

LOCAL HAPPENINGS

Mr. David Meyer and two children were here from Toronto over Sunday visiting his sister Mrs. George Taylor, Mill street.

Place your order for counter check books with The Tribune, we can save you money under travelling salesmen's quotations.

Grace until March 15 has been granted motorists to get their car licenses. After that date cars on the road with 1932 license plates will be liable to a fine.

Mrs. Lloyd Hoover and baby son left last week for Chicago to visit her parents there. She was accompanied as far as Flint by Mrs. John Lehman who will also visit friends in the U.S.A.

Mrs. Galloway of Toronto was in town on Saturday and informed us that her mother, Mrs. J. B. Wurts, is confined to her bed owing to ill health. Old friends of Mrs. Wurts will regret to learn of her condition and wish for an early return to better health.

Miss Sager, of Toronto, and Mr. Cecil Carpenter, of Sutton, were recent guests at the home of Mr. and Mrs. Blake Sanders.

Friends in Stouffville will be sorry to learn that Mrs. W. H. Fuller of Markham, wife of the pastor of the Presbyterian church, Stouffville, is in the Wellesley hospital. Her condition is reported as grave, but not without hope for improvement the past week.

Miss Elsie Lounsbrough, who is teaching a rural school just out of Oakwood, was home over Sunday. Miss Gladys Miller, of the Weston High School Staff, was also at her home here for the weekend.

At a meeting of the Oshawa Presbytery held last week the call extended to Rev. J. E. Glover of Smithville, to become pastor of the Claremont and Brougham United Churches was unanimously sustained. Rev. Mr. Smith will fill the vacancy caused by the death of Rev. Mr. McLellan, who was killed in a level crossing accident early this winter.

A real interest is being taken in the old time concert to be held on Friday evening this week, by the Stouffville Choral. For a lot of people, a concert like this which provides so much mirth and laughter will be even more enjoyable than the introductory concert given by the society earlier in the season.

On Thursday Mr. James Mowat was receiving the congratulations of a long list of friends on attaining his 80th birthday on that day. Although our townsman is not so spry as in the days when he conducted the store business at Glasgow he is keen of intellect, and is a great deal wiser than he was back in those days, age makes us all that. He enjoys reading, and keeps abreast of world events through the daily newspaper. Mr. Mowat's friends, coupled with the wishes of this paper, are for many more years in which to enjoy the eventide of life with his life partner and faithful mate.

Mrs. R. J. Corson, of Markham village left this week to spend a couple of months with her daughter, Mrs. R. L. Dales in Winnipeg.

Mr. H. W. Sanders' rink won second place in the 18 rinks competing in the Unionville bonspiel last Saturday. First prize went to G. A. M. Davidson's Unionville rink. The locals brought home four fine motor rugs.

Don't forget the Geate Olden Tyme concert on Friday night. Ye syngers will be separately introduced, and their peculiarities described by Phenials Stickle, promptly at eight o'clock and the sound of the fiddling and syngyne will commence at 8.15. See bills. Admission 25 and 15 cents.

Those who store ice for summer use were getting in their supply last week, following the cold snap. Blocks clear as crystal and 17 inches thick were the average, and the stock was said to be the best ice procured in several years. There was a total absence of any snow shalo ice.

The number of old age pensioners living in Stouffville is 23. The Daily Star recently gave some statistics on this matter and reported that this village had 38 pensioners, which is wrong. Evidently the Star coupled all the pensioners in the district who receive their mail through the Stouffville office, as residents of the village.

Sutton hockey team has finished the season with 8 wins, 3 losses, and 1 tie in the local O.H.A. league. Whiby is the only team capable of tying this number of wins by Sutton, and will likely play off with Sutton for group honors. With home and home games (Whiby and Sutton) the contests will be widely patronized.

Mr. F. W. Silverthorn of the ninth concession of Markham brought in the office of this paper the other day a tadpole, or young shapeless frog which he took from the creek on his farm, while watering horses. How the tadpole survived the cold spell last week without being frozen up is something of a mystery, and because it did it is now living in a small pool of water with some gold fish. Tadpoles are said to be good scavengers in a fish bowl, and are raised and sold in large numbers at the Gold Fish factory.

The Ringwood Christian Church Sunday School is one of the largest in these parts for a country point to boast, there being 100 scholars on the roll. Three or four classes are designated as "ordained," each member being specially consecrated for God's work. On Thursday of last week one of these classes headed by Mrs. Flyer, met in Stouffville at the home of Mrs. Gordon Holden, when some needy work was done for the poor of the district.

The local funeral director and furniture dealer, Mr. Tim O'Neill, accompanied by Harold Quibel were in Toronto last week attending the banquet and new display for spring of the Norge Electric Refrigerator. New low prices with extra improvements and conveniences over the 1932 ice box were features. The local cost for current to run an electric refrigerator is estimated at 25c per month for any make.

The C.N.R. excursion rate from Toronto to Stouffville and other places along this line did not attract so many passengers as one run the other way to the city. Saturday morning's train carried two extra coaches to accommodate the crowd, which mostly was bound for points north of here. The fare to Markham and Stouffville was only 50c, and tickets were good from Saturday to Monday night.

The Ottawa Journal reproduces a photograph of William Davey of that city who has just been elected president of the Lithographers Association of Canada, at their meeting held in the Royal York Hotel, Toronto. Mr. Davey, who is general manager of the Mortimer Co. of Ottawa, is a brother to our E. J. Davey, and like the rest of the family was born in England. They first located in Uxbridge village when they came to this country and in that town the boys received their early education.

A member of one of our former families died in Toronto on Saturday in the person of Mrs. Annie Bond. She was a daughter of the late F. B. Wicks of Stouffville, who will be remembered as a harness maker. Mrs. Bond was twice married—her first husband being the late Chas. Morden who was buried at Glasgow. To this union one daughter survives, being Miss Minnie Morden. After her marriage to James Bond they lived in Toronto, where he passed away. No family was born to this second union. The late Mrs. Bond is survived by three sisters all living in Toronto, Mrs. Albert Stover, Mrs. Walter Slack, and Ella whose husband's name could not be obtained for this article. The funeral on Tuesday from the late home on DeGrasse street to Mount Pleasant cemetery for interment.

Visitors at the home of S. W. Hastings on Sunday were Dr. and Mrs. Elgin Hastings and son John, Miss Louise Hastings, also Mr. W. H. Harvey, Miss Louise Harvey and Mr. Murray Dennis. Sunday was the first day for Mrs. Hastings to be down stairs after two months illness with flu and pneumonia.

Stouffville branch of the Women's Institute met at the home of Mrs. E. J. Davey, when Mrs. Graves of Scarborough spoke on "My Ideal Institute." Demonstrations on the making of Jellies were given by Mrs. Malloy, Mrs. Grubin and the hostess. Two quilts made by the Institute were shown, and will be applied to relief.

Being married a month ago last Saturday and returning a week later from a honeymoon trip, Earl Hisey, employee at Scheel's butcher shop, was taken ill, and has been suffering from pneumonia at the home of his father-in-law, Mr. Lemon Paisley at Lemonville. The unfortunate groom is now recovering from his illness.

Brillinger Bros. and R. E. Brown were shipping vegetables this week again in car lots. The former sent out a car or two of mixed vegetables, while Mr. Brown is handling mostly turnips. Cabbage prices have taken a splendid up turn, the farmers being paid \$9 per ton or 30c per dozen while turnips realize 9c bushel delivered at the depot. Unfortunately farmers are running short of supplies.

Dr. Ira and Mrs. Freel are expected to return from the Southern States on March 5th, after having spent the winter in Florida. The doctor is reported to be recovering from an attack of the flu, a disease that has evidently been carried south by the northerners. How it ever got by the American customs officers is as great a mystery as the germ itself.

After being confined to her home for several weeks with the flu, and on her first venturing out, Mrs. Thos. Morton fell on a slippery spot near her home on 10th street south, and fractured her right wrist. The shock and the painful break are giving Mrs. Morton a trying and harrowing experience, which all hope will quickly pass. The accident happened last Saturday.

Reeve W.E. Morden of Stouffville, as one of this year's commissioners appointed by York County Council for the House of Refuge on Yonge street, paid his first official visit of inspection to the institution last Friday, in company with Warden George Elliott and the other commissioner who hails from one of the northern townships.

A citizen of the west end asks this paper to bring to the attention of the authorities and householders the advisability of removing the ice from the sidewalks, now that Old Saul is rendering such excellent assistance to this end. Well, there is little excuse for allowing ice to remain on the walks after the mild spell of the past few days. A little jogging up by the town cop on the negligent householders would not be amiss.

One of our west end citizens is having to do some lengthy explaining this week, because he came down town with two hats on his head last Saturday—a sort of double header as it were. The gentleman in question visited a couple of stores and transacted business, but not up till he arrived home and on being confronted by his wife was he apprized of his double decker head gear. He had put on a cap and absent-minded like added a fedora when he decided not to wear the cap.

Mr. Orlen Mott who will be 87 years of age next 26th of April, fell on the slippery sidewalk on Montreal street about ten days ago, and is now only recovering from the shock. A doctor was called and found that no bones were broken; but the bump was a little too much for one of Mr. Mott's age. Since the milder weather has set in, all ice should be removed from sidewalks, and the town cop would be doing a good act to enforce the town bylaw on this behalf.

Abram Yake who some few months ago gave up housekeeping in town, his wife going to Toronto to reside with her children, has also gone to the Queen City to reside with his son on Keystone Ave. Mr. Yake had spent the past month or two with his younger brother Jake in the Silvester block. The senior of the two boys will be 91 years old next November, while Jacob, the younger, is 76.

The power of advertising was exemplified last week in a close-up way to one of our regular advertisers, Ben. Rexlin, a descendant of Abraham and the Prophets. Ben. announced in these columns that he had a power washing machine for sale, and he found a buyer down on the Markham-Scarboro townline, who also bought three pieces of heavy machinery advertised by the local second-hand dealer. The farm machinery is to be delivered at Markham station for shipment by C.N.R. with a carload of goods destined to the Mennonite settlement in New Ontario.

Support the Horticultural Society's annual meeting.

Mrs. J. Nosworthy of Toronto, was in town over the weekend, visiting with her sister Mrs. D. A. McConnochie.

Mr. and Mrs. Earl Robertson, of Toronto visited with her parents, Mr. and Mrs. George Collard, on Sunday.

Mr. and Mrs. F. C. Rowbotham, accompanied by Helen and Bruce, spent the weekend with Mrs. Rowbotham's mother, Mrs. Klinck, O'Brien Ave.

Misses Mary and Jessie Lemon, who have been on an extended visit down east since early winter with their sisters, Mrs. L. Silvester and Mrs. J. K. Brown, left on Monday for their home in the west.

On Sunday, February 19th, Mr. J. E. Rowbotham reached the 80th year of his age. He is in very good health, and still enjoys work. Mr. Rowbotham who is living with his son Leslie was surrounded by his three sons on Sunday.

We are pleased to be able to announce to the men of this district that Tip Top clothing prices have taken another reduction in price. Any suit or overcoat now made to your individual measure of British Woollens, expertly cut and carefully tailored at only \$19.50, one price only. Call today and examine the samples and patterns, hundreds to choose from for spring wear. A. E. Weldon, west end store for men's wear and boots and shoes.

The annual presentation of the Robert Raikes Diplomas and Year Seals, took place at Stouffville United Sunday School, on Sunday afternoon last. There were 45 pupils receiving the diplomas and seals, this being 12 more than last year. Dr. D. C. Smith, who made the presentation, pointed out that it takes seven years of good deportment and regular attendance to become eligible for the securing of the diploma. He congratulated the superintendent, teachers and pupils on the good standing of the school.

QUALITY SERVICE

Coal Coal Coal

Our Old Company's Lehigh Hard Coal is the Coal you should be burning this cold weather. Customers keep telling us they are hardly using any more Coal than in ordinary weather. That just proves our claim. It is the longest lasting Coal mined. Try this certified guaranteed Coal and let your own eyes show you, you can at last get a Coal that satisfies.

We also handle all other kinds of fuels.

Sun Life Assurance Company of Canada

INCORPORATED 1865 HEAD OFFICE - MONTREAL

THE inherent strength of life assurance has been tested and proved during the past three years of general business recession, and the invaluable service it renders the public in times of emergency fully demonstrated.

THE Sun Life of Canada, during this period—probably the most trying in human experience—has maintained its record of progress, and has been of especial service to its great body of policyholders throughout the world.

ITS assurances in force have increased since 1929 by \$465,000,000; assets by \$43,000,000. Its policyholders now number nearly a million.

STATEMENT for 1932

TOTAL ASSURANCES IN FORCE, December 31, 1932	\$2,928,952,000
This large amount, the accumulating estates of nearly a million Sun Life policyholders, will become payable to them or their dependants during this generation—a stabilizing factor of great social and economic value.	
NEW ASSURANCES PAID FOR	284,098,000
TOTAL INCOME	161,407,000
TOTAL DISBURSEMENTS	148,026,000
EXCESS OF INCOME OVER DISBURSEMENTS	13,381,000
PAYMENTS TO POLICYHOLDERS AND BENEFICIARIES:	
During the year 1932	108,527,000
Since Organization	702,712,000
ASSETS	611,436,000
Bonds; government, municipal, public utility and others; stocks; preferred and common; loans on mortgages; real estate; loans on Company policies; cash in banks, and other assets.	
LIABILITIES	597,241,000
Almost nine-tenths of this sum represents the policy reserve—the amount set aside to guarantee all policy payments as they become due.	
PAID-UP CAPITAL (\$2,000,000) and balance at credit of shareholders' account	\$3,416,000
RESERVE for depreciation in mortgages and real estate	4,781,000
SURPLUS	5,998,000
	\$14,195,000

The valuation of assets has been made on the basis prescribed for all companies by the Insurance Department of the Dominion of Canada. Policy reserves have been valued by the full net level premium method, on bases more exacting than those required by the Insurance Act of the Dominion of Canada.

Applications for new assurances were received by the Company during 1932 at an average rate of more than \$1,000,000 for every working day.

During 1932 the Company paid to policyholders and beneficiaries more than \$360,000 for every working day.

Income from renewal premiums was the largest ever received by the Company in a single year.

Cash in repayment or reduction of policy loans exceeded in amount that of any previous year.

Revivals of lapsed policies were in excess of those of any previous year, with one exception.

The net amount of policy proceeds left with the Company at interest was substantially increased.
