

**LAST TWO CHAMPIONS TUTORED BY ROLLINGS**

The champion speaker of the Provincial Oratorical Contest held in Convocation Hall, at the Ontario Educational Association, on Thursday, April 20th, was Master Billie E. Walker, pupil of Walter Rollings, S.S., 23 Kinghorn School, King Township. Last year's winner was James Gray, a pupil of Mr. Rollings in the same school. Clarence Whitaker, of Perth, won second place, while Wm. Newnam of Hamilton district was third.

**A DESPICABLE CRIME**

One of the most despicable acts committed in Pickering in a number of years occurred one night recently when some person or persons scattered poisoned food through the village resulting in the death of several dogs and cats. The poison, which proved to be strychnine was placed between slices of fruit bread on which butter or grease had been spread. Mothers after learning of the fate of the animals were afraid that their children would get hold of this fruit bread and thus get

poisoned. The animals that were destroyed were great pets.

**Heads C.P.R. Hotels**

H. F. Mathews, General Manager, Canadian Pacific Hotels in Western Canada, with headquarters at Winnipeg, has been promoted to the post of General Manager of the Company's hotel system from coast to coast, with headquarters in Montreal, according to a recent announcement by E. W. Beatty, Chairman and President. Mr. Mathews brings a wide experience gained in 35 years of service with the Company, to his new position.

**Sues Uxbridge Doctor**

Claims He was Sterilized Under Threat of Losing Children

Charging that he had been sterilized by Dr. R. B. F. Wilson, Uxbridge, under threat that if he did not submit to the operation, his five children would be taken away from him by the township of Reach, Levi Warren, farmer, claims \$50,000 damages, alleging that he has suffered "mentally and physically." He was on township relief at the time.

In supreme court chambers at Osgoode Hall Tuesday A. W. S. Greer, Oshawa, representing Dr. Wilson, and K. V. Stratton, for the township of Reach, moved to strike out the jury notice. Mr. Greer argued that medical evidence would have to be adduced at the trial.

"This doctor has an embarrassing action hanging over his head," he said.

"This was an effective operation and there is no allegation of malpractice," declared Alex M. Gurofsky, opposing the motion. He stated that the doctor had admitted having performed the operation.

"It is a question rather of assault and battery," said Mr. Gurofsky. He maintained that consent was the real point in the case, and no scientific evidence would be required. Mr. Justice Kerwin reserved judgment.

**The Farm News**

The roads are fast drying up so that motor traffic is now possible on practically any road.

**Weekly Crop Report**

Prince Edward County reports completion of the fourth general T.B. test. A total of 23,360 cattle were tested with only 46 reactors or 19 per cent. This does not include the 55 accredited herds in the county.

Farmers in the apple-growing counties are showing a greater interest than ever before in the care of orchards and many requests are noted for information and demonstrations on pruning and grafting. The majority are strongly in favor of a real cleanup of the apple maggot scourge.

Farmers in many parts of Southern Ontario report clover fields have wintered well, especially where cattle were not allowed to pasture late last fall or where a late cutting of hay was not made. Soil conditions are reported to be good in most localities for spring seeding preparations.

Stiver Brothers, well known seed dealers of Unionville, and Stouffville and Aurora, have issued an attractive catalogue of seeds, seed grain and garden seeds. If you are in the market for seed grain, this book offers you detailed information of the different varieties and prevailing prices. If you have not secured a copy you may have one by writing to Stiver Brothers at Unionville.

The farmer who sows cheap or uncleaned seed of doubtful quality is gambling with the odds 10 to 1 against him. In this year of low prices, the difference between the cheapest and the best seed is merely a few cents per bushel. The result of using poor seed, however, may mean a reduction of 20 to 50 per cent in yield.

675,000 Lbs. of Ontario Honey. Exported to Great Britain. The Ontario Honey Export Association announces it has shipped to date some 675,000 pounds of

honey to Great Britain and the Continental market. This quantity is made up as follows: 450,000 pounds of white and golden honey; 20,000 pounds of light amber; 6,000 pounds of comb honey and 2,000 pounds of buckwheat.

The removal of this quantity of honey from the domestic market has materially aided in strengthening domestic prices.

**Weed Bill Tremendous**

Weeds cost the Ontario farmer 15 to 18 million dollars yearly in loss of crops, extra labor, and depreciation of property. This was the recent statement of Arthur H. Martin, Departmental official.

This quantity should be sufficient to supply all Eastern Canada requirements up to May 1, precluding the necessity of importing onions until after that date.

**Export Market Assured for Ontario Fruit Growers.**

"Ontario's export to Great Britain of stone fruits such as pears and plums; augurs well for the future," stated P. W. Hodgetts, director, Fruit Branch. "This year, for the first time, 113 cars of pears and plums were exported to British ports, which represents very considerable success for initial shipments.

"Prices on the whole, were satisfactory, except in the case of some of the later pear shipments."

Mr. Hodgetts said that plans are now being laid for organization work among growers; also, to arrange for the central packing and cold storage, necessary to increasing the movement of fruit during the coming season.

**Contracting Tomatoes**

The Campbell Soup Company, New Toronto, is contracting for supplies of tomatoes for canning purposes at the rate of 50¢ per bushel for No. 1 grade and 35¢ per bushel for ungraded.

This company, with the assistance of the Dominion Fruit Branch, Ottawa, experimented last year in buying canning crop supplies by grade. So successful was the project that this company has decided to make the plan part of their permanent policy in purchasing farm crops for canning purposes.

**Supply of Quality Cattle**

Very Limited, Says Duncan. "The first essential in profitable beef production," said Garnet H. Duncan, livestock investigator, Ontario, Marketing Board, "is that of supplying the domestic market with the quality desired by consumers.

"Breeders and feeders can reach this domestic market by producing properly finished, early maturing livestock. This type meets with ready sale, and answers the requirements for government graded beef. "In my opinion, a visit to the market would definitely convince producers that while there is a real demand for this type of livestock, the supply is more than limited."

**RADIO FOR SALE—\$15. Perfect condition. Chas. Ward, garage.**

FOR SALE OR RENT—Six-roomed house on Main street. Water and lights installed, a snap, priced at \$1,000, with \$200 down. Apply D. J. Yake 12 Keystone Ave Toronto, or D. Rusnell town.

**In Memoriam**

Fisher—In loving memory of our dear father, John Fisher, who passed away, April 28, 1932. There are those who miss you sadly and find the year long since you went. There are those who miss you daily, but try to be brave and content. So we shed a tear in silence, and breathe a sigh of regret. For you were ours and we will remember, though all the world forgets. Floyd and Gertrude

**In Memoriam**

Story—In loving memory of a dear husband and father Jarvis Story, who passed away on April 23rd, 1928. Five years have passed since that sad day. The father we loved was called away. God took him home, it was his will. But down in our hearts he liveth still. Ever remembered by loving Wife and Family

**In Memoriam**

Bartholomew—In sad but loving memory of our darling son and brother, Harold Clifford Bartholomew aged 4 1/2 years who was accidentally killed two years ago to-day, April 25, 1931. Two years have passed since that sad day. God called the one we loved away. Forged him, no we never will. As years roll by, we miss him still. The blow was great, the shock severe. We little thought the end was near. It is only those who have lost can tell. The sorrow of parting without farewell. But God is good, He gave us strength to bear our cross. He is the only one who knows. How bitter is our loss. Too dearly loved to be forgotten. Mother Daddy, Brothers, Sisters.

Mr. and Mrs. Malcolm Sinclair, and daughter Norma, visited at the home of Mrs. W. T. Byam one day this week.

Dr. S. J. Clarkson, and Mrs. Clarkson, of Rochester, N.Y. have returned to their home after paying a visit to his sister, Mrs. Daniel Cook.

Will the parties who have my 30 foot ladder and wire stretchers kindly return them as we require them at once. E. A. Button.
