Steam Puddings Good Fare For Fall Days

to your kitchen files.

Marmalade Pudding

Cream six tablespoons of butter with four tablespoons sugar, add two well-whisked eggs, and beat all together thoroughly. Stir in a dessert tablespoons flour, and, lastly, add two level teaspoons baking-powder. Put the mixture into a greased basin that it three-parts fills, cover, and steam for nearly two hours. Turn out and serve with warmed marmalade poured round the pudding.

Black Currant Jam Pudding

Place three tablespoons black currant jam in a well-greased pudding Sieve half a pound of flour with a heaped teaspoon baking pow-, molasses, 1 cup milk, 3 cups flour, 1 apostles and elders about this questablespoons granulated sugar, mix meg, 1 teaspoon cinnamon. thoroughly, and moisten with two and a quarter hours. Turn out and sauce. serve hot with some cold black currant jam handed round separately.

Strawberry-Jam Pudding melted butter, two beaten eggs. 4 vanilla. tablespoons sugar, a saltspoon soda, and two tablespoons strawberry jam. Put into a greased basin, cover, steam for two hours, turn out, and serve sifted with sugar. If liked, a little sweet white sauce may be handed your iron and you will clean it at the Judas called Barsabbas." round with the pudding.

Raspberry-Jam Pudding

Cream 4 tablespoons of butter, beat in 2 tablespoons sugar and the yolks of two eggs, stir in 8 tablespoons flour and a tablespoon raspberry jam, mix in thoroughly half a teaspoon of soda dissolved in a little cold milk, and, lastly, fold in the stiffly whisked whites of two eggs. Put the mixture into a greased basin that it does not quite fill, cover, and steam for about two and a half hours. Turn out and serve surrounded with hot raspberry

Preserved-Ginger Pudding

Take the weight of two eggs in but ter, sugar, flour, and preserved ginger free from syrup. Cream the butter and sugar, add the ginger cut into small dice, beat in the eggs, stir in the flour, and, lastly, add a quarter teaspoon baking-powder. Put into a greased basin, cover, and steam gently for about two and a quarter hours. Turn out and serve surrounded with some of the preserved-ginger syrup that has been boiled till thick with a little sugar.

Steamed Apple Pudding

powder, 1/2 teaspoon salt, 2 table- blinds. Drapes will suffice. spoons butter, 34 cup milk, 4 apples cut in eighths.

Mix and sift dry ingredients; work in butter with tips of fingers, add milk, gradually mixing with a knife; toss on floured board, pat and roll out place apples on middle of dough and sprinkle with one tablespoon sugar mixed with one-fourth teaspoon each of salt and nutmeg; bring dough around apples and carefully lift into buttered mould; or apples may be sprinkled with dough and dough rolled like a jelly roll; cover closely and steam one hour and 20 minutes. Serve with vanilla sauce.

Steamed Blueberry Pudding

Mix and sift dry ingredients and work in butter same as for steamed apple pudding. Add one cup each of room in the house. railk and blueberries rolled in flour; turn into buttered mould and steam one and one-half hours.

Ginger Pudding

One-third cup butter, 1/2 cup sugar, spoons ginger, 1 cup milk.

to first mixture. Turn into buttered Nothing is more annoying than muld; cover and steam two hours.

Chocolate Pudding

Three tablespoons butter, two-third Pudding days are here and the fol- cup sugar, 1 egg, 1 cup milk, 214 cups lowing recipes are worthy additions flour, 41/2 teaspoons baking powder, 21/2 squares cooking chocolate, 1/4 tea-

and egg well beaten. Mix and sift

Cream Sauce

heavy cream.

ranilla and cream beaten until stiff. Suet Pudding

Mix and sift dry\_ingredients. Add beaten eggs and sufficient milk to make | molasses and milk to suet. Combine rather a soft mixture. Put this on to mixtures. Steam for 3 hours in butthe jam in the basin, leaving room for tered mould. Raisins and currants rising, cover, and steam for about two may be added. Serve with foamy

Foamy Sauce

White 2 eggs, 1 cup powdered sugar, 14 cup hot milk, 1 teaspoon vanilla. Mix together thoroughly one cup Beat eggs till stiff, add sugar gradualbread-crumbs. 4 tablespoons gently ly and continue beating; add milk and

Hot Irons

Don't ruin your clean ironing boar cover by testing your hot irons on it Have a folded newspaper at the end your nice white cover. Curtains' and Drapes

The wise homemaker regards her windows as a fitting background for all the other furnishings in a room. you have a figured rug and chairs up- tian, and took the place of Barnabas holstered in a definite patterned fab- in Paul's second missionary journey. ric by all means have plain drapes. the reverse is true, choose draperies carried Peter's first Epistle to the that are figured.

Plaid for the kitchen windows is, of course, the latest and smartest.

entirely of glass.

Fringe is practically taboo these days. Glass curtains with plain hems are newer and smarter.

Glass curtains are never so important as in the sun parlor. There they reign supreme with nary an overdrape of the Judaizing party. The less said to hide any of their glamor.

Drapes Reach Floor .

When you have carefully chosen glass curtains go on to the draperies. The ones in the living and dining rooms should reach the floor. When it comes to the bedrooms, they may reach either the floor or the end of the window sill. It all depends or what you like.

Box pleated valances are good for rooms with high ceilings. If the ceiling is low, leave the tops plain to give the illusion of greater height.

Damask, velvet, velour, taffeta and satin are ideal fabrics for the draperies of your more formal rooms. Cretonne and chintz are lovely in bedrooms. However, some of the heavier cretonnes are designed to go in any

Linen drapes are highlighted this season. A new idea is to have pongee glass curtains in your boudoir. Put Christ." The exhibition of bravery gay linen drapes right over them.

Drapes never should be less than one egg, 214 cups flour, 3 teaspoons three feet wide. The heavier materials baking soda, 1/4 teaspoon salt, 2 tea- must be lined. If you buy them ready made, all that is worked out for you. Cream butter, add sugar gradually If you make them yourself, choose and egg well beaten; mix and sift dry linings that are durable enough to last ingredients, add alternately with milk as long as the drapes themselves. have to re-line draperies every season. Confirm decisions in every way pos-

AUSTIN MORAN

Roxy Celebrates Eleventh Air Anniversary.

S. L. Rothafel (Roxy) soon will look backward on eleven full years as radio feature on the radio networks.

What a difference there is between that first broadcast and those which Roxy is producing now. History in many fields has been made on that eleven-year period. While others scoffed, Roxy felt that the living stage, the motion picture and the radio would show thmselves to the best advan- one of the new short titles. They all tage by merging the best talents of all.

Roxy's first broadcast was at the Capital Theatre in New York when an old yellowed play bil! listing her the Roxy Gang made its appearance on the air. It is entertaining to look in the cast of "The Drunkard's back upon that broadcast. Some of the artists are still with Roxy, but Daughter." Dick Arlen's is a locket many of them have gone on to other activities. Two went to the Metropolitan Opera-Fredrick Jagel and Editha Fleischer, Evelyn Herbert went on to become a star in musical comedy. Erno Rapee, who conducted the | B. De Mille-the first dollar he ever orchestra, now conducts the great Radio City Symphony.

Since his first broadcast Roxy has received many more than 7.000.000 pocket that had another dollar in it letters. They bring to him, he says, a sense of humble happiness to feel and now he has to carry two because that he is the close friend of so many people.
