

UNIONVILLE

Alfred M. Hill, teacher in the Public school for the last five years, at the recent entrance exams, maintained his usual record in the success of the pupils recommended for the examination. During his term 40 pupils were successful, only one

whom he had recommended failed to reach the mark, that one was recommended because his age would have required High School standing. The following are the pass pupils, the first three obtaining honors: Leonora MacKay, Peggy Rush, Arnold Court, Annie Maynard, Norma Penstone, Lloyd Rudkin and Alberta Stiver.

Final Game Coming

The final game of the schedule of the York Ontario league will be battled out between Uxbridge and Stouffville in Memorial Park here, on Tuesday August 1st. Stouffville must win this game to keep in the running for the play-offs which, providing our boys come through will likely be staged against Aurora who are now in first place. At this final game the local club are giving away a handsome floor lamp to the lucky ticket holder. Tickets are now available from any of the players.

Civic Holiday, Monday, Aug. 7th.

4TH LINE UXBRIDGE

Mr. Thos. Pilkey visited friends on the Fifth Line on Sunday.

Miss Gladys Swafield of Toronto, is spending a few holidays at Mr. G. Jones.

Mrs. Arthur Moore and family of Toronto are holidaying at the home of Mr and Mrs. G. Moore.

Mr. and Mrs. George Wilson and Gordon were visiting Mr. Perry Wilson at Greenwood.

Mr. Wm. Redman of Burks Falls returned to the bedside of his sister Mrs. M. Norton who is still very ill.

Erla Watson, eldest daughter of Mr. and Mrs. Watson, sustained a fractured wrist last week, and had to have it in a cast.

Mr. and Mrs. Wm. Maye and family and Gordon Jones attended the Baptist picnic at Musselman's Lake last Thursday.

Mr. and Mrs. J. Hopper, Mr. and Mrs. Wm. Hopper of Penetang and Mrs. Geo. Wooten of Orillia visited Mrs. M. Norton Sunday.

Mr. and Mrs. Ross Watson and children spent the weekend with his sister Mrs. Thos. Bacon at the cottage at Trent River.

Owing to the pastor, Rev. Mr. Burry, being away on his holidays, Mr. McGhee of Toronto addressed the Fifth Line Church on Sunday last.

The Goodwood Women's Institute met at the home of Mrs. Andrew Ashenhurst last Thursday with a goodly number being present. The August meeting will be held at the home of Mrs. Russel Feasby.

Information For Farmers

Barn Fires
The Ontario Fire marshals, records show that more barns are destroyed by fire originating from spontaneous combustion in hay than from any other cause except lightning in unrodde barns. Harvest weather conditions in 1932 were so dangerous that more barn fires than ever were expected. Instead there were 278 fewer barns burned in Ontario and a decrease of 17 per cent in the number of fires known to be caused by spontaneous combustion.

Good Type Feeder Cattle
Scarce, Says G. H. Duncan
"My observations of the past week," said Garnet H. Duncan, live stock investigator, Ontario Marketing Board, "lead me to believe that there is a very definite market awaiting the farmer who is willing to produce well-bred feeder cattle."

Bearing out his contention, Mr. Duncan said that, while travelling through Western Ontario lately, he noticed a distressing lack of good type feeder cattle. This is the case to such an extent that the proper type of feeder cattle is bringing a price equivalent to, and in some instances even higher, than that offered for the finished export animal.

He added that also there appears to be a scarcity of hand weight butcher cattle, for the local trade.

Inspection of Ontario Turnips
Stricter regulations will be enforced in the marketing of Ontario turnips and all carlots must come under Government inspection. There is a growing trade from the province to the United States, mostly from limestone districts, that produce a high quality turnip. Last year this amounted to over 4,000 carloads or 2,000,000 bushels.

The Marketing Board became particularly interested in the industry as it was felt farmers were getting a low price for this crop and that something might be done to secure more satisfactory returns. Now official grading has been adopted, whereby buyers may be assured they are getting a uniformly high quality product. Several meetings were held by the shippers resulting in a request to both the provincial and Federal Ministers of Agriculture that as a first step compulsory grading of all turnips be established before supplies leave the shipping point.

Plans for central packing, grading, washing and branding are being considered and many sections are taking steps to follow the lead of the Blackwater district which has pioneered the way in modern turnip merchandising. The Blackwater Growers' Association has increased returns more than 50 per cent for field run turnips as a result of their special pack.

Eastern Canada Hay Crop
According to reports received to July 1st, a short hay crop in Eastern Ontario and Quebec this year is indicated. This will be of particular interest to the market hay trade which in former years has drawn large supplies from the district, where the shortage will occur this year. It is estimated that the Quebec crop will not exceed sixty per cent of last year's crop, and in Eastern Ontario the crop is estimated at from twenty-five to fifty per cent below normal.

Mr. and Mrs. T. Honeyford and daughter Phyllis, also Mr. and Mrs. R. J. Davey of Palmerton were spending a few days with Mr and Mrs. E. J. Davey in town.

NOTICE TO DEBTORS
All monies owing to me must positively be settled by Sept. 1, 1933 otherwise the debt will be placed in court for collection.
A. G. Lehman.

WARNING NOTICE
I strictly forbid persons from dumping material or rubbish of any kind on my lot at the rear of Lehman's Shoe store, or from trespassing across the same as a drive way.
Amos Lehman

In Memoriam
In loving memory of our dear mother, Alice E. Fisher, who departed this life, July 20, 1933. We are thinking of you to day, dear mother.
Thinking of the past.
Picturing you in memory,
Just as we saw you last.
You left behind some aching hearts,
That loved you most sincere;
That never did, nor never will,
Forget you mother dear.
Sadly missed by Floyd — Gertrude

LEAVING OLD STOUFFVILLE
As I intend to leave Stouffville on or about Sept. 15 to live in Toronto, I am offering my household furniture for private sale.
Dining Room and Bed Room furniture, Kitchen Furniture, all look like new.
Come and see what you want
JACOB YAKE
Main street east at Geo. Urquhart's

Use of Sulphur
Sulphur would seem to have but little connection with horticulture, and yet there are many uses for it in the garden, declares J. F. Clark, Horticultural Lecturer, Agricultural Societies Branch. It is particularly valuable in preventing mildew and black spot on roses. It is most efficient when combined with arsenate of lead, nine parts of sulphur to one of the poison, making what is commonly called the Massey dust. This preparation, or sulphur alone, is also helpful in protecting phlox and delphiniums from attacks of mildew. If sweet peas show signs of mildew, they, too, should be dusted with sulphur. Mixed with arsenate of lead, it is useful for dusting on cucumbers and melons to keep away striped beetles and flea beetles. It is important, however, that the dust should be the very finest ground kind obtained at the seed store and not the coarse sulphur sold in drug stores.

Ontario Storage Poultry
Below Five Year Average
Stocks of storage poultry are cleaning up quite well. There is less poultry in cold storage than at this time last year and these stocks are below the five year average. This is particularly true of chickens, and the prospects for a fair market for chickens are good.

Producers would be well advised to work their crop off gradually through the Summer months instead of selling them all off at the one time in the Fall.

There have been some Spring chickens coming on the market during the last week or so, mostly broilers.

Lack of sufficient rain during the months of June and July has seriously injured crop prospects over the greater part of Ontario, according to reports received from agriculture representatives. Nevertheless we hear from Bruce County that a wonderful crop of wheat has been cut, and that hay was one of the largest crops in years and in almost perfect condition, but spring sown grains as in other counties have suffered materially from lack of moisture. Peel County also had a bumper crop of high quality hay.

Won White Sweaters
Stouffville Softball Team captured the first prize in the tournament held at the Claremont Field Day on Wednesday last week. The locals won three games, and for their prowess, were presented with handsome white sweaters—one for each of the nine players, and an extra for the manager, Harold Quibell. Now watch for the white-sweater lads!

FIRST CLASS CONCERT AT NIGHT

BETHESDA
Congratulations are due our teacher Mrs. Chapman, whose entrance class of five pupils at Lemonville Centre all passed. In the list the name of Gordon Bolender was erroneously omitted. Gordon passed with an easy mark. Mrs. Chapman in her years of teaching has never yet had a pupil fail at the entrance.

GOODWOOD
(Too late last week)
Mr. and Mrs. J. F. Reid and Miss Jessie Reid motored to Bracebridge on Sunday.
Mr. and Mrs. Bluman, daughter and son-in-law of Craighurst, motored to town on Sunday and were visitors with the former's sister Mrs. E. W. Davis.
Mr. and Mrs. E. B. Watson, and family of Greenbank, spent Sunday at Mr. Thomas Dowsell's.
Miss Legate is in Toronto for a few days having a much needed rest following the illness and death of her father the Rev. T. Legate. The sympathy of the community goes to Miss Legate and her brother.
Mr. and Mrs. Eli Mairs of Bethel visited at Mr. Wm. Porters one day last week.
We congratulate Miss Elizabeth Taylor and Miss Loraine Todd on passing their entrance examination.
Mrs. Wm. Todd and Dora are holidaying at Wasaga Beach where Mr. and Mrs. George Rhodanz have a cottage.
Mr. Ronald Darling and family of Cayuga, spent a few days last week at his home here.
Mr. Thos. Carey of Hamilton, is in town for a holiday. Mr. Carey has been store-keeping for thirty-five years and has now sold his business in Hamilton to enjoy a few years rest. This is the sixth time he has held a store business.
Mr. C. W. Watson and W. R. Kindrie enjoyed an afternoon's fishing at Lake Seugog on Saturday last, but we didn't see the fish.
Mr. and Mrs. Fred Woodland have returned from Chicago where they spent a week visiting relatives and attending the big world fair.
Most of our farmers are busy these days cutting wheat which seems to be, generally speaking, a lovely crop, and as prices are fair new wheat will no doubt soon be on the market.

Uxbridge Farmer Gone
After fifteen years of poor health caused by pernicious anemia, Mr. James Boyd, one of the most highly esteemed citizens of Uxbridge Township passed away at his home in Uxbridge town on Saturday, July 15th, 1933, in his 72nd year. The funeral took place to Uxbridge cemetery on Monday, July 17th, 1933, services being conducted at the home by Rev. P. T. Meek, of Chalmers Presbyterian church of which deceased was a member.
The late James Boyd was born at Quaker Hill, where he lived and farmed until some fifteen years ago when ill health compelled him to retire and the family moved to Uxbridge. He was one of our most up-to-date farmers.
He married Miss Amelia Harper, of Uxbridge, who with two sons: Stanley of Bridgeburg and Hugh of Kirkland Lake, and two daughters, Mrs. F. P. Collins, of Cleveland, and Mrs. Robert Morton of Longford Mills are left to mourn the loss of a kind and loving husband and father, and to whom the sympathy of all is extended in their sorrow. Three sisters, Miss Sarah Boyd, Mrs. Alex. Cassie and Mrs. W. W. Johnston also survive.

SAVE MONEY WITH SAFETY

Goodrich Safety Silvertown
WITH LIFE-SAVER GOLDEN PLY

FREE
This emblem with red reflector protects you if your tail light goes out. Come in and join the Silvertown Safety League.

One single blow-out may cost you more than a good many sets of tires—may ruin your car—may cost you your life. The new Safety Silvertown has proved itself three times safer from blow-outs. It has the new Life-Saver Golden Ply which resists the terrific heat generated inside the tire, keeps rubber and fabric from separating, prevents blow-outs. Safety Silvertowns cost not one cent more than other standard tires. And if you want real values at lower prices just glance over the prices listed below.

Safety Silvertown 12 mos. Guaranteed	Standard Cavalier 12 mos. Guaranteed	Commander 9 mos. Guaranteed
4.40—21 (29 x 4.40)	\$8.84	\$7.50
4.50—21 (30 x 4.50)	9.86	8.46
4.75—19 (28 x 4.75)	10.88	9.33
5.00—19 (29 x 5.00)	11.75	10.05
5.25—18 (28 x 5.25)	13.22	11.32
