ORANGEMEN HAD A GALA DAY ON THE 12TH

North Ontario County Loyal Orange Association held their 224th celebration of the Battle of the Boyne at Stouffville last Thursday, and although threatening weather prevailed all morning, the rain held off until nearly four o'clock, when a heavy downpour came along, holding up the sports at Memorial Park for half an hour, after which the program continued unabated.

Sixteen lodges participated in the "Walk" which left the park at two o'clock, proceeded along Main street west to Dr. Sangster's, then returned to the school in the east-end and back to the park. The lodges with banners included Wilfred, Udene, Vroomant, Udora, Cannington, Derryville, Victoria Corners, Beaverton, Richmond Hill, and Oshawa True Blues. Richmond Hill was also represented by their True Blue lodge, while Wilfred ladies also came in large numbers.

The parade was headed by Robt. Hare of Stouffville and Harold King of Wilfrid riding on the traditional gray horses. County Master Norman M. Maclean of Stouffville walked with Past County Master Chas. M. Carrie, a P.C.M. of British North America, the chief speaker of the afternoon. Others on the speaking program were Rev. Thos. Laidlaw of Stouffville and Rev. Mr. Latimer of Wilfrid.

Reeve Harry Sanders of Stouffville gave an official welcome to the visitors, and made reference to the absence of Mr. Truman Holden from the brethren on parade. Mr. Holden was Master of the local lodge in 1930 when he was 77 years of age, and was said to be the oldest ruling master in Ontario at that time. He has never missed a parade in 50 years, or until his health failed him recently. At that, he was able to be wheeled in a chair to Main street from his home where he saw the procession pass by headed by the Stouffville band under the direction of William Dougherty. The program of speaking was presided over by Past County Master Woods of Udene in the north end of Ontario county.

Did You Notice

It was one of the biggest crowds ever in Memorial Park.

Three True Blue Lodges, Oshawa, Richmond Hill and Wilfrid, added color and interest to the procession. The ladies were popular.

Norman Adams of Uxbridge was the tallest drummer we've ever seen. He is an Uxbridge boy, but handled the double drums for Good-will fife and drum band to perfection.

The high cost of engaging a brass band has driven too many lodges to the wall, and Stouffville had the only brass band in the parade.

The splendid spirit of co-operation and good-will prevailing between the Protestants of this section and their Catholic friends was evident by the fact that one fine gray horse at the head of the procession belonged to Cyril Cadieux, the local drayman, and a member of the Catholic faith.

The days of the evergreen arches seem to have gone. Like the brass bands, the high cost of production has driven them out of existence.

Despite the fact that it is Centennial year in Toronto, and for that reason, the city was a special drawing card, few lodges of North Ontario bolted from their own celebration.

In the evening a big crowd assembled for the street dance, with music by Ernie Bruce's dance orchestra. The weather was ideal.

One lady in the parade confided she weighs 238 pounds—but please do not put my name in your paper, or I'll never come to Stouffville again. All right sister, we'll look for you again

Sports

The league game between Stouffville and Uxbridge played on July 12 proved rather a fizzle so far as good close baseball was concerned. Unfortunately a thunder shower coming up in the 3rd innings delayed the game somewhat after which play was resumed on a muddy

Peddlers to be Licensed in Whitchurch Twp.

Township Council Also Passes Bylaw Reducing Hydro Contracts to Five Year Period—\$6,000 paid out for Road Work at the Regular Meeting Saturday

With an ear to the demands of both owners at Lake Wilcox and Lake Musselman, Whitchurch council on Saturday passed a bylaw to prohibit hawkers and peddlers from outside the municipality going from door to door selling their wares without a license. The fee for a motor vehicle, horse cart or push cart peddler was set at \$25 per year, and for a man carrying a pack or basket \$15.

Convictions under the bylaw run from one to fifty dollars, and from one to five dollars for licensed persons failing to produce their license to the constable if so demanded.

The bylaw will become effective as soon as license forms are prepared and printed, which will probably be about the first of August.

A deputation of Wicox Lake campers demanded some action against the proposed "no parking" bylaw. After a free-for-all chewing match council decided to visit the spot when congestion is bad, and take any action deemed advisable at a special meeting next Saturday.

One camper said, "the cop at the lake isn't worth a damn."

"Do you want the job," asked Reeve Kidd. "This drew a negative answer. 'Then don't talk about the constable,'" warned the Reeve.

Complaining against a Jewish colony at the lake, one G. H. Smith said it might be a good thing to import a Hitler for a month. The Reeve said he thought a clean-up among some of the Gentiles at the lake might be in order.

On a motion by Reeve Kidd and Deputy-Reeve Rae, S. P. Foote was appointed sanitary inspector, and his first job is to investigate a complaint from Lake Wilcox about alleged unsanitary lavatory maintained by a booth keeper there. The complaint was from an anonymous letter writer.

It was decided to consult the County Engineer about gravelling sidewalk between lots 5 and 6, con. 4, where the county graded the road.

Several sheep claims were in and payments made as follows:

W. Linton, 1 killed \$5; Wm. Dainty 3 killed and injured to flock \$21; Chas. Dennis 6 killed, \$33; H. Shackman, 1 killed, \$6; Ed. Murphy, 5 killed \$24.

A bylaw was passed enabling the Hydro-Electric Power Commission and the Council to shorten the time of hydro contracts made to farmers

from 20 years to 5 years. This will be a good move for farmers who felt that 20 years was too long to sign for in order to obtain current. The bylaw will become effective when the other townships in the system pass a similar bylaw.

When the long list of bills for road work was presented totalling nearly \$6,000, the members declared this must about end the work for this year. Nearly all beats had done their work, thought superintendent Henry Widdifield.

The accounts passed for payment read:—

Judgment Reserved

Judgment has been reserved in the appeal made by Pickering College, Newmarket, against the decision of the Court of Appeal in Whitchurch Township, which refused exemption from taxation on the newly acquired farm on Yonge street now owned by the college through a bequest from the Rogers estate. The property is assessed for \$9,000, and if given total exemption, it will work a real hardship on the other farmers in the school section.

The assessment act however provides that exemption from all taxes shall be given "the buildings and grounds of, and attached to, or otherwise bona fide used in connection with and for the purpose of a seminary of learning maintained for philanthropic, religious, or educational purposes, the whole profit from which are devoted or applied to such purposes only."

The Township of Whitchurch recently lost all the taxes on the Vandor estate at Vandorf because it was taken over by the Toronto hotel as a charitable institution, and under the assessment act is entitled to exemption also. Despite this fact the Toronto Hotel pay the Vandor estate \$800 per year rental, and the Township Council are wondering how they are to meet their obligations if from one reason or other large properties are to escape taxation so easily. There are other large properties that may sooner or later appeal to be "tax free" on their lands if something is not done to amend the Assessment Act.

Constipation quickly relieved with Kipp's unequalled Herb Tablets. J.M. Storey, Druggist, Stouffville

field which produced anything but tight ball. Numerous errors resulted until the seventh frame when rain halted the game definitely, Stouffville winning by a 11-4 score. The local team now hold first place in the league with Sutton, Uxbridge and Sunderland tied for second and Port Perry and Beaverton for third.

The girls softball tournament was won by Unionville. In the first game Uxbridge went down to a 12-6 defeat at the hands of the southern team Unionville then came on to defeat the Stouffville girls by a score of 12-4.

Mrs. A. Leaney, has been holidaying with relatives at Jackson's Point and Keswick, while Mrs. Phillips and daughter, Mrs. Bradford, have also returned after spending two weeks at Minden.

County Day at Provincial Plowing Match

Councillor Ross E. Ratcliff of Whitchurch, who is also secretary of the North York Plowmen's Association, attended the committee meeting at Richmond Hill on Saturday evening, when the prize list for what will be known as County Day at the International Plowing Match was drawn up.

The County Day prize list is contributed by the local plowing association, and will offer a prize list of \$1500. Programs will shortly be available as the copy is to be turned in to the printers almost immediately.

The International Match, it will be remembered, will be held this year in York County on the beautiful Maryvale estate belonging to Frank P. O'Connor.

DELBERT SELLS THE LIEUTENANT GOVERNOR

The energetic Ford dealer Mr. Delbert Holden has a great variety of customers to deal with, from the chap who is looking for an old time buck-board right up to the Lieutenant Governor of Ontario, Hon. Herbert Bruce. Last week Mr. Holden sold a Ford truck to Ontario's resident of Chocery Park for use on his farm lands in York County.

Mr. Holden found the high up official a pleasant and congenial man to transact business with, and scrupulously fair.

Mr. Raymond Hutton and son Harvey, from Winnipeg have been visiting his aunt Mrs. W. H. Todd.

ROOST RAIDERS AT GLASGOW FARM

Chicken thieves have been active again in the Glasgow locality, and for the second time this year made a successful raid on the pens of Leslie Morgason. On Sunday night or early Monday morning they took between 50 and 60 young birds from a pen very close to the house. The Morgason farm is on the second concession of Uxbridge near Glasgow.

Mr. Morgason had been away on a visit on Sunday and it was about eleven o'clock at night when he returned. He later heard the dog making a big noise, but failed to investigate. On many previous occasions Mr. Morgason had answered the alarm of the dog, but being extra tired, he failed to do so this time, when undoubtedly the thieves were doing their work.

The birds were culled over and only the large spring fowl were removed. A pen of smaller birds, easy of access, was unmolested. Possibly the thieves intend to call again for these when Mr. Morgason raises them to more marketable size. If they do, however, there will be a hot reception for the intruders, as the farm possesses a gun, and other devices now which is calculated to protect the poultry.

MISS MURIEL WARD MARRIES

H. B. GREENE

On Saturday afternoon, in Eglinton United Church, Rev. W. J. Johnson officiating, the wedding was solemnized of Muriel Annie, daughter of the late Rev. A. J. Ward and Mrs. Ward of Toronto, to Henry Baden Greene, son of Mr. and Mrs. J. M. Greene of Toronto.

The bride wore white silk with white picture hat and carried a bouquet of butterfly roses and lilies of the valley. Miss Freda Ward, bridesmaid, wore yellow chiffon with large hat to match and carried a nosegay of roses and sweet peas. Mr. Huson Coon was best man. Mr. Coon is the husband of Mariam Louise Cook, daughter of the late Wm. Cook, of Stouffville.

After a reception the couple left for a motor trip to eastern Canada, the bride travelling in baby blue suit and hat, with white accessories—They will reside in Toronto.

With the Leafs

Cook to Get His Chance
Local fans and all Ontario is watching the progress of the Toronto Maple Leafs who are right in the thick of the International Baseball League pennant race with the season some eight weeks yet to go. Manager Ike Boone, one of the most popular leaders in the history of the Toronto Baseball Club has done much to revive interest in the diamond pastime not only in the Queen City, but throughout the province. "Genial Ike" is willing to assist in any charitable cause and has visited several Toronto and out-of-town organizations since taking over charge of the Maple Leafs.

President George Oakley has presented all Ontario with a "new deal" in baseball. The 1934 edition of the Maple Leafs are a battling crew, giving their very best until the last out is made—win, lose or draw. This fact was brought home when the Leafs, although four runs down, out-battled the famous Chicago Cubs in a recent exhibition game. Mr. Oakley is keenly interested in the developing of home talent and the brilliant work of Stanley "Steamer" Lucas, who has staged a remarkable comeback after three years absence, is the first step in this movement. Earl Cook, another Ontario boy, born in Lemonville, is now in Beckley, West Virginia, with the Leafs vitally interested in his progress. Cook wasn't given an opportunity to develop himself under former Toronto managers, but Manager Boone saw to it that the "Stouffville Farmer" as he is called, got his chance to gain the experience of a lower league so necessary towards obtaining success in such a circuit as the International League.

The new floodlight system at the Maple Leaf Stadium has been judged as the best in organized baseball by night ball experts.
