

REPORT OUTLOOK FOR LIVESTOCK BETTER FOR '34

Improvement in All Lines Expected for This Season

A favorable outlook for the livestock industry in Canada in 1934, is contained in a special report of the committee of the National Advisory Committee on Agricultural Services for Canada, appointed to make an annual study of the agricultural situation.

For beef cattle the report shows that the trend of production in Canada has been up with substantial increase in the past three years in the Prairie Provinces; some increase in British Columbia, little change in Ontario, some decrease in Quebec and some increase in the Maritimes. For 1934 the committee sees a smaller output of grain-finished stock than in 1933. It attributes discouraging markets in the fall of last year and crop failure as a central factor responsible for a reduction in winter finishing.

In commenting on the improvement in prices, particularly for better grades of cattle in 1934, it emphasizes that the course of

prices is being set by the British market representing the chief export outlet for Canada and links this up with the definite steps taken recently by the British Minister of Agriculture to reduce available supplies of beef in the United Kingdom by restriction of imports by killed and frozen beef and of live cattle. While indicating more satisfactory prices for Canadian export business, this move is interpreted as showing clearly that the policy of the United Kingdom is to place all imports of beef, irrespective of origin, on a quota basis. The domestic market for beef cattle according to this report promises stronger support to the industry than in 1933.

GOODWOOD

Mr. and Mrs. J. F. Reid attended the funeral of Wm. Balmer of Whitby on Saturday.

Miss Anderson, Miss Andrews, Mr. Donald Forsyth, and Mr. Chas. Perry all of Toronto visited friends on Sunday.

Mr. Justice Todd has taken a position in Toronto with his brother-in-law, Mr. George Rolandz.

Mr. and Mrs. Russel Collins, son Robert and daughter Isabel of

Whitby spent Sunday, April 29th with Mr. and Mrs. J. F. Reid.

Quite a number from here attended the Minstrel Show in Stouffville last Wednesday night. The following is what happened to some who were present:

On May 2nd there was held you know

In Stouffville town a Minstrel Show. The roads were fine, the weather fair and a great big crowd was certainly there.

Some folks came in their motor car and others went on the C.N.R. The truth of it is that one fair lady had to come home in "Shuddering Sadie" and lucky she was to arrive though late.

As the poor little bus had too much weight. And the next day the writer seen On the side of the road a part of the machine;

But we're glad, well, herein to state that the motorcycle, as sure as fate is all fixed now and over the plight for Sunday, soon comes after Wednesday night.

Now for all we know, all else went well. And anyway we're far too busy to tell

Other things we know of if it comes to that. But we must have some fun. If we're brought on the map.

The object of this is just a lark. Be advised now don't go out after dark.

For some folks see by the cars bright light. Lots of the things that happen late in the night.

But the minstrel show was enjoyed by all. Perhaps there'll be another between now and fall.

And if there is the writer will try to see it all with her own best eye. In the meantime, good luck to the actors.

An Open Letter

To The Liberals of East York

The people of Ontario are preparing to take part in the most important election in their history. This is a time for every citizen to offer his best for the common good. The men who govern our province for the next five years will largely determine whether we are to have a new Christian order with liberty and JUSTICE for all, or a province morally and financially bankrupt. Surely self-respecting citizens of Ontario are not satisfied with the leadership given by the present cabinet ministers.

Conscious of the seriousness of the situation, and complying with the wishes of Todmorden Liberal leaders I am allowing my name to be presented to the East York Liberal convention on Friday as a candidate for nomination.

As a teacher with several years experience I feel well qualified to discuss education with the sitting member for East York. I challenged Mr. Henry to debate the whole question in a series of meetings to be arranged. Mr. Henry replied that he has no time. No time to tell about \$450,000,000 spent on schools in the past 11 years, with \$200,000,000 more to be spent on education before the election following!

I think our educational system has many faults which could easily be corrected. The same schools, the same teachers, the same money could give better results if inspiring leadership were given. Education should be more practical and make people useful. It should produce law-abiding citizens. It should bring refinement and culture. It should make our young people familiar with Canada, her industries, her literature and her PROBLEMS. It should make them students of the great changes at present going on in the world. It should train the youth to co-operate in creative activities.

I am a temperance man and realize the temperance question can be finally solved only by education. At present there is no temperance education in secondary schools.

I was raised on the farm and am familiar with the farmers' problems. I am also of the working class and am familiar with the conditions facing them. Though not personally acquainted in all parts of the constituency I am a resident of East York and shall be able to visit every section before election, if chosen as the candidate.

Only the realization of the gravity of the present situation, with its moral and economic conditions, impels me to offer myself. If entrusted with the heavy responsibilities I shall give all my time to conduct a vigorous and dignified campaign, free from all personal abuse. In a series of meetings in various places I shall outline a constructive, progressive educational policy which will appeal to all people who must feel that educational reform is long overdue. I shall also discuss finances—hydro and all matters under the control of the provinces.

Let the Premier give the people of East York an account of his stewardship as Minister of Education.

Kindly give this your serious attention.

GLASGOW

Mr. Lewis Smith and lady friend spent the weekend at his home here. Miss Addie Davis spent a couple of days with Misses Ferne and Ella Slack last week.

Misses Edna and Leatrice Nicholson spent Sunday with Miss Gertrude Slack.

Mr. and Mrs. Albert Brown and baby visited with his parents at Mongolla on Tuesday.

Mr. and Mrs. Jack Spang and family visited with her parents Mr. and Mrs. Jesse Davis, on Sunday.

Come to Sunday School at the usual hour 2:30. As next Sunday is Mother's Day there will be a special message for everyone.

Mrs. Wm. Drewery returned home on Sunday after spending some days in the Toronto hospital to complete an operation on her eyes. Mrs. Drewery had a successful operation last fall to remove a cataract from the other eye. Her many friends hope to see her soon restored to health and strength again.

The Cottage Prayer Meeting was held at the home of Mr. and Mrs. Henry Slack with about forty present. The meeting was under the leadership of Rev. Chas. McGrath—his text taken from the gospel of St. Mark 10:21 "One thing Thou lackest." The next meeting will be on May 21st, at the home of Mr. and Mrs. W. I. Smith.

What might have been a case of kidnapping, or lost, or strayed, or stolen, occurred here on Saturday afternoon when the two small daughters of Mr. and Mrs. Stanley Slack started out for an afternoon visit at the home of Miss Grace Latham. Not coming home at the appointed time, the parents began to make an investigation only to find they had never reached their destination. Friends and neighbors turned out to assist the alarmed parents when it was discovered they had been picked up by a friend and taken to his home for tea, promising to bring them home on their way to town. The old fable still stands—"All's well, that ends well."

IMPORTS SCOTTISH HORSES

I have just made a new importation of four Clyde Stallions from Scotland. These are an exceptionally good lot of horses, with plenty of setle and the best of quality, and I might mention I still have the good breeding horse, Milton Moncur. Parties with good mares should see these horses before breeding.

MELVILLE

Melville Spring Sale, May 17th. Mr. and Mrs. Albert King called on Mr. and Mrs. W. Risebrough Sunday afternoon.

Mr. and Mrs. George Hillson of Agincourt had tea with Mr. and Mrs. A. King Sunday.

Miss Marjorie Lehman is very efficiently doing her duties as nurse at Mrs. A. Tate's these days.

Mr. and Mrs. Harvey Houck spent Sunday evening with the latters parents, Mr. and Mrs. George Baker at Gormley.

Misses Blanche and Constance Schragg of Toronto spent the weekend with their friend Miss Evelyn Grant.

Mr. and Mrs. Grant, Mr. and Mrs. Overland, Mr. and Mrs. Bridger and family of Toronto were Sunday guests of Mr. and Mrs. K.A. Grant.

Mr. and Mrs. A. Fleming and family visited with her mother, Mrs. Burroughs of Locust Hill, Sunday.

Mr. and Mrs. A. Longbottom and daughters Doris and Ruth of Toronto visited with Mrs. J. Nigh on Sunday.

Mrs. O. K. Carruthers and family of Toronto visited under the parental roof Mr. and Mrs. Wm. Carruthers on Saturday.

Mr. and Mrs. Harvey Wideman and daughter Carol of New Toronto spent Sunday with their parents Mr. and Mrs. J. S. Wideman.

Mr. and Mrs. Arthur Honsberger and son Kenneth also Mrs. George of Vineland spent the weekend with Mr. and Mrs. Harvey Houck.

We are sorry Mrs. A. Tate's condition is not very encouraging as yet. Her many friends and neighbours are hoping for brighter reports by next week.

Some of the children and grandchildren visiting at Mr. Tate's on Sunday were a daughter, Mrs. H. Cole of Barrie, Mr. and Mrs. Earl Tate and family of Goodwood and Mr. and Mrs. Byer of Toronto.

Judging from the almost doubled attendance at church and splendid turnout for Sunday School at the new early Sunday morning hour for Melville, the change is going to be for the better. We hope the fine spirit and interest continues and grows.

George Watson sold an attractive pair of horses this week, when A.C. Barkey bought a grey Percheron Gelding weighing 1500 pounds, and William McNair a bay Belgian mare around the same weight, and a pretty pair they were.

GORMLEY TURNIP RATE LOWERED

The Tribune is informed that Mr. C. E. Heise of Gormley, after three years effort, is finally succeeding in convincing the C.N.R. that a lower freight rate from Gormley on turnips for export to the U.S.A. is advisable, and that it would pay the railroads as well as the shipper. Word comes to the effect that the company is at present revising their tariff on this product, and when this is done Gormley will be included in the revised tariff, with a rate as favorable as that obtaining at Stouffville and Blackwater.

Parties desirous of growing this product in the Gormley district should get in touch with Mr. Heise in order to learn the varieties best suited for export, also the best manner of cultivation.

Marmill Chick Starter

This year makes new records again in giving:—
RAPID AND HEALTHY GROWTH
STRONGER & BETTER BONE DEVELOPMENT
BETTER PIGMENTATION PERFECT FEATHERING
NO LEG TROUBLE & MORTALITY ALMOST NIL.

"Have tried almost all other starters, find none that give equal results to MARMILL."
"Tested MARMILL with another good starter—at 4 weeks, leg trouble developed and was obliged to change entire flock to MARMILL—best results ever experienced this year—11 oz. chicks at 21 days — 2½ leghorns at 59 days perfect feathering strong bone, no leg trouble and no mortality."
"Never raised such good stock before—19 oz. rocks at 35 days — losses almost nil."
"Have been feeding—starter, chicks have gone off their legs, send us MARMILL to bring them back"

Many more unsolicited testimonials show the confidence poultrymen have in Marmill for superior results.
We again state "There's a Reason" for these remarkable results—What's in The Bag Counts, Not What's on it.

NATURALLY we are proud to have created Canada's most popular automobile. All the more so because people are counting values—comparing quality—checking on delivered prices—as never before in automobile history.

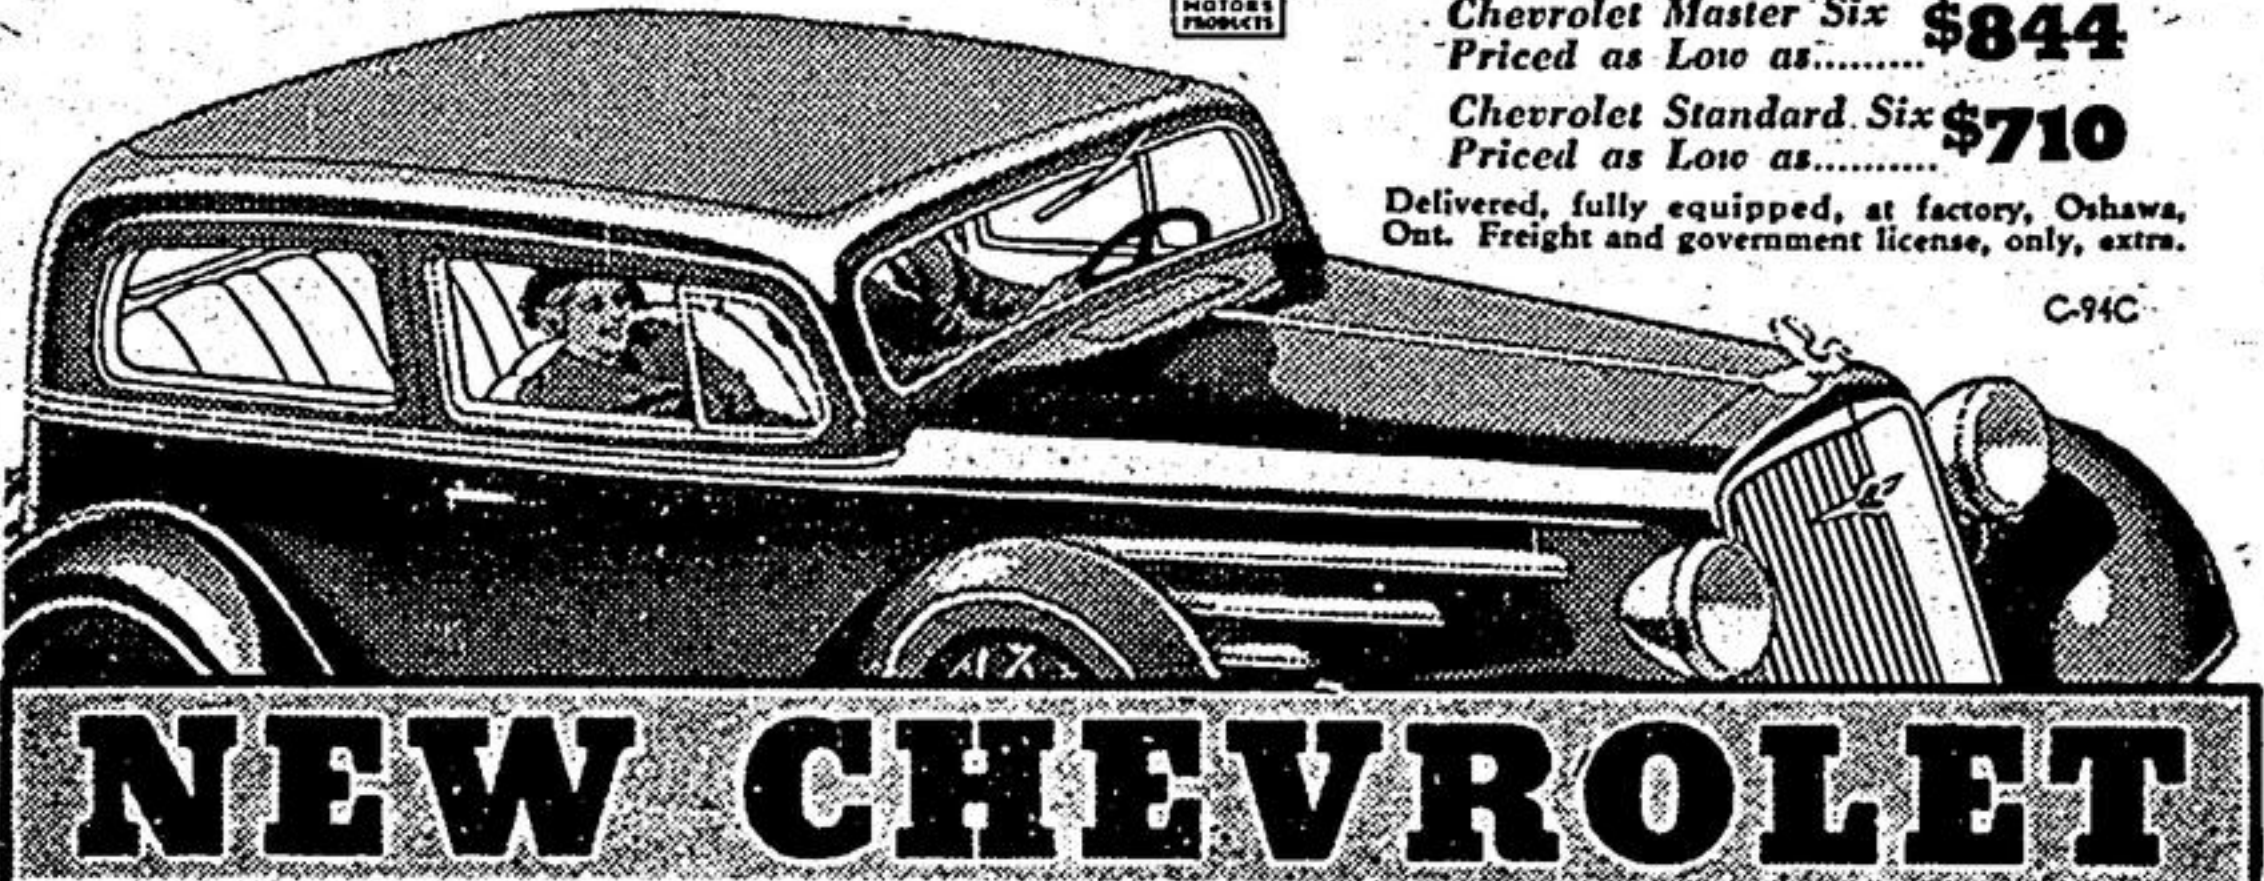

Chevrolet has always been stronger on proof of value than on mere "claims". People recognize this in Chevrolet's many exclusive features: Fully-enclosed, protected "Knee-Action", Body by Fisher, valve-in-head six cylinder engine with Blue Flame head, Fisher built-in Ventilation, exclusive YK frame, to mention just a few.

And just as long as motorists go on comparing, checking and testing, Chevrolet will hold and increase its great sales leadership. Because Chevrolet refuses to compromise on quality. The industry's leading engineers . . . the great General Motors Proving Ground . . . and an organization with "an ear to the ground and an eye to the future" . . . take care of that.
