**Killed by Falling Tree**

News From Goodwood

Mr. and Mrs. Rynard of Breckin, visited at Chas. Harper's recently. Miss Gladys Wagg spent the weekend in Claremont, visiting Miss Alma Ward who is the school teacher at S. S. No. 2.

The Women's Society of the United Church held a Valentine social at their home on Tuesday evening to honor the occasion. Congratulations are herein extended to Mr. and Mrs. Elzezer Forsyth on the 2nd con. who on Sunday last celebrated the fifty-fourth anniversary of their wedding. Both are in very fair health after a life of hard work.

Word just reached here of the sad news of the fatal accident that happened to Douglas Woodland near Mount Albert. While working in the bush he was killed by a tree at Mount Albert on Tuesday morning. A tree lodged in falling, and when it released pinned Woodland, fracturing his skull. A second man, Woodland is a son of Fred Woodland and leaves three small children.

Mr. and Mrs. Charles Harper celebrated the 34th anniversary of their wedding day on February 8th with all the family home for the occasion. Glad to report Mr. Harper is able to be up to enjoy the reunion.

The 11th wedding anniversary of Mr. and Mrs. Robert Gulliver was celebrated at their home on February 5th. Those present were Mrs. Edward Haynes, Morley Haynes, Howard Haynes, Mr. and Mrs. W.A. Henderson, Mrs. Flumerfelt, Mrs. Nelson Wagg, Harry Pugh of Stouffville. Some lovely and useful gifts were received.

Phone 192 Stouffville

Six hundred bushels of soy beans are being crushed daily in the manufacturing plant recently opened at Chatham. Meal and oil are the main products, although others are likely to follow.

**THE FARM COLUMN**

Market For Ontario Celery  
Seen in Western Provinces

Shipments of Ontario celery to Western Canada, are arriving at their destination in first class condition and, because of the particularly high quality of this product, it is being well received. This was revealed in a telegram from W. H. Somerset, chairman of the Ontario Marketing Board, who has been in Western Canada.

Central Potato Grading  
Established at Toronto

"In an effort to offer the consumer still further satisfaction," said J. T. Cassin, "the Central Ontario Potato Growers' Association has established a central grading station in Toronto.

"Growers are now shipping potatoes to this station, where their product will be graded and bagged the entire operation being effected by the most modern machinery.

In my estimation," commented Mr. Cassin, "this will prove to be the most practical step, in assuring the consumer of top quality and uniformity of pack."

British Meat Importations  
Big Item in Foreign Trade

J. A. Carroll, Director, Markets Branch, states that the import of meat into the United Kingdom from the United States, Argentina and Denmark in particular, is a very considerable item in British foreign trade.

He further stated that reports indicate the British Empire as having one-third of the world's sheep, forty per cent of its cattle, but no more than four per cent of its pigs.

British Apple Market

The current newsletter from Andrew Fulton, overseas fruit representative, states that the outlook appears more promising for a steadier apple market in the United Kingdom, as the indications are for supplies to be slightly lighter from North America, with better regulated distribution. It is the opinion of the trade that good quality red dessert apples such as Baldwins, will continue to be in demand at values ranging from 24 to 28 shillings a barrel for No. 1 grade in sound hard condition. The Domestic grade should range from 18 to 24 shillings, according to the amount of colour and attractiveness of the fruit. Russets are meeting a good demand and Ben Day is will be wanted as red apples become more scarce. The above prices, Mr. Fulton remarks, are given only as a guide, as nobody can foretell exactly what the supplies will be between now and March, and supply's greatly influence values. Ontario shippers are advised to keep their apples moving regularly each week to the markets best suited for the varieties and sizes available in order to realize the best average prices.

Layers Need a Real Home

While there are many factors that enter into the management of the poultry flock, there is nothing that will have greater influence on the poultry raiser's success or failure than the way in which he houses his flock. Birds of good breeding, no matter how well fed, will not return maximum profits unless well housed. The poultry house is the hen's home, and to be comfortable and give good production, the house should have proper ventilation, insulation and sanitation; it should have a proper location, plenty of light, be dry and have ample floor space.

LIVE FOWL WANTED  
Highest market price paid for all live fowl, hens, geese, ducks, S. Golden. Orders taken at Pennock's Livery.
