

TOWN TOPICS

You can buy Robert Miller's Perfect Table Turnips, at Stiver Bros.

The sidewalk in front of the post office has been extended to the curb. This is a great improvement at this public square, where the mud tracked into the building, and otherwise was a nuisance.

Markham Junior Hockey Club has organized for the coming winter, and in addition to entering a team in the O.H.A., the boys will also enter the S.P.A. series played the first part of November at Maple Leaf Gardens.

Mr. Theo. Madill living on the old James Hand property, Main st. east, grew a sunflower this year which is bell shaped, the seed being inside. Turned up the opposite way, it resembles a large cup. His neighbor Rev. W. E. Smalley also had a freak growth in the shape of a double-jointed squash. Mr. Samley says that he has seen them growing by the millions in the South, but he never saw a double one such as his garden produced this fall.

Washing wanted. Apply to Tribune Office.

Secure your deer license from N. W. Byer, local issuer. Ph. 3306.

Our store open every week day beginning next week—The Shaw Store, Stouffville.

Come One! Come All! to the Mary Haig Mission Circle Tea in Turner's Dairy, on Saturday afternoon, at 3 o'clock.

For Rent, eight room, brick house, Main Street, Westend, newly decorated. Apply Mrs. H. Gilbert, Westend.

A hot chicken supper will be served in the basement of the United Church on the evening of Monday, Nov. 12, so it was decided at a meeting of the W.A., held Tuesday evening.

The Band of Willing Helpers of James Presbyterian Church invites the public to a Hallowe'en Party, in the basement of the Stouffville church, on Tuesday, Oct. 30th, at 8.00 p.m. Masquerade, games, lunch. Admission, Adult 15c, children 10c.

Anniversary services will be held in the East End Mission of the M.B.C. church at 562 Jones Avenue, Toronto, on Sunday next, October 28. The special speaker will be Rev. W. Yake of Kitchener, who will be assisted in song by Miss Yeo and Miss Snider. Services at 11, 3, and 7 o'clock, and the pastor Rev. S. Goudie will be glad to welcome any friends from the country at any of these services.

Frank Mowder has been awarded the contract for painting the Stouffville post office, and commenced work on Tuesday morning. Petty policies do not run so high in Dominion circles, for Frank Mowder doesn't lay any claim to Conservatism, and Lud Hoover who has the cement contract at the post office, admits he would make a poor Tory. Still, this is as it should be, and local Liberals ought to have this work before Conservatives from outside our town. Had the Tory government at Ottawa been narrow enough to engage imported henchmen, failing to find any in the village, it would not have advanced their cause one title in the eyes of the general public.

"My Dixie Rose" is coming to town on the evening of Nov. 5. Do not miss this popular drama by Markham talent, and under auspices of Stouffville Community Christmas Tree.

The last two weeks in October is the best time to clean up the garden to reduce insect infestation. The Department of Agriculture advises burning all leaves, refuse, weeds, fallen fruit and other material after being raked up, and then ploughing or digging the soil deeply. Fences, arbours and trellises should be brushed with a corn broom.

A Dundas man was fined \$10 for crowding cattle in a truck. The animals were destined to a slaughter house, but the critters were entitled to human treatment until they reached the execution. This is also the time of year when truckers are compelled to provide suitable protection for animals transported in motor trucks.

Constable Pugh authorizes us to announce that young men who destroy any property on Hallowe'en night will positively be held liable and prosecuted for any property damage. Last year, it is recalled, a number of chaps destroyed property, and were allowed to escape a court action because they promised to settle. As settlement was never made, the plea will not be used with any success this year, so watch your step boys.

The frame dwelling one door east of Walter Dickson's house on Main street east, known as the Russell property, has been transformed into an attractive residence, with a stucco exterior in ivory tint, done by a firm from Aurora. The house has been entirely remodelled into a semi-bungalow, for which the contractor is John Ashenhurst. Mr. Ira Rusnell will shortly move in, and enjoy this up-to-date residence, that has added another improvement to this section of the village.

A native son, Mr. Alfred Saunders of Toronto, was in town last week in company with his brother, Mr. F. F. Saunders, who was the architect employed for building the addition to the Stouffville United Church this last summer. It is 50 years since A.K. Saunders left this town as a small lad, but he still has fond recollections of his short life here. Mr. Saunders is deeply interested in Freemasonry, and is a past Grand Stewart of the Grand Lodge. He addressed the members of the Masonic Order on Friday evening as he visited Richardson Lodge.

An aeroplane has been doing some business in this district the past week, taking up passengers at Goodwood, Bethesda and on Sunday last they intended to do business in town, but the wet weather prevented them. A big crowd assembled at the starting field, but after a trial flight the thing was abandoned for the day. One of our well known farmers, John Spence, took a trip over Whitechurch, and declared to The Tribune, that it was like sitting in a rocking chair. He was even able to report that several of his neighbors need their chimneys cleaned. The five minute ride cost this lusty advocate of aeroplanes \$1.60, but John says that it was worth it, along with the "hair pulling" that he endured after reaching home and informing his good wife of his foolish exploit.

The bible society mass meeting in the Mennonite Church, Stouffville, was well attended on Sunday evening, despite the fact that the usual publicity was not issued to create an interest in this important work. There was no collection taken for the work, but a subscription list will be passed around by the various churches desirous of advancing this work, at a future date. Rev. Mr. Banfield who came from Toronto to deliver the address Sunday evening, is a man particularly well qualified to give information on the work of the Bible Society. His address was convincing, and was listened to by members of all congregations for every other church service was withdrawn in the village in favour of the Society's work.

During the past few weeks it has been a most common thing for farmers to find animals lying dead in the fields, and some farmers have been about to advertise for a missing cow or steer, only to locate it dead in the pasture. Death has been due in most every case to the animals eating too much of the fresh soft pasture, of which there is a plentiful supply this fall, following the summer season when pasture was so hard to find. In speaking to Dr. Bodendistel, the local vet., he stated that he had quite a number of calls to treat animals afflicted with bloating from eating too quickly in the pasture fields. In one case he treated 35 head of cattle for a farmer which were more or less seriously ill from bloating. "Many cases require the use of a trocar for quick relief," stated Dr. Bodendistel, "while others yield to the administration of drugs. If the case is not too far advanced." Quite a number of deaths have resulted where the animals were not found soon enough to treat them.

E. A. Grubin, Optometrist, will be at his office in Stouffville, on Monday and Tuesday, Oct. 29 and 30.

Stouffville people are invited to the fowl supper at Goodwood United Church this Friday evening. Good program following the supper hour.

Ladies please note that there will be a special sale of millinery at Mrs. M. E. Watt's store on Thursday, Friday and Saturday of this week.

On and after November 1st the Shaw store will remain open six days per week, the Wednesday half-holiday ending at the close of October.

Hog Cholera is reported to have broken out in Scarborough, and all truckers of stock must have their racks disinfected before leaving the stockyards each day, regardless of the district from which they come.

Mr. and Mrs. Arthur Wells and son and daughter, Clayton, and Velma of Theford, motored here Tuesday, and are spending a couple of days with their cousins, Mr. and Mrs. H. J. Malloy.

Tasty sandwiches, delicious cake, and refreshing tea served by the Mary Haig Mission Circle, of United Church, at Turner's Dairy, Saturday afternoon, at 3 o'clock. Come and bring a friend.

A couple well known here and in the Gormley section, where the groom hales from, took place in Toronto, on Friday evening, when Rev. S. Goudie joined in wedlock Miss Bertha Fiddler, mission worker and Mr. Allan Hoover formerly of Gormley. The happy couple who will make their future home in Toronto, have the congratulations of a large host of acquaintances in this district.

A trucker from Brown Hill returning from Toronto on Monday had just delivered a load of potatoes in the city for which he received 30 cents a bag. After paying cartage to Toronto, and 4 cents each for the bags which went with the tubers, there wasn't much left for the grower.

Weekly half-holiday for most merchants is to continue in Stouffville throughout the month of November, and if the farmers and business owners find it satisfactory, it is likely to establish a precedent for other years. Heretofore Stouffville stores were opened six days a week on and after October 30. The Shaw Store and some others will not adhere to the November holiday however.

The Toronto and North York Hunt Club will meet on Saturday afternoon this week at 2 o'clock, on the farm of Mr. Henry Johnson, at lot 3, concession 6, Whitechurch. Local people who delight in seeing the brilliant sight of the red coats in action, are privileged to visit Mr. Johnson's farm at this time.

Stouffville baseball team played an exhibition game at Beeton last week, as a benefit match in aid of the young man from the Simcoe town who suffered a broken leg playing in Stouffville in August, following which he spent six weeks in the local hospital. Beeton won the game 4 to 6, but players being out of practise no brilliant performance was expected. It was a kindly gesture for the local team and the Beeton players also, to undertake to raise funds to help out their comrade who suffered so financially and otherwise. Young Hammill it is said will not be able to use his foot until the first of the year.

Rev. Herman Moore, 16 Fulton Avenue, Toronto, who while preaching at St. Cuthbert's United Church two weeks ago, was taken suddenly ill, died a few days after. He was one-time pastor of Stouffville Methodist Church, probably 20 years ago. Born in England, he came to Toronto in 1871, entered the Methodist ministry in 1874, and had been a member of the Toronto Conference for 30 years, at Bracebridge, Barrie, Meaford, Weston and Todmorden. He was superannuated in 1920. Surviving are his wife; two daughters, Mrs. Charles Eagle, Weston, and Miss Adelle Moore, at home. Three sons, John R. Winnipeg; Herman H. Timmins, and Walter E. Moore, Estevan, Sask.

Stouffville W.I. was hostess to the sister branches of Markham and Unionville on Wednesday last week, the guests providing the program. Markham members put on a debate, "Resolved, that the women of fifty years ago were better homemakers than the women of to-day." The affirmative was led by Mrs. R. H. Crosby and the negative by Mrs. Patsley and Mrs. A. P. Graham, whose team won. Miss E. Thomas contributed a paper, "Home, Sweet Home," a quartette of Mrs. Jerman, Mrs. Hore, Mrs. Woods Mrs. Brown completed the Markham program. Mrs. A. K. Harrington sang a solo and Mrs. G. R. Whaley, from Unionville, gave the story of "The Little Hero of Harlem." Mrs. Davey president of the Stouffville branch, presided. Tea was later served by the hostesses.

Mr. A. C. Burkholder has demolished the barn from the north part of his property, and constructed a fine double garage in its stead.

Union men claim that the custom of going without hats is hurting the hat business. Just what can be done about this we do not know, for people are entitled to leave their lids at home if they see fit.

A number of members of the local chapter of the Eastern Star motored to Weston on Tuesday, where they were the guests of Clovelly Chapter for the evening.

Although we have only had one or two heavy frosts thus far this fall, with most of the days being quite warm, it was on the 21st day of October last year that a heavy fall of snow covered the ground in this section, and from that on, farmers had a hard time getting in the root crop. Most of them will not be caught by Old Man Winter this fall, for much of the root crop is in the root house and barns.

A number from here are in attendance at the seventh annual convention of the Union of Regular Baptist Churches of Ontario and Quebec now in session at Central Church, London, Ontario. We learn from the printed program that Morgan Baker, M.P.P., is slated to give a reply to the words of welcome made by Deacon Gillies of London. Rev. W. E. Smalley of the Sixth Line, Markham church is down to open the Thursday session with prayer, while Rev. C. S. McGrath of Stouffville will deliver an address at the same session on "The Seminary and the Church." Another speaker is Rev. M. B. Gillion of Bobcaygeon, who is a native of this locality.

On Saturday afternoon, October 20, 1934, Miss Hazel Boyd, second daughter of Mr. and Mrs. Hugh Boyd, Stouffville, and Mr. Wilnot Stover, son of Mr. and Mrs. Elias Stover, were quietly married at the City Mission Church in Toronto, by the Rev. S. Goudie, formerly of Stouffville. Only two attendants witnessed the ceremony, being Miss Gertrude Boyd, sister of the bride, and Mr. Arnold Hennessey, both of Oshawa. Mr. and Mrs. Stover are located in town, where the groom is head baker at the Stouffville bakery. The many friends of the young couple join with us in wishing them all the joy and happiness of the years to come.

Sell Cream or Churn?

In the large centres of population Creamery Butter has almost completely taken the place of dairy butter. Many farmers have been delivering cream to the Creamery for some years and have given up churning for good. Some did this after exhaustive experiments with the returns got by churning at home and those obtained by selling the cream. Selling the Cream is always the more economical because it saves a heap of labor and the skim milk stays at home in any event. If you haven't been a Creamery Patron start now. More and more are coming to it every year.

STOUFFVILLE CREAMERY CO.

Open Tuesday, Thursday, and Saturday evenings

THE MARKHAM DRAMATIC CLUB

HOUSEWIVES KNOW IT AS "THAT GOOD" COOKER & HEATER

This new Findlay Tortoise Range is a modern cooker and heater, with all the efficiency of larger and more expensive ranges. Compact construction, good lines, large enough for the average family—a real buy in a cooker and heater. You'll be surprised at the low price. Made in one size and finish, polished steel body and nickel and enamel trim. Economical in cost and operation—either with wood or coal.

Findlay

There is a Findlay Range to suit every purse and purpose. Findlay quality has been improving for 70 years, until today it is the accepted standard of stove building.

Brathwaite Hardware Stouffville, Ontario
