DOCTOR ISSUES WRIT AGAINST TOWNSHIP

An aftermath of icy roads and bad motoring conditions last March, is a writ issued by Dr. Darling, medical practitioner at Goodwood, against the Uxbridge Township Council, claiming \$5,000 damages as a result of an accident when his car was ditched. Dr. Darling was travelling along the third concession two miles north of Goodwood when the car overturned, and he alleges as a result of injuries received he had been hindered in the pursuance of his practice, suffering from internal injuries.

The case for the township is in the hands of the legal firm of Agar & Thompson, solicitors for the Road Insurance Co. with whom the township carries accident insurance. Since the accident Dr. Darling made a claim against the township for damage to his car received in the said accident, and while an offer of settlement was made by the Insurance Company, it apparently was not agreed to, and was never completed. No claim for personal damage was discussed at that time.

The council met at Goodwood on Saturday for their regular October meeting. Reeve Isaac Catherwood, president, and all members were present, when legal notice was served.

The Hydro Power Commission informed council by letter that all townships in the Uxbridge area rural power district had passed to reduce Hydro contracts from 20 to 5 years, except in certain special cases. Therefore, in future all rural contracts which were originally for a term of twenty years, may, after the consumer has taken power for five years be terminated by giving one year's notice in writing to the Township.

The bylaw was completed providing for the issuing of \$4000 ten equal annual payment debentures to pay for building new school at S.S. No. 9.

The following road accounts were passed for payment: Norman Wagg, fill washout and drag, \$5.40; Wm. Linton, putting in culvert \$1.20; Harold Dickinson, drag, repair culvert \$3.60; Albert Hockley Jr., grading and graveling \$79.00; Howard Hockley, 159 yards of gravel \$23.85; Uxbridge Hardware grease, oil, wire \$3.90; Barkey Bros. sharpening grader blades \$6; M. E. Rodman, spikes and repair chain \$11.50; John Ball, timber for culvert, \$3; E. J. Sheehy, fill washout & graveling, \$8.30; Ira Redshaw, dragging \$18.00; Ira Stiner, work and material for bridge \$64.25; Clifford Lee, repairing bridge and graveling \$47.60; Charles Lee, 16 yards gravel \$2.40; Walter Todd, hauling timber for culverts, \$4.00; C. J. Manley, grading Hill, \$7; Russel Spencely, cut weeds, \$10; T. A. Wilson of Cannington, cedar bridge timber, \$162.39; David Hills, of Brownhill, hauling same \$9; C. Wallace, graveling by truck \$34.30; Robert Jones, 73 yards gravel \$11.15; Robert Nesbitt, cedar for bridge, \$62.50; Charles Lee, timber for bridge, \$14.00.

Other Accounts passed
Municipal World, supplies, \$4.65; Reeve, Assessor, Clerk, selecting Jurors, \$10.50; Stouffville Tribune, Adv. Court of Revision \$1.50; Mrs. Middleton, caretaking hall, \$10; Grant to North Ontario Plowman's Association \$25.00

ELEVEN-MONTH TENANT SEIZED FOR RENT

Matters have been moving speedily for Stewart Davidson, who moved onto lot 23, Concession one, Uxbridge, less than a year ago, but who is now seized for rent and taxes. The seizure is made on behalf of the landlord Fred Mantle, who claims that Davidson violated the terms of his lease by selling horses, and offering for sale other stock, thereby giving evidence that he is preparing to abscond the place.

When Davidson occupied the farm under the lease he was to live rent free until March 1st, 1934. He was then to pay \$130 annually for a stated number of years. Believing that he was selling the stock contrary to lease, Mantle caused seizure to be effected, but Davidson claims that no rent is due the owner yet, nor will there be any due until Nov. 1st.

Unless Davidson secures court intervention, or otherwise settles the matter, the farm will remain in possession until a sale is held.

40,000 Enumerators Will Cost Dominion Two Million Dollars

Small Army Tackled Compilation of Dominion Voters' List Monday
Six Days For Work

Forty thousand enumerators are at work this week (from Oct. 15 to 20) at the gigantic task of listing 6,000,000 Canadians on a new and permanent voters' list for the Dominion.

The new election machinery is intended, within six days, to establish a comparatively complete record of Canadians entitled to exercise the franchise in the next federal election.

In rural communities approximately 14,000 enumerators will undertake the census of electors, while in urban centres about 26,000 will be at work. The larger number in urban areas is caused by the provisions of the Franchise Act which requires enumerators of different political persuasion working in pairs, while in rural districts there will be but a single recorder of names.

The remuneration to rural enumerators will be five cents per name or an approximate total of \$150,000 for listing, plus an allowance of \$10 each or \$140,000 for three afternoons to be spent in correcting their lists.

In urban centres the pay will be seven cents per name per enumerator. The double enumeration will therefore bring the cost of 14 cents per name, or \$420,000 if 3,000,000 urban names are listed.

For city enumerators there is no allowance for corrections. Printing of the lists and re-printing after revision is expected to cost close to \$1,000,000 while the various appeals and revisions provided for will bring the total expense of preparing the first list under the new act to about \$2,000,000.

Another \$500,000 will be added annually for salaries of permanent registrars in each electoral district whose remuneration will average slightly more than \$2,000 per year.

The registrar for East York is Mr. H. A. Sanders of Stouffville who is assisted in his office by Miss Helen Rowbotham. Probably next week a staff of girls will be employed copying and compiling the lists made out by the enumerators. There is around 43,000 voters in East York.

HOTELKEEPER IN AURORA GIVEN TWO MONTHS IN JAIL

John Ripley, proprietor of the Queen's Hotel, Aurora was sentenced to two months imprisonment when he appeared in County Police Court to answer a charge of violating the Ontario Liquor Control Act. Constables Martindale and Stewart testified that they ordered beer at the bar of the hotel which was unlicensed and drank it all. "It was good beer," said Constable Martindale. The court asked if it was 4.4 or not, and made the comment that the officers must have been too thirsty to save any of the brew for analysis.

5-Year Hydro Contracts

A communication from the Ont. Hydro Commission reported that the new act is now in force whereby farmers will be required to take only a five-year contract if putting in hydro, and that all such contracts with farmers in Whitchurch-now in existence are reduced to five years, which means that some farmers could discontinue the current this year. No one using hydro in the municipality would agree to returning to oil lamps, so that the

"Pioneer Cemetery" is Recommended Whitchurch

Whitchurch Township Council in session at Vondorf on Saturday, were advised to centralize all the abandoned cemeteries in the municipality. The advice came by letter from the Cemetery Committee of York County, Messrs. A. Green of Richmond Hill, and J. Jefferson of King, also A. Murray, Ont. government representative. The committee recommended council to remove bodies (or whatever could be found in a grave or perhaps 40 years standing) and over a period of time bury them all in one acreage to be known as "Pioneer Cemetery". As under the law councils may be forced to keep in respectable condition any cemetery in neglect, such a thing as a Pioneer Cemetery may be the best way out. But as one councillor said, there are too many really pressing demands for our municipal funds just now, to think about making such an unnecessary expenditure. The report showed ten cemeteries in use in the Township. Four of these were classed as well kept, five as just fair, and one was pronounced bad. The well kept grounds are those known as Wesley church cemetery, Church Hill cemetery, Baptist cemetery township 6th con., and the Pine Orchard grounds. As fair but needing mowing were St. Stephen's on con. 2 north of Aurora, and Lemonville. The two cemeteries at Bloomington were both partly good, but in need of mowing on part. At Baker Hill part was said to be fair, part needing the mower and some graves require filling in. The old English cemetery, Newmarket, was reported on as bad.

The Junior Farmers were granted \$10 in response to request made by R. E. White of Newmarket.

Mutton Dogs Again

Councillors Toole and Morton moved the payments of \$4.50 to Albert Howlett, and \$35 to Pat Murphy, compensation for sheep killed by dogs.

Snow Fence

A petition for 125 rods of wire fencing was received from Musselman Lake ratepayers, said petitioners promising to put up and take down fence each season. The petitioners are W. Cockerill, A. H. Williams, M. L. Underwood, E. MacNelly, Osborne Dyer, E. E. Nelson, F. J. Coultice, Russel Drewey, Arthur Topham, J. Windor, Earl Connor, Norman Hissey, M. Connor, Milford Rose, Carl Rose, Geo. MEMORIAL GIFT MADE LOCAL BRIER-BUSH HOSPITAL

The Brierbush Hospital, Stouffville, is the recipient of a gift now installed, that will add materially to the equipment of the local institution, which is steadily improving all the time. Dr. Ira Freel has donated to the hospital a complete bedroom outfit of the same furnishings as is used in the private patients pavilion of the Toronto General Hospital. The outfit comes direct from the manufacturers, and includes a modern Gatchet bed, chairs, stand, ward robe and other accessories, in a durable wood. Dr. Freel makes this donation as a memorial to his brother, the late Dr. S. L. Freel, and it is received gratefully by the superintendent of the hospital, Mrs. Good, along with the trustees for the institution.

In communication with the local doctors The Tribune learns that this equipment was really needed, and that it is regarded as a wonderful acquisition. "The private room at the local institution is now as finely furnished as the larger hospitals, and with the new Gatchet bed, every facility is provided for handling and for the comfort of the patient," said one of the practitioners.

Dr. Ira Freel was the prime mover in organizing a Board of Trustees for the Brierbush, and his interest has done much to advance the work of the hospital, and now he has made a practical gift that will also meet a requirement which will long be felt as a valuable part of the equipment.

INJUNCTION ISSUED SALE CANCELLED

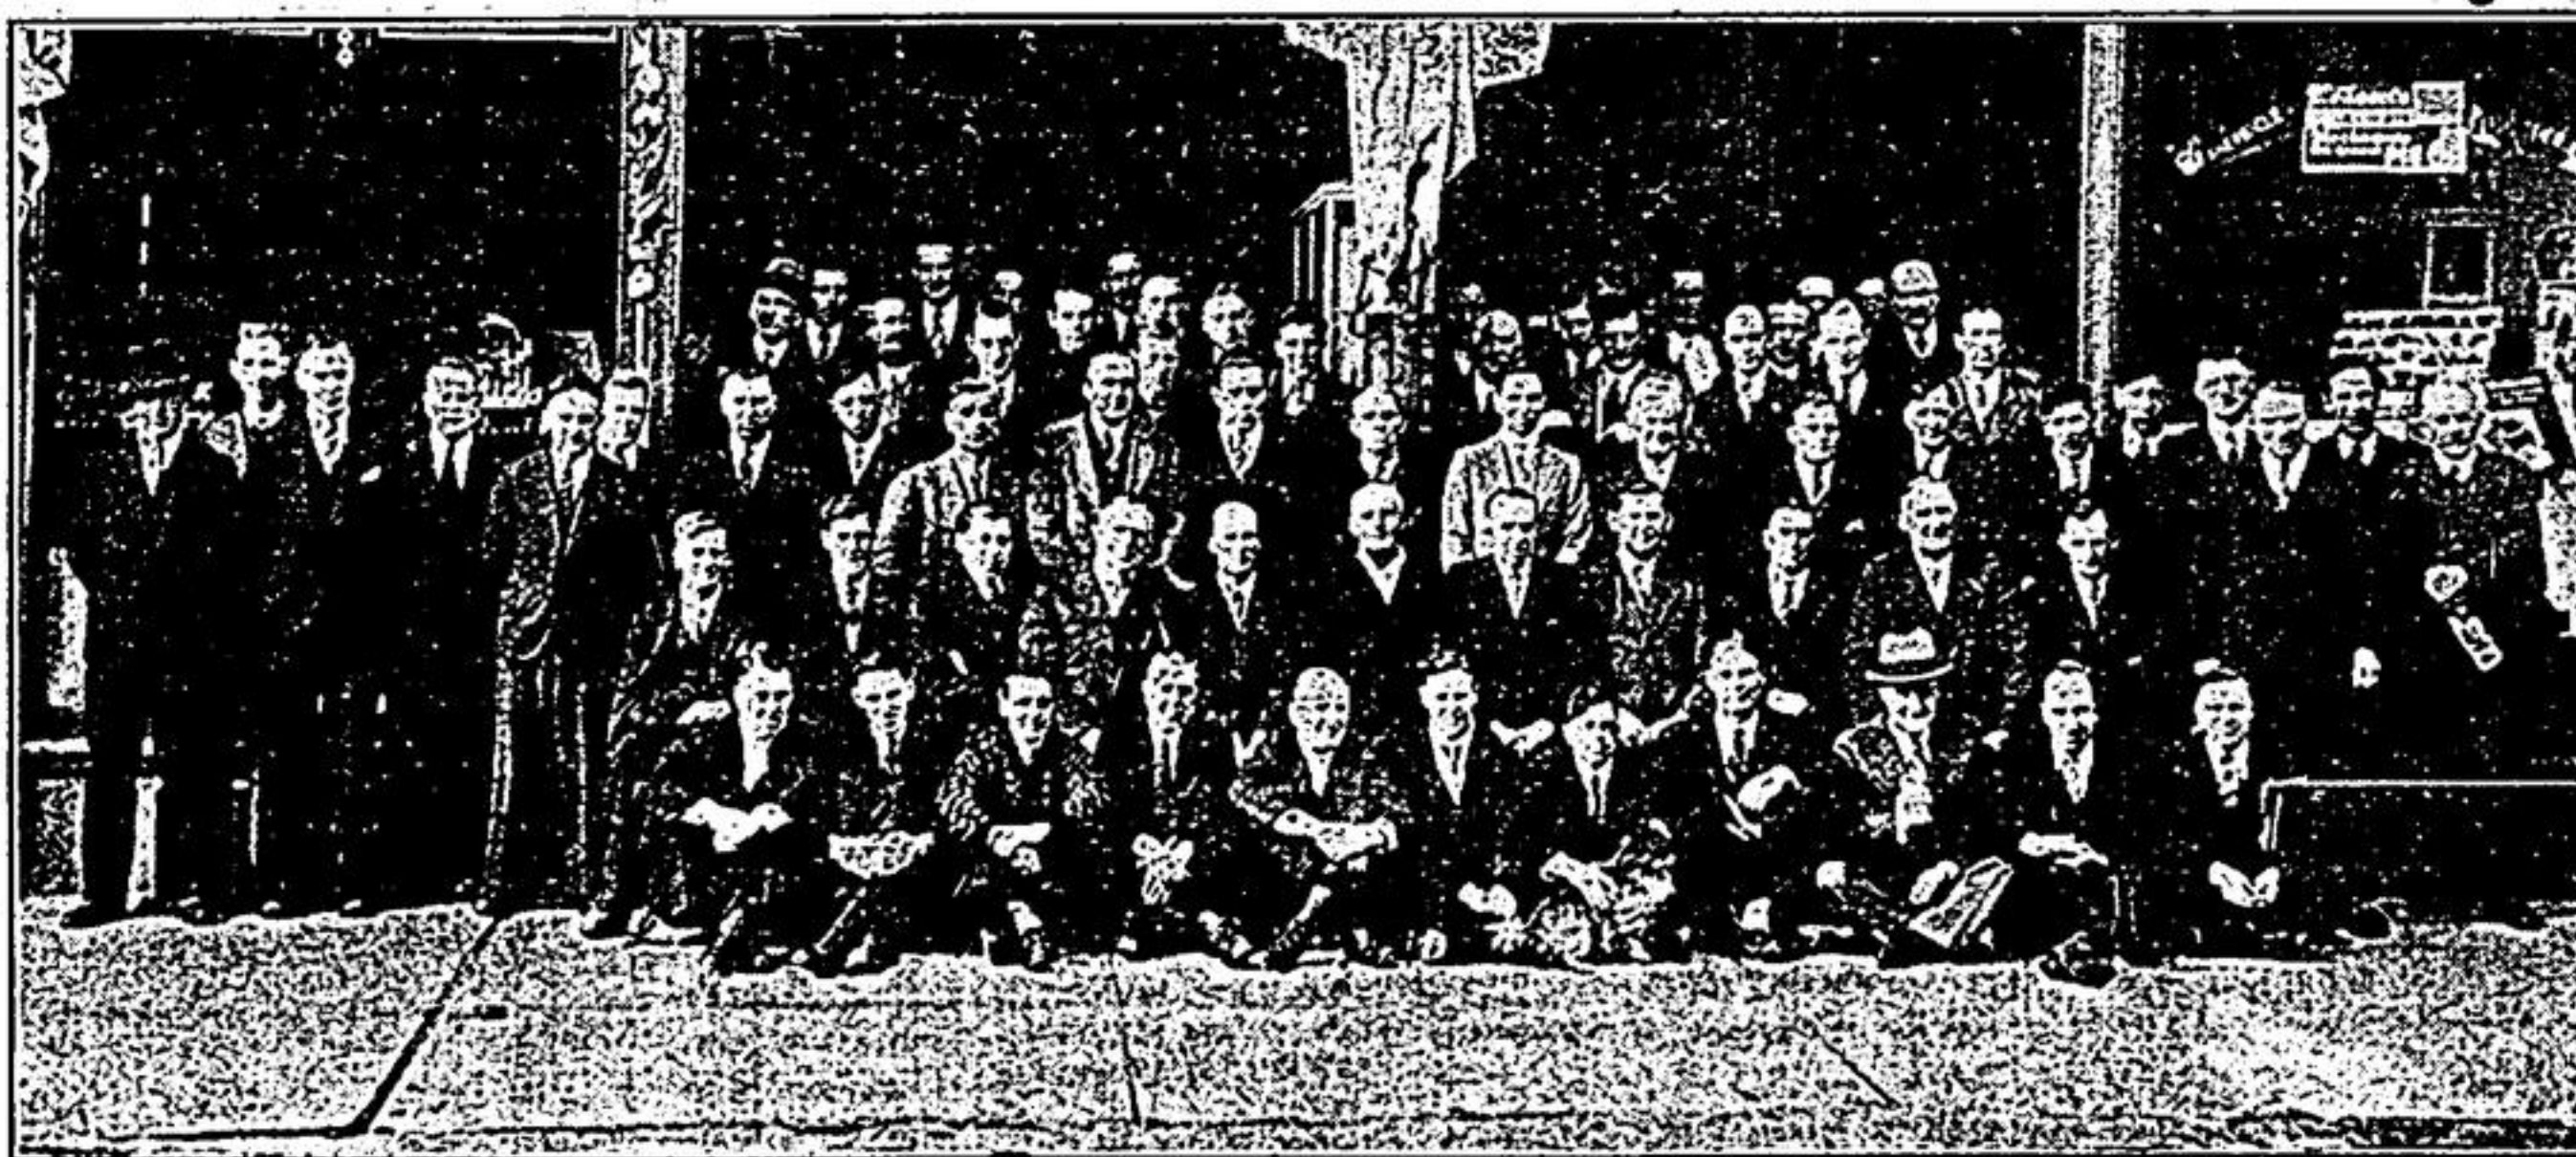

The chattel mortgage sale announced to be held on October 9, to sell the goods and chattels of Isaac Meyer at lot 15, concession 1 Uxbridge, was cancelled pursuant to the issuance of an injunction by the court judge at Whitchy. The sale is now indefinitely postponed.

The seizure arose over a chattel mortgage held by Edward Meyer of Stouffville on the chattels of his son Isaac. The debt was incurred in 1926 at \$1,000, and a chattel was given at that time. It had been regularly renewed, but the principal and interest owing now totals \$1458. Early in October Mr. Meyer undertook to make seizure when he was confronted by a claim for taxes and rental, which he paid himself, then made seizure adding the taxes and rent to his total claim of \$1458.

Auction bills were issued, but the sale was cancelled when the son Isaac made certain representations to the county Judge who set aside the sale. Isaac claims that the money is not owing his father, and that the chattel was taken for the purpose of holding off other creditors.

The case will be aired in county court on Monday, the 22nd of Oct. F. L. Button, K.C. is representing Edward Meyer, and Mr. Greer of Oshawa has the case of the son Isaac.

STOUFFVILLE YOUNG MEN'S AND BUSINESS MEN'S BIBLE CLASS

In October, 1930, at Stouffville, a banquet, addressed by Rev. E. Crossley Hunter, of Toronto, an interdenominational Men's Bible Class was organized. For three years now the enthusiasm of this class has been maintained, its membership increased, and its service widened. The Rev. Thos. Laidlaw, M.A., pastor of the Stouffville United Church, has been the teacher since its organization, and the flourishing condition of this men's group is in no small measure due to his broad sympathy and fine Christian leadership. The class is truly representative of the interests and spirit of the whole community,

and loyally participates in relief programmes and community enterprises. The class, as a body, visited different churches, and shared in their worship programmes in happy fellowship. Two weeks ago the class reopened after the holiday season with Rev. Archer Wallace, associate editor of The Onward as guest speaker. An invitation to all men to meet with the Men's Class in the Oddfellows' Hall each Sunday at 2:30 is a standing one. Of course this is directed only to any individual not attending any other class or Sunday school. The officers of the class are as follows: Hon. Presidents Rev. E. Crossley Hunter, F. L. Button, K.C., Drs. Ball and Sangster, Reeve H. V. Sanders, and ex-Reeve W. E. Morden; President, Walter Brillinger, Councillor; Vice-President, Mervyn Watt, Councillor; Secretary, Harold A. Sanders; Assistant-Sec'y, Blake Sanders.

The photograph from which this newspaper cut is made was taken last summer by W. R. Sanders, photographer, and published in The Onward, a weekly illustrated paper for young people, to whom we are indebted for the plate.
