THE ONLY TIRE With 2 Treads, One Beneath the Other!

WONDERFUL TIRE VALUE!

Seiberling

Duo Tread Tires

They are the only tires in the world that are GENUINELY Air Cooled... the only tires with TWO treads, one beneath the other, 51% thicker tread; 50% less punctures. Far less chance of bad skids or blow-outs. Duo Treads give AMAZING MILEAGE. We have other Seiberlings too... at ALL prices!

Bring your Tire Trouble to our garage, for expert and prompt service. We not only sell new tires, but we put them on and send you away with a feeling of security and satisfaction. It is this service and a fair deal that has enabled us to sell more tires than most dealers in this district. Our turnover would astonish you. Our Garage service and Tire Repair work is our best advertising medium. We strive to please always rendering prompt and efficient service. Tires bought from us entitle you to have them put on and properly fitted.

RINGWOOD

Miss Ada Gower of Toronto spent the weekend with her parents Mr. and Mrs. Geo. Gower. Mrs. Nancy Lee of Stouffville is spending a few days with her sister Mrs. J. M. Grove.

Mr. and Mrs. Harry Spang of Sandford were Sunday visitors at D. L. Stouffer's.

Our villagers received a thrill on Monday night when Norman Hall, driving an "elderly" car took a header over the ditch coming up the 8th concession, when he failed to turn at Ringwood corner. One of the heavy cement abutments was taken off and the car came to a stop upended against the Focker residence, smashed beyond usefulness. Fortunately the lone-occupant was uninjured. Constable Walker of Markham was called, and is investigating. For a long time a checker board or warning sign has been needed at this point, but it is continually neglected. The attention of the Road Commission should again be drawn to the need of some reflector sign.

VANDORF

Mr. Charles Scadding spent the weekend at Burke's Falls. Miss Ina Bostwick spent the weekend with her parents here.

Mr. and Mrs. A. Harrison of Holt, had tea with Mr. and Mrs. C. Moynihan on Saturday.

Mr. A. VanNostrand of Elgin Mills spent the weekend with Mr. and Mrs. J. A. VanNostrand.

We are sorry to report that Mrs. A. G. Snider, also Mrs. J. Graham are under the doctor's care.

Mrs. G. K. Mayor and Mrs. E. Rowe of Newton Robinson called on Mr. W. D. Richardson last Thursday afternoon.

Mr. A. Pattenden, also Chef, and Garnet who have been sawing lumber at Wilberforce have returned to their home here.

A number from here attended the convention of Women's Institutes of North York district which was held in Aurora United Church.

The Y.P.S. ball team journeyed to Snowball on Friday night to play the Snowball Y.P.S. team. The score was 22-2 in favour of Vandorf.

Congratulations to Mr. Gordon

Carr who won a lovely silver cup at the Aurora Horse Show with "Night Hawk", in the farmer's hurdle race.

Mr. and Mrs. G. E. Richardson, Miss F. MacDonald, Miss Mary Willis and Mr. Ronald Hawtin motored to Niagara Falls last Wednesday.

Thanks to Councillors

President W. J. Evans and Vice-President H. B. Lloyd of the Musselman's Lake Ratepayers Association, take this method to publicly express their appreciation and that of their association in general, to the Whitechurch Township Council, for the splendid and whole hearted manner in which the municipal body co-operated with them this year in making necessary road repairs and road oiling at the Lake. They are pleased with the treatment meted out to them, and stand ready to co-operate with the council for any general advancement to the municipality.

Dickson Hill Decoration

The annual decoration service in connection with the cemetery at Dickson Hill, will be held on Sunday, June 30. There will be full details announced next week.

Sunday Trucking

Ban on all Sunday trucking on Ontario highways with the exception of vehicles carrying milk and perishable goods is under contemplation by the Provincial Highways Department, it was learned at Toronto from Minister of Highways T. B. McQueen.

While he has not yet taken action in the matter, the minister, indicating the possibility of such a policy being adopted, said "it would be convenient to free the highways."

Such a move would be highly popular, and would have the endorsement of 90 per cent of the people of Ontario, we believe.

BETHESDA

Miss Kathleen Steckley has been holidaying in Toronto this past week Mr. and Mrs. Wm. Paisley had Sunday dinner with Mr. and Mrs. Sheffer.

Miss V. Crafts of Toronto was a Sunday visitor with Wallace Wagg and the family of his landlord.

Blanche Atkinson spent the weekend with Miss Anne Freeman, of Markham.

Last Wednesday Mr. and Mrs. Ernest Steckley and Mr. and Mrs. Sheffer enjoyed a motor tour in the Lake Simcoe district.

On Monday afternoon the men assembled at the church to clean the stove pipes and on Thursday morning the ladies will appear to clean the floor and carpets.

On Tuesday evening at the Y.P.S. meeting Rev. Harry Worling from Stouffville gave us a very interesting talk on the topic. It is regretted that the attendance was so small. A little bit of rain seems to have a lot of influence on some people.

On Sunday next the anniversary services are to be held in our church. Mr. Payne from Cookstown being the speaker at both services. The local choir will provide the music at the morning meeting held at 10.30 a.m., and the Ratcliff Male Quartette will sing in the evening. The evening service begins at 7.30.

All aboard! All aboard for the wild beast show! Perhaps some members of our community are not aware of the fact that a pageant "The Circus" is being presented at Newmarket on Thursday and Friday nights of this week, at 7.30 p.m. standard time, in the arena. This should be of interest, especially to the kiddies, but even older folks might be glad to avail themselves of the rare opportunity of attending a circus.

Mr. and Mrs. J. B. Brillinger have returned from a delightful motor trip to Indiana, U.S.A. in company with Mr. and Mrs. A. Baker of Maple. The Brillingers visited at the home of Mr. and Mrs. M. Morris at North Liberty. They really live in the beautiful little spot of Teegarden, a small town. From here our Bethesda folk radiated over the country to see the sights. Among the outstanding things they noted was the home of Billy Sunday the noted evangelist, at Winona Lake. Close to the cottage is his wonderful tabernacle seating 8,000, and close by this is the great church of the set known as Church of the Brethren, which has a capacity for 75,000 people. The beautiful trip of slightly more than 450 miles was greatly enjoyed and made without even a puncture. Mr. and Mrs. Brillinger are great in their praises for the splendid time accorded them by the Morris'.

Rev. D. W. Heise of Gormley, who resigned from the Foreign Mission Board of the Brethren in Christ Church, at the convention held at Gormley, had spent 18 years on the Board. As the members are drawn from all over America, it was no small honor to retain the position for so long, but Mr. Heise makes it a point to do all things well, and no doubt it was just qualification which his people recognized. Early in his tenure of office he visited the foreign fields over which the church spread its missionaries. He spent five months in Africa and three in India, gaining much first-hand knowledge no doubt, of the needs of the missionary and those for whom he gives his life. Absent from home for nearly a year, Mr. Heise travelled some 38,000 miles, 21,000 of which was sea voyage, and with just a bit of a twinkle in his eye, Mr. Heise said he was never sick a day in all the 72 he spent on the water.

Mission Board 18 Years

Mr. Wm. Charleton of Stevensville, is appointed to the vacancy caused by Mr. Heise's retirement.
