SCHOOL LEVY SET AT 1931 FIGURE

Council will be Asked to Levy for \$5,000—Salaries Cut in Public School—Continuation Teacher Resigns

The school tax in Stouffville will remain at the same level this year as in 1931; it was learned on Wednesday evening of last week when the school Board met to consider the yearly estimates and make their formal requisition to the council. It was decided to ask the council to levy for \$5,000. At one time it was feared that the rate might have to be increased, but a reduction of salaries in the public school staff effected a saving of \$400, and enabled the Board to maintain the reduced rate made in 1931. Had any lower levy been asked for, the reserve fund stored up in the prosperous years gone by would have had to be impaired, and money borrowed next year to finance the school account.

For three consecutive years a reduction of \$500 has been made in the school rate until it is now down where no further reductions can readily be expected.

Miss Isabel Bell, junior teacher on the Stouffville Continuation School staff has resigned, and her resignation was read and accepted at this meeting. The secretary was authorized to send Miss Bell a letter expressing the regrets of the Board over her resignation. Miss Bell joined the local staff a year ago. The secretary was authorized to advertise the vacancy on the staff.

One Coal Tender
Only one tender was in for the coal supply, which was awarded to S. W. Hastings for a 50 ton car of Pocohontas coal at \$8.75 per ton, delivered in the bins, which is the same price as paid last year.

Lower Salaries
At the special meeting of the Board held a week previously the salaries of the five public school teachers were all reduced \$100 each effecting a net saving to the school account of \$400, the remaining \$100 being lost in reduced grants.

Ed. Baker chairman, Edw. Lloyd, Dr. S. S. Ball, J. W. McMullen, Ambrose Stover and Dr. H. B. Frel were all present for the regular meeting.

Only three accounts were up for payment, being \$5 to Mrs. Clayt, Baker, one day relief teacher; \$4 to John Turner for rent of garden plot for agricultural class, and \$46 to Boadway's drug store for supplies.

ALTONA

Miss Lizzie Davis spent the week-end with her parents.
Mr. Gordon Bartholomew visited with Mr. and Mrs. Madill and family.
Mrs. Wm. Clarkson spent Saturday afternoon with Mrs. J. Hutchinson.

Mr. Richard Jones of Markham and Mr. Fred Crossin of Stouffville had tea with Mr. and Mrs. N. Bunker on Sunday.
Our Altona boys won a 4 to 3 victory over Stouffville on Saturday night and were defeated by Goodwood on Monday 3 to 1.

Mr. Ernie Davis landed home from Godrich on Sunday where he has been engaged in work for Mr. Henry Ogden of Unionville.

Miss Evelyn Rescor arrived home last week from university, accompanied by some girl friends of Toronto.

Mr. and Mrs. Peter Dyke of Toronto spent Sunday with Mr. and Mrs. Dyke and daughter.

A number of the Davis and Lewis families attended a funeral at Barrie on Monday.

Drowned in Toronto Bay

In full view of his father and the passengers on the Island ferry Primrose, George Lawson, aged 21 years, and son of Mr. and Mrs. Harvey Lawson who formerly lived on Church street, Stouffville, climbed up on the guard railing and plunged over into the water. His body was recovered two hours later in 45 feet of water. A life-belt was tossed over board to the drowning man but he made no attempt to grasp hold of it, and sank in view of all the passengers. The sad occurrence happened Monday afternoon this week.

The ferry was in the centre of Toronto bay when the incident happened. Geo. had been in ill health suffering from nervous trouble and his father took him on the Island trip hoping to cheer him up.

George was born in Stouffville, the only son of Mr. and Mrs. Harvey Lawson. He got his schooling here, and then entered the banking business. The family moved to Toronto only a few years ago.

The funeral of the unfortunate young man was held on Wednesday afternoon from the late home on Atlas Avenue to Mount Pleasant cemetery.

STOUFFVILLE WINS ON LOCAL DIAMOND

In their first home game against Uxbridge in the York County Baseball league the local club came out on top with a score of 8-1. The batteries beginning the game were for Stouffville, B. Lehman pitching, L. Lehman catching, and for Uxbridge, Burchell pitching, Hill catching.

The scoring remained neutral until the beginning of the third innings when the Stouffville hitters let loose, forcing Burchell to be replaced by Clark. The sudden rally of the locals began with Baker and Stover each receiving a base on balls. B. Lehman then hitting safe to second to fill the sacks. L. Lehman followed with a fast one down the first base line bringing in Baker for the first tally of the game. Immediately after, with a single and a double, Hodgins and Button sent in four runs in quick succession while Boadway completed the scoring by sending in Button for the sixth and final run of the innings.

Uxbridge showed signs of being dangerous in the fourth innings when they filled the bases but were speedily repelled by the local pitcher. The only run for the visitors came in the sixth innings when Clark crossed the plate on an attempted throw to second by L. Lehman. Seemingly to resent the attempt of Uxbridge to overcome their six run lead, the local boys came back to add two more in the last of that innings which completed the scoring for the game.

Favored with excellent weather the Stouffville Ball Club carried off honours once again when they journeyed to Sutton to defeat that team 16-7. Although the opposing team had a little the edge till the end of the 5th innings with a score of 7-4 the Stouffville team came back in the next two innings scoring 12 runs. The Stouffville team used three pitchers, Bruce Lehman, Jack Pennock and Harold Cook, occupied the pitching block for Stouffville.

AMERICAN NEPHEWS SEEK EVIDENCE

In Hope to Contest Will of Late Mary Ann Wright Who left Entire Estate to Faith and Truth Temple

There is grave possibility of some litigation over the last will and testament of the late Mary Ann Wright who died in Stouffville last month at over 80 years of age. All her property and investments totalling some \$6,200 is willed to the trustees of the Faith and Truth Temple of which Rev. A. E. Crockerford is the executive head and leader. He is named as sole executor of the estate. The will is dated May 15, 1931.

Messrs. Ernest and Charles Wright, nephews of the deceased, were in Stouffville last week in connection with the matter. The two boys are sons of Mary Ann Wright's brother, the late Rev. James Wright. He died when they were mere children. He came to a tragic end by being kicked by a horse which he was putting the harness on to drive to one of his praehing charges in the States.

As a result of this unfortunate accident the family had to make their own way, more or less. Ernest is living at Ridgeway, Michigan, and Chas. at Little Fork, Arkansas. In conversation with The Tribune they expressed keen disappointment over the fact that their new relative had entirely overlooked them in the disposition of her estate. If they proceed to contest the will it will be on the ground of her alleged incapacity to make a will, coupled with alleged undue influence.

The nephews say they were not acquainted with the fact that Miss Wright was ill, and that the Faith and Truth Temple sent out people from Toronto to care for her during her last illness, contributing two women and the caretaker of their church.

EVANGELIST AT ALMIRA CHURCH

Rev. Oscar Burkholder of Breslau is conducting a week of special meetings in the Mennonite Church near Almira, with one of the Sunday services in the Wideman church on the 8th concession. These services commence on Saturday, June 18, every week night at 8 o'clock, with three services on the two Sabbath days. A series of bible lessons will feature the week on "The Tabernacle in the Wilderness."

Secure a leaflet from any of the church brethren setting out the texts for the week.

DICKSON HILL

While barn raisings are as scarce as hen's teeth in this neighborhood, they are still as popular as a bride at the wedding feast. Thus when Mr. Ward Halman announced his raising date last week, over 200 people assembled, and that many more didn't appear were disappointed because they did not know of the affair until after it was over.

The modern new structure erected on the Halman acreage on the 7th concession went up with scarcely a hitch. One girl did fall and struck Jacob Grove on the shoulder, but like his biblical namesake, he is not easily deterred, and is still carrying on, although a bit sore for some days. David Stouffer and Henry Miller were chosen captains, the former winning out by a fraction—his side going up in 7 1/2 minutes.

Then the grand rush for the tables started. The new structure is 40x70 feet, on a cement block foundation supplied by George Baker at Gormley. The building will have stall accommodation for 21 head of cattle, besides a liberal sized horse stable. There is in addition 7 box stalls. Both the new barn and the large hon house and hog pens will be complete with electric lighting. The carpenter work is done by Morley Symes and his crew from Goodwood, including Arthur and Walter Brown and Percy Baston. The Halman farm has been in the family for 30 years, and will be one of the finest equipped in the township when completed. Mr. Halman appreciates the splendid assistance rendered him by the neighborhood at his raising.

CARD OF THANKS
We extend our appreciation and sincere gratitude to those who so kindly contributed to our mother's comfort and happiness during her long illness by their sympathy, assistance and gifts, and to those who extended their sympathy and assistance to us in our bereavement. FARMERS MUST PAY FOR HYDRO LINE

Request to be Relieved From Service Charge is Refused by H.E.P.C. of Ontario

The Uxbridge Township Council met at Goodwood on Saturday with all members present and Reeve Isaac Catherwood presiding. A letter was received from the Ontario Hydro Commission refusing to cancel contracts for those farmers who are now unable to take the service. At the time Hydro was being pushed into the township contracts were being signed in order to make the line feasible by getting the requisite number of signatures. A large number have had their buildings wired, and have been receiving service. Owing to the depression some farmers have been paying certain service charge without taking the service, because they can not afford to do so, and these appealed to the council in the hope of having their contracts nullified. Council took the matter up with the Commission who reply stating that if cancellations are made the council or the remaining consumers would have to pay the charges as the line has no surplus users, and is really being run now at a loss.

R. C. Muir announced by letter that the township road subsidy would be \$4,117.88, based on the road expenditure made in 1931.

Having in mind the difficulty some farmers had in paying their taxes, a grant to the Junior Agricultural work in the township was refused. W. M. Croskery who made the request, Council expressed great sympathy and approval of the work being done however.

The following Road Accounts were passed for payment:
Reddy People, culvert \$122.64
A. Hookley, Jr., installing cul. 28.20
Walter Locke, hauling gravel 6.00
Cecil Wallace, hauling timber 5.00
Melvin Alsop, drag 8.20
John Collins, grading 26.60
Fred Redshaw, grad. etc. 3.50
Walter Beach, filling washout 41.80
Alfred Clark, G. & G. 76.20
Alf Haynes, dragging 3.00
Milton Best 2060 ft. Timber 59.00
Alf. Thurlwell 9.00
Wm. Redshaw G. G. 50.00
Wm. Redshaw, gravel 4.65
Chris. Forsyth 40 yds. gravel 6.00
David Symes, clean ditches 25.00

Other Accounts Passed
Wilfred Simpson, val. sheep 1.00
H. Kerry, lamb killed 5.00
R. Nesbitt, one sheep injured 2.00
Wm. Redshaw, valuing 1.00
On motion of Messrs. Hockley & Ashonhurst, Council adjourned to meet again on Saturday, July 9th, at one p.m. for general business.

GRADUATES AT WHITBY

Among the graduates of the Ontario Hospital Training school for nurses at Whitby who will receive their diplomas at the annual graduation exercises to be held on June 16, is Miss Marjorie Lehman, daughter of Mr. and Mrs. Willis Lehman of Almira.
Graduation exercises will be held in the assembly hall at the hospital, and invitations have been sent out, which will include a number of friends from this locality.

Clan Campbell's Conclave

The fifth annual reunion was held Saturday, June 11, at the home of Charles Snider, Ella, Ontario. Favored by the finest of weather this function was the best of the several reunions that "Clan Campbell" has so far held, and no less than one hundred and fifty descendants of Dugald and Mary Campbell, pioneers who came to Canada in 1831 thronged the lovely grounds of the Snider home during the afternoon. The gathering was given a distinctly Highland tone by the presence of a piper in full Highland costume, who enlivened the afternoon's proceedings, with airs that are dear to the hearts of the sons of the heather. The early part of the gathering was given over to games and races, later came the banquet served on the lawn, at tables that fairly groaned with a hundred varieties of good things to eat.

This was followed by a concert to which all branches of the family contributed. Election of officers of the "Clan" brought down the curtain on proceedings. The honor of being the oldest member of the Clan present fell to Dugald Campbell of Orangeville, son of Dugald and Mary Campbell with J. R. Campbell of this vicinity, Jerome Campbell of King, Ontario, and Archie Campbell of Weston being next in line.

Clan representatives were present from practically all parts of York County, as well as from Peel County, Sarnia, Peterborough, Hamilton and the province of Saskatchewan

ALL APPEALANTS GAIN REDUCTION TOWNSHIP COURT

There were seven appeals before the Whitby Township Court of Appeal held last Saturday at Vaudor. The court is composed of the municipal council, I.M. Morton, C.E. Toole, R. E. Ratcliff, Newton Rae, and Herman Kidd, the latter acting as chairman.

All seven appealants were successful in obtaining some redress, and went away feeling they had done very well. The total reduction in assessment as the result of these appeals is \$2100, but the total assessment on the rolls had been increased by slightly more than this amount by the assessors, thus there was no loss in making these adjustments by the court.

Following are the appeals:—
A. McNeil, lot 26, con. 2, total assessment \$5,200; Reduced \$700.
Archie Goodwin, lots 33-4, assessment \$4,600; Reduced \$400.
George Burrows, lot 15, con. 3, assessment \$4,900; Reduced \$400.
Walter Hall, lot 11, con. 5, assessment \$2,500, Reduced \$300.
W. D. Hall, lots 10-11, con. 7, assessment \$8,950; Reduced \$150.
J. F. Playter, part lot 23, con. 5, assessment \$400; reduced \$100
Albert Miskelly, Pt. lot 16, con. 3 assessment \$2,850; Reduced \$50

One complaint covered all appeals—too high in comparison with neighboring proprietors of similar value. In the case of J. F. Playter the assessor increased the assessment by \$100, and the court reversed it to the old figure of \$200 for what was termed waste land.

You needn't hurry to spend it

You may have to hustle to make money... most of us do... but you needn't hurry to get rid of it.

There are thousands of tempting ways to spend your hard-earned cash... some of them good... some of them a matter of taste... some of them sheer waste.

Don't be stampeded... take your time.

And while you are deliberating on the best way to use your money, make it work for you in an interest-bearing savings account.

Personal Announcement

Having recovered from an illness which overtook me at the time I purchased the Undertaking and Furniture Business in Stouffville from Mr. W. J. Mather, I wish to announce that I am now in a position to take complete control. All orders entrusted to me will be personally attended to by myself.

It is not necessary to spend a large sum to have a beautiful and dignified funeral. My prices will bear competition with any low cost funeral advertised—and keep in mind that when you order a funeral at O'Neill's, Stouffville, you are assured of my personal service, and no substitute.

I have invested a large sum of money in building and equipment in order to render the best service right in your midst.
