BLOOMINGTON

Wedding bells are ringing loudly. Mr. and Mrs. Lennox, Toronto, were at Truman Baxter's for a day. Mrs. Wagg, Prince Albert, is visiting her granddaughter Mrs. Stanley Rose. A number of our people took in a steamer trip to Port Dalhousie on Saturday. Miss Janet Button of Stouffville was guest of Miss Marion Brumwell on Tuesday. Mrs. Smith has been visiting at

the new home of her son Eldon at Churchill.

Mrs. George McCormack and child spent last week in Toronto at the home of her sister Mrs. Leask. Miss Anna Stapleton led the Endeavor meeting this week, and Mrs. C. Stafford contributed musical numbers to the program. Mr. and Mrs. Chester Brumwell of Deepdale, Man., arrived here Friday to visit with her mother Mrs. Jos. Burnett. The organized class of the

Christian Church held their monthly meeting at the home of Mr. and Mrs. Elgin Smith on Friday night. A talk on the laws of marriage was given by Bruce Morton who also led in the discussion. A social hour was spent and the class presented Mr. and Mrs. Smith with a fern stand.

Know Harry Sanders

Mr. T. Harry Sanders, the Liberal Candidate in East York, has been a citizen of the Riding for twenty-two years, having taken up residence in Scarborough Township when he came to this country from Leicestershire County in England in 1912. He was a member of the Liberal party in England and has always adhered to the Liberal persuasion in this country, his short association with the C.C.F. in Scarborough being merely a matter of local municipal politics. Mr. Sanders and his family, which consists of Mrs. Sanders and one daughter, are members and active workers in the United Church in Scarborough, where Mr. Sanders is highly regarded as a local preacher and superintendent of the Sunday School.

In business he is a member of the firm of Sanders & Hardy, concrete contractors.

Christian Conference

All who attended the Christian Church Conference sessions at Altona last week have had nothing but good reports to circulate. From the first service to the last, good interest was manifested by good attendance. Every report given was encouraging, and every message was a spiritual uplift. Rev. G. W. Hunter, pastor of the Olivet Congregational Church, Toronto, and Rev. W. S. Alexander, from "across the line," were given a warm welcome as they joined the conference. Mr. Alexander has been called to be pastor of the Newmarket Church. His message Sunday night was given to an audience that filled the Altona Church to its capacity.

BIDDIE PAYS THE "VET."

Like the medical men, the veterinary surgeons have been called on during the depression to render service, and then wait a long time for the pay. But if the hens were all as thoughtful as a certain pair of "biddies" on a Markham farm, life would at least be a bit brighter.

Dr. Bodendistel in the farm yard, removed his grip from the rear of the car and went to the barns leaving the lid of his coupe up. On returning some time later he discovered that two hens had laid in the car during his absence. Whether the hens made the contribution as an instalment on the cost of the visit, or as a bonus, we haven't learned.

COUNTY COUNCIL APPOINTS JAMES READ, FORMER WARDEN OF REFUGE FUDGE GOVERNOR

The County Council of Ontario in session at the Court House Whitby appointed Mr. and Mrs. Jas. Read, of Uptergrove, in the Township of Mara, as governor and matron, respectively of the House of Refuge. Mr. and Mrs. Read will commence their duties on July 1, on which date Dr. F. J. Lavery will retire from the position which he has filled so capably for many years. Mr. Read will receive a salary of \$700 per annum and Mrs. Read a salary of \$200 per annum. Mr. Read is well known in Whitby having represented the Township of Mara for a number of years. In 1930 he was elevated to the position of warden which duties he carried out in a most capable manner—Mr. and Mrs. Read will without a doubt be given a hearty welcome to their new home.

The Council in making the selection experienced considerable trouble before Mr. Read was appointed. Some twenty-five applications were received for the positions and it was not until the fifth ballot had been taken that Mr. Read was given a clear majority. His closest competitor was Clifford Wagg, of Uxbridge, who polled nine votes to the fifteen received by Mr. Read in the final ballot.

Following his appointment Mr. Read addressed the Council thanking them for the honour which had been conferred upon him. He said that Dr. Lavery would be a hard man to follow, but he would do his best to carry out the trust that had been placed upon him.

GARIBALDI

George Taylor has forsaken the masonry business, and is now fencing sort of an opposing firm to Arthur Brown & Co., Goodwood.

John Lewis is living at Irwin Pearson's. He says he feels like an orphan since giving up farming.

The Garibaldi quartette sang at the Ladies Aid meeting. Miss Ruth Hope is accompanist.

Sam Bacon's car is laid up for repairs from over-heated valves, and bad knee action.

Some of our chaps think they are light on their feet when dancing at the lake, but say when they step on a lady's toes, oh my!

Jim Hackney is grooming his guinea pigs for the exhibition and they may be up against Dr. Beatty's thoroughbred Yorkshires.
