Mr. and Mrs. Robt. Leslie were in Hamilton over the weekend, where they attended the silver wedding of his sister and brother-in-law, Mr. and Mrs. Cunyworth.

Mrs. James Edwin Smith and baby daughter, also Mrs. K. D. Woodburn are visiting with Mrs. Smith's mother, Mrs. Parcheron, at Kirkland Lake.

Mr. Joseph May and two sisters Mrs. Edmund Hind and Mrs. W. Mabbot of Toronto, also Mrs. T. H. Fulton of Stratford, visited with their cousins, Mr. and Mrs. K. G. Tarr one day recently.

Mr. Noah Baker pulled up a Castor Oil tree on his premises the other day that stood 9 feet and 6 inches. The bean was planted last spring, and the phenomenal growth therefrom is something that has amazed many people who saw the stalk in the office of this paper, where it is still on view.

Mrs. John Pallister has been making a mental note on the big potatoes reported in these columns as grown this fall. So far none of them were Uxbridge Township tubers, but now Mrs. Pallister brings the potato township into the limelight. An excellent yield of Dooleys was grown on the Pallister farm, and three huge "muffins" were singled out to weigh 4 lbs. 6 1/2 ounces. This will stand ahead of anything we have heard of so far for size this fall, and once more emphasises the wonderful growth in this section in the past season while there is a short crop in most parts of Ontario.

The Junior Institute are practicing for their latest play to be given in Ratcliff's Hall, on the evening of Wednesday, November 15th. The drama is entitled "Chintz Cottage," and has a cast of seven. The Institute always puts over something that appeals to the big audiences they have attracted on previous occasions.

While our local merchant James Ratcliff does not lay any claim to being a "bull-eye-getter" when it comes to rifle or gun fire, he certainly set a record for shooting while in the Haliburton country last week on a brief holiday. This dean of the counter hoppers with a companion bagged 27 partridge firing only 27 shots from the gun. But one other shot fired by Mr. Ratcliff during his hunt brought down a rabbit. If any of the Bisley sharpshooters can beat this record let them come along.

On the first Sunday in November (One week from next Sabbath,) the United Church Anniversary will be held. Special speakers have been arranged for, in Rev. Harold E. Toye who will preach at the morning service at 11 o'clock, and Rev. Wm. Mustard, the speaker at 7 o'clock. Rev. Mr. Toye at one time lived in Goodwood where his father preached in the former Methodist Church 20 years ago, while Mr. Mustard is a native of Scott Township, and a former pupil of Uxbridge High School. These two men have risen to be among the sought for preachers in Toronto pulpits. The choral music will be specially prepared by an augmented choir under direction of Mr. Robert Leslie. The Ladies Association will serve a chicken supper on the Monday evening (Nov. 6) following the anniversary. You are asked to keep in mind these special services.

The chicken supper to be served in the basement of the United Church on the evening of Nov. 6, by the Women's Association, promises to be something that few people are going to miss. Note the date, one week from next Monday.

A party of young folk motored to Scott Township one night last week, to spend the evening with Mr. and Mrs. Chris. Armstrong on the recently acquired Silversides farm on the 6th concession. It is said that the string of weaners eaten if placed end to end would have reached back to Stouffville. A more truthful statement however is the one which reports that the jolly time enjoyed will long live as a pleasing memory in the minds of the friends assembled.

The legal hours for the local pool room to operate do not appear to be generally known to our ratepayers. When this paper received no less than two complaints in one week to the effect that the local "hang-out" was being kept open after 10 p.m. we investigated to find that the village bylaw governing the operation of the place permits the pool room to remain open until eleven o'clock each night, hence the proprietor is within his rights so long as the place is closed at eleven, and the complaints are accordingly misplaced.

Mr. Richard O. Ward has some clear-cut evidence about the lateness that potatoes could be planted last summer and still come to maturity. The garageman mechanic had the audacity to put potatoes in his garden as late as August this year, but its all right. Providence was right with him, and Mr. Ward is now the possessor of a small quantity of tubers from the experiment. He wouldn't recommend anybody, however, to delay planting until so late a date as August, for they would most likely be disappointed. "Dick's" seed had a wonderful start with sprouts several inches long.

Some of our citizens will remember M. E. Hutchison when he was a member of the old Standard Bank staff here. Relatives in Toronto have just been advised of his death in New York as the result of a motorcycle accident. He was born in Ailsa Craig, enlisted early in the Great War, was an officer in the Fieldmand Battalion, and was severely wounded on three occasions while in England Nursing Sister Augusta Ann Gooch, daughter of Mr. and Mrs. F. Tuesday saw the first fall of snow in this district for the present season. It was enough to blanket the ground, and cause one to think about storm windows and other preparations as preliminary to winter weather.

The village council has caused to be erected at either side of the Brierbush private hospital, a couple of signs, requesting persons to go quietly. Such a modest request is usually respected by everybody who has sympathy for the sick.

That funny drama "Flyaway" will be given in Stouffville on the evening of Thursday, Nov. 2nd, in Ratcliff's Hall. This concert or entertainment is well worth-while in itself, but it has another motive in being put on locally. The proceeds, after expenses are paid, will go for the benefit of the needy during the coming winter season. Could any more laudable cause demand your patronage. Then if not, be ready to buy a ticket or two when the sellers of the pasteboards call on you. Make it a contribution to the down-and-outs in our midst. The talent is from Markham and the drama comes under auspices of the I.O.O.F. who have been good enough to sponsor the affair in the interest of our village welfare. Tickets 25 cents.

Two very thoughtful sermons were delivered from the pulpit of the local Baptist Church here on Sunday, by Rev. Chas. McGrath, of Toronto, who was preaching for a call. Mr. McGrath is an energetic young man, and a fluent speaker, with a pleasing personality, and unlimited possibilities as a successful minister. The morning sermon was based on "Galatians". The evening discourse was one which should concern each individual personally, and aroused the importance in the "inner man" of all present. The sermon was taken from St. John, chapter 6, 47th verse. "Verily, verily I say unto you, He that believeth on me hath everlasting life." The minister pleaded with those present to give themselves to God, for without Him we are lost. Mr. McGrath pointed out, if not for the Cross of Calvary, death would be terrible, but would it be any more terrible than death in sin? He also quoted Romans, Chapter 10, verse 23: "For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord."

A DETRIMENT TO FALL FAIRS

"A new factor that has created a problem for rural fall fairs, is the prevalent use of the motor truck by stock-breeders," says the Orillia News-Letter, which adds: "With a big truck and good highways, it is just as easy for a breeder to go fifty miles to a fair as it is to drive five. The result is that a number of rounders take in all the fairs with a wide radius and clean up a substantial sum in prize-winnings. When one considers the fact that the purpose of a local fair is to encourage local agriculture, this new practice is not the thing. The same thing is going on in regard to women's word and hall exhibits. Some agricultural societies have already dealt with this problem by placing a limit upon the number of miles distant that an exhibitor may live from the fair. In this way another will be effectively stopped."

RE-ENACT WEDDING OF 25 YEARS AGO

Going to Victoria Square from Toronto to Mr. Boynton's boyhood home, Mr. and Mrs. Wm. E. Boynton, 334 Belzize Drive, Toronto celebrated their 25th wedding anniversary at a dinner party in Victoria Square hall on Wednesday of last week.

Rev. H. S. Clugston, on behalf of members of Manor Rd. United church presented the anniversary couple with a gift of flat silverware. Following a re-enactment of the wedding ceremony of a quarter of a century ago, the guests partook of a wedding cake, made by Mrs. Boynton, similar to the original wedding cake.

Boynton, 80 years old, Victoria Square, mother of Mr. Boynton; Stanley Boynton, Victoria Square, a brother, and Mrs. Stanley Boynton; Roy Boynton, Toronto, brother, and Mrs. Roy Boynton; Mrs. Herbert Sanderson, Richmond Hill, a sister; W.
