WET WEATHER SPOILED PICNIC

Visit of Old Boys and Girls a Complete Flop—Nobody to Blame but Weatherman.

"Soaking wet" had become a popular phrase when describing a plank in the platform of the Democratic party in the U.S.A., and it can quite properly be used when describing the Dominion Day holiday in Stouffville last Friday—but they both have different meanings. The holiday broke in a downpour of rain which lasted until around eleven o'clock. Then the ground was so soaked that only a few people turned out to the Old Boys picnic announced to be held in Memorial Park. The Toronto association cancelled their visit; consequently the anticipated justification was a complete flop.

There was a group on hand however, anxious to bowl on the greens, but this too was impossible because the grounds were soaked badly. Probably 40 or 50 people had tea at the park, according to the estimate of Mr. F. W. Mertens of Weston, who said he just had to come rain or shine. This broke up early with the extreme cool evening that following the rain.

As Stouffville's celebration day is Monday, August 1st, it is suggested that the Old Boys and Girls should come out on that holiday and have their fun which the elements stalled so badly on Dominion Day.

The regular monthly meeting of the Altona Women's Institute will be held at the home of Miss Beatrice Carter, on Wednesday July 13 at 2.30 p.m. The program is in charge of the juniors. The roll call—Current Events. Demonstration—"Summer Drinks".

STILL IN THE FLESH

Home Broken into in Search for Owner, Whose Whereabouts Alarmed Friends—Was in the lap of the Undertaker all the Time.

While it is not altogether new for persons who had disappeared and been declared dead, to then suddenly turn up, and have the novel thrill of reading their own obituary notice in the press. Such an encounter came high into Mr. Sandy Jones, the genial farmer living on Main street near the Presbyterian church.

Last Sunday evening his cattle were bawling terrifically, and the horses were neighing unceasingly, until the neighbors concluded something had gone amiss. They investigated, only to find that Sandy was not to be found, and the chores had not been done—Something never neglected on this well regulated farm. Enquiries were made, but no information as to his whereabouts could be learned. Willing helpers did up the chores, and waited anxiously until after dark, when failure of the proprietor to prove himself in the flesh led to a search party being formed. The stables were searched, the hay mow, and pig pen. Then Constable Pugh who had been appealed to, decided to break into the house, which he accomplished after playing a barrage on the rear door. The cop cautiously moved forward from one room to another (with more or less steady knees) fearing every minute to look upon some shocking sight, but still in vain. Sandy was not there.

A little crowd gathered out on the sidewalk, and silently they stood, fearing that the undertaker would ultimately be called in. If the missing farmer was ever found. Ten, and then eleven o'clock rolled by, when the hunt was given up for the night.

Behold the happiness of all when next morning Sandy appeared smiling on the job as usual. He had been away strange to say, with the local undertaker, Tim O'Neill, on a visit near Port Perry. Late in starting for home, car trouble caused a further long delay, which left them near to twelve o'clock before they arrived back in town.

Thus those who had those horrible fears that Sandy was due for undertaker's hands, little thought that right then their missing friend was right in the lap of the funeral director, so to speak, and consequently were not astray in the least on that score, only our mutual friend was still in the flesh—and as the story book goes, everything ended happily.

The Sporting Field

The first half of the baseball series for the York-Ontario Association was completed on Dominion Day when the Stouffville-Club scored their seventh consecutive win for this season. On this occasion the local team journeyed to Uxbridge and administered a 7-2 drubbing to these northern contenders. A good allotment of the credit for this victory goes to none other than the local twirler Bruce Lehman who turned in a perfect performance.

The first game in the second half of the baseball series will be played on Friday, July 8, when the Stouffville team entertain Sutton on the local diamond.

Tonight (Thursday) Goodwood meets Altona in the local lacrosse league finals. Altona won the first game by a good margin, but Goodwood played under a handicap which will change the showing for tonight's game. Don't overlook this popular contest.

On Friday evening, July 8th the Rouge teams must battle for the championship of the East York League. The game is looked forward to as one of the feature events of the lacrosse season.

Box Lacrosse
On Saturday night last Agincourt and Rouge Hill teams gave a splendid exhibition of speedy clean lacrosse. Although the final score was 6-1 in favor of Rouge Hill the opposing team did not appear to be so much outclassed, and the interest of the spectators was held to the finish.

At the end of the first period the score was a tie 1-1 but in each of the succeeding periods Rouge Hill continued to pile up their score and although at times the Agincourt boys rained shots on the Rouge net the goal-tender, Allan Hurd, was hard to beat. The Rouge defenses men, Sid Hurd and Vince were always effective. For the Rouge boys Fredway scored three goals while Hawse, Brown and Hurd each netted one. Stubbard got the goal for Agincourt. Fredway is an outstanding goal-getter for the Rouge team having twenty-eight goals to his credit for the season.

The final game of the Spring Series will be played in the Stouffville Arena on Friday night, July 8, the championship to be decided between Rouge Hill and Rouge A. C's. This game promises to be a thriller from start to finish. Come and give these boys the support due clean clever sportmanship.

TEETH STOLEN AS OWNER SLUMBERS

Lemonville Lady Has Novel Experience when Mice Carry Molars Away

We have read many fables in story books but we defy anyone to relate a better one than that which was actually enacted at Lemonville the other day in one of the best regulated homes of the hamlet. A lady who has seen more years than most anyone in the township of Whitechurch retired for the night after putting her false teeth in a mug on the cupboard, as was her wonted custom. Next morning the teeth had disappeared, and despite the fact that everyone in the household had spent hours in the hunt, the necessary molars could not be found. Being at an age when more people would be terribly forgetful, this erstwhile gum-chewing resident, is very keen of mind, and held fast to her recollection that the teeth were left in the mug.

It was not until someone recalling the fondness of mice for such instruments of jawdom, was the kitchen furniture generally moved about to reveal a certain track where mice were known to appear from time to time and disappear down a small hole. There, at the entrance to the mouse's den lay the teeth, which had been dragged from a front room to the rear kitchen, but evidently unable to lug the molars through the small entrance to their unseen habitation, gave up the work for the time being. The teeth were recovered unharmed, although had they been left to the mercy of the silent force which carried them off, a gnawing beast would soon have been held that might shortly have destroyed the set.

This is a first class play so don't miss it, given twice before to an overflow house. Don't forget the date, July 14. Admission 25c & 15c

Mutton-Eating Dogs Like Quality Lamb

Markham Township Settles Five Claims at July Meeting—Tax Rate Struck same as last Year

Mutton-eating dogs in Markham Township are even particular about the kind of lamb they eat. No ordinary market critter is good enough for some of them, hence last month they tackled the fancy breed belonging to Mr. G. A. M. Davison, the township clerk, and the destruction of 5 lambs & general damage to flock cost the township \$100 and Mr. Davison still more than that.

Markham Township Council met on Monday at Unionville with all members present and Reeve Gohn presiding, for the regular July meeting.

Toronto Transportation Co advised council that the loss on the north Yonge street radial for the first quarter of 1932 was \$1853.36, of which Markham's share is \$203.57

George Storey of Stouffville complained before council against people dumping rubbish on the sidewalk opposite the Dr. Storey farm at Dickson Hill, and asked to have same removed, Council promised drastic action to stop this nuisance, and advised Constable Walker to give the matter attention.

Mr. Maynard for the Unionville trustees had an interview with council, in the hope of securing council aid to purchase a new fire reel for the village. There is a machine for sale at Colborne equipped with gas engine for pumping water and mounted on wheels, drawn by hand power, with some 1000 feet of hose that will cost around \$1500

Reeve Gohn said something about buying a real machine that would do service in the township as well, thus it would be more suitable. No action was taken however.

Phil Willows, the Victoria Square merchant, complained about a depression (not in the store) but right out in front which caused the water to lay in a mud hole. This is a county highway, and council promised to ask the county to attempt to relieve the trouble.

A contingent from Helen Ave asked for work, and were told that some might be forthcoming at the bridge in the near future.

Striking the tax rate occupied much of the day. The county rate is up to 11.3 a slight increase over 1930, but the township rate squeezed down a mill to four. The bridge debenture rate remains unchanged, or slightly higher. Council are to be congratulated in getting the rate down—that part of it over which they have control.

Dogs were very hard on sheep during June five claims having to be met at this meeting. In addition to the Davison claims paid at \$100, other smaller ones were settled as follows:—Roy Glover \$10; Carl James \$16.00; Wilfred Ball \$19; Fred Johnson \$10; and W. Brooks, valuer \$18.00

The following general accounts were ordered paid:—Economist and Sun, printing \$52.25 Hydro Electric, Thornhill 51.91 J.H. Gowland, weed inspector 43.65 Robt. Stiver, weed inspector 32.35 T.T.C. Yonge Street 203.87 Constable Walker, police suit 15.00 G.A.M. Davison, stamps, etc 3.00 Road Foreman's accounts were ordered paid as follows:—D. Boyd, Stouffville R.R. 1. \$97.50 Robt Agar, Gormley, R.R. 2 220.50 G.H. Bennett, Markham R.R. 236.53 Philip Forsyth, N. Markham 84.00 R. J. Cunningham, Gormley 1028.20 A. Duncan, Unionville R.R. 181.40 D. Shadlock, Milliken R.R. 56.75 R. J. Dunfield, Unionville 207.70 General road accounts amounted to \$512.00

Road Supt. Maxwell was notified to cut down on estimates a little on each 1/4 mile of road, if at all possible so that the 4 mill rate could be adhered to.

Council adjourned to meet on Tuesday, August the 2nd at one p.m.

TAX RATE STRUCK THIRTY-SIX MILLS

Brief Session of Council Set 1932 Levy at Same Figure as last year.

The Bowling Greens proved far more alluring to the members of the village council on Monday evening than did mahogany furniture, and worrying problems of state, hence the regular meeting of the municipal body transacted business with an extra snap. The session lasted less than an hour.

The main item of business was striking the tax rate for 1932, which was quickly accomplished after Clerk Dougherty presented the half-yearly statement with estimate for the remainder of the year. The rate will remain the same as in 1931, at 36 mills. With county and school taxes remaining as in 1931 it was impossible to make any reductions, and the rates were struck as follows:

County purposes \$5670.06 mills 9.3 Village rate 2835.30 mills 4.7 Road Debenture 3921.84 mills 6.4 Public Library 560.00 mills 1. Street Lights 1764.00 mills 2.8 School Maint 4175.00 mills 6.8 School Debent. 3005.03 mills 5 Total Taxes \$21,981.23 36

Reeve Morden presided over the meeting and the other members present were Councillors Watts, Weidon, Dowswell and Russell. The following accounts were passed and then adjourned:

Treasurer's Bond 6.00 \$ 5.00 Dominion Stores; Maskel 1.02 S.W. Hastings, Maskel, coke 1.16 Road Oil, 1000 gal. 105.00 Swift's Garage, fire truck 13.75 Ed. Thorn, gravel 94.50 F.Mowder, paint re Library 40.00 J. Gower, work 20.00

CHURCH HILL

The Jubilee Branch of the Church Hill Women's Institute will hold their monthly meeting on July 13th, 1932, at the home of Mrs. Charles Badgero. Program Committee in charge. Come and enjoy this afternoon.

Miss Helen and Ruby Winterstein from Rochester, Mich., were guests at the home of Clerk J. S. Dougherty on Sunday.

BALLANTRAE INDUCTION

The Induction service for Lemoville, Ballantrae and Bloomington United Churches, was held in the Ballantrae Church, on Monday evening of this week, where the Toronto East Presbytery met and inducted Rev. J. A. C. Kell to these charges.

Rev. Dr. Wilson ex-moderator of Toronto East Presbytery presided. There were ten members of Presbytery present.

The devotional service was conducted by Rev. George Berry of Goodwood.

The charge to the newly-inducted minister was given by Rev. A. E. Owen, Uxbridge, while the charge to the congregation was delivered by Dr. D. C. Smith of Stouffville.

There was a very good attendance while inspiring addresses were given by all the speakers.

At the close the Presbytery met as a body, and after the introduction of Mr. Kell to the Presbytery, he was duly voted as a regularly constituted member of that body. Mr. Kell made a good impression on both congregation and Presbytery.
