't forget to hear Seth Parker, presented by the Allendale group, in the Stouffville United Church on Thursday evening May 5th, at 8 p.m. Adults 25c, children 10c.

Word has just been received here by Mrs. Ira Burkholder to the effect that her father Mr. W. P. White, is critically ill at the home of another daughter Mrs. A. C. Roberts of Orillia, where he was visiting when taken ill.

Miss Marion Klinck is taking a two week-ends course at the Guelph Agricultural College, which was granted her as winner of the county prize in garden and canning competition.

Mr. Delbert Holden announces that he will have one of the New Ford Cars on display at his show rooms on Tuesday and Wednesday, May 3 and 4. As few locals have seen the new Ford there will be keen interest in this display next week.

The Business and Young Men's Bible Class will meet next Sunday as usual at 2.30 p.m., when the all absorbing topic "The Sabbath, its use and abuse," will be discussed from all angles. So many differ in their opinions, as to what we would or should not do on the Sabbath, hence an interesting discussion should take place.

In the municipal hall this Wednesday and Thursday, a girls' coaching class in household science is being conducted by a Department representative, Miss Betty Wallace. At time of going to press the attendance at the class is not known, but a goodly number of girls is hoped for. The object of the class is to prepare the entrants for the annual county competition, and all lasses up to 30 years of age are eligible for the course.

Dies At Gormley

A very fine Christian woman was summoned to the Great Beyond on Monday, April 25, 1932, when Catherine Doner, widow of the late Daniel H. Doner, succumbed to an illness of some duration. Deceased had been in delicate health for a number of years, and passed away at her late home at Gormley, in her 67th year.

The late Mrs. Doner whose maiden name was Catherine Sherrick spent all her life in the locality where she lived. Twice married her first husband was John Connor, and to this union two children were born, a daughter (Ada) deceased, and one son Chancy Connor of Gormley. Sixteen years ago the then widow of John Connor married Daniel H. Doner, who died three years ago last Sunday. Mrs. Doner is survived by three step-daughters, and two step-sons, namely Mrs. Frank Harvey, Mrs. Victor Stover, Mrs. Noah Wideman, and Clarence and Sam Doner.

The late Mrs. Doner was a member of Gormley Mennonite church since girlhood, and her funeral on Wednesday of this week was in charge of two of her pastors Rev. C. N. Good and Rev. Henry Gaudle. Interment took place at Heise Hill cemetery where the service was also held.

MICHAEL WALLACE BURIED TUESDAY

A quite well known figure passed away at Lemouville, on Sunday evening last, April 24, when Michael Wallace succumbed to an illness of a month's duration. He was 68 years of age. The funeral on Tuesday morning of this week took place to St. John's cemetery at Newmarket, where mass was sung in the church there by Rev. Father Wedlock.

The pall bearers were Messrs. Joseph Cooney, George Cook, W. H. Taylor, Herm Burkholder, Ed. Murphy, Dr. S. T. Bodendistel.

Being a son of the late Mr. and Mrs. John Wallace, Michael was born in the Township of Whitchurch, and spent all his days there. He was quite a successful farmer and horse fancier of excellent judgment. Mr. Wallace gave up farming eleven years ago to live a retired life at Lemouville. He never married, and his mother kept house for him until she passed away 3 years ago at the advanced age of 97.

Surviving is an only sister Mrs. Mary Canning of Toronto who has been nursing him since his illness. Mr. Wallace was a Roman Catholic, and attended church at both Markham and Newmarket. He was highly respected in the community, where he had so many life long friends.

Sunday May 8, being Mother's Day, a special service in keeping with this occasion is being prepared and a Toronto Quartette will deliver special numbers at the evening service at 7 p.m.

Rev. Father Johnston who teaches in the Toronto Seminary, and who is in charge of St. Patrick's church at Markham, administered the holy sacraments at the bedside of Mr. Wallace just a few hours before his departure from this life.

A large number of friends and neighbors of the late Michael Wallace attended requiem mass in St. John's Roman Catholic church, Newmarket, on Tuesday morning April 26, where Rev. Father Wedlock sang mass at 10 o'clock. Our deepest sympathy goes out to his sister Mrs. Mary Canning in her great loss of her dear brother.
