## RAYMER FAMILY TWO CENTURIES IN AMERICA

The annual re-union of the Raymer family, of Canada and the United States, was held Saturday afternoon at the summer residence of Lloyd Raymer, Highland Creek, when hundreds of members of the family participated in the proceedings. The re-union also marked the 200-year anniversary of the landing of the pioneers on the American continent. Many of the family had travelled from points as distant as Los Angeles and Western Canada.

The day commenced with the singing of "O Canada," followed with "O God, Our Help in Ages Past." Following were a large number of sporting events. A radio was equipped with loud speakers on the grounds, from which announcements were made. In the evening the Danforth Salvation Army Band was scheduled to appear. A letter was received from Mayor Simpson, sending his greetings and wishing the family success.

The Raymer family is of Swiss origin. The first Raymer, Abraham Jonathan, placed foot on American soil 200 years ago, in 1735, after a three-month rough passage from Rotterdam. He settled in Gotham County, Pennsylvania. In the year 1802, one of Abraham's sons, also named after his father, commenced a journey with another party of pioneers to Canada.

Come to York  
They came by way of Norwich, now Niagara, but were held up at the border for several months. Later they followed the shore line and finally reached a trading post known as "Little York."  
Here they did not remain long, but headed along the Danforth Trail, built by Asa Danforth, of wood, to Mount Joy, Markham. Here, Abraham settled on a four-hundred-acre lot and became a prosperous farmer. He died in 1834, and was buried in a plot on the old homestead. Later another member of the family, John Raymer, and his brother Peter, settled three miles south of Stouffville, known then as Dixon Hill, in 1804.

John and Peter had 13 children and each was given a Biblical name. John installed one of the first saw-mills in Markham and died 40 years ago at the age of 87. Samuel Raymer, of Markham, has the original deed of the Crown grant lands signed by Sir Isaac Brock in the year 1811.

Many Over 80 Years  
From the arrival of Abraham Jonathan Raymer in 1735, his descendants are now established in all parts of the North American continent. 18 of the arrivals were over 80 years old. Isaac Pike, of Bethesda, one of the speakers at the re-union, is over 80, and has received a medal from the King for being one of the oldest teachers in Ontario.

Other speakers are Major Rufus Raymer, of London, Ont.; Rev. Gordon Raymer, of St. Thomas, and Ira, of Beaver, Pennsylvania. A family tree has been commenced by the big family and already three thousand names have been added. The Raymers were originally called Pennsylvania Dutch and by religion they were Mennonites.

The re-union committee for 1935 was: Lloyd Raymer, president; Arthur Raymer, secretary, and the following members of committee: Myrtle Raymer, Donald Raymer, Ora Raymer, Alvin Raymer, Ira Raymer, Major Rufus Raymer, Sergeant Fred Raymer, Toronto Police, Mr. and Mrs. Sidney Morris, Oscar Grove, Joseph Hoover and Delbert Dawson.

## VOTE NEW SCHOOL

At a largely attended meeting of ratepayers for the Ballantrae school section, it was decided to proceed with the erection of a new school, modern in every way, complete with one large class room, teacher's room, basement and modern heating plant. Campers who send no children to the school, but who pay school taxes, supported the measure for a new building.

## LARGE GATHERING HEAR THE NEW REGULATIONS

The farming community is aroused over the proposal to make York and Ontario Counties a restricted area for T.B. tested cattle whether for milk or beef purposes. On Friday evening Vandorf Community Hall was comfortably filled when the dairymen gathered from Whitchurch to consider the proposal, after hearing an address by William Wilnot of Sharon who outlined the Departmental regulations, answered many questions, and strongly advocated that no time be lost in getting York County into the scheme, a vote was taken and carried a hundred per cent for the new scheme. Mr. Lorne Evans, district chairman, conducted the meeting which divided the township into districts for the purpose of circulating petitions that every farmer might sign for or against the restricted area proposition. These must be signed favorably by at least two-thirds of the cattle owners of the township. Similar petitions are being circulated in all townships of York and Ontario, and on completion the petitions will be forwarded to the Ontario Minister of Agriculture who in cooperation with the Federal Minister will declare and constitute the area a restricted one.

The key men of the canvassers named at the meeting are: Archie Monkman, Frank Bell, Parker Smith, R. Millen, Elmer Clark, James Hope, Garfield Kellington, Chas. Stouffer, Newton Rae, Herb Mitchell, Cliff Wallwork, M. E. Card.

These men are now out with their petitions, and will be expected to meet at the Vandorf Hall again on the evening of July 2nd to turn in their petitions.

If the area is made a restricted one all cattle are tested free of charge by Health of Animals Branch Veterinary Inspectors. Compensation is paid for reactors and is based on two-thirds of the valuation placed upon the animals by Veterinary Inspectors of the Health of Animals Branch. The maximum amount of compensation permitted under the Act is \$100 for purebreds and \$40 for grades, but these top prices are not usually obtained. Compensation on a purebred basis will not be paid for reacting animals over six months of age not registered at the commencement of the tuberculin test. No compensation is, however, paid for cattle affected with lumpy jaw, or for grade bulls, which react to the test. All reactors must be slaughtered under Federal inspection.

The Restricted Area, plan puts all cattle owners on an equal footing so far as T. B. Control is concerned and should work out to the ultimate advantage of both Beef Cattle men and Dairymen.

The Compensation allowed added to what reacting cattle will bring in the markets should make it possible for the farmer to clean up his herd at little or no loss and his herd gets subsequent supervision and testing free of charge.

An idea as to the percentage of cattle going down under such a test has varied in Counties already tested in Ontario, over the past from 1.2% to 22.4% with the average probably in the neighborhood of 4 to 5%.

## LEADER OF CHOIR HONORED ON RETIRING

At Melville United Church upon a recent Sunday, the pastor Rev. J. McEwen requested the congregation to remain in their seats, after the benediction had been pronounced, as he had something further to say. Coming down from the pulpit he announced, that Miss Janet Bruce, after many years of service as organist and choir leader, had tendered to the session, her resignation.

Expressing the appreciation of the congregation, for this service which had been received, he—in the name of the session and on behalf of the congregation presented to Miss Bruce, a beautiful electric floor lamp.

The pleasing incident was closed by Miss Bruce thanking the congregation for their gift, and stating that it had been a great pleasure to her that she had been able to serve the congregation in connection with the service of praise.

Wednesday, July 3rd—Strawberry festival under auspices of Buttonville Women's Institute, at the home of Mrs. Kerr, No. 7 highway, quarter mile east 4th con. Admission to supper and concert 35c and 20c.

## LOCAL MERCHANT MEETS WITH ACCIDENT

On Saturday afternoon Mr. and Mrs. E. A. Button and son John barely escaped with their lives when their big McLaughlin Buick sedan turned completely over at least twice about a mile south of Cobocok, as the car took the ditch from a blow-out front tire. Although stunned, the three occupants were able to get from under the wreckage, and were later taken to Dr. Ingram's office in Cobocok after first aid was rendered. It was found that Mrs. Button was suffering from shock but fortunately had escaped any serious injury, while Mr. Button received a severe injury to his hip and John suffered cuts about the head. Mr. Button has been laid up as a result, but his injuries are not considered serious.

The three passengers were riding in the front seat with John at the wheel, proceeding to their new cottage at Hall's Lake. Where the accident happened the road is straight and no trouble was anticipated until the sudden explosion of the tire. A laborer engaged on the road who saw the accident, stated that the tire was completely blown off the rim, causing the car to swirl to the ditch, come into contact with a large boulder, and turn over. The sedan is a complete wreck.

Word of the unfortunate affair did not reach town until late in the evening, and early next morning Mr. F. L. Button hurried north and brought back the injured. Their many friends will be glad to know that no permanent injury to any of the participants is anticipated.

## PRETTY WEDDING SOLEMNIZED

A. S. MALLINSOT WEDS IRENE NIGHSWANDER

In the home of her parents Saturday afternoon, Irene (Mabel) daughter of Mr. and Mrs. Frederick D. Nighswander, Toronto, and formerly of Stouffville, became the bride of Arthur Stuart Mallinsot, son of Mr. and Mrs. Reginald Mallinsot, with the Rev. G.I.B. Johnson of St. Saviour's Church officiating. The house was decorated with pink and white pennies, and wedding music was played by Mrs. Grant R. Jack, aunt of the bride. The bride, given in marriage by her father, wore a gown of pink lace over taffeta, and her pink tulle veil was caught with a halo of pink lace and pleated tulle with orange blossoms. She carried butterfly roses and lilies of the valley. Attending her as bridesmaid was Miss Grace Mallinsot, in pale blue organza with a pink straw hat and a bouquet of pink carnations and baby's breath. The best man was Mr. Fred Purchase. A reception followed, and the bride's mother received in a gown of powder blue triple sheer and lace, with a white crepe hat and a bouquet of white carnations. The groom's mother, who also received, wore a gown of brown triple sheer and taffeta with a beige straw hat and her flowers were tallman roses. Later the bride and groom left for a trip to New York and Atlantic City, and for travelling the bride wore a jacket frock of French blue and navy crepe with French blue felt hat and navy accessories. On their return, Mr. and Mrs. Mallinsot will reside in Toronto.

## NEXT COUNCIL FRIDAY JULY 5

The regular meeting of Stouffville municipal council for July will be held on Friday evening of next week, the 5th day of the month. It is expected that the tax rate will be struck at this meeting.

## OLD BOYS AND GIRLS HOLD SOCIAL EVENING

The periodical visits of the Stouffville Old Boys' and Girls' Association in Toronto, to the old home town, are looked forward to with keen delight by not only its members but by the citizens who delight to turn out and fraternize with them. Thus the meeting in the old town on Wednesday evening last week, although smaller than usual because of the dampness of the atmosphere, was a thing of real joy, with spirits not in the least dampened in keeping with the weather.

Instead of the customary basket picnic, the ladies of the United Church were requested to serve supper, and a charge of 35c was made. It was a splendid innovation, and about 100 sat down. It was a case of all you could eat and more for your money, because a social had to be advertised for the following evening in order to dispose of the good things prepared for the Old Boys which they could not master. At that, most of the men came equipped with the appetites they possessed in the days they went bare foot to the old swimming hole.

Supper out of the way amidst a chatter of plates and voices, the President, Mr. Morley Bedford, took the chair and conducted a short but interesting program. Outstanding was every number rendered. Mrs. R. Warrington of radio fame as a singer, treated the gathering to one or two numbers, while Mrs. Dukes, better known to many in Stouffville, as the former Mrs. Fleury, performed a wonderful fete when she sang a couple of old time selections in beautiful voice such as we never heard before from the lips of a lady of nearly 80 years. Forty years ago Mrs. Dukes was the leading first soprano in the famous choir led by the late David Stouffer. "Somewhere the Sun is Shining," and "God will take care of You" were the numbers rendered by Mrs. Dukes. Miss Luella Gayman favored the audience with a couple of well rendered solos, while Rev. Herbert Lee gave a couple of recitations which added diversity and humor to the program, as did Miss Edith Borinsky.

A short address by Morgan Baker, M.P.P. carried the gathering back to those pioneer days, when our forefathers trekked through the bush to near Toronto with a bushel of wheat to be exchanged for ground into flour, then walked home again or rode horseback. Mr. Baker narrated on the settlement back in 1802 when Peter Reesor came over from Pennsylvania to spy out the land, and finally traded his horse and saddle for 400 acres on which part of Stouffville is now situated.

Mayor F. W. Mertens of Weston moved a vote of thanks to the ladies for the supper served, and also said that he hoped arrangements would be made to hear Mr. Baker continue his reminiscence talk again, perhaps at a meeting in Toronto.

While all the guests from out of town did not register The Tribune obtained the names of most of them. Dr. Gilbert Richardson and Mr. Revis P. Stover, not being on hand at the banquet hour, it was suggested that they must have been held up by the fog. We hope nothing more serious detained them from such a good time.

The bag of peanuts for the guests from the longest distance was presented in fancy to Mr. and Mrs. Frank McDonald who motored from Kitchener, returning home immediately after the program.

Those whom we caught with the register are: Mr. and Mrs. Morley Bedford and his mother Mrs. Alfred Bedford, Mrs. C. H. Mertens, Bruce Mertens, Douglas Mertens, C. H. Mertens, Russell Cheeseman, Mrs. Edith Agar, Miss A. B. Clark, Edna J. Hoover, Miss Mila Hoover, Mr. and Mrs. E. Harper, Miss Ada McCarthy, Mrs. W. A. Taylor, Mr. & Mrs. J. A. Taylor, Mrs. F. Woods, Mr. and Mrs. Lyman Dougherty, Mrs. Warrington and son Chapple, Mr. and Mrs. Robertson, Mr. & Mrs. Potter, all from Toronto. From Weston came Mr. and Mrs. F. W. Mertens, Miss Elva Mertens, F. W. Mertens, and Cliff Mertens, and Mr. and Mrs. Frank McDonald, Kitchener.

Mr. Morley Bedford, son of a former Stouffville pastor, and himself a prominent funeral director, located on Eglinton Avenue, and Miss Edna (Ted) Hoover are the capable and energetic president and secretary of the Toronto section of the Stouffville organized old boys. The home town sure does appreciate the old boys' and girls' visits, and will look forward to their return this or another year.

## CROWN DECIDES TO HOLD INQUEST ON MOTORISTS DEATH

The inquest arising out of the death of William McKague of Toronto, who died as a result of injuries received in a car accident just south of Bloomington on the evening of June 15, will be held in the Municipal building at Stouffville within a few days now. The exact date has not been decided.

McKague was riding in a car driven by D. W. Douglas, 170 Gloucester Grove, Toronto, and another companion, when the automobile left the road and went into a ditch. The three got out and attempted to push the car out, but without success. Finally, two of them decided to push it backwards and McKague became caught under the wheels.

The unfortunate man was removed to Stouffville Hospital and later taken to Toronto, where an X-ray revealed a fracture of the neck. He was paralyzed from head to foot.

## APPEAL DISMISSED

Before Judge Jackson at City Hall, Toronto, on Monday the appeal of the Imperial Oil Co. against the assessment of their Stouffville business of \$2800, was heard. Assessor George Storey and Clerk J. S. Dougherty represented the village, and a firm of lawyers were on the case for the big oil concern.

The appeal was dismissed, after the parties were advised by the Judge to get together, and make an adjustment on business assessment.

## CHARTER MEMBER FOR 59 YEARS

It was a great pleasure last week for this paper to chronicle the 80th birthday of Mr. Isaac Wagg of Goodwood, and it must have been a source of inward satisfaction for him to have gathered around him on that occasion his two sons Daniel and Frank, and his three daughters, Mrs. Thos. Watson, Marsh Hill, Mrs. M. Rodman, Uxbridge, and Mrs. John Maye of Goodwood. There was the inevitable vacant chair for our octogenarian friend lost his life partner and the mother of his five children in 1927. She was Phoebe Ann Vanhorn.

Mr. Wagg was himself born on lot 21, con. 3, just north of Goodwood in the well known Wagg settlement. He was the youngest of seven children born to Thos. Wagg and his wife Susan Colman. Today but two of the family are left, being Mrs. Herman Stover, now living in Regina, Sask. (83 years) and the subject of this sketch.

Over half a century ago, 59 years to be exact, Mr. Wagg joined the Baptist church, and he has remained steadfast in the faith to this day. He was the first treasurer of the Goodwood congregation, and later served as Deacon, and is now one of possibly only half a dozen remaining members of the original congregation numbered among the chartered members. Mrs. Robert L. Hamilton, Stouffville, is one of the others.

Mr. Wagg lives a retired life in Goodwood, where he located in 1920, and having been blessed with good health, a keen mind, and sufficient of this world's substance to live in comfort, he enjoys the eventide of life in a manner that must make him feel favored among those who have been allotted more than the four score years.

## OLD BOY TO SING

At the Baker Hill Baptist Church next Sunday morning at 10:30 o'clock, the congregation will be treated to a selection or two by Mr. Harry Bundy, a well known Evangelistic singer in the U.S.A. and radio entertainer.

Mr. Bundy is a native of Stouffville and son of Mr. J. C. Bundy, merchant tailor here 25 years ago. No doubt many old friends of the family will take this opportunity to hear this evangelistic singer.

## HERE FROM VANCOUVER

Dr. L. S. Klinck, president of the British Columbia University, is visiting his mother, Mrs. Thos. Klinck, O'Brien Avenue, for a few days. Dr. Klinck is accompanied by his son Ronald.
