### MARRIAGES

#### JONES-PATTENDEN

A quiet April wedding was solemnized at the Temperanceville Parsonage, Aurora, when Laura Ellen, second daughter of Mr. and Mrs. Colin Pattenden, of Vaudor, became the wife of Mr. Forest Wesley Jones of Maple, youngest son of Mr. and Mrs. Peter E. Jones. The bride, neatly attired in a dress of royal blue crepe, was attended by her sister Minnie, while the groom was supported by Mr. Frank Smith of Newmarket. The ceremony was performed by Rev. G. W. Leno, pastor of the bride. Following the service the young couple journeyed to the home of the bride's parents at Vaudor, where a wedding repast was served, later departing by motor for Toronto and other points for a short honeymoon. On their return they will take up residence on the groom's farm on the third line of Vaughan, near Maple. The bride's many friends met at the home of Mr. and Mrs. A. G. Snider on a recent evening when the bride was the recipient of many useful articles in a miscellaneous shower given in her own home.

## TEACHERS' SALARIES MAY BE HELD UP

Without registering a vote on the question, the School Board on Wednesday of last week at the regular April meeting decided that unless the county of York came through with the school monies due this municipality, there was little likelihood of any more money being expended this term on the Continuation School. The chairman did not demand a vote on the matter, but the opinion was expressed by members, that they did not favor paying even salaries until the money is forthcoming.

It was explained that the total revenue for running the Continuation School, (with the exception of about \$300) is obtained from a county grant plus a small grant from the government. The county payment is not really a grant, but is the money paid into the county by Stouffville, Markham, and Whitby, for pupils on a per capita basis attending our school. The County Council are merely the collecting agency, and as all three have paid the levy of last January, it is highly disappointing to learn that the county are now unable to forward the money due the school amounting to over \$4000.

Reeve Morden appeared at the meeting and told the Board of a proposed special meeting of the county council to be held at once, when the matter will be decided. It was his opinion that the Council would find a way to pay at least a portion of the money due. As no teachers' salaries are payable until the end of April the matter will stand in abeyance, as by that time the real situation should be known. There was scarcely any other business for the Board to consider, at this meeting. An account was passed for \$29.45 being premium on the London Guarantee & Accident Co. re liability against accidents to pupils in the public school.

Members present at the meeting: E. Baker (chairman), Trustees Dr. H. B. Freer, E. A. Lloyd, Dr. S. S. Ball and Ambrose Stover.

## Communication

EDUCATION VERSES AMUSEMENT—WHICH OR BOTH?

Editor of Tribune.

Dear Sir:— Truly in times like these we need more of vision, sound principle and sane judgment, to govern our country.

After reading the front page of the second last edition of the Tribune one feels that the town fathers are to be commended for at least keeping abreast of the times.

In one column we read, that owing to the depressing financial situation the Continuation School must be closed, while in another column on the same page, we see local contributions rapidly mounting, to open a moving picture palace.

Remember, amusement has its place in the scheme of things and will afford much pleasure to the town as well as being a commendable business move, the need of which has been long felt, but is not education a primary necessity?

If a town can help finance the amusement of its youth, cannot it help educate them? Much talk was heard about the economy of keeping the young from going out of town for theatre amusement; Will it be more economical to send them to sister towns for an education?

Stouffville should surely go down in history, for establishing an unparalleled precedent, if they with one hand close the doors of the High School and with the other open the moving picture theatre.

## CAN COLLECTION TO BE CARRIED OUT BY TRUCKER

Arrangements are being made to hold the annual can collection day in Stouffville, but it will be under private arrangement. The municipal Council having deemed it necessary to forgo the expense of \$35 or \$40 to rid the town of the winter accumulation under municipal auspices, Mr. Ed. Thorn, worthy truck driver, has stepped into the breach and will undertake to stage a "show" of his own.

Mr. Thorn proposes to remove the rubbish under the same plan as other years, by having the citizens place the waste material on the boulevard. The only difference will be that instead of paying the cost through your taxes, Mr. Thorn will collect the nominal fee of 25 cents at the same time as he lifts your cans.

Watch for the date. It may be delayed a week or two until the roads are fit for travelling to the dumping grounds, but due notice will be given in this paper. If you wish to dispose of your own cans, one may do so, but Mr. Thorn provides a cheap and convenient means to rid your premises of the winter accumulation.

## SIR HENRY DRAYTON ADDRESSED LOCAL ANGLICANS

Spoke in Stouffville Sunday Afternoon on Behalf of Restoration Fund

The quaint little Anglican Church on Main street was graced by the presence of Sir Henry Drayton who was the speaker at the regular service on Sunday afternoon last. Sir Henry came to Stouffville to speak on behalf of the Anglican Restoration Fund, which is now nearing a close.

The devotional part of the service was in charge of the rector Rev. J. J. Robbins, who introduced the distinguished visitor to the congregation. Sir Henry occupied the usual time devoted to the sermon.

Speaking in a purely conversational style Sir Henry said the present great undertaking was his first attempt to answer the call of his church to render special service. He is deriving a real thrill from the consciousness of doing something in a distinctly direct way for the advancement of the work of God. He made but scant reference to the great disaster whereby the church of England lost three quarters of a million of money sorely needed on her Prince Rupert field, through the fraudulent manipulation of one trusted man, now languishing in penitentiary, for stealing God's money. Dark as this side of the picture may appear, he said it threw out a challenge to the people to prove themselves by meeting the great need of the hour.

The speaker drew a graphic picture of the urgent need in the Canadian West, as related to him by the Bishop. The call for help extends right up to the Peace River district, to a kind of people who are not sitting around asking for relief but to families who are putting forth great energy and faith to do for themselves to the uttermost.

At the conclusion of this address the rector dispensed the Easter sacrament to members of the Anglican Communion.

## BROCK TP. FARMER BURNED TO DEATH

James L. Bagshaw Dies as Flames Destroy Barn and Stock

THE LOSS IS \$20,000

James L. Bagshaw, 61 unmarried farmer, was burned to death when he made a heroic attempt to free the horses and cattle trapped in his blazing barn about 9 p.m. Thursday. Damage estimated at \$20,000 was done by the fire, which completely destroyed the barn, about two miles south of Wilfrid, in Brock Township. Approximately 40 head of cattle, 13 horses, 6 of them very valuable, a number of pigs and all the farm implements, were also destroyed.

Frank Bagshaw, brother of the deceased, and owner of the barn, was in Sunderland with his wife and son when the fire broke out, and little is known of the circumstances. The charred body of James Bagshaw, found under a dead horse, bore mute testimony to his heroism. It is thought he went into the barn at about 8.45 to finish up the day's chores. He was carrying a lantern at the time and this may have set fire to the hay. Another theory advanced is that a gasoline engine in the feed room may have caused the conflagration.

Coroner Dr. Blanchard of Cannington, who returned a verdict of accidental death, told this paper that the fire extinguisher had been removed from the wall of the feed room and was found about one-third of the way down the room, leading to the supposition that Bagshaw attempted to put out the blaze, but, finding his efforts unavailing, rushed out to untie the trapped animals.

After loosening several head of cattle, Bagshaw evidently made a desperate effort to save the horses, but none escaped. Whether he was kicked unconscious by a frightened horse or overcome by smoke, is not known.

When neighbors first noticed the burning barn it was a mass of flames. C. Bodley, summoned the Sutton fire brigade, which responded with seven men.

Notified by telephone of the fire, Frank Bagshaw returned immediately from Sunderland, where he had gone with his wife and son to meet his daughter, Irene, who was coming home for the Easter holidays. The damage was partly covered by insurance.

Mr. and Mrs. Elmer Reid of Hamilton, Mrs. Jessie Reid and Mr. Graham Ellis of Richmond Hill and Mr. Gordon Crapper of Ottawa spent the holiday at J. F. Reid's.

Easter was observed in the churches of the village on Sunday, both in sermon and song. At the Baptist Church, in the afternoon, Pastor Homer spoke on the "The Cost of Good Friday." A large Union choir, with Miss Edna Foskett at the piano, sang "Now is Christ Risen" Miss Foskett also played "Prelude" as a voluntary. In the evening Rev. Mr. Barry preached on "Doddly Resurrection," and gave a sermon that will not soon be forgotten. The Union Choir gave two fine anthems, "If Ye Then be Risen" and "Christ is Risen", Miss Viola Reid presided, in very capable manner at the organ.

A quiet wedding was solemnized on Saturday evening, in Goodwood, when Marjorie Mae, eldest daughter of Richard James, formerly of Goodwood, was united in marriage to Earl U. youngest son of Mr. and Mrs. E. L. Storey, of Goodwood. Rev. George Barry officiated. The bride was gowned in a two-toned dress of blue silk crepe, and carried a beautiful bouquet of sunset roses and fern. Later on in the evening, the young hopefuls (and some of the older ones) of the village gave the young couple a very rousing reception. We take this opportunity of wishing Mr. and Mrs. Storey a very long happy married life.
