MARKHAM DUMPS THE RELIEF SLATE

The farmers of Markham Township are not ready to give away their farms yet to a council of men who ran on Monday on a ticket that would have required the farmers to pay the rent or taxes for all those getting relief in the southern subdivisions, and give the relief workers 35c an hour for doing unnecessary work. Monday's vote for the reeveship gave H. S. Clarry only 181 votes out of the possible roll of 1800 voters.

His "side-kicks" in the fight were similarly dealt with. Burford for deputy reeve being badly beaten getting only 93 votes, and like Clarry was almost whitewashed in some subdivisions. The two men running for council who were to play Santa Claus for the unemployed were never a serious factor in the fight. Davies got 97 votes, and Leeds 95. W. H. Clark was elected deputy reeve and Chas. Hoover, Chas. Hooper and Wm. Rennie Councillors by substantial majorities.

Charlie Hooper and James Rennie have had council experience, while Charlie Hooper brings in the new blood. He lives at Buttonville, and unless our estimation of his is entirely wrong he is splendid new timber.

The defeat of Fred Coakwell is regretted in many quarters, because he is a careful, conscientious man with experience. He lost by only one vote. His defeat leaves the southeast section of the Township entirely unrepresented on the council. In fact Councillor James Rennie is the only man to be elected on the east side of the whole township, which would indicate that the western boys are more alert to their own interests than the "wise men from the east."

The Vote for Reeve:

Padgett, votes	788
W. C. Gohn	346
H. S. Clarry	181
R. A. Smith	109

For Deputy Reeve:

W. L. Clark	738
R. L. Stiver	478

For Council:

Chas. Hoover	812
James Rennie	718
Chas. Hooper	569
Fred Coakwell	568
W. F. Kincaid	267
A. E. Dewes	97
J. Leeds	95

W. E. White Buried at Lemonville

The funeral of the late Wm. E. White who died in Toronto, on Dec. 28, aged 75 years, took place to Lemonville cemetery on Saturday afternoon, where all that was mortal of this former citizen was laid to rest beside his former wife who passed away two years ago.

For many years Edmund White lived at Lemonville and later was employed in Stouffville by the late Joe Todd also by the late Wm. Cook, but for some years now had resided in Toronto. He is survived by two children, one daughter Miss Mamie teaching school, and one son Walter of Montreal. An only brother Walter White lives in Western Canada, and two sisters Mrs. Thos. Droversy lives at Lemonville, and Mrs. Darby in Toronto. George McKuen of Toronto and formerly of Lemonville is a brother-in-law to the deceased.

DRUGGIST WINS NEW FORD CAR

The draw which took place at the Stouffville Arena on Monday evening during the carnival for the new Ford V-8 model 44 given away by Mr. Delbert Holden, local dealer, went to Milton Storry, local druggist, with ticket No. 222. The winner is said to have had only a few tickets on the car as his purchases of gasoline were not extensive, whereas some persons had two and even three thousand tickets in the big churn for the draw.
Earl Booth won the second draw with ticket 6554, and will be given a credit note for \$100 in goods at Holden's service station, while Fred March of Stouffville got the third draw with ticket 6625 and gets a \$50 credit allowance on goods.

Mr. Holden announced that he intended to add seven more prizes as a sort of consolation number to the big draw and the first seven names drawn from the barrel would be entitled to five gallons of gasoline free—Little Kenneth Jennings drew the tickets from the barrel and each was inspected by a committee composed of x-reeve Morden, A. C. Burkholder, and A. V. Nolan. The big crowd fairly held their breath when the child delved in for the winning ticket that was to give someone a new Ford absolutely free. Almost everybody present had a personal stake in that barrel.

Cheers greeted the announcement made by Mr. Holden that he would give another car away in 1934, on much the same conditions as in 1932. The conditions of the new gift and additional prizes to be given at intervals during the year are announced in detail by Mr. Holden elsewhere in this issue.

The seven consolation prizes were won as follows:—John Nicely, No. 6197, Geo. M. Lee, No. 2344, Stiver Bros. No. 8294, Dr. H. Freel, No. 2276, Carl Reesor No. 5652, Thos. Rae No. 4003, Herb. Mitchell No. 5666

Former Bloomington Teacher Bereaved

There passed away in Toronto on December 26, Mrs. H. M. Brown, wife of a former school teacher at Bloomington, and Almiria. Thirty years ago Mr. and Mrs. Brown resided in the former place and later moved to Almiria. Of recent years they had resided in Toronto where the bereaved husband is a superannuated teacher.

The late Mrs. Brown was born in Peel county, her maiden name being Susie Hall, and besides her husband is survived by seven children, all married, and by two sisters and two brothers, being Mrs. Dean of Thorn Hill and Mrs. Burnett of Stouffville, also Norman Hall of Lemonville and Norman Hall of Toronto.

The brothers and sisters from this locality attended the funeral in Toronto last week.

Death of Miss McCreight

The funeral of the late Jennie McCreight whose death occurred on December 27, at her late residence in Markham, took place on Saturday afternoon to the Markham cemetery. Miss McCreight was a daughter of the late James McCreight and Janet Sellers of Markham, and had been ill for a year.

She was a woman of kindly disposition, and was highly respected, and will be greatly missed. She was a member of the Presbyterian church and a half-sister to Mr. James McCreight on the 9th concession of Markham, and had been living at home with her aged uncle, Robt. Hope of Goodwood and Mrs. Fred Johnson of Claremont were cousins of the deceased.

The funeral was attended by many life-long friends and the service was taken by her pastor Rev. W. H. Fuller assisted by Rev. Mr. Good. Rev. Mr. Fuller sang a very touching solo during the service. The pall bearers were all cousins to the deceased, being Louis Reesor, Russel Reesor, Gordon Sellers, William Hope, Orval Hisey, and Stanley Pipher.

ALTONA CAME BACK WITH A VENGEANCE

The Altona Intermediates certainly pulled up their slack ends on Friday night when they took the fast Whitby nine into camp at the local arena, and while dropping the game by a mere margin, they exhibited wonderful speed and improved over their initial appearance.

With the mercury 15 below zero, the couple of hundred fans were warmed up by the spectacular performance on the ice. Herb Simpson opened the count for Altona about midway in the first period, when he notched a counter. This sort of awakened up the Ontario County lads, only to be turned back following assault after assault on the Altona nets. Before the period ended Simpson again bulged the Whitby net, leaving the period 2-0 for Altona. The second stanza worked end-to-end rushes, which finally yielded Whitby two goals, ending the period in this fashion.

The third and final period with the teams tied was sure a thriller. Whitby notched three counters in succession putting them three up. With a neat piece of combination on the part of Wagg and Reesor, Altona tallied again, followed by another goal by Reesor, scoring off a pass from Simpson, bringing the crowd to their toes for the game was likely to be tied up.

While Whitby was a man short Altona in an effort to tie the play four men up, but Whitby broke away and scored again, giving them two of a lead. Before the final gong however Simpson drove in another, for the game to end 6 to 5, in favor of the visitors.

Referee Max Reesor handed out only one penalty and that to a Whitby player during the game.

The players for Altona:—Goal: Allan Hoover; defence, Wagg and Wideman; centre, Reesor; wings, Barclay and Simpson; Subs. Tindall, Derusha and Evans.

The next intermediate game will be played this Friday evening when Altona entertains Unionville. Do not fail to see this one, for the game is getting faster and faster and the thrills greater and greater.

The Juniors Step Out

The local Junior Hockey Team made their first appearance in O.H.A. Hockey at Stouffville Arena on Tuesday night, when the league opened with Bradford as the visiting team. Despite the fact that every lad on the line-up was playing his first game in the big O.H.A. field they made a surprisingly good showing, and while they lost by 3 to 5 it is really nothing to be ashamed of. Bradford has long been known as a live sporting town, and supplied players for the victorious Aurora juniors last season. The first period in Tuesday's game ended without a score on either side, and Murray Holden notched the first in the second period to start the scoring for the evening. Bradford came back to tie the count, and the period ended a tie. Harry Holden and Joe Ward netted the remaining scores for the locals, while the boys from the cauliflower centre piled in four, and the game ended 3 to 5 in favor of Bradford.

The visitors had a strong even line of players who have great promise, but with the excellent showing of the locals in their first effort they will be something to reckon with as they gain experience.

The local line-up:—Goal—Morley Pugh; Defence—Geo. Morden Sam. Anderson, Harry Holden; Centre—John Button, J. Dobson; Wings—Claude Brillinger, Murray Holden, Joe Ward and Stanley Slack.

MONDAY'S ELECTION A LIVELY TILT

Harry Wheeler Sanders has been returned to the reeveship of Stouffville, after retiring from the position three years ago following one of the most sensational years in the history of the village, or at least since the water works was so bitterly fought. Reeve Sanders in his year saw the fine new pavement laid down here which has become the pride of the village, and a credit to the community. In Monday's election Reeve Sanders defeated Wilfred E. Morden by 36 majority. Mr. Morden held the position for three years, and was looked on as a successful reeve who had given many hours of his time to the business of the village.

Despite the fact that Monday was one of the most treacherous days for people to be on the street, because of the glaring ice everywhere, the vote polled was heavy. It is estimated that at least 475 of the 700 voters were on hand to record their ballot.

Unofficially we are informed that 50 persons cast ballots for councillors but did not vote on the reeveship. Six people voted for both candidates for reeve and spoiled their ballots.

Arthur E. Weldon again headed the poll for councillor with a substantial lead over his nearest running mate, and with a larger poll than any candidate in the field for any office. Mervyn Watts, another member of the 1933 council, ran second with a large poll. The two new faces on the council are former councillors of other recent years, being Ross Brown and Walter Brillinger.

The defeat of George Dowsell—a member of the council for the past three years, came as a surprise to his workers, and no one is offering a guess as to why he was overlooked by the voters this time.

The new council should be as capable as any that ever sat in this village, made up as it is of careful business men all in active life, in fact most of them are among the youngest business men of the community.

Scarboro Farm House Wrecked by Fire

A familiar spot to motorists is the mushroom farm seen on the highway as one drives to Toronto via the Kennedy road. Recently a large three-storey brick dwelling was erected on the premises, and this was totally destroyed by fire on Thursday night last week when the thermometer registered the coldest in half a century.

Twenty-eight persons, many of whom were women, were forced out into the 25 below zero weather when the fire was noticed, but nobody was injured, although seriously hurt by frost-bites. The loss of the fine dwelling, so familiar to many of our readers, is estimated at \$20,000. Insurance of \$8,000 was held through the T. Birckett agency at Stouffville.

A four-year-old boy, Harry Bagshaw of Goodwood, who was a visitor, was carried out into the cold with only a shirt on by his mother in a night dress. She was forced to walk around in her bare feet in the snow for several minutes before being carried into the arms of a Justice. Several hundred yards distance, Iva Bagshaw and Florence Graham, both fourteen years old, were also taken into Mr. White's home in their night clothing.

Their suffering was heart-breaking. Mr. White said, "They all went unconscious from shock and exposure. The little boy had practically nothing on and had been out in the cold for a long time. His arms and feet are badly frozen. There were people running in all directions in their bare feet through the snow.

The fire broke out in the ground floor between the dining room and kitchen and is thought to have been caused by a defective heater or faulty wiring. One of the residents on the second floor detected the odor of smoke and immediately warned all others in the building. Those in the house included Mr. and Mrs. Love, several holiday guests and greenhouse employees.

Scarboro fire department, under Fire Chief Tom Love, responded immediately, but since the property is outside the Scarboro township water area firemen were forced to fight the blaze with chemicals. Until firemen arrived the men of the party formed a bucket brigade. Fanned by a strong north wind, the fire had gained a secure hold in the brick and wood building and the buckets of water had little effect on the flames.
