New Cattle Regulations

By order in Council an important alteration has been made in the quarantine regulations of cattle into Canada. It has now been decreed that cattle re-acting to the tuberculin test or showing clinical symptoms of tuberculosis shall be permanently marked in the right ear with the letter "T" and shall be slaughtered forthwith, without compensation, or returned to the country of origin.

Under the new regulations an-FOR SALE-Ford Touring in run- nounced March 22, - the Dominion
