The Misses Bertie and Winnie Silvester of Toronto, were guests over the weekend with Mrs. Archie Leaney and Mrs. Phillips.

Bill Tomlinson, son of Dr. N. Tomlinson, Claremont, is nursing a broken arm, as a result of an accident while playing rugby at Whitby.

Reeve Harry Sanders and Mrs. Sanders returned last week from Jackson's Point, the season at the lake being concluded for another year.

The ladies of Christ Anglican Church, will hold a sale of home-made cooking at Turner's Dairy, on Saturday afternoon, Oct. 20th. Please keep this date open.

A new sidewalk is to be put down in front of the post office, and the government will extend it to the curbing making it twice the present width. We understand the work is to be done this fall.

Hogs took a slide down last week to sell at \$7 cwt. country points, but the slump had no effect on fancy cut bacon for which the dealer is asking 50¢ a pound in city stores. Here's a spread in price that is worse than even the raw deal given milk producers.

At the Mennonite Conference in New Dundee, it was decided to hold a camp meeting at Stouffville in the summer of 1935. Previous camp meetings held in Brown's Bush, on the 10th concession and at the Park were all successful, and it was felt by many a distinct loss to have lost them to the district for a time. Next year's camp will be looked forward to with keen anticipation.

COMING—F. E. Luke, Optometrist, 167 Yonge Street, Toronto's Eyesight Specialist, may be consulted at Boardway's Drug Store, Stouffville, Thursday, October 18. Eyes examined.

Mrs. (Dr.) F. E. Warriner of Winnipeg is visiting her mother-in-law Mrs. S. M. Warriner this week.

It rained almost every day last week, making very difficult weather for the farmer, but it was good for the meadows.

From what we read of the American boat race, Britain still rules the waves, but the Americans lead in waving the rules.

Miss Blanche Atkinson and Miss Dorothy Brillinger of Bethesda attended the Biennial Convention of the Toronto Conference held at North Bay Saturday and Sunday.

HOUSE and LOT FOR SALE—Semi-detached pair, frame, one side now rented. Must be sold to close estate. Property located on Mill St., Stouffville. Apply to Harold A. Sanders, Solicitor.

The net saving to the Township of Markham by reason of the Ontario government assuming the total cost of provincial highways next year, will be about \$3,400, figuring from the amount contributed this year for this purpose. The net amount in Whitechurch township will be around \$2,500.

Mr. Lew Brillinger brought to The Tribune Office this week a sample of Dooley potatoes which when first dug weighed two and three quarter pounds, and which now tips the scales at 2 pounds 10 ounces. "I never grew such a crop of potatoes in my life," said Mr. Brillinger to The Tribune. The growth is wonderful and the murphies are tremendous in yield.

The Town Bible Class for men will resume next Sunday afternoon, in the Oddfellows' Hall, after the summer holiday season. Rev. Archer Wallace, editor of a Sunday school publication and convincing speaker, will deliver the address of the afternoon. All men are urged to come, and be assured a welcome.

Mr. and Mrs. Mellish, missionaries to Liberia, will address a meeting in the Baptist Church this Friday evening in the interests of missions. The public is cordially welcome to this gathering, to hear these interesting and informative missionaries on this vital work. A collection for missions will be lifted. Meeting in the auditorium of the church at 8 o'clock.

While the pastor was admonishing his congregation Sunday evening on the advisability of "Sharing Life," two culprits within the sound of his voice were sharing the trimmings of a car parked in the United Church shed. H. J. Malloy's car was stripped of front and rear lights and the rim and glass from the front lights, while Henry Smith (10th con.) found the door handle smashed off his car which he left locked. It is expected that more will be heard of the case as strong suspicions are pointed at certain suspects. Note—Since this item was put in type two lads from the country are charged with the theft.

Attend the Harvest Festival service in the Anglican church next Sunday evening at 7 o'clock.

Provincial police have been active in this district recently hunting down bootleggers under the Liquor Act. It is said that unsuccessful raids were made the past month on local suspects, although they had better luck from their standpoint at a place west of town last week.

The heaviest frost this fall came on Sunday night, and left the ground white Monday morning, finishing off the tomatoes, and damaging the flowers. Farmers say it is just the thing for turnips, while it also stopped the growth of root crops which have now got beyond normal size.

The Cayuga Baseball team which eliminated Stouffville from the Ontario semi-finals, have in turn been ousted by the Courtright club down in the Sarnia district. Both teams won one, but Cayuga dropped the rubber on Saturday, leaving Courtright to fight it out, with the Napanee or northern group for the championship.

The house and lot at the corner of Montreal and Stouffer streets, formerly occupied by the late Mr. and Mrs. Henry Mott was sold this week to Leo Wagg who intends to improve the house inside and probably stucco the exterior, which will make it an attractive low priced property.

John Paisley picked up four potatoes on his patch with a combined weight of seven pounds, and which compares favorably with the abnormal tubers mentioned in this paper last week. If the price of potatoes were as satisfactory as the growth this fall, it would be much better for the farmers.

Sneaks entered Pennock's livery barn last week and when finding the automobile doors locked they smashed the handle. The culprits were seen leaving the barn by a neighbor. There is an epidemic of this sort of thing about the village that needs investigating.

Miss Jessie Walls, R.N., was home over the weekend visiting her parents Mr. and Mrs. Edw. Walls. Miss Walls has recently returned from a visit in Nova Scotia, visiting Halifax, Grand Pre, and other points of interest for the visitor to the Maritimes.

The Tribune mailing list was corrected to last Friday. Refer to your label on the paper and see that your date is correct. There are still too large a number in arrears, and we would appreciate a remittance. It may be only \$2 to the individual subscriber, but in the aggregate the sum is large to the publisher.

Messrs. E. M. Still and W. R. Sanders as skips captured the first prize, beautiful blankets, at the Markham Doubles conducted by the Lawn Bowling Club in the southern town. Just the time of year when such a prize is appreciated.

North York's new M.P., Col. Mulock, is only 37 years of age, and has therefore an early start to become as well known and as versed on the names of all the babies in the riding as was the late Col. Lennox. In the byelection, returns now show that he took a majority in every municipality in the riding, with the exceptions of Aurora, Sharon, Udon and Elgin Mills.

The drama played in Ratcliff's Hall on Thursday evening by a company of Uxbridge young people and entitled "The Price", indicated that the neighboring town has plenty of good talent for such an undertaking. "The Price" was directed by Mrs. W. F. Marquis who is also the author of the play. The company are billed for several other engagements in this neighborhood, and will not disappoint the crowds that will see them. The only thing lacking here was the need of more rehearsals which will not be evident when the drama is given on future occasions as Stouffville got the first presentation. The play was given under auspices of the Eastern Star, but with so many other things on at this season, the returns were very small.

The Council is laying a new cement sidewalk on Main street from Baker Avenue to Stouffer street, past the Mennonite church. The contractor is Harry Burgess. This old piece of walk like so many others in the village was faulty in construction, and therefore it had some bad cracks in it. The chairman of the Street Committee has a very important duty to perform for the council, which has not been too well done in the past. This charge is borne out by the bad condition of our sidewalks. Too often the chairman of this committee had but one aim, and that to get the cement walk down at a record low price. More attention should be given on how the walk is built and less to the cost. As it is these cheaply constructed sidewalks lacking proper foundation, are not rendering the service of the old time plank walks. After all we get what we pay for, and the cheapest is often the dearest.

Next Monday (Oct. 8) is Thanksgiving Day and a public holiday.

Mr. Walter Davey of Toronto was in town over Sunday visiting his brother E. J. Davey.

Rev. A. R. Park, of Silverthorn Baptist Church, Toronto, has accepted a call to become pastor of the church at Whitby. He has been eight years at Silverthorn, and in his student days was stationed at Claremont.

It was reported to council meeting on Monday that there are at least 25 dogs running about town for which a dog tax has not been procured. The constable was mildly censured for permitting the alleged situation to stand unchallenged. After learning the attitude of the council that all should be treated alike, and that it is not fair for one man to buy a dog tag while another is allowed to go free, we may expect to see the cop strike out right and left to do justice to all. A penalty of \$10 awaits all who fail to have a tag for their dog at this time of year.

If there is any distinction in receiving the heaviest mail in town, the plum going to Mr. Harold A. Sanders, who on one mail last week was confronted with no less than five bags of mail matter from Ottawa, bearing printed material, and other matter in connection with his duties as chief revision officer for East York, the largest riding in point of number of voters, in Canada. Registration of electors in Dominion electoral districts throughout Canada will commence on October 15th and end October 20th. The issuing of the proclamation is merely part of the work in the preparation of the new lists under legislation passed at the last session of Parliament.

Mrs. R. P. Coulson has returned to her home in Toronto following a lengthy stay at the home of her brother Jos. Meriens west of town. Mrs. Meriens has been in bed for more than a month, is said to be showing some improvement, although not permitted to be up yet.

### WILLIAM CALDWELL BURIED

Prominent Unionville Man Was Skillful Bowler

The funeral of William Caldwell, whose death occurred on Tuesday last week at Unionville was held Thursday, at Buttonville Lutheran Cemetery. After a short service at the house, the cortege proceeded to Unionville Lutheran Church where a service was held by Rev. E. Huenergarde, assisted by Rev. A. E. Owen, following which interment took place. Mr. Caldwell was the son of George Caldwell and Susannah Neville and was born in Markham Village 64 years ago, coming to Unionville with his parents the following year and residing there ever since. He was a Conservative and a Presbyterian, and was an enthusiastic bowler, a familiar figure on local greens, as well as in provincial and Dominion tournaments, and has many trophies to his skill.

He leaves a widow, Cora Summerfeldt, and two brothers, George, of Richmond Hill, and Charles, of Windsor. Two years ago Mr. Caldwell retired from business on account of ill-health. At that time he was head mechanic in the G.A.M. Davidson Garage. Previously he conducted a blacksmith business and later was employed in the Harrington Planing Mills.

Palbearers were his brothers, George and Charles, Everett Weatherill, R. J. Allan, Oliver Anderson and Harrington Dejos.

# Sell Cream or Churn ?

In the large centres of population Creamery Butter has almost completely taken the place of dairy butter. Many farmers have been delivering cream to the Creamery for some years and have given up churning for good. Some did this after exhaustive experiments with the returns got by churning at home and those obtained by selling the cream. Selling the Cream is always the more economical because it saves a heap of labor and the skim milk stays at home in any event. If you haven't been a Creamery Patron start now. More and more are coming to it every year.
