DICKSON HILL MAN VICTIM OF ACCIDENT

Henry Grove Dies From Injuries Received When Sons' Cars Crash Together

Standing at the rear of his son's car which had just crashed into a parked truck, Henry Grove of Dickson's Hill was fatally injured when a third car driven by another son crashed into their wrecked auto, Mr. Grove died the same evening at six o'clock from injuries received.

The fatal day was Saturday last, when the victim of the accident was riding to Toronto with his son William more familiarly known as "Speedy". It was around six o'clock in the morning with none too good vision. At Agincourt the Grove car crashed into the parked truck driven by William McIntosh of Scarborough whose lights had gone out, and Grove was blinded by another car coming towards him. While Bill Grove's car was only slightly damaged from the impact both he and his father were unharmed. The old gentleman got out and walked to the rear of his car to allow an oncoming car driven by his son Rev. Leslie Grove to pass, but instead it also crashed into the brother's car, catching Mr. Grove in the impact.

Ambrose Stover of Stouffville was telephoned, and took down his passenger car and removed the injured man to his home at the Hill where he was attended by Dr. H. Freil. Four or five ribs were broken completely near the spine, and other internal injuries sustained, resulting in death about 12 hours later. Mr. Grove retained consciousness and was able to sit up and ride back to his home.

It is said that neither of the Grove boys saw anything ahead of them until it was too late to turn out. There was only a few minutes between the two collisions, and attempts were made to warn the second car but the driver failed to be attracted by the swinging arms of his brother William on the roadside.

Henry Grove seemed to be doomed to meet with road accidents with his own kin. Two summers ago he was struck down by a grandson who ran into him with a bicycle, which had serious results, but from which he recovered. He was a hard-working man, honest and upright, always being bright and cheerful in the midst of adversity.

The late Henry Grove was born in the 8th concession of Markham, and spent all his life in the same neighborhood. His wife died only eight months ago, and he is survived by four sons and an only daughter. The family consists of Rev. Leslie Grove, one time preacher at Lions' Head, Ira, Oscar and William, and Mrs. Herbert Wideman of Dickson's Hill.

The funeral on Monday afternoon to Dickson's Hill cemetery was largely attended by a wide circle of acquaintances, which was augmented because of the tragic death of the deceased. The service was in charge of Rev. Henry Goudie of Markham and Rev. S. Cressman, pastor of the Mennonite Church at Stouffville.

SILOAM HOT PIE SUPPER

Reserve the evening of Tuesday, October 9 for the hot pie (meat) supper to be served at Siloam Church from 6 o'clock. The supper will be followed by a fine program to include Miss Pearl Newton, elocutionist, and the Cow Girl Singers. The special evening event follows the Anniversary services on Sunday the 7th when special services will be held at 3 and 7.30 p.m. Guest speaker and special music to which all are heartily invited.

LATE ALEC LOW

The death occurred at his home in Calgary, on September 2nd, of Mr. Alec Low. Mr. Low was in his 74th year. Born in Uxbridge he attended school here, later becoming station agent in Mount Albert, and Stouffville where friends will remember him as a man of upright busy dependability and kindly disposition. Twenty seven years ago he moved to Calgary where he resided until the time of his death.

Last year Mr. and Mrs. Low celebrated their golden wedding anniversary and were highly honored by the members of the Presbyterian church where Mr. Low has been an elder and consistent Sunday School teacher since his arrival in Calgary.

He is survived by his wife, one daughter—Mrs. Miller, of Portland, Oregon and his son Will, of Delta, Alberta, also one brother Jim Low, of Vancouver. Mr. Low was a brother of the late Mr. William Low of Uxbridge. —Uxbridge Times.

ATTENDED SUDBURY ASSIZES

Mr. F. L. Button K.C. was in Sudbury this week attending the Supreme Court Assizes there before the Honourable Mr. Justice Makins. On Monday evening the Rotarians of Sudbury tendered a banquet to the Judge, the outside counsel, and the Sudbury Bar Association. They also took the guests on a tour of the mining area around Sudbury where some four thousand men are engaged in the industry. The banquet at the Nickel Range Hotel was attended, says Mr. Button by Mr. Woods a leading lumber merchant of the north country who is a nephew of Mrs. Wm. Mitchell of Ringwood. York county is well represented in the Sudbury Bar Association for its members include J. H. Clary, formerly of Thornhill, and G.M. Miller K.C., formerly of Mount Albert. Mr. Clary is the eldest member of the Association.

New Pastor Called

The Congregational-Christian Churches at Stouffville and Church Hill have extended a call which has been accepted, to Mr. Harry Worling of Toronto to become their pastor. The engagement was entered into at a special meeting of officials held on Saturday evening. Mr. Worling, who is a young single man, not ordained, will enter upon his new duties next Sunday at both charges.

"Christmas Box" For Hydro Customers

What might be looked upon as a Christmas Box for all Hydro users in Stouffville awaits them next December when the municipal council will rebate to every user of current in any form, domestic, commercial or power, a rebate of ten per cent. of the total net bills paid in the year 1933. Thus the more you paid into hydro in 1933, the larger will be your particular rebate.

The decision to make the rebate is the result of adopting the recommendation of the H. E. P.C. report for the purpose of disposing of a surplus of some \$1300 accumulated. In addition there is a slight lowering of the second rate for domestic use from 1.5 to 1.3, and a drop in street lamps from \$14 to \$13 per year. Flat heaters also come in for a cut in rates.

It was pointed out that the local system have sufficient bonds and cash on hand to wipe out the entire indebtedness on the whole Stouffville system.

The Chautauqua

The first Chautauqua programs given here on Monday in the two-day circuit coming to Stouffville, amply sustained the high reputation of previous Chautauqua entertainment heard here in other years. The musical program Monday afternoon and the lecture by Dr. Hsieh (pronounced Shee) were of such standard as could not be brought to small communities unless some generous hearty citizens sponsored the affair as they have done in this instance. The lecture of Dr. Hsieh on the Orient was instructive and informative, coming from a man from the Orient who has no peer among his countrymen as a scholar and diplomat.

The large attendance at Monday's program is sure to be still larger for the second day's program on Monday, Oct. 15. The afternoon will be a musical feast, while in the evening a play "Grumpy" by professional players will be given. It is hoped the citizens will stand well behind the Chautauqua guarantors, who only desire to break even while bringing to town a type of entertainment which could not otherwise be heard here.

THE LOCAL MARKET

While grain prices are generally high or at least more attractive to the farmer, than any time the past four years, hogs have slumped badly, due to poor export demand. The price of hogs took a slide downwards last week, as low as \$7.15 per hundred. Lambs brought 4c to 5c pound, cattle 2c to 3 1/2c, and calves 3c to 6c.

Eggs are greatly in demand as there is a brisk market ready to take all that are offering. Prices being paid are from 21c to 25c for grade A, 17c and 18c for grade B and 13c to 15c for grade C.

Cream is selling at 19c per butterfat pound for first grade, and 21c for special grade at Stouffville Creamery.

Dairy butter is being bought at 20c a pound.

Potatoes are quoted at 35c per bag but this is not the price the growers of the better grade are getting. Some of the graded tubers are being disposed of in small lots at as high as \$1 a bag while 75c and 80c are the general run of quotations for small lots of potatoes that go into the better class of retail trade.

Grain and seeds are moving in large quantities, the volume of barley that has been delivered in town during the last week being very heavy. Oats too are being delivered in quantities and peas are being bought, cleaned and shipped.

Quotations are: Wheat 92c to 95c, barley 70, 72c, rye 60c, oats 35c, peas 75c to 80c, sweet clover \$3 to \$3.25, alsike \$12 to \$14, timothy \$6 to \$7.

Toronto commission houses have sent out poultry quotations in the last few days and are prepared to take fresh young chickens. The quotations are for birds of upwards of six pounds 20c, 5 to 6 pounds 17c, 4 to 5 pounds 16c, hens over five pounds 11c and roosters 8c.

TAX COLLECTIONS IN WHITCHURCH

In pursuance of his duties as Tax Collector for the Township of Whitchurch for the year 1933, and which business is now being sharply wound up, Frank Steckley caused to be issued some 25 warrants for these tax arrears over the past few weeks, and all but three of those served made payment of the taxes due. This is a remarkable record, and causes one to wonder why these rate-payers allowed the matter to stand until such added costs were put on before payment was actually made. In all, over \$2000 was collected from the warrants issued by Bailiff Alf Pugh.

The three who failed to make payment on demand or under any arrangement that the bailiff could offer were seized for taxes. It should not be presumed that the collector has been unduly hard in making collections, as he is really being censured by some for alleged leniency. The fact is, however, that in all these cases where strenuous efforts were taken to make collection, the collector was under compulsion from either the mortgagee or landlord, who had warned the collector that he was not to allow tax arrears to be charged against the lands. In such cases there is no alternative other than to seize, provided there is sufficient goods on the premises to distract. Failure to make collection under these conditions might render the collector liable for the amount to the municipality.

Half-Holiday Extended

While the half-holiday season normally ends on October 31, the following merchants of Stouffville have signed an agreement to keep their places of business closed on Wednesday afternoons throughout the month of November:

E. A. Button
Braithwaite Hardware
Fait Butcher Shop
Schell's butcher shop
Roy Curtis
A. E. Weldon

WILL MYSTERY MAN STALK THE LOCAL STREETS?

Council May Declare War on Bootleg Joints — Matters Transacted at October Meeting.

Reeve Harry Sanders presided over the October council meeting on Monday evening with all members on hand, being Counsellors M. E. Watts, A. E. Weldon, Walter Brillinger and Ross E. Brown.

Mr. O'Sulky, proprietor of the pool room, again appeared asking council to consider a smaller tax for tables. He is now assessed \$60 for four tables, which he said is above that demanded in other places of similar size. No action was taken.

The communication from the Ontario Hydro Commission as reported in a special article in this issue, was received with satisfaction—Council however, expressed strong views in a demand for lower rates so as to eliminate making rebates to the customers on the system.

J. H. Ratcliff and H. O. Kluck, cemetery commissioners, requested the council to lay a larger pipe for water services at the south end of tenth concession at the corporation limits. Present small pipe is not big enough to give necessary pressure for cemetery use. They also claimed that householders at this end of tenth street were inconvenienced from it. The Water Committee was advised to get after the matter at once and see what is needed in order to render better service in that locality.

Bootlegging joints came in for discussion, and disappointment was expressed at the inability of the police to clean up on what is known to most everybody to be going on in this village. An extra policeman was advocated by one member, and if Stouffville has a "mystery man" doing police duty you will never know until the axe falls on the offending bootlegger.

Council agreed to bear their share of a new cement walk in front of the post office, as the government proposes to make other improvements in front of the building.

It was decided to do some re-funding for the cemetery upkeep account by selling some maturing bonds held to this account and re-investing in the new gov't issue now on the market. A thousand dollars will be placed in the new issue.

A number of accounts were ordered paid as follows:
Mansion House, transients . \$ 4.75
Braithwaite Hardware 39.43
Hospital charges 20.00
H. Burgess, on walk account 50.00
Hydro Supplies, purchased . 34.18
E. Strong, caretaker, 1934 . 235.00

Settle in your mind that no sermon is worth much in which the Lord is not the principle speaker. There may be poetry, refinement, historic truth, moral truth, pathos, and all the charms of rhetoric; but all will be lost for the purposes of preaching, if the word of the Lord is not the staple of the discourse.
