CHURCH APPROVES OF INSTRUMENT

The vote to permit the installation of an organ of other instrument to be used in the praise services at the Stouffville Mennonite church carried by 15 voting nay, and 70 voting yea.

The record was taken last Sunday morning by a standing vote, and while the membership is largely in favor of adding an organ to assist them in their service of praise, there was only a surplus of between five and six votes over the required three-fourths necessary to give authority for adding an instrument to the equipment.

THE CRUCIFIXION A Meditation upon the Sacred Passion of Our Lord.

Stainer's great cantata is a work that will appeal to the heart and soul of every thinking person, as a true interpretation of the meaning of that great tragedy enacted upon Calvary nineteen hundred years ago.

The duet, "So Thou liftest Thy Divine Petition" is a wonderfully appealing piece of writing, and the solos are all of a very high order. The choruses, while comparatively few in number, are all of the same high standard, and are a faithful interpretation of the text.

OUR ELDEST LADY MARKS A BIRTHDAY

Today (Thursday) Mrs. James Hamilton is celebrating her 94th birthday at her home in the west end of Stouffville. If one did not know of her great weight of years, to listen to her chatty conversation and see her bright countenance light us, would be to place her age at around 70. Mrs. Hamilton is all in spirit and vitality that many a much younger woman craves to be.

Mrs. Hamilton has been a resident of town for 20 years. She was born east of here midway to Claremont when the locality was pretty much a dense wilderness with a few blazed roads. She was of a family of ten children, and when 20 years of age she united in marriage with James Hamilton at Markham village, the minister being the nuptial knot being Rev. Mr. Flumerfelt.

The nuptial knot was tied by their pastor Rev. S. S. Cressman of Stouffville.

The injured man was carried into the King Hotel nearby, and Dr. G. D. Lockhart administered a blood transfusion before it was possible to remove him to the hospital. VICTORIA SQUARE

The people of the community met in the church basement to bid farewell to three families leaving our district. A short program consisting of an instrumental by Miss Aura Klinck, elocution numbers by Miss Love of Headford and selections by the male quartette was followed by the reading of a presentation address by Mr. Fraser Smith and the presentation of hymn books to Mr. and Mrs. Crripps, Mr. and Mrs. Alvin Stevenson and Mr. and Mrs. Waggy. Fitting words of appreciation were spoken by the recipients of these gifts and the sentiments of the community in parting with these friends were expressed by Messrs. R. F. Klinck, L. L. Nichols, R. Good Friday

The Parsonage, Lemonville. Dear Mr. Editor:—May I take this opportunity of inviting the readers of The Tribune to make Good Friday a day of quiet meditation and personal examination.

We extend our sympathy to Mrs. B. Lewis who has lost her brother Mr. Howard Anthony. The farmers are all busy buzzing wood, so as to be ready to till the soil, when spring awakens.

MAY OPEN SECOND AS RELIEF MEASURE

The second concession of Whitechurch from Wilcox Lake to the Markham township may be opened this summer, the work to be done as a relief measure. This was the decision of the Whitechurch council at a special meeting held last week to consider the question of summer relief through taking advantage of the offer of the Dominion and provincial governments to each pay a third of any money spent in this way for labor.

Not more than 25 families are on relief and most heads of these families will be absorbed by the farmers in their respective localities for the summer. There is, however, a strong demand to have that part of the second opened all the way through for horse drawn vehicles instead of only a small portion of it as at present.

MRS. RAMER GONE AGED 87 YEARS

The death of Mrs. Christina Ramer, relict of the late John B. Ramer of Dickson Hill, on Friday, March 23, 1934, removes not only one of our very oldest residents in this section, but one who had been born in the township and lived all her long life here.

The late Mrs. Ramer was a daughter of pioneer residents of Gormley, Mr. and Mrs. George Brillinger, and here she was born away back in those early days. When only a maiden of mature years she united in marriage with John Ramer who lived at Dickson Hill, and they settled there about 65 years ago, and here they remained until death parted them some 25 years ago when Mr. Ramer passed away.

At a meeting of the Men's Lawn Bowling Club on Tuesday evening, it was decided to proceed this spring with the erection of a new club house costing between \$700 to \$800. The new building will be 16x80 feet in size, equipped with men's and women's rooms and up-to-date plumbing requirements.
