LOCAL MAN WINS MOTOR ACTION

Few motorists who travel the Stouffville-Uxbridge road are probably aware that the legal rate of speed travelling down the Garabaldi hill must not exceed twelve miles per hour. Not one in a hundred observe it, yet this point of law was largely the fact which won for Harry Paisley a court action last week, when he sued Bruce McDonald of Epsom for \$120, and obtained judgment for \$103.60. The case was the aftermath of a motor action wherein McDonald's truck travelling from Stouffville to Uxbridge, crashed into Paisley's passenger car at the foot of the Garabaldi hill. Paisley was travelling south along the second concession when he was struck crossing the intersection at the foot of the hill. McDonald's counterclaim for \$69, was dismissed. The case was heard in court at Uxbridge before His Honor Judge Smockum of Peterboro, Mr. F. I. Button, K.C. conducting the prosecution for Paisley, while McDonald was defended by a couple of legal men from Toronto, who were understood to be acting in the interest of the company in which McDonald's truck was insured.

Numerous witnesses were heard on both sides, but the prosecution largely rested its case on the admission of McDonald that he was travelling around 35 miles per hour going down this hill and Mr. Button strongly impressed the court with the actual law on the matter which allowed only 12 miles per hour. In addition, Paisley and Bill Harding, who was in the former's car, both testified that they had come to a stop before entering the intersection and proceeded across the road after seeing the hill was clear. Mr. Button pointed out that at the speed he contended McDonald was travelling he came over the brow of the hill (a distance of 360 feet), down the steep grade to Paisley's car; before his client had time to cross the intersection. Paisley and Harding both declared they looked but saw no truck coming when they proceeded to move across the road.

McDonald endeavored to show that Paisley admitted being in the wrong at the time of the accident, and instructed him (McDonald) to bring his truck to Silverthorn's garage, Stouffville, for repairs. This he did instead of taking it to his gargeman at Uxbridge. Paisley however, denied any such arrangement. He claimed that what he said was that if he had to do the paying then Silverthorn's garage is where he would want the work done.

Locals Win 3-2 Over Toronto Dukes

A very slim crowd turned out on Friday night last to see Stouffville take their second 3-2 victory over the Toronto Dukes by the Junior O.H.A. league. The game ended in a dispute with some five minutes to play, the Toronto club refusing to continue the game due to an error made by referee Rice.

The Dukes held a slight edge in the first period slipping in their first counter after about 10 minutes of play. Holden serving a penalty for Stouffville at the time. Their second goal came near the end of the period when Paxton fell down badly on a long shot from centre ice leaving the score at the end of the first frame Dukes 2 Stouffville 0.

The locals came back hard in the second period Button and Baker combining to score the first one for the home club. The visitors were outplayed in the third period, Morden and Stewart scoring twice on a couple of fine combination plays. With about 8 minutes to go the bell was rung at the Stouffville blue line for an offside by the Duke. The play continued however, the puck getting mixed up in a cap laying on the ice and in this boxed up fashion was shot into the net.

Referee Rice seeming to forget himself for the moment skated to centre ice followed by a vigorous protest from the locals. For a moment it appeared that the Stouffville boys would forfeit the game to Toronto, when Rice realizing his error went to face the puck in the corner. This change of decision caused an outburst from the Dukes who refused to continue the play, giving the game to Stouffville who were leading 3-2 at the time.

HORTICULTURISTS' ANNUAL FUNCTION

Fine attendance, despite adverse weather conditions, demonstrated once more that Stouffville is horticulturally-minded, when, on Friday evening last the local society held its annual meeting in Ratcliff's Hall. From 7:45 when Johnny Moscow and his splendid orchestra began to flood the hall with music until after the town clock had struck eleven as a signal to stop eating, the varied program was thoroughly enjoyed.

President H. O. Klinck welcomed as special contributing guests of the evening Mr. John F. Clark, Provincial Lecturer; Mrs. John F. Clark, soloist; Lionel Godson, District Director and President of Toronto Horticultural Society; and Miss Eoulton, Secretary of Parkdale Society. He also dealt with the growth of and hindrances to horticultural expansion in Ontario, suggesting as one of the greatest hindrances to home beautification the fact of economic insecurity. He also proposed the extension of tree, shrub, and flower planting along our highways as an appropriate field for investment of relief funds, as this would attract tourists and enrich the lives of all our people besides providing an interesting type of work to our unemployed.

Miss Marjory Mertens, for ten years faithful secretary of our society presented the minutes of the last annual meeting and announced the forthcoming Provincial Convention to be held in the King Edward Hotel, February 21 and 22.

The directors' report was then given by Mrs. George T. Lee. Mrs. Lee summarized the various activities of the society during 1934, mentioning, in addition to the extensive local work: the district picnic at Orillia and the Stouffville display at the Toronto-Centennial Flower Show where the \$30.00 award was won by our contestants.

The treasurer's report, given by T. B. Rae indicated a balance on hand at the close of the year of about \$60.00.

Among suggestions for special activities in 1935 the society contemplates a bird-house-building contest for the boys and girls, and later a poster contest in preparation for the Flower Show. Bulbs or the school and Ivy for the clock tower were also suggested.

Lack of space forbids comment upon the very fine illustrated talk by Mr. Clark, and the songs by his good wife. We also refrain from an attempt to present Lionel Godson as he really is. We have assured him however that Stouffville will be down to the convention on Feb. 21st to enjoy that \$1.25 banquet at the price of 50c.

Thanks are due to Mrs. Doten who had charge of the refreshments and to all others who contributed to the success of the evening.

We give below the list of officers for 1935:

Hon. Pres.—Mr. J. R. Hodgins
President—Mr. H. O. Klinck
1st Vice—Mr. George Saunders
2nd Vice—Miss C. Wideman
Secretary—Miss M. Mertens
Treasurer—Mr. T. B. Rae
Directors for 1935 and 6

Rev. S. J. Clarkson —Student, Soldier and Preacher

Methodist Pulpit. Veteran, Wartime Chaplain, Served in Vicinity

(Rochester Chronicle)
Rev. Samuel J. Clarkson, D.D., minister of Grace Methodist Church, died yesterday (January 20, 1935) at 2:30 p.m. at his home, 53 Mason Street, after a two-months heart illness. He would have been 62, February 1st.

Doctor Clarkson came to Rochester in 1920 after six years as minister of First Methodist Church, Lockport. He was born in Stouffville, Ontario, February 1, 1873. He was graduated from Albert College, Belleville, Ontario, 1897 and joined the Manitoba Conference of Canadian Methodist Church, serving three years as missionary on the Northwestern Canadian frontier.

In 1900 Doctor Clarkson came to the United States and in 1902 joined the Genesee Conference of Methodist Churches, taking up studies at the University of Rochester. He served in the World War as United States Army chaplain at Camp Dix and in 1923 received the honorary degree of doctor of divinity from University of Syracuse. In 1929 and 1934 he was appointed delegate to the General Conference of Methodist Church. He formerly held pastorates in Charlotte, Royalton, Middletown, Lockport and Batavia.

In 1920 Doctor Clarkson came to Rochester as minister of Monroe Avenue Methodist Church, serving until 1929, when he was called to Grace Methodist Church, Driving Park Avenue.

Doctor Clarkson was president of the board of trustees of Lima Seminary for nine years preceding his death. He was a member of the Rotary Club.

The funeral service was held on Tuesday, January 22, at 2:30 p.m. in Grace Church, Dr. Earl Shepard, district superintendent of the Methodist Church officiated. Burial took place at Riverside Cemetery.

He is survived by his widow Margaret McKinley Clarkson.

Dr. Clarkson is also survived by three sisters and one brother. They are Mrs. Southley, of Winnipeg, Mrs. Violet Stadlerbauer, Toronto, Mrs. D. H. Cook, Stouffville, and William Clarkson, Altona.

ALTONA

Mr. and Mrs. Harry Pointon and Dorothy spent Friday in Toronto. Keep on the hop you Altona folks—Don't let the cold weather afflict you.

Mr. and Mrs. H. Madill and daughter had dinner with Mr. and Mrs. O. Madill and family.

Our ice men are busy again removing the ice from the pond! Stick to it old boys.

Miss Margaret Brown has been spending the past week with Miss Mary Lehman and Miss Beatrice Carter.

A number of Masons from this district attended the installation ceremonies of Prince of Wales Lodge Toronto. Mr. Chas. Barkey was chosen to respond to the toast of the visiting brethren from Stouffville.

SERVING YOU WELL

under trying conditions

When the mercury in the thermometer starts dropping quickly below the zero line and the "probs" say "continued cold" who is the most important man in the community? The fuel dealer!

Telephones jangling, snow drifting heavily, hundreds of anxious parents, waterpipes threatening to burst. Then along comes the dealer with his truck-load of fuel and a way of thanksgiving sweeps over the household.

Courteous under the most trying conditions, obliging at all times, competent to advise what suits your boiler or furnace best, an employer of standing, a man with a real stake in the community—the fuel dealer is entitled to your respect and confidence. He is an important figure in Canadian business life—and he doesn't let you down.

FOUND DEAD IN HOTEL BEDROOM

Arthur Cuyler of 55 Ninth Street, Medicine Hat, Alberta, was found dead in his hotel room in Saskatoon, Saskatchewan, on Saturday morning, January 26th. He was only 43 years of age.

For a number of years the late Mr. Cuyler was the representative in Alberta of the Horner Drug Co., Ltd., of Montreal, and only last fall had taken the new task of introducing the products of the Shuttleworth Chemical Co. of Toronto into the spacious areas of Saskatchewan and Manitoba. He was on his initial trip to Saskatoon when death overtook him.

Arthur was educated at Dickson Hill and Bethesda Public schools and at Markham High School.

He is survived by his wife (formerly Miss Bernice P. Emms, who was born near Sutton, Ontario) Three children, Rilla, aged 12, Marion, aged 10, and Robert aged 7. Also by his aged father, Abel T. Cuyler who has resided with him in Medicine Hat, and by two brothers, J. T. of Medicine Hat, and Theodore of Calgary, Alberta.

The funeral took place in Medicine Hat, on Tuesday, January 29th, 1935, from St. Barnabas Anglican Church, under auspices of Mizpah Lodge, No. 35 A.F. & A.M.

Golden Wedding

An event of interest to friends in Stouffville and vicinity, took place recently in Toronto, when Mr. and Mrs. Elias B. Hoover entertained over sixty of their relatives and friends at their home 365 Main St., on the occasion of the fiftieth anniversary of their marriage.

Both Mr. and Mrs. Hoover were born in Pickering Township in the year 1859 and 1862 respectively, and were married in Stouffville by Rev. William Percy, on January 20, 1885. They located on their farm at lot 34, con. S, Pickering, where for thirty-five years they farmed successfully, fifteen years ago they retired, taking up residence in Toronto. Their only daughter Mrs. R. G. Farthing resides with them.

During the years in Pickering, Mr. Hoover was active in municipal affairs, being a member of the council board for nine years, two years in the reeves chair. They were members of the Altona Christian Church, Mr. Hoover being treasurer for twelve years. At the present time they lead a quiet life as Mrs. Hoover has been in poor health for the past seven years. Congratulations were received from friends in Chicago, Stouffville, Claremont and Markham and to these The Tribune wishes to add hearty good wishes for more years of contentment in the eventful life for Mr. and Mrs. Hoover

GLASGOW

Watch for further announcement regarding that comical play—"Whiskers" to be given by Glasgow young people in the near future.

'PHONE BUSINESS SHOWS UPTURN

The annual meeting of the Bethesda & Stouffville Telephone Co., held in the head office of the company at Stouffville last week, was very slimly attended by shareholders. This however, is not unusual, as shareholders only take a keen interest when things are not going to their satisfaction.

The old Board of Directors was re-elected for another year, most of them holding down the position since the inception of the company 27 or 28 years ago. Only when death removed a member, has there been a change in the personnel.

The financial statement for 1934 showed a decided improvement over the previous year when a loss of \$900 was shown. In 1934 the net loss stood at only \$175, including interest payment of \$2804 on first mortgage sinking funds debentures which is a first charge on the assets.

A 5 p.c. dividend declared on the capital stock of the company increases the loss to \$2065, and was paid out of reserves, as in 1933.

The heavy loss sustained over depression year due to subscribers discontinuing the telephone service, has ceased, and slight gains are being made again in the number of subscribers served, indicating that the worst has been met, and better times for the company seem certain.

Former Lincolnville Girl Is Bereaved

On Friday afternoon Mr. Elijah Pennock received a wire from the U.S.A. announcing the sudden and unexpected death of his brother-in-law, Samuel Johnson, who passed away at his home at Mount Pleasant, Michigan, on Friday at noon. He was in his 79th year.

Only last summer Mr. Johnson visited Stouffville and Mount Albert in company with his wife and daughter, Miss Pearl. He was a native of Scott Township, being born on a farm east of Mount Albert. As a young man he located at Chatham, where he followed the carpentering trade. Here he married Lucinda Connor, who died as yet a young woman. His second marriage was to Lexy Ann Connor, sister to his first wife, and to the late Mrs. Elijah Pennock of Stouffville. Mr. Johnson is survived by his wife and only daughter who is a school teacher at Saginaw, Michigan.

A man of quiet disposition and good habits he was well liked, and highly respected. He left Chatham quite a number of years ago to live in Michigan where he and his family own a comfortable home. The funeral took place to Mount Pleasant cemetery on Sunday.

MELVILLE

Mrs. Stanley Topham and her father Mr. Percy Spofford are back home after having spent several days with Mr. Harrison Hisey and family of Streetsville.

We are happy to inform our readers of the improving condition of Mr. Robson Jewitt who is at present in the York County Hospital, Newmarket. Many of his neighbours and friends have been paying him frequent visits in the past week. It is expected that he will soon be home again barring further complications setting in.

To enumerate all those ill with the flu and colds in this locality would certainly take up a heap of space. The attendance at school, church and Sunday School in the past week was very pronounced owing to this and the very cold weather. We hope for the early recovery of all those afflicted at this time.

This week witnessed the opening of the ice harvest at Almira pond, Messrs B. Gayman and H. Spofford are swinging into action lustily endeavouring to keep pace with orders. The sudden drop in the mercury is bringing the ice close to 20 inches in thickness. Good sleighing would make this job much easier for all concerned. However we aren't wishing for snow banks by any means.

We understand that our very efficient road foreman, Mr. Arthur Buchanan, approached the township council recently regarding snow fence to take care of the few badly drifted points in this section. A very few rods of this fence would be ample, and would be the means of saving a great deal of lost time and expensive clearing costs. Fortunately so far we have been lucky in regards to the weather. Perhaps that is the reason the council turned thumbs down to Mr. Buchanan's request.
