## POLICE DOG MOLESTS HOUCK'S SHEEP

Early Tuesday morning Harvey Houck, farmer on the 6th concession of Markham, chased off a police dog which was attacking his flock of sheep. Unfortunately Mr. Houck did not have his gun, but he chased off the dog which ran in a north-easterly direction. The farmer had a good look at the animal, which had killed three sheep, and injured seven others.

This is the third raid made this year by a police dog or dogs on Mr. Houck's sheep, but one of these times the animal will be caught and its owner held to account. There is a growing popular demand for increased taxes on this breed of canine in Markham.

## Doctor's Wife Received Fractured Hip

A highly regrettable accident happened in the home of Dr. Ira Freel on Saturday afternoon, when Mrs. Freel tripped in some manner, falling with such force as to break her right hip almost at the joint. Dr. and Mrs. Freel were shortly to leave for Florida to spend the winter, but their plans have been intererred with, as Mrs. Freel will have to remain in bed for three months while the injury heals and then will only be about on crutches for possibly another period of three months. It was a simple tumble which Mrs. Freel experienced, but the results are most disastrous and serious.

## 5,000 Bags Potatoes

Perhaps Roy Brillinger of Gormley stands at the top of the list as a producer of potatoes in this section. Certainly around Gormley he is the potato king. He had under cultivation this year 23 acres, mostly planted to Dooley variety with a few Cobblers and several plots of other varieties for experimentation, or test plots as he styles them. Mr. Brillinger will harvest 5,000 bags of 90 pounds each. About 1,000 bags early planted went out at 50 to 65¢ before many new ones were on the market.

Only in spots has blight struck the large acreage, but spraying undoubtedly saved it from spreading. To harvest this immense crop about 15 pickers are employed, and the digger is stopped each night in time to allow picking up all potatoes on the ground. They are put over a grader right away thus does Mr. Brillinger command the best price on the city market.

## GREENBANK FARMER IS AWARDED \$4,323 IN ACTION

Jury Holds Dr. G.G. Nasmith's Operation of Car Was Negligent

Finding that Dr. George G. Nasmith, Toronto, consulting engineer, was guilty of negligence in a motor crash in October, 1933, a jury under Mr. Justice Henderson in assize court at Toronto on Friday awarded Clifford Love, Ontario county farmer from Greenbank (east of Uxbridge), \$4,323. The award included \$3,500 damages and "out-of-pocket" bill amounting to \$823.

The jury held that Dr. Nasmith's negligence consisted in not keeping a proper look-out, not applying his brakes "and therefore not bringing his car to a stop." The jurors also found that the farmer was not negligent.

During the action, it was pointed out that Dr. Nasmith had "to use a special cushion" because of the smallness of stature.

Love brought suit for \$12,000 for injuries sustained in a collision between their cars near Port Perry. He claimed a piece of glass became embedded in his knee joint, causing a permanent "stiff-knee."

Love was in the limelight some time ago charged with theft of poultry. He is a native of Greenbank, and as a lad was a class mate of L. E. O'Neill the Stouffville undertaker.

## GORMLEY ANNIVERSARY SERVICES

Mrs. Mustard of Stouffville has been visiting among her friends and relatives in the community.

We are happy to be able to inform our readers that Clayton Gayman is improving rapidly and will be home from the hospital in a few days.

On Saturday last the relatives and friends of Mr. and Mrs. Powell of Cashel gathered at their home to do honour to them on their 25th wedding anniversary. Mr. and Mrs. Powell were the recipients of many fine and useful gifts of silverware and needless to say the best wishes of all present. We join with their host of friends in wishing them many happy returns of the event.

Those of us who attended the Westminster Guild last Wednesday evening were delighted and enriched by the splendid address given by Miss Janet Brodie and the lovely violin solos by Misses Shirley Brown and Dorothy Perkin of Unionville. After the programme lunch was served and needless to say every one took part in this the social end of the evening.

It is expected that the new furnace for our church will be installed this week. The installation of the new heating plant is in charge of a tinsmith from Stouffville.

Mrs. S. B. Lehman, Mr. and Mrs. J. W. Lehman, H. D. Lehman and Lou Lehman visited Mr. and Mrs. Abe Reesor of Scarboro last Friday evening.

Many people from here were present to help with the raising of the fine new barn of Leonard Hoover, on the 8th Line. Mrs. S. B. Lehman of Almiria was born and raised on this farm and was born four months after the original barn on the premises was burned it also having been struck by lightning. Incidentally Mrs. Lehman will be 90 years old early in December.

## FIRE DESTROYS BALLANTRAE HOME

A frame dwelling a mile and a quarter west of Ballantrae, was burned to the ground on Tuesday afternoon, together with all the furnishings, and a garage adjoining and two cars therein. The property belonging to W. Atkinson of Toronto, a real estate dealer, and it is said that his two boys, have been occupying the place.

At the time of the fire the boys were away hunting, hence they were shocked to return and find the home completely demolished, with all their belongings and their motor cars. Cause of fire is a complete mystery.

## MARRIAGES

### Hisey—Brillinger

The home of Mr. and Mrs. Louis Brillinger, Bethesda, was the scene of a very pretty autumn wedding, on Saturday, October 27th, 1934, when their youngest daughter, Dorothy May, became the bride of Mr. Herbert Dawson Hisey, son of Mr. and Mrs. Levi Hisey, of Whitchurch Township. The ceremony was performed by Rev. G. W. Lynd, of Aurora, and pastor of the bride, beneath an arch in the drawing room, most artistically arranged autumn leaves and flowers.

The bride, who was given in marriage by her father looked lovely in a full gown of white silk crepe, and veil caught in cap effect with a band of orange blossoms, and carrying Talisman roses. Mrs. Russel Sproton, sister of the bride was matron of honour, and was attired in Nile green crepe and silk velvet, and carried bronze chrysanthemums, Miss Blanch Atkinson girl chum of the bride, played the wedding march. Immediately following the ceremony, and the expression of good wishes and congratulations to the bride and groom by the seventy-five guests present, a buffet luncheon was served, the girl friends of the bride assisting.

After doning a neat dress of blue crepe with satin and cloth coat of the same hue trimmed with platinum seal fur, the bride and groom departed amid a veritable shower of confetti and good wishes for a short honeymoon to Niagara Falls and other points. On their return they will reside near Ringwood. The groom's gifts were jewel cases to the matron of honour and pianist, and cuff links to the groomsmen.

The popularity of the happy young couple was evidenced by the gathering of one hundred and fifty of their friends at the home of the bride one evening last week, and of the bride's friends of Wesley United Church, at the home of her sister at Vandorf, on Wednesday evening last, when, on each occasion a shower of beautiful and useful articles were presented to the bride to be.

Fascism in Canada, he asserted, will be headed by the people who have always been "on top" and who have a certain political "unction." "Mayor Stewart will fit into that," he added.

## URGES CANADA ABANDON BRITAIN IN CASE OF WAR SEES LIBERAL FASCISM

Canadian Corps Reunion Is Glorious Drunk, Says Old Stouffvilleite

Neutrality of Canada, in "the next European war," even though it would involve the possibility of breaking away from the British Empire, was advocated by Prof. F. H. Underhill, an old Stouffvilleite who addressed the League for Social Reconstruction in Metropolitan Church house last Thursday evening.

Prof. Underhill maintained Canada "should keep out of European entanglements" even if asked for assistance by the British home office. "Of course, that would mean breaking away from the British Empire but we would have to be prepared to face that," he declared. "That's obvious," remarked the professor, predicting that the next government at Ottawa would be Liberal. He also foresaw a "form of Fascism" coming in Canada. "The Liberal party will probably bring it in," he said.

"It's quite obvious that all sections in Britain have given up hope of maintaining peace. All they hope for now is to maintain a truce, all parties in Europe are feverishly getting ready for war. All they hope for is postponement so they can get allies," he stated. "They are jockeying for a favorable position."

Referring to the Canadian Corps reunion as "that grand and glorious drunk," the professor said an attempt was made to turn it into propaganda for imperial defence. "We're going to be under a continual barrage from English authorities for us to take steps to make preparations for the next war," he pointed out.

"Mr. Bennett has been very credibly reported in private statements to have said that not one man will leave our Canadian shores in the event of war. But that's only gossip," he added.

"Fascism in Canada, he asserted, will be headed by the people who have always been 'on top' and who have a certain political 'unction.' 'Mayor Stewart will fit into that,' he added.

On Monday evening about fifty members of the I.O.O.F. assembled in Stouffville for the annual installation of Officers of the local lodge, which was carried out under the direction of A. B. Troyer, D.D.G.M. from Locust Hill.

Other guests included J. W. Dyer D.D.G.M., Oshawa, and A. King, Past D.D.G.M., who were among the speech makers of the evening. Visitors were present from Mount Albert, Markham, Agincourt, Pickering, Brougham and Oshawa, all of whom, with the local members enjoyed a bountiful oyster supper provided in the 4th degree rooms.

The officers were installed as follows:

The six high priced cows at a public auction in the Winter Fair building last week were sold to Hon George Henry at an average price of \$150

## Dairy Business Sold

The Snowwhite Dairy conducted by Mr. Harry Sawyer in town, was sold this week to one of the other dairymen Mr. Clayt. Baker, of the Maple Leaf Dairy. This will reduce the number of dairies in town to two again, which is conceded to be plenty for a community the size of Stouffville. Mr. Baker assumes all the route formerly served by the Snowwhite, and all tickets issued by the Snowwhite will be honored by the new owner.

## THE TYPE OF DORSET JOSEPH BETZ DEVELOPS FOR HIS WIDESPREAD CUSTOM FROM MANY CANADIAN BUYERS

While James Brodie of Ringwood is commonly referred to as the "Sheep King" of the district, there are other breeders who are steadily climbing into positions of note. For instance we have Joseph Betz of Monongia who is blazing a market for his Dorset breed. Mr. Betz ships registered or government graded rams all over Canada. Last week he shipped a grade ram to Dean Lake, on Manitoulin Island and one to Bannockburn in the Trent district.

Mr. Betz favors the Dorset over other breeds. They are medium sized sheep, with mutton characteristics predominating, having a very white, strong, close fleece of wool, worth a little more than any other medium wool grown in America. Dorset ewes and rams all have horns. The ewes weigh from 125 to 150 pounds. Mr. Betz is finding an increasing market throughout the province for the Dorset sheep. The photo above is a typical view of Mr. Betz's ewes.

## LEMONVILLE NATIVE WAS IN 93ND YEAR

The death of Mrs. John Graham of Mount Albert removed a pioneer resident of Whitechurch, and a familiar figure in this locality, from this sphere of life. Mrs. Graham was born near Lemonville, her maiden name being Maggie McClintock. Her husband was a farmer and a saddler, and predeceased her 17 years. They had no family, but there is an adopted daughter. Mrs. Graham's husband died a few years after they celebrated their golden wedding.

The late Mrs. Graham was a remarkable lady for her great age, and delighted to entertain her friends. She was an aunt to Mrs. Lemon Baker of Stouffville, and the aged lady frequently visited here, where she met so many she knew in bygone days.

The funeral on Friday took place to Mount Albert cemetery and was attended by Mrs. Baker and other friends from this vicinity.

## RINGWOOD

Mrs. J. M. Grove spent last week with friends at Lemonville. Messrs. Roy Grove, Don Wilson, Mervin Brownsberger, Harry Ratcliff and Edgar Brownsberger motored to Meaford on Friday last to try their luck at trout fishing. They brought back five lake trout, the largest weighing 6 1/2 lbs.

Mr. and Mrs. Frank Williamson and Mr. and Mrs. Freel Williamson moved to Mount Joy on Monday.

Mrs. Alex. Ratcliff was in Toronto a couple of days last week. We understand that the "Black and Green Inn" operated during the summer by Mr. and Mrs. Ralph Burkholder is closed for the season.

Mr. and Mrs. D. Fraser, Mr. and Mrs. E. Fraser of Creemore spent Sunday with Mr. and Mrs. Don Wilson.

We are glad to know that Miss Alma Baker who has been on the sick list for a couple of months is able to be up again. We hope she may soon be enjoying good health again.

Alex Ratcliff had the misfortune of having his car considerably damaged while driving in North Toronto last Saturday night when a car driven by a Toronto man failed to halt at a stop sign. It struck Alex's car broadside turning it completely around.

The frame for Leonard Hoover's new barn was erected on Monday. Mr. Hoover's barn was burned during the early fall from lightning.

Mr. E. E. Watson and sons Edgar and Harold, also Misses Emily and Gladys of Oshawa called on friends in our vicinity on Saturday afternoon.

A lady motorist passing south on Sunday crashed into a large hydro pole opposite the Vague place here on the 8th and smashed the big stick entwine. This resulted in a serious shut down on Monday while repairs were made. The motorist and children in the car escaped serious injury.

The girls of the Mary Haig Mission Circle of the United Church were greatly gratified by the large attendance of friends and patrons at their afternoon tea held in the ice cream parlor of the Turner Dairy, on Saturday last.

The room was prettily decorated with pumpkins and other trimmings in Hallowe'en colors and the girls served a tasty lunch under the guidance of their leader, Mrs. Nathan Forsyth.

A neat little sum will be added to their funds as a result.

A pleasant and unexpected surprise was given Mr. and Mrs. Joseph Gayman after the supper hour, when several pieces of silver were presented to them. (It being the occasion of their silver wedding anniversary) In an apt and appropriate little speech Mrs. Forsyth expressed the love and esteem of all and many wishes were extended to Mr. and Mrs. Gayman for their continued health and happiness. Edra Burkett and Eulah Brillinger presented the gifts. Mr. and Mrs. Gayman expressed their thanks.

A hearty vote of thanks was tendered Mr. and Mrs. Lloyd Turner for their kind hospitality.—Press Correspondent.
