MARRIAGES GIBNER-BRONIMANN

A pretty July wedding took place at the home of the bride's parents, Yonge Street, Oak Ridges, on Wednesday evening, when Lydia, eldest daughter of Mr. and Mrs. Godfrey Bronimann, was united in holy wedlock to Mr. Otto Lawrence Gibner, son of Mr. and Mrs. Daniel A. Gibner of Stouffville. The ceremony was conducted by Rev. Garnet W. Lynd, under an arch of evergreens on the spacious lighted lawn. The bride was prettily dressed in white crepe, carrying a large bouquet of sweet peas and baby breath, and was attended by Miss Olive Miller of Toronto attired in yellow crepe silk and also carrying sweet peas. The groom was supported by Mr. Robert R. Reid of Toronto. Following a reception, held under the arch, a substantial buffet luncheon was partaken of. The bride and groom will reside at Oak Ridges. The bride was the recipient of a shower in Toronto on Monday evening and of one at Oak Ridges on Tuesday evening.

EIGHT SEEK NEW PARTY NOMINATION

Although nominations for a candidate for the East York Stevens Association were received at a meeting of club representatives in Barker Tuesday night the actual choosing of a Federal candidate was laid over until another meeting to be held a week from to-night. There were no delegates from Stouffville present, and the north end of the riding was scarcely represented. Members believed nothing could be gained by rushing the situation, and ruled that the list of nominees be left open. Eight men were named last night as possible candidates, including Reeve John Warren and Councillor John Walker of East York; Major J.O. McCorkindale, of Scarborough, and Col. W. R. McCaffery. Officers elected by the newly formed association last night were: President—J. McMechan; first vice-president, Col. W. R. McCaffery; second vice, J. A. Kennedy; third vice, A. Johnston; sec'y-Treas. J. J. Haydock. Reeve John Warren, introducing Major McCorkindale as the guest speaker, said he offered no apologies for throwing in his lot with Hon. H. H. Stevens. "I always favored social legislation, unemployment insurance and other things advocated by Mr. Stevens," he said, "and I honor him for breaking with the party."

The Warkworth Pastor

Rev. Gordon Duncan, pastor of Warkworth Presbyterian church, accompanied by his sister Miss Annie Duncan, left town on Wednesday for their home in Northumberland county. Rev. Mr. Duncan is an old Melville and Stouffville lad, whose parents passed away in this place. Following a lengthy pastorate in Montreal, Mr. Duncan was called to Warkworth where he has served successfully for quite a number of years. Since the death of his wife the manse has been in charge of his sister Miss Annie, who when in Stouffville was a popular member of the post office staff, and a very conscientious worker in St. James church. They had the month of July for vacation, and spent the time mostly at the old home here and among relatives at Unionville. While enjoying this sort of change Mr. Duncan confided to the Tribune that the best rest he could obtain would be a quiet holiday on some northern stream along with his books and long hours for contemplation.

RINGWOOD

Mr. and Mrs. George Fleming spent Sunday at Alliston. I wonder who the young lady was in town in the little white sailor? Harvest is general in this neighborhood. The grain is well filled and abundance of straw. We are very sorry to learn of Mrs. James Cronan's illness which necessitated her being removed to the Stouffville Brierbush Hospital. Mr. and Mrs. Albert Hoover, and Mr. and Mrs. Franklin Hoover attended the Hoover re-union at Vineland on Wednesday. Donald and Charles Rateliff are on a motor trip to Banff and other points of interest in Western Canada, where they expect to spend a month. Harry Rateliff, local trucker, along with Ed. Brownberger moved Pattenden's portable saw mill from Vandorf to twenty miles north of Huntsville on Monday. The sawing outfit weighing about six tons.

MARKET IN BRITAIN FOR ALFALFA MEAL

Alfalfa meal for use in poultry mash is showing an increasing demand in Britain. It is estimated that there is a market for about 2,000 additional tons of meal similar to the Western Canada product, according to the Agricultural Department of the Canadian National Railways. It will be recalled that two years ago the Dickson Hill Mills shipped meal to the British market but none was shipped from the mills at the Hill last year. The local dealer for the product consumed the entire output.
