#### MISSING CAT TRAVELLE 400 MILES

strange hue and cry was set up a few days ago from the Port Arthur freight shed of the Canadian National Railways. One of the members of the official rat catching staff was missing! Sugar was being loaded that day for Winnipeg and all the cats had turned up but one. Peter was absent.

Peter's absence meant a great vindicate the action. blow to the rat catching staff and no doubt brought joy to the ranks of the rodents. Finally one of the clerks decided there was a chance that Peter was in the car of sugar. Word was sent to Winnipeg and on the arrival of the car, it was opened, and out popped Peter!

Over four hundred miles in a freight car and no rats to 'catch. Peter was both cold and hungry on arrival. He was taken in charge and has been returned to Port Arthur, where he will no doubt be quite content to resume his rat catching and confine his travelling to the floor of the freight sheds.

#### Sendick - At Leaskdale, on Sun day, February 24th, 1935, to Mr. and Mrs. Russel Nondick,

undesirable guests of Mrs. Public were removed by Cress Corn Salve at J. M. Storey's Drug Store.

#### NOTES & COMMENTS

One hundred per cent relief in urban areas will be put into effect almost immediately, Morgan Baker, provincial member for North York. told a North York township audience last week.

Farmers are getting 30 and 35c bag for potatoes in the Mount Albert district, compared with 20c before the Marketing Board commenced to operate. There has to be more care taken in grading under the new regulations.

Statistics show the number of inmates in the Old Peoples' Home at Newmarket to be 102 as on Novemwho has not paid his rent may publicity has shown up in detail all ber 1st last. Many of them are drawing the old age pension, from which the county benefits to the extent of about \$17 per month. The is unpaid. Men on relief may get The Hepburn government, intent balance is left with the inmates for spending money.

Speaking on the value of picture theatre in town, the Newbest citizens of a municipality may that many things have come to light market Era has this to say, which be barred from holding office on the which for years have been secreted is food for thought: "Anyone will agree that a good local theatre is an asset to the merchants. Talkies are a commodity which the public wants to buy and if a householder has to go elsewhere to buy this

service the householder will take grocer and the clothier should, and no doubt do, realize that the success the of the local theatre is important to them. But how often does he take fully: "There is a real picture on this week. You ought to see it"? If the local theatre has good attendances it can afford to bring better pictures to town-pictures that will

He extent of many a Saturday night's board of trade in any way help its

going on among hotel guests. The lature of which Mr. Hepburn is word "stolen" seems too strong prime minister. Evidently they ference to the pocketing of knives, agree. It is surprising the extent to "Let us revert to the policies of spoons and forks from hotel dining which that word, abolish, has workrooms. In regard to the carrying ed its way into our everyday thinkaway of Bibles we would say: ing. We long have thought of In this statement, coupled with "They were taken by thoughtless abolishing the senate, but the the suggestion that Ontario should persons who forgot to read the sign senate remains. Grand juries should proceed with development of its on the bedroom door to take a look be abolished in the opinion of of thing." We do not wish it to be gold standard, if President Roosewhat happens to the Quebec power the stealing of Bibles but we read inoperative. Premier Hepburn has the homes that it seemed to us to be of county cemetery commissions must the ing so highly prized that they were abolished and examintions themits being removed without authority selves are abolished. Many would with Bibles in their club bags.

L. J. Simpson that there will be no capitalistic system. So it goes. We for pupils who obtain 6,6 per cent on should be abolished and too often career of the student before should be abolished, but in the propoints, it is not necessarily a step after all, in our Canadian life, persurrounding Toronto. York is the toward making better educated haps we suffer more from our hesilargest county in the province, with pupils. There will ever be the danger tation to discard the old than from them out of the school. Even with of test examinations, sufficient help can old age pensioners stands at 1979, be extended to the weak pupil to enable him or her to get the necessary 66 per cent. We have known of pupils being passed through rooms in the public school that could never pass an examination. They were be-Has anybody seen our cat? This low normal, and the attitude was that they should be moved out of the way. This was right in our way of thinking, but if the same attitude or concession is extended to the dilatory pupil, it would not be so good. This paper approves of fewer examinations, but the removal of matriculation examinations is an experiment that will still have to

In most homes the old guess-work baking days have gone, never to return. Then it was a matter of anxious conjecture as to whether or not that batch of bread would rise properly. All of our baking is a scientific success. Our bread should be one of your standard family foods STOUFFVILLE BAKERY
