MULOCK POLLS HUGE MAJORITY—LEADS VICTORY PARADE YONGE STREET

Riding Which Once Returned Sir William Now Returns Grandson

North York returned to the Liberal fold Monday, when Col. William Pate Mulock, grandson of Sir William Mulock, chief justice of Ontario, won the federal by-election over Captain Harold Bruels, Conservative, by an unofficial majority of 3,000.

After his election had been conceded, Col. Mulock led a large victory parade down Yonge Street. The election was not considered as keen a contest as in 1930 when the late Col. T. H. Lennox defeated Col. Mulock by 295.

Col. Mulock regained for the Liberal party a riding which once returned his grandfather, Sir Wm. Mulock, who was postmaster-general in the cabinet of Sir Wilfrid Laurier. The constituency had also been represented by Rt. Hon. W.L. Mackenzie King, Liberal leader.

An interesting sidelight on the contest was that both the victor and his opponent are officers of the same militia regiment, York Rangers, Born in Toronto, Col. Mulock was educated at Upper Canada College and the University of Toronto. He was called to the bar in 1920 and practiced law with the firm founded by his grandfather.

Col. Mulock operates the York Apple Orchards on the old Mulock farm at Armitage, North York, dividing his time between the fruit firm and his Toronto law practice. Col. Mulock married Kathleen Johnston and has two sons. He is an Orangeman, Mason and Anglican, and holds membership in numerous clubs.

On his arrival at Aurora Col. Mulock was carried on the shoulders of his supporters at the head of a torchlight parade. Col. Mulock made a brief speech and then left to tour other sections of the riding.

"I will do the utmost in my power to help the people in this riding," declared Col. Mulock. "I wish to thank all the Liberals, Conservatives and C.C.F. followers who to-day placed their confidence in me by electing me member of North York."

Scanning the Returns

The election returns in Stouffville gave Col. Mulock a majority of 297, which is 15 of an increase over the vote given him in the 1930 contest with the late Col. Lennox. Monday's vote by polls gave Conservative candidate exactly the same number of votes at each of the two polling places.

	Mulock	Bruels
North Side	255	93
South Side	228	93
	483	186

The official returns for the riding by polling divisions will not be available until our next issue, but Col. Mulock's majority is conceded to be in the neighborhood of 3,000. Sutton which gave Lennox a majority of 118 in 1930, turned out a small majority for Col. Mulock, the first time in 50 years to have polled a Liberal majority. It is the home town for the Conservative Candidate, which was counted on as a help to him. Richmond Hill also provided one of the high lights of the campaign by turning a Tory majority of 75 into a Liberal majority of 79.

Newmarket increased Mulock's 1930 majority from 37 to 389, while Aurora gave Bruels 38 whereas in 1930 it gave Lennox 229. Whitechurch Township turned a majority of 19 for Lennox into a substantial majority for Mulock, which will probably be several hundred when the returns are ascertained officially. Markham Township also increased its 1930 majority of 247 several times higher.

W. S. Widdfield, Chevrolet dealer, Stouffville and Albert Stonehouse, dealer in Markham will unite to have a joint display at Markham fair, Oct. 5 and 6, with a special attraction of a free draw. Watch for General Motors line of cars at the fair.

LOCALS SQUEEZED FROM SEMI-FINALS

After climbing the Provincial O.B.A.A. ladder to within about three rounds of the top, Stouffville baseball nine were ousted from the running Wednesday last week by dropping their second game with Cayuga by the score of 3 to 0. These teams had each won one, and were playing off the rubber at Oakville with disastrous results for the York county champions. On Saturday Cayuga went a step higher to provincial honors by defeating Courtwright 10 to 11 playing in the Sarnia district.

Stouffville dropped their Oakville game to Cayuga in easy fashion, allowing Haldimand county lads to score two in the first innings. With one on bases Cayuga slapped out a home run while in the fifth they scored their only other run. Outside of this they were never dangerous. However, Stouffville got to their pitcher well, but featured fly balls all the time which were well fielded by their opponents.

Had Stouffville won from Cayuga they would have had only three more teams to meet for the championship, and the fact that they climbed so near the top is something the boys should be proud of.

EXPERIENCED PLOWMEN CONDUCT DEMONSTRATION

It is customary where a Provincial Match is being held, to conduct plowing demonstrations previous to the match. Two demonstrations have already been planned, namely, at Lockie's farm, north of Belhaven, on Saturday, Sept. 29th, and at Clifford Rose's farm, lot 35, con. 9, Whitechurch Township, on Wednesday, October 3rd.

Mr. James McLean of Richmond Hill will demonstrate with walking plows, and Mr. Clark Young of Milliken with the tractor plow.

Local men and boys are asked to bring in their teams and plows and join in the demonstrations. Demonstrations will commence at 9:30 standard time and continue throughout the day.

GORMLEY

At Gormley, Ontario, on Saturday September 22nd, George Gordon Pope passed away at the age of 81 years.

Mr. Pope was born at Peterboro, son of the late John and Katherine Pope and was connected with the Federal Life Insurance Co for many years.

After the death of his wife Mary Aileen Way, who predeceased him in 1913, Mr. Pope went to Madoc, where he was with the Metropolitan Insurance Co.

A few years ago he retired and thereafter resided with his son, Allan, at Gormley, Ontario.

The funeral mass was sung in St. Peter's Cathedral, Peterboro, by Reverend Father Costello and interment followed in St. Peter's Cemetery.

The late Mr. Pope leaves to mourn his loss one son Allan and grandson Lawrence and many nieces and nephews among whom are Mrs. J. Lynch, Peterboro, Mrs. (Dr.) Gibson, Lakeside, Miss J. Young and Mr. Leo Young of Toronto, Dr. Alexander Pope of Chicago, and Mr. John E. Pope of San Francisco.

BALLANTRAE STUDENT PASTOR NOW IN LIMELIGHT

Rev. George MacDonald, M.A., not long ago offered a nomination for political honors in South Wellington, and at present the minister of the United church, Ferguson, one of the strongest congregations in western Ontario, is a commissioner to the general council of the United church at Kingston. He is quite well known by local people, as he served for a time as minister at Ballantrae in the former Presbyterian Church.

Mr. MacDonald has recently been extended a unanimous call to Knox church, Edmonton, foremost among the congregations of the United Church in Alberta.

Interviewed at Kingston Mr. MacDonald, after some hesitation said that when the call comes formally into his hands it is his intention to accept it. This will make sad reading for the Ferguson folk, devoted as they are to this knightly and truly lovable minister.

LEGISLATION TO SAVE YORK COUNTY \$50,000

Whitechurch Tax Payers Relieved of \$5329—Province Will Shoulder Entire Cost of Highway Construction

York County will benefit to the extent of approximately \$50,000 annually by legislation to be passed at the next session of the Ontario House to relieve municipalities and counties of the 20 per cent. contribution, which they at present make towards construction and maintenance of provincial highways. The province will now pay 100 per cent of the cost of construction work on the 1933 tax basis. Whitechurch Twp. will save \$5529, the amount paid last year.

York county's contribution to provincial highways' construction and maintenance within the county during the past year was \$45,000 and the share paid in 1932 amounted to \$90,000.

The highways department is at present engaged in the widening of a seven-mile section of Yonge Street highway between Richmond Hill and Aurora, which will cost in the neighbourhood of \$100,000, of which the county's share is \$20,000. York county will probably be called upon to pay their portion since it is unlikely that the legislation will be made retroactive.

LARGE "MURPHIES"

The tremendous growth this fall with so much rain and warm weather has been the means of producing some abnormally large roots of one kind or another. The weather, while excellent for pasture land and fall wheat, is causing some concern where root crops are growing beyond marketable size. Potatoes brought to the Tribune office last week by Theo. Madill, Main street, weighed a pound and ten ounces, while Jack O'Boyle left a sample at Stiver Bros. seed store weighing a pound and 14 ounces, and weighed two pounds when first dug, but the weight, of course, did not hold up after the tuber dried out. Robt. McKinnon also left tubers at Stiver Bros. weighing a pound and ten ounces. One of these cut open was found to be hollow and black in the centre. If the wet season does not cause the potatoes to rot in the ground, there will be a bumper yield in this district.

L.P. EVANS GETS ACCLAMATION IN WHITCHURCH TP.

Only twelve ratepayers were present at Vandorf Hall, on Tuesday afternoon, when L. P. Evans was the only person nominated to fill the vacancy on the Whitechurch Township council, caused by the resignation of Ross Ratchiff who is now collector of taxes.

W. J. Hill nominated Mr. Evans, and in seconding the nomination, ex-councillor Wesley Williams said that he did so, because he believed the southern end of the township needed representation on the council. Nearly all the councillors now live in the north half, while the south-west side seemed to have no one to look directly after their interests. He predicted a general election in the township in December.

Mr. Evans, who served on the council a few years ago, said that he would not have caused an election at this time, had he been opposed. He felt that the Gormley and Wilcox lake section of the municipality was not represented in that there was no one there to appeal to when all the councillors resided elsewhere.

A short discussion took place among the few present as to the advisability of holding municipal elections in November as prescribed by law, as many municipalities were adopting the new time, to avoid the Christmas and New Year campaigning. The matter may be considered next year.

BLOOMINGTON CHURCH ANNIVERSARY

The W.A. of the United Church, Bloomington, will hold their anniversary next Sunday with services at 3 and 7:30 o'clock. A former pastor Rev. E. C. French will occupy the pulpit for both services. The musical program will include the Greenwood Orchestra, The Misses Farrow, Mr. C. Tabner, soloist from Toronto, and a local quartette. The public and former residents are all invited to worship at these services.

CENTURY OLD LADY POLLS FIRST VOTE

Miss Clementina Waddell voted on Monday for the first time in her long life of 99 years. She cast her ballot at the Wilcox Lake polling booth for Harold Bruels, the Conservative candidate. Miss Waddell lives with the Dales family on Yonge street in the summer season and in Toronto during the winter, at 259 McRoberts Avenue.

Born in Firth, Scotland, she came to Canada in October 1840, and located near Sarnia, coming to Toronto in 1875. She is of a family of 8, four sisters and four brothers, the youngest brother being 69 years.

Miss Waddell recalls a time in her life when she baked bread for the late Mrs. Timothy Eaton. She is undoubtedly the oldest person to vote in North York on Monday, and would likely have held first place in Canada, if it had been a general election. She entered the polling booth and cast her own ballot unaided.

Gospel ministers should not only be like dials on watches, or mile-stones upon the road, but like clocks and alarms, to sound the alarm to sinners. BURSTING GRANARIES

As an evidence of the wonderful grain yield, both as regards quantity and quality, in this section, we are hearing of farmers' granaries bursting out under the weight of the heavy grain. Last week while the threshers were engaged in filling the granary on the farm of Allat Kirtton, 8th concession of Pickering, the building gave way under the weight of the grain, and precipitated some 700 bushels of mixed grain into the cow stables below.

Tom Madill and Robt. Dafeo who were carrying boxes, were both carried down with the crash, but fortunately escaped any injury. The job of salvaging the grain from the stables was no small task, but one that immediately presented itself.

On the Frank Stiver farm in Markham, the heavy grain burst out the side wall, when between 500 and 1000 bush. poured out the side of the building. Other farmers report granaries giving way under the burden of carrying this season's crop, while still more of the farmers have had to strengthen the bins and improve the foundation.
