Auction sale Saturday at the home of Late Dr. Storey.

**FOR RENT**—8 Room brick house on Main Street, Westend. Apply to Mrs. H. Gilbert.

E. A. Grubin, Optometrist, will be at his office in Stouffville on Monday and Tuesday, October 15th and 16th.

Rev. Herbert Lee preached at the anniversary service in Temperanceville United Church last Sunday evening. Mr. Lee was pastor there 37 years ago when the present edifice was built, although the congregation was organized over 100 years ago. Another interesting link between the Temperanceville Church and the anniversary preacher is that Mr. and Mrs. Lee were married in the new building during his pastorate there.

Auction sale this Thursday morning on the market.

Mr. Harold Sanders has rented Miss Todd's house on Main street to be vacated the end of this month by Mr. J. K. Agnew who is moving to Church street.

Richmond Hill council is being asked to submit a vote for the repeal of local option. The town fathers received the request in silence and have been silent ever since. Their decision is expected to be handed out this week.

Allan Hoover of the third concession of Markham (just south of Gormley) was robbed of 115 pullets. The roost raiders cut the wire fencing alongside the roadway which barred their easy access to the pens. If some farmer succeeds in giving these chicken thieves a dose of lead it will go a long way in stopping their night prowling which is becoming too frequent again this fall.

The Sunderland and District Semi-Annual Conference of the Regular Baptist Churches, will meet at the Stouffville Baptist Church, on Wednesday, October 17. The afternoon session will be held at 2:00 o'clock, and the evening session at 7:30. There will be special speakers both afternoon and evening. The public are very heartily invited to attend, both services.

Whitchurch council will meet on Saturday at Vaudorf, when the new member Lorne Evans of Gormley division, will take his seat for the first time this year. He's not to be blamed for being late, however, as Mr. Evans was only elected a few weeks ago to fill out the unexpired term of R. E. Ratcliff, resigned. The new member has had previous council experience in Whitchurch.

Folks have been quizzing members of council and the clerk as to who the town mystery man might be, that is likely to swoop down on some of our bootlegging joints like a thief in the night. Well, such a question is hardly a proper one to ask. If a mystery man is employed by the council he could only be effective in his work so long as he remained a mystery man. Known to everybody he would be just another policeman.

The W.M.S. of St. James Presbyterian Church will hold their thank-offering meeting on Wednesday, Oct. 17, at the home of Mrs. Henry Vanzant. Miss Dickson, returned missionary from Formosa, will address the ladies.

Murray Sinclair has been transferred from Stouffville to the Bank of Commerce staff at Unionville. Starting his banking career here, this is his first experience in being moved from one branch to another.

Secure your tickets for the Chautauqua this week, as there will be a rush for seats for Monday evening to hear the noted dramatic play "Grumpy" headed by the great actor Bob Hanscomb.

Lud. Hoover and Ralph Rae are the contractors awarded the cement work at the post office for laying a new sidewalk in front of the building, and otherwise improving the approaches at the rear of the building.

Peter Ferguson claims 4000 bus. of grain from his threshing this past week, and this off his 100 acre farm just north of the town on the 8th of Whitchurch. Not much more than half the farm is under cultivation.

Herbert Hisey has been engaged as farm foreman for George Rodanz, Toronto, who recently purchased the Joseph B. Hoover farm three miles west of Stouffville. Mr. Rodanz is making extensive alterations to the buildings and will otherwise improve the property.

Mr. Gordon Johnson of Unionville who served as helper in the local Mennonite Church for the past year was united in marriage Oct. 3rd to Miss Ethel Fidler, youngest daughter of Rev. J. E. Fidler, 82 Wardell St., Toronto. Rev. S. Goudie our former presiding elder officiated.

Joseph B. Hoover's farm stock sale next Wednesday, the 17th, three miles west of town on this townline, will commence at 10:30 sharp. Lunch will be served at noon. This is a large sale, and the early start is necessary in order to dispose of the auction of stock, implements, household furniture, etc.

Miss A. Yeo and Miss E. Snider Evangelists, opened a two weeks meeting, Oct. 7th at the Eastend Mission of the M.B.C. Church, 562 Jones Ave., Toronto. Services each night in the week except Saturday at 8 o'clock. Sunday services 11:00 a.m. and 7:00 p.m. Special singing and music. Pastor S. Goudie will welcome all old friends to any of these meetings.

Mr. William Stewart who lives just opposite the Presbyterian church celebrated his 88th birthday on Monday, October 8th. It didn't alter his daily mode of living even for an hour, for he was busy during the day chopping wood, and digging his garden. Mr. Stewart is a wonderfully well preserved man. He takes his greatest enjoyment out of the radio, for he is a keen follower of world events. Born at Atha on the 8th concession of Pickering, he spent all his active life in this part of Ontario, and farmed for long years in Uxbridge Township.

Richmond Hill has introduced something worth while in that village that is calculated to keep the youngsters out of mischief. On Halloween night next October 31, Reeve Green and members of council are sponsoring a grand children's frolic. James McLean will act as chairman of the citizens' committee. There will be a big parade and games in the rink, as well as other amusements, along with a supply of good things to eat. In fact it is to be a big kid's night for all the youngsters, and looks like a nice thing to do to keep the younger generation out of mischief on this special evening. Halloween parties are too often held for the benefit of the older people.

Next Monday, October 15, will be an eventful occasion for Mr. and Mrs. Elias Lehman, Victoria street, for on that date they will reach their 54th wedding anniversary. It was back in 1880 that young 23-year-old Elias Lehman united in marriage with Miss Fannie Grove, then just 21. They were both born in Markham Township, and were married in Stouffville by Elder Percy. Never in all their lives have they gotten far from the scene of their union, for they have lived in Markham and Stouffville ever since. They have been in the village for 30 years. Mrs. Lehman was recently bereaved when her only surviving brother Henry Grove died from injuries received in an automobile accident. She is now the last of the family. Mr. Lehman has one brother, Amos, living in town, and one sister Mrs. Fader in Akron, Michigan. Born to this venerable couple are one son, Ab. Lehman, trucker, and one daughter, Mrs. Dawson in Toronto. May the sun shine brightly for Mr. and Mrs. Lehman who are both in good health for their years.

This is the season of the popular chicken pie supper.

Those streamlined cars make it extremely difficult to know whether you have been run down or just backed into.

Remember the sale of Cookery, at Turner's Dairy, on October 20th, under auspices of ladies of the Anglican Church.

The Thanksgiving market in Stouffville as in other rural centres about here, was a complete flop last week. Owing to the early season, and the continued warm weather, there was scarcely any fowl offered, and merchants were unable to fill their orders.

Granting relief is a voluntary act, says "The Municipal World" in an article which goes on to say: "Municipalities are not under any legal compulsion to grant relief to indigents, and any assistance is a privilege and not a right so far as the recipient is concerned. This may settle the question for some, but there is still another law that is even more important than the above man-made statute, which is to be found in the parable of the "Poor Rich man, and the Rich Poor Man." (See Luke XVI: 1 to 31.)

With the morning train from Toronto, not arriving at Stouffville until ten minutes to ten citizens are not so well pleased with the mail service. It is 10:30 before they are able to get the daily dunnies, but it's not a thing to worry about. The farther up the line, the poorer the service, and few places are as well served as our own village. Many villages in Ontario now get but one train a day, and some only every other day. Here we have morning and evening mail, and a daily bus service to Toronto as well.

Two auction sales in town this week. Today (Thursday) at 10:30 will be offered on the market a line of implements, etc., belonging to Elias Stover who had them stored since the days when he was actively engaged in farming. The sale on Saturday the furniture and fittings to be found in the residence of the late Dr. Storey on Main street west, will be sold at 1:30. These sales are for cash, and will both be in charge of A. S. Farmer.

On October the first Mrs. Jacob Fockler of Stouffville who is spending the winter at the home of her son William in Bloomington, reached her 92nd year, in good health save for rheumatism which effects her some, but otherwise she is very active. Mrs. Fockler is a member of a long lived family, and while she is the eldest of those living, she has not yet lived longer than her father did. One sister Mrs. John Henry Davis of Stouffville (who was the youngest of the family,) and one brother Dr. Henry Vanzant in Oshawa, are the only remaining members of the family. Mrs. Fockler is to be congratulated on her great age.

For the benefit of some citizens who are not properly enlightened, it is in order to report that our Al Pryne, the man charged with the endless job of keeping Main street pavement clean, bears no nick name. Like so many of our folk, his given name is undoubtedly a biblical one. For those not too familiar with early bible history it is related that from Jericho there was a road up the ravines and valleys leading to the mountain country. On one of these hills stood a little city called "Ai," which was ultimately taken by the troops of Joshua. Thus it will be remembered that our road sweeper bears an ancient name. Joshua must have wiped the place off the earth when he made his second charge against it, for we cannot find it recorded on any map of the land of Canaan, which is in our possession. Al Pryne states that his brother in the U.S.A. insisted on having him christened after the Canaan city, but he is not clear on the reason he passed up Jacob, Joshua, and many other more familiar appendages.

Rev. Archer Wallace M.A., editor of United Church publications, is not only an author of note, but a preacher of great ability, as large congregations in the United Church learned last Sunday. Rev. Mr. Wallace delivered two sermons here that seemed to strike a responsive chord in every listener. In the afternoon the speaker also addressed the Town Bible Class in the Oddfellows' Hall, on the theme, "Religion in a Changing World." He sought to drive home the fact that creeds were secondary to a man's religion. His relationship to Jesus Christ was what counted most. If he knows in his own heart that he has the experience of real communion with Christ, it mattered not by what gate he enters the sanctuary—it may be the United, Presbyterian, Catholic or Jewish ritual which he follows. Nearly 70 men attended this opening service for the fall season. The Bible Class is undenominational, and has for its officers, Rev. T. Laidlaw, teacher, Councillor, Walter Brillinger President, and H. A. Sanders, secretary.

Do not overlook the date of the Novelty Dance at Victoria Square next Friday night.

The large audience who attended the Chautauqua on Monday of last week, agreed that the musical program as well as the lecture was one of the best entertainments ever presented to a Stouffville audience. The second part of the program will be given on Monday next, Oct. 15, at 3:30 and 8:30 p.m. No doubt a crowded house will hear the great international dramatic play, entitled "Grumpy", which will be given by a professional cast of players headed by the noted actor Bob Hanscomb. This will certainly be an evening of mystery, thrills, and comedy.

Enumerators appointed under the new Dominion Election Act to prepare the voters list are Messrs. Norman MacLean and Bert Smith for the south side of Main street, and Ross Davis and Wm. Griffith for the north side. The enumerators will commence their duties Oct. 15 and finish by Oct. 20. After the completion of the first Dominion lists this fall, the Registrar, Harold A. Sanders, will revise the lists annually without the aid of enumerators.

## BETHESDA

A Bethesda chap who had fallen violently in love was unfortunate in dropping a letter on the roadside the other day, and just to show how splendid "lovers" can write, and how entertaining they are, here's the epistle as we received it excepting that the name of the writer is a stilled secret and always will be.

My Dearest Marey,  
I be very well and appy to inform you that i be very well at present and i hope you be the same dear Marey — i be very sorry to hear how you dont like your quarters as i cant be able to look on your dear face so often as i have done dearest Marey, pure and holy meek and loly lovely Rose of Sharon. ## Sell Cream or Churn ?

In the large centres of population Creamery Butter has almost completely taken the place of dairy butter. Many farmers have been delivering cream to the Creamery for some years and have given up churning for good. Some did this after exhaustive experiments with the returns got by churning at home and those obtained by selling the cream. Selling the Cream is always the more economical because it saves a heap of labor and the skim milk stays at home in any event. If you haven't been a Creamery Patron start now. More and more are coming to it every year.

This is the stove that heats while it cooks—and cooks while it heats. The oval firepot (wood or coal) gives that extra heating capacity which added greatly to the popularity and reputation of the Oval during the severe cold of last Winter. If that part of the house heated by the kitchen range, is cold, install a Findlay Oval. Its success has been proved in thousands of Canadian homes.

The Oval is a better cooker and baker, saves space and radiates heat throughout the home. There is a Findlay Range to suit every purse and purpose. Findlay quality has been improving for 70 years, until to-day it is the accepted standard of stove building.
