With the Leafs

In the first few weeks of the new season Manager Ike Boone is upsetting the experts with a kid infield that has played sensational ball in their first swing around the circuit. Eddie Miller at short-stop and Lee Handley on third base average around 21 years of age. To balance the youth of the infield Boone has gathered two outfielders of experience to assist him in the pasture duties. They are namely Tom Oliver and Bill Lawrence.

Albany's tail-end Senators engaged the Leafs in a double-header on Monday at the Fleet Street Stadium. Though Earl Cook had himself partly to blame for the loss of the opener, the young local moundsman, who has been seeking a regular position for several seasons, pitched a masterful game. He allowed the Senators only nine scattered hits and hurled himself out of several tight spots. Cook proved very successful against righthand hitters cutting the outside corner. In the second inning with a man on second and third he fanned Hack Wilson the heavy hitter who came up from Chicago to play for Albany.

Cook went a full ten innings and gave a high-class performance throughout.

General Manager Arthur Lehman has announced the first floodlight baseball game of the season at the Maple Leaf Stadium as scheduled for Wednesday evening, June 26 with the Rochester Red Wings.

SIXTH LINE

Mr. and Mrs. Herbert Paisley visited at the home of Mr. Arthur Paisley on Sunday last.

Quite a number from the congregation took in the celebration at Aurora on Monday.

After fifteen years of residence on the Sixth Line, Mr. and Mrs. Tom Phillips and family are moving to a farm near Uxbridge.

The Lemonville Ladies Aid met on Wednesday afternoon, at the home of Mr. and Mrs. Arthur Emmerson.

Many of our more domesticated citizens spent the big day of the King's Jubilee, by the radio, listening to the Empire broadcast.

On Sunday, May 12, at 11 a.m. our pastor, Rev. Mr. Smalley, will preach. Mrs. Harry Gilbert of Stouffville, will favor us with special vocal selections.

The service last Sunday evening, with Mr. Harry Worling, of the Stouffville Christian church in the pulpit was enjoyed by all. Miss Mary Hay, a soloist from Toronto, gave three very inspirational messages in song.

MELVILLE

We extend the sympathy of the community to Mrs. B. Tennyson and family in their recent sad bereavement.

Miss Marjorie Lehman, R.N., is home after attending Mr. Bert Wetherall, of Unionville for the past 3 weeks.

Next Sunday is Mother's Day at which time a special service will be observed in the Sunday school. Don't send the children, bring them.

Master Billy Night met with a painful accident last week when his right hand became tangled up in the power ringer. The arm from the elbow to the finger tips was badly crushed.

Peter Stickley has almost completed work on his rock garden and lawn adding greatly to the appearance of his fine new residence.

Guild was well attended last week. The program in charge of Verda Gayman was much appreciated. Topic, "Our Empire and Our King," was taken by Annie Chadwick; Reading by Miss Edna Houck and two vocal duets by Misses Jean Brown and Dorene Lehman.

Holiday visitors:—Mr. and Mrs. Gordon Sherk of Selkirk, visited Mr. and Mrs. Robson Jewitt, of Almiria; Mrs. Gertrude Becket with Mrs. N. Gayman and family; Mrs. H. N. Spofford visited friends in Toronto; Wilson Boyd of Aurora spent a few days in this neighbourhood; Mrs. Edgar Night spent the holiday with Mr. and Mrs. Harry Wideman of Toronto.

Messrs. John White and Bruce Lehman, local members of the Stouffville Band, were on hand on the occasion of the presentation of the King's Jubilee Medals to Mr. Isaac Pike of Bethesda and Morgan Baker, M.P.P., of Baker Hill. We are pleased to add the heartfelt congratulations of Melville to the two gentlemen so signally honoured.—Well might their respective communities be proud.

Work commenced in the Almiria Woolen Mills early this week. Owing to the unfavourable weather and the illness of Mr. Willis Lehman the machinery was put in motion rather later than usual. This will be the 55th consecutive year S. B. Lehman & Sons have been supplying pure wool products to the public. Years ago the country side was dotted with small plants of this kind. Gradually they disappeared and today the local firm is unique inasmuch as it is reputed to be the only one of its kind in Ontario handling this particular line of woolen goods.

When you are driving over for air just come along to Melville Fair On May 15th, you will find The shed all decked with booths so fine. Come, sit you down, and we'll be gay.

To serve you with a cup of tea And if you think us not to hold. You may have your fortune told.

BETHESDA

A large crowd from this vicinity witnessed the terrible fire which destroyed the home and store of Mr. Doner at Gormley, on Tuesday evening.

Notice! The first column of Bethesda news in last week's edition of this paper was not written by your regular local correspondent.

A very enjoyable time was had by all who attended the social put on by the Y.P.S. in the school house on Friday evening last.

Remember the meeting of the Friendship Circle to be held at Miss Kathleen Steckley's home on Thursday afternoon. Visitors are welcome.

We were sorry that Mr. Shantz could not be present at our Young People's meeting, to give us a talk. However Mrs. Ralph Allan kindly filled in the gap made by his absence and gave us some splendid thoughts on the topic. Let us keep up the splendid attendance.

Those Y.P.S. members who wish to join the baseball team will please meet in the school yard early Friday evening before choir practice. Five boys and four girls are needed and only Y.P.S. members are eligible. A team will be selected on this night, from those present.

Pine Orchard Novel Poultry

Castrated Roosters Grow To Great Weight and are Tenderer

The raising of capons, or unsexed roosters, is an unusual and profitable line on the farm of Ross Armitage, Pine Orchard, according to the Newmarket Era.

The operation necessary to make a capon is called castrating and produces a much more marketable bird. The capon ceases, immediately after the operation, to develop sexually either internally or externally. His comb and wattles cease growing, giving him a peculiarly unsexed appearance. His plumage becomes long, silky and abundant, and his spurs never grow so prominent as a cock's. In disposition he is gentle and affectionate, and he seldom crows. When he does crow, the sound is more like the cackle of a hen.

At maturity the capon is 25 to 50 per cent. larger than a cockerel of the same type and age, and he not only fattens better, but his flesh is sweet, tender and juicy, rivalling, if not excelling, that of a fat young hen turkey.

CHURCHILL

The Jubilee Branch of the Women's Institute will hold their annual meeting on May 14th, at the home of Mrs. Iyan McLaughlin at 2 p.m. Roll Call—Pay your fee; Report of committees; Election of officers; Exchange of seeds and bulbs. Everybody welcome.

RINGWOOD

An unfortunate accident befel young Eddie Lundy, son of Mr. and Mrs. T. Lundy who lives just west of the Christian Church. In some manner he got three of his fingers badly crushed while playing in the barn yard. Rushed to Dr. Freele office in Stouffville two fingers were found so badly injured they were at once amputated, while the third one may be saved.

Big Lamb Production

Now the season for stories of big lamb productions is with us. Here is the first we have noticed. "Nineteen lambs is the record of a seven-year-old ewe, owned by Donald Cameron of Tiverton. The latest family was triplets, born on Feb. 25th. The ewe has given birth to 3 sets of twins, 3 sets of triplets and one of quadruplets. All the lambs were perfectly normal. Only one died and that was one of the quadruplets. —Walkerton Times.

9th LINE, MARKHAM

Mr. Ross Lewis returned Saturday from Florida, where he has been for the last two months.

Miss Jean Lewis and Mrs. B. Joyce visited at Mrs. G. Lewis' on Sunday.

A goodly number from this line attended the monthly council meeting at Unionville on Tuesday.

Messrs. P. Cannon and J. Graham motored to Ottawa on Wednesday of last week.

Mr. and Mrs. D. Boyd, Rolph and Carl spent Sunday visiting Mr. W. Boyd at Schomberg.

Mrs. R. Smith and Ronny spent the weekend with Mr. and Mrs. O. Peacock.

Melvin Barkey entertained some of his friends one night last week, in honour of his 21st birthday.

Mr. W. P. Johnson and Miss Franke Johnson were city visitors on Wednesday.

Friends from Little Britain visited with Mr. and Mrs. B. Silverthorn on Monday.

Mr. and Mrs. Widdowson have been in Toronto for a time, Mr. Widdowson having undergone an appendix operation in a Toronto hospital.

Mr. C. S. McGrath, and Mr. R. Brackstone, of Cannington had tea at A. Batt's on Monday. Mr. Brackstone was special speaker at the Young People's Meeting.

BLOOMINGTON

Mr. and Mrs. Stanley Rose and baby of Uxbridge were visiting here with relatives recently.

The W. A. held their meeting and social at the home of Mr. and Mrs. E. A. Storry on Thursday evening. There was a splendid attendance and good program.

Mrs. Jason Stouffer and daughter of Toronto spent several days with Mrs. Law.

Mr. and Mrs. Walter Hill and daughters of Toronto spent the holiday at the home of his father.

Misses Elsie and Edna Lemon of Toronto were home for the weekend.

Rev. and Mrs. J.A.C. Kell and family of Toronto visited at E. A. Storry's on Tuesday.

TO PROTECT SHRUBS FROM DOGS

A dog at liberty, even in the exuberance of newly-found freedom, seldom misses an opportunity to explore every hole and corner in the course of his perambulations, and a cat just goes and fights where it likes. Unfortunately this superabundant energy is accompanied by damage to garden and other property in the environs. Neither the dog nor the cat have the slightest respect for flower beds or for the cherished ornamental palms by the front porch and often these animals show a distinct antipathy to shrubbery. In their bolterous way they create a lot of damage and it is not always possible to drive them away in time.

—However, an enterprising entomologist has found a way out of the difficulty. Taking a hit from the methods of entomologists in dealing with insect pests on garden plants, it was discovered that nicotine sulphate, the widely-used insecticide, provided an effective measure for keeping dogs and cats at bay. The odour of nicotine is very repulsive to dogs and cats, and as their sense of smell is very much keener than that of human beings it is possible to use the compound so diluted so that flowers, shrubs, buildings, walls or walks are not damaged, but cats and dogs will avoid the sprayed areas. The spray evaporates in time and will be washed off by rain. Therefore it should be renewed every two weeks, and after heavy rains. A weak solution should be used, such as a tablespoonful of nicotine sulphate to five gallons of water. The solution is also a good insecticide. Nicotine sulphate is sold in seed and feed stores.

THE POPULAR GLADIOLUS

The gladiolus is deservedly one of the most popular flowers in Canada. Also it needs very little care except at planting and digging time. About the middle of May is a good time for planting but, as pointed out by the Horticultural Division, Dominion Experimental Farms the exact date varies according to locality because the frost must be out of the ground and the soil dried. Sandy loam, well fertilized the previous year, is the ideal soil, but gladioli will do well on heavier soils. In a light, poor soil they would probably fail in a hot dry season. After planting, the soil must be cultivated frequently to keep down the weeds and render the surface loose. During very dry weather a thorough soaking with water once a week is very beneficial, and it is well to remember that when the time comes for cutting the blooms at least two sets of leaves should be left on the plants, so that the corm will come to full growth and so be in good condition for growing next year. There are hundreds of varieties to choose from, but the Primulinus hybrids which are quite distinct in appearance from the large-growing varieties are becoming more popular every year. The corms, as obtained from the seedsman

Milk Producers Meeting

Markham and Whitechurch Dist. No. 6

The Semi Annual Meeting of the Milk Producers Association will be held in the Unionville Council Hall, on Wednesday, May 15th, at 8 o'clock p.m. The president Dr. J. B. Reynolds will address the meeting and give us a survey of the work and progress of the association.

Mr. J. E. Houck of the Milk Control Board will also address the meeting and give some outline of the Milk Controls Board Work and achievements.

As this will be one of the most interesting and educational meetings that we have had, your local executive are hoping to see a crowd of meeting. Please let us have a full house to greet and back-up Mr. Houck, our member of the Milk Control Board.

Herman Kidd, Director
J. Wallwork, Dist. Sec'y No. 6

Notice: Dog Owners

MARKHAM TOWNSHIP

Notice is hereby given that all persons owning or harboring dogs must pay their required dog tax to the assessor on or before May 15, 1935.

Parties failing to do so will be liable for summons after the above date.

By order of Council
Chas. Hoover Clerk

In Memoriam
Russell—In loving memory of a dear husband and father who was called away suddenly, May 9, 1934. God called him home, it was his will. But in our hearts we love him still. His memory is as dear to-day As in the hour he passed away. Loving and kind in all his ways, Upright and just to the end of his days. Sincere and kind in heart and mind. What a beautiful memory he left behind. Sadly missed by:—
Mrs. David Russell and family.

QUALITY PRICE

Why Dixie Chick Starter ?

Because:

(1st) Dixie Chick Starter contains high quality ingredients in the percentages now generally accepted as being correct by leading poultry food experts. These ingredients when blended and milled at our mill provide for your baby chicks every requirement of their tiny bodies and starts them on the road to becoming profitable layers or table fowl.

(2nd) Dixie Chick Starter is not entirely based on theory. Dixie by actual lists is showing real results by the many reports coming in showing mortality among chicks as ranging from 0 per cent to 3 per cent with abundant healthy normal growth.

(3rd) Our sales methods plus our low "overhead" assures you the best possible value for your dollars invested and our large turn over enables us to purchase ingredients as cheaply as the largest mills.

Learn more about this high class feed thro our Friday noon-hour broadcast over C.K.C.L.
