## MEMBER OF PIONEER FAMILY PASSES

Widow of Mennonite Pastor was Descendant of Abraham Stouffer

The death took place on Thursday of Mrs. Christina Raymer, widow of Rev. Christian Raymer, well-known Mennonite pastor, in her eighty-second year. She had been in failing health for some time, and two weeks ago she met with a slight accident. She was a direct descendant of Abraham Stouffer, after whom the Village of Stouffville took its name, while her husband was the descendant of Abraham Raymer, also a pioneer settler, and head of one of the largest families, who still commemorate their forebears with an annual reunion. The marriage thus united two of the earliest families to settle in Markham and Stouffville.

Her husband predeceased her two years ago, and there now survive three daughters, Mrs. Ed. Hoover, Altona, Mrs. B. E. Wancko, Toronto, and Miss Bertie also of Toronto, and an adopted son Leslie.

Of a family of nine children born to the late Abram Stouffer, there survives five, namely Abram on the homestead adjoining Stouffville, and Mrs. Simeon Hoover, Mrs. Martin Wideman, Mrs. Jacob Boadway and Miss Elizabeth Stouffer. Until 1931 there was not a break in the family of eight children, but in March of that year Noah passed away, followed since by Mrs. Jas. Bruce, Miss Adeline, and now Mrs. Raymer.

The funeral on Saturday afternoon was from the late home on Main street to Dickson Hill cemetery for interment. Following a service at the home conducted by Rev. Wm. Brown, Markham, the cortege proceeded to the Stouffville Mennonite church where service was conducted by Rev. Wm. Moyer and Rev. Henry Goudie, all of whom made fitting reference to the ideal life followed by the deceased, her devotion to duty and peaceful resignation to the affliction which befel her at the end of life's journey.

The pall bearers were, nephews, being Messrs. George Hoover, Chas. Hoover, Levi Forsyth, Wes. Wideman, Reg. Stouffer and Ab. Stouffer, Jr.

Mr. Taylor (competent instructor) will occupy the Mauna Kea Hawaiian studio in the Beebe residence Saturday afternoons. All former pupils please call as before. For appointment phone R.B. Taylor, Stouffville, 503.

## 46,217 Names will Appear on Revised Voters' List, York East

In the riding of York East which has the village of Stouffville and Township of Markham as its northern boundary, and Lake Ontario on its southern extremity, there are 46,217 persons entitled to vote, according to a statement issued by H. A. Sanders, registrar for the district, which is said to be one of the largest electoral districts in Canada.

The last date for persons to get on the lists was June 29, and since that time a battery of typists have been busy in the registrar's office in Stouffville compiling the new list. If your name appears on the new list, you have a vote at the forthcoming Dominion election, but if perchance your name is omitted therefrom, then you have no vote, and no redress whatever. The onus was on the individual voter to see that his or her name was on the list before the last date to receive applications.

## ADDITIONAL LOCALS

Mr. and Mrs. E. J. Davey are down from their cottage at Island Grove for a few days.

Mr. Butler of Toronto is holidaying at the home of his daughter, Mrs. Delbert Jennings.

Mr. Theodore Franklin, of Toronto, is spending his vacation at the home of Mr. Joseph Mertens, west of town.

Mr. and Mrs. K. D. Woodburn have been visiting a friend at the Sanitarium at Gravenhurst this week.

Miss Tremaine, personal nurse of Mrs. (Dr.) Ira Freel, is on duty again after having a week's holiday at her home in Stayner.

Miss Eva Lynburner of Hagersville, has been visiting her mother Mrs. James Hatcliff for the past week.

The Ab. Stouffer farm had 4000 baskets of green peas vainly looking for a market on Wednesday. Wholesale prices were so low the crop could not be moved.

Rev. Clifford and Mrs. Loney, and family of Hamilton, visited at the home of Mrs. Loney's father, Mr. John Ratcliff a few days last week.

Mr. T. W. Eagleson, Miss Florence Eagleson, and Miss Marion Eagleson, of Lindsay attended the Davidson reunion in London on Friday and spent the weekend visiting relatives at Adelaide, Ontario.

Mr. and Mrs. Ambrose Stover with Gladys and Margaret and Mrs. Elias Stover motored to Kitchener for Sunday to attend the camp meetings in progress there. They returned via Milverton on Tuesday, and brought back Mrs. Harvey Reesor and two children who will be staying with her mother Mrs. Elias Stover for a time.

Mrs. T. W. Klinek and grandchildren Phyllis and Kenneth are visiting with her daughter, Mrs. M. Clark, near Peterboro. The Clarks were in town recently attending the Klinek reunion at the old homestead now the home of R. F. Klinek, of Victoria Square. All the living children of Mrs. and the late T. W. Klinek: Dr. L. S. of Vancouver, R. F. of the Square, Mrs. F. C. Rowbotham and H. O., of this village, and Mrs. Clark, Peterboro, as well as most of the members of the younger generations, were present. The only member of the family absent C. R., late of the O.A.C. Guelph, has been deceased some thirteen years.

## A POPULAR PARK

The attractiveness of Memorial Park as a summer camp is gaining ground, and those who go there for a picnic invariably return another time. During the last week three picnics were held there, the one on Saturday bringing about 100 Sunday School children from Rev. S. Goudie's church, Toronto. Unfortunately the weather was not suitable, but by their faces and cheery hurrahs the youngsters enjoyed every minute of their visit in the country.

As there are 2554 names to add to the new lists and only 426 to be struck off, the increase over the old list compiled in 1934 is 2128. Several polling divisions in the southern part of the district had no changes whatever, while in other divisions the old line parties were active and attended to having the lists for their respective divisions checked over, with the resultant number of changes. It is said that hundreds of names of persons who are dead are still on the lists due to the fact that no action was taken to have them removed, although a great many of these were removed through applications filed with the registrar during the month of April. A complete tabulation of York East is furnished by the registrar as follows:

## KING - COLLARD

The farm home of Mr. and Mrs. Herman Mortson, Victoria Square was the scene of a pretty wedding when their sister, Miss Mildred Viola Collard, daughter of the late Mr. and Mrs. Joseph Collard, was married to Mr. John Harvey King, son of the late Mr. and Mrs. Andrus King. Standards of white and pink peonies formed an effective setting for the ceremony, which was held in the garden. Rev. Frank Gilbert officiated. The wedding music was played by Mrs. Herman Fawcett, and during the signing of the register Miss Margaret McCague sang. The bride, who was given in marriage by her brother, Dr. Charles Collard, was charming in a gown of ivory satin fashioned on long princess lines. The neckline was a soft cowl, and the sleeves were long and tight. She wore a veil of bridal net embroidered with chenille which had been worn also by her sister. She carried a shower bouquet of Butterfly roses and baby's breath. Flower girls were little Miss Jay Mortson and Margaret Mortson, nieces of the bride, who carried old-fashioned nosegays. After the ceremony the guests were received in the garden, where Mr. and Mrs. Herman Mortson and Mr. and Mrs. Norman King received with the bride and groom. After the wedding breakfast the bride and groom left for a motor trip to the Gaspé peninsula and Atlantic coast. For travelling the bride wore a yellow suit of silk linen trimmed with brown, a yellow felt hat and yellow and brown accessories.

## GREAT TWIRLING

Earl Cook turned in a wonderful performance last week when he pitched the Toronto Maple Leafs to a 1-0 victory against Syracuse. He allowed only 1 hit.

## PASTOR RETIRES AFTER 37 YEARS

Rev. Robert Young has preached his farewell sermon on the Hornings Mill circuit of the United Church, and with Mrs. Young arrived in town last week to take a well earned rest after thirty seven years in the ministry. While their new home on north church street is being completed Mr. and Mrs. Young will take the opportunity to visit old friends, and indeed they have been offered furnished homes, but their own will shortly be ready for them. In the meantime their furniture is at Horning's Mills where there is a spacious manse.

Rev. Mr. Young commenced his ministry in the Presbyterian charge at Pakenham, the birth place of his wife, but more than Mrs. Young fell in love with him there, for Mr. Young remained on the charge for eleven years. He occupied other charges in the Kingston district prior to being called to Stouffville in 1918, where he preached in St. James for seven years, and was associate pastor in the United Church for one year after Union. Mr. Young is a man of fine ideals and pleasant disposition, and Stouffville is delighted to welcome both Mr. and Mrs. Young on their return to locate in our midst. Prior to leaving the charge at Horning's Mills they were showered with kindness and remembrances. After intimating his desire to retire this July Mr. Young was urged by the Board there to remain another year.

## H.A. NIGH WAS MARKED AS FINE TYPE OF CHRISTIAN

Former Markham Township Farmer Died at Home of Daughter, Aged 91 Years

The Owen Sound Sun-Times contains the following article on the life of H. A. Nigh, an uncle to our Markham Township residents, (Messrs. Ed. Nigh, Percy and Herb. Spord):

"Following a serious illness over a little more than two weeks the death occurred at 10.20 o'clock on Friday evening of Mr. Hamilton A. Nigh, at the home of his daughter, Mrs. Margaret Frizzell, 351 6th ave. east, Owen Sound. He had not been enjoying good health for quite some time, but it was only two weeks ago that he was taken seriously ill and compelled to take to his bed. Death was due to infirmities of old age.

The late Mr. Nigh celebrated his 91st birthday on May 16th last. He was born in Markham Township, the son of the late Mr. and Mrs. Johnathan Nigh. He moved to Sydenham township, near Strathaven, more than 60 years ago and for nearly half a century was one of the best known farmers in that community, highly esteemed and looked upon as a cultured, Christian gentleman, a kind neighbor and successful farmer. Since 1918 he has made his home in Owen Sound with his daughter, Mrs. Frizzell. Since coming here his sight failed him, and for the past eight years he has been totally blind, and affliction which he bore with patient fortitude and resignation. He had always been a close student of the Scriptures, and was well versed in them. The prayer meetings held at the home of his daughter were features of the latter years of his life. He was a Baptist, and belonged to the South Sydenham Baptist church at Strathaven, and attended the First Baptist church in Owen Sound. His wife predeceased him more than 40 years, and he is survived by two daughters, Mrs. Margaret Frizzell, and Mrs. J. S. Robertson, both of Owen Sound. He also leaves six grandchildren and six great, great grandchildren. A son Jack Nigh, died 26 years ago."

## MAN IS FOUND DEAD BESIDE CAR

Stouffville Inquest Cancelled

A victim of Carbon Monoxide gas, the body of W. Douglas, 113 Gloucester Grove, York Township who figured in a fatal motor accident at Bloomington over two weeks ago, lay beside his car in a field in North York for at least 10 hours yesterday, before it was reported to police.

He was found reclining on the rumble seat cushion at the rear of the car, strapped to the bumperette and with a heavy rubber tube leading from the exhaust pipe to a point close to the face.

In the rumble seat were Mr. Douglas' crutches. He had only one leg.

Three weeks ago Mr. Douglas was involved in an accident on the road from Stouffville to Musselman's Lake, in which William McKay, of Toronto, was killed, and it is believed that he had been worrying considerably. The inquest has been ordered on this case has been cancelled as a result of this second death.

Douglas' body was found just off Finch ave. west, between the fourth and fifth concessions, the car having been backed off the road into a field. It was noticed by some boys as early as 10.30 in the morning and also by Mrs. Apperley, Downsview, but it was thought he was just repairing his car. At 7.15 last night, Mrs. Apperley was driving past again and seeing him still there, notified North York police.

## BLOOMINGTON

Arthur Smith was in Toronto on Monday.

Miss Luella Paisley is at Guelph taking a summer course in Agriculture.

Mrs. O. Tranmer and family visited relatives at Unionville on Sunday.

Mr. and Mrs. E. A. Storry called on relatives at Mount Albert on Sunday.

Miss Annie Paisley has taken a position at Lakewood House, Jackson's Point for the summer. The Young People's Class met at the home of Mr. and Mrs. R. Williams on Friday night for a social evening in honour of their daughter Mrs. Thomas who was presented with a silver casserole. The evening was spent in games, etc. after which ice-cream and cake were served by the class.

## CYCLONE HITS BETHESDA

During the terrific rain storm which passed over Whitechurch Township on Saturday afternoon, a cyclone set down on the Bethesda locality, tearing the roof from the church sheds and depositing a portion of it over on the property of Robt. Wilson, merchant, a distance of about 40 feet. Persons who saw the roof lifted state that the entire covering was raised from the building at once, part of it falling back from where it was lifted.

Fields of grain have been badly mauled and twisted, and some of it will never mature as a result. Washouts are frequent all over the southern and central part of the township, and in the Musselman Lake division, the bank was washed away on the north shore. Five apple trees were uprooted on the farm of Ab. Shaffer near where the church sheds were damaged, and a corner of the farm veranda was torn away. Large trees were toppled over in many places throughout the locality.

Our Bethesda correspondent has given a further detailed account of the storm.

## OBSERVE THE LAW

Motorists in Stouffville would do well to drive at a proper speed in town. During June six summonses were issued for speeding and reckless driving, convictions being registered in all cases. Two more were summoned Saturday last. Too many motorists look upon the fine road through Stouffville as a mere speedway, resulting in numerous accidents.

## TAX RATE CUT ONE MILL FOR 1935—COUNCIL MET ON FRIDAY

And Petition Toronto and York Road Commission for a Tarvia Top from Stouffville to Lincolnville—6 Months Relief Not Unduly Heavy

Reeve Sanders, Councillor Watts, chairman of the Finance Committee, and the members of the municipal council struggled for an hour on Friday evening in an effort to set the tax rate for the year 1935 at as low a rate as possible, yet still have enough money to meet their obligations until next December. The rate was ultimately struck at thirty-three and a half mills, being one mill below the 1934 rate, when it was 34 1/2 mills.

It was the regular meeting of the council for July, and all members were present when Councillor Weldon introduced the matter of having a tarvia top built on the road-way along the 10th concession from Stouffville to Lincolnville, a distance of 2 1/2 miles. The condition of this road, he said, was anything but satisfactory, and scores of people were going other places to transact business to the detriment of Stouffville, rather than travel through the dirt and dust of the heavily travelled highway. It is the only piece of road left unfinished by the Toronto and York Road Commission in this locality, and would, if built of tarvia, induce Ontario County to continue the surface over their roadway to Goodwood. Councillor Weldon submitted a strong resolution which was seconded by Councillor Walter Brillinger, imploring the Commission to give this piece of road some consideration when the next estimates were being struck. The council unanimously supported the resolution, a copy of which will be forwarded to the Commission, also to Whitechurch Township Council, and Morgan Baker, M.P.P.

Councillor Ross E. Brown asked for \$300 for new sidewalks this year, and said there was a keen demand for new walks in various sections of the town. In striking the tax rate \$250 was provided for this work, with the understanding that Mr. Brown's committee could transfer from the road appropriation, and apply it on walks. Mr. Brown was also requested to take up the matter of street cleaning with the contractor, with a view of having the pavement cleaned often.

The new town cop, Constable Quibell had receipts turned in that indicated he was regulating traffic by enforcing the law. He was instructed to press down on all arrears for dog tags, and keep a lookout for new dogs being brought into town unlicensed. It was suggested that the south side of Main street in the downtown business section should be marked off for angle parking to

## RELIGIOUS CAMP WILL SWELL LOCAL POPULATION

Stouffville will probably have a population at least a quarter larger, or perhaps half as large again as it is today for the first two weeks in August. The annual Mennonite Brethren in Christ camp will be pitched in Memorial park here for this period when members from all over Ontario where the circuit extends, will be in attendance. At least 50 tents will be pitched, and whole families will be in some of them. The population will shoot up by at least three hundred, while evening meetings will attract thousands of people during the period of the camp.

Presiding Elder Bricker of Toronto is chairman of the Conference Committee, and his associates on the board are Rev. S. Cressman and A. S. Stouffer, Stouffville; Rev. Shantz and Clarence Donor, Gormley, Rev. Wm. Brown, Markham and Simeon Hoover, Dickson Hill. The evangelist for the meetings is Mr. F. E. Arthur of Chicago, an outstanding speaker and preacher. He will be supported by vocalists, including Miss Yeo and Miss Snider. The kitchen and sleeping tents will be pitched west side of the park under the trees, while meetings will be held in the arena, which will save bringing the large tabernacle tent here. Water and lights will be available.

## PICNIC DATE CHANGE

The Institute picnic, announced for Wednesday July 17 in this issue has since been changed to Thursday July 18.
