MARKS SIXTY YEARS OF SERVICE

A crowded church greeted the speakers at the Home Coming services in the Church Hill Christian Church last Sunday. For nigh on to sixty years the little white church has served its community. During that time the "Church by the side of the Road" has made a host of friends, many of whom gathered again, to worship within its sanctuary.

Rev. C. E. Fockler, a former minister, preached in the afternoon. His message was enjoyed by all. He quickly won the friendship of the children by telling them a story. He renewed the friendship of old acquaintances by recalling the memory of those days when he had served the church as a student minister and recounting some of his experiences and happy memories. But he held interest of all by presenting a challenge to all of those within the hearing of his voice to be responsive to the voice of Jesus and to help others to respond to it. Such is the task of the church, through religious education, to make the world responsive to the call of Jesus.

Mrs. Nellie Dearborn, of Toronto, wife of the Rev. Louis Dearborn (who also served the church as a student minister) spoke in the evening. She urged upon those who were present to build Christian Homes, to establish family altars to study the bible and to attend church services. She urged them to make Jesus the host in their homes, and in their hearts. Her sermon seemed but an echo from the lips of other staunch evangelists. Christian ministers who have used the pulpit of the little white church to warn men to walk in the way of the Lord. Her sermon recalled to mind those staunch preachers who have labored for the upbuilding of the Kingdom in the community that the church served.

Both afternoon and evening, Mr. A. Livingstone Brown sang his way into the heart of those present by his beautiful gospel messages in song. Mrs. Garfield Kellington and Mr. and Mrs. Clarence Stafford also had a part in the musical program which added greatly to both services.

Greetings from Rev. L. G. Fletcher, Sprucedale, United Church, Sprucedale, Ontario, expressing his regrets he could not be present. Rev. Mr. Fletcher began his ministry on this circuit.

Greetings from Rev. A. T. Mercer, Minister of Central Baptist Church, Bloomfield N.J., also a student minister were received too late to be read at the Sunday service. Rev. Mr. Mercer served as the assistant pastor to Eldon VanNorman from 1908 to 1910. He is a son-in-law of Mrs. Samuel Hoover of Church street south, Stouffville.

The services turned out to be a great church reunion—and all agreed the time spent in the church by the side of the road was used to a good advantage—many feel in the word of the poet:
"And wherever I roam, it is guiding me home."

The church by the side of the road. And as they (the visitors) go back to their homes, the little white church will go on serving its community—go on serving and making new friends.

Next week a historical sketch of this little church will appear in these columns, specially written for the occasion by one associated with its life for the entire 60 years.

The Salary Cut!

Since the members of the Stouffville School Board opened the question of lower salaries for public school teachers on the town staff, the matter has been more or less discussed by the ratepayers, and the members will be expected to take a definite stand on the question at their June meeting.

The proposal to reduce the salaries of the lady teachers (four) to \$900 has met with quite general approval so far as this paper can learn, but there are those who strongly oppose any such reduction—and just how strong this element is, time may tell. While the final disposition of the matter rests in the hands of the board, no doubt the popular wish of the citizens will have great weight with that body.

With a reduction of \$100 in the salary of each of the four lady teachers the net gain to the ratepayers would be \$312, based on an equalized assessment of \$538,367. These figures vary from those published in this paper, two weeks ago, but the presence estimate of \$312 has been verified by the school inspector, and is correct. The government will save the remaining \$88 of the proposed \$100 reduction by reason of the legislative grants being reduced.

The public school staff is highly qualified in this school, each teacher has at least one extra certificate, and all of them hold a permanent certificate, thus the board earn the maximum grants, while each teacher is also drawing a small yearly grant direct from the government, obtained for teaching a certain subject in the school for which they hold an extra certificate.

There is no doubt but that all these positions could be filled at \$750 as in the case of Markham where the teachers resigned, but the question of fairness should enter in, and such a drastic move would scarcely be approved here. What the local board will do in this matter however is being watched with interest.

PIONEER PASSES IN ALTONA

In the passing of John Hutchinson at his late home at Altona on Saturday, May 28, 1932, an octogenarian of life-long standing in the district, has passed to the Great Beyond. Although born in England 34 years ago, the late Mr. Hutchinson came to Canada when a child with his parents, and they located in this neighborhood. A son of pioneer parents the deceased knew well what hard work meant, and it was his lot to help clear much of the land in this locality from its virgin forest state.

Mr. Hutchinson when a young man, united in marriage with Sarah Reesor of Whitevale, daughter of one Samuel Reesor, and they spent much of their life on the farm just north of Stouffville in Whitechurch Township. He took a keen interest in public events although never participated in them, and was a staunch Liberal of the old school.

In religion he was a Methodist, but of later years he was a worshipper with the Mennonite Brethren at Altona, which was much to his liking as he never forsook the ideas of the early Methodists in this country. Besides his bereaved wife, Mr. Hutchinson is survived by an only son, Oscar, living near Altona, and by one daughter Mrs. Archie Bray of Helena, Montana, who is at home now for a brief holiday. James brothers also survive, being James of Manitoulin Island, and John at Bloomington. Two sisters living are Mrs. Mary Meyers, and Mrs. John Latham both of Goodwood.

The funeral on Monday took place to Altona cemetery.

MARRIAGES

Carruthers—Mitchell

W. Rackham.

The young couple left for a motor trip to Western Canada, visiting at Winnipeg, Regina and Banff. On their return they will reside on the Carruthers farm in Pickering.

The Arion Male Choir of Toronto, with between 20 and 30 members, and conducted by G. Wallace Weese, will give 7 or 8 special selections in song at Ringwood Christian Church on Sunday, June 12th at 8 o'clock. Those who heard part of that choir at Ringwood about two weeks ago will want to hear them again.

MARKHAM TP. HAD LONG APPEAL LIST

The Township council with Reeve Gohn as chairman sat as a Court of Revision on the assessment roll on Monday this week.

While only three appeals were registered by owners on the east side there were no less than twenty-five on the west side. It appears that the east side, had been reduced more than the west side, but in explanation the assessors made it clear that in their opinion the east side had been too high, and in addition the assessors claimed the west side was a little more valuable than the east. This later declaration led to a long argument on both sides, which ended by both holding to their respective views.

East Side Appeals

F. L. Button, lawyer of Stouffville, appealed against assessment of \$3,000 on lot 31, con. 9, being 43 acres of land. He claimed part of this land (5 acres) was worthless, and the place only rented for \$150 yearly, with Mr. Button paying his own taxes. Reduced from \$3,000 to \$2,800.

A. B. Hamilton appealed against \$150 assessment on sub-division property between Hagerman and Mijlken. Appeal dismissed.

J. Meharg in same division on 9 acres with \$800 assessment on land and \$300 on building was refused any reduction.

West Appeals Enblock

When Truman Baker rose to appeal against lot 17, con. 2, 132 acres assessed at \$9900, he suggested that all from his side the township appeal in a body and he so heard. This was to save time, and was agreed to. Fifteen farmers on con. 3 were heard through George B. Padgett as spokesman. He attempted to show that the east side of township had been reduced from \$300 to \$500 per 100 acres, while the west was down from only \$100 to \$200. The assessors explained their stand, and said the move was to equal the two as they should be. The court sustained the assessments as they stood.

F. L. Silver appealed on three farms. One was assessed for more than he paid for the property, and was reduced \$500.

James Atkinson was reduced \$150 on his \$7,300 assessment, at lot 8, con. 2, allowance off being for reforestation.

Walter Accerman's appeal was dismissed on lot 18, con. 2, assessment of \$7,300.

Archie Fleming was reduced \$900 on account of fire destroying house at lot 33, con. 5. Also B. Turner on the 2nd con. was reduced \$100 on land.

Frank and Chester Graham, both well known business men in Western Canada. Nelson was born on the farm at Vandorf where his parents lived at that time. His father died 15 years ago, but he is survived by his step-mother here. For the last 10 years the late Mr. Graham was farm manager for Eugene Rowan at Mount Albert, where he was a well known and a popular figure in the district. Death Ends Lengthy Illness

William Gower, Well Known Citizen was only 54 years of Age

After an illness of at least two years, one of which he was unable to leave his bed, William T. Gower, a well-known resident of the town, passed away shortly afternoon on Monday of this week, aged 54 years. He suffered from a weak heart with complications. The funeral on Wednesday took place to Bloomington cemetery, the service at the late home south on O'Brien Ave being conducted by Rev. T. Laidlaw, the family pastor.

The late Mr. Gower was a native of Kent, England, coming to Canada in 1890 with his brother George to live with an uncle near Mount Albert. Being a man not afraid of work he readily found employment, and when he came to Stouffville he was engaged steadily all the time.
