FORMER NEWMARKET MINISTER IS DEAD

Newark, N.J., Sept. 14.—Rev. William H. Hainer, 72, Pastor Emeritus of the First Christian Church, Irvington, N.J., and Dean of Congregational and Christian Church Minister in New Jersey, died today in the Presbyterian Hospital. The son of a clergyman, Dr. Hainer was born in Newmarket, Ontario, one of six brothers and two half-brothers to follow the ministry.

Aurora

Sees Liberal Promises Fulfilled

Declaring that the Liberal record in past years was one of attainments and fulfilled promises, J. Harry Naughton, president of the North York Liberal Association, greeted a meeting of the Women's Liberal Association in Aurora last Wednesday night in the interests of Col. W. P. Mulock, Liberal candidate.

SPECIAL SERVICE

The Rev. Isaac Page of the China Inland Mission will speak at the Ringwood Christian Church, on Monday next, the 23rd of Sept. This representative of this great faith mission which has over 1200 workers on the China field is one of the best-known missionary speakers in America. The mission carries on this work by faith in God—they have never asked anyone for a cent since its organization under the great J. Hudson Taylor in the last century. Mr. and Mrs. John Stam, who were martyred in China last year, were the 73rd and 74th members of this mission who laid down their lives in the great and needy land of China. Miss Mary Hay a talented gospel singer of Toronto will bring special vocal selections.

NEW CHAMBERS OCCUPIED FOR THE SEPT. MEETING

Whitchurch Township Council met Saturday for the first time in the new council chambers only recently erected on the Community Hall grounds at Vandorf. The well proportioned new building, in addition to the chambers, has a private room for the clerk and treasurer, and a fire proof vault all on the one floor, and no longer need fears be expressed about the fire hazard for valuable records of the municipality.

Reeve Newton Rae, Deputy Reeve Earl Toole and Councillors Lorne P. Evans and Jesse Cook were present for the regular Sept. meeting, with Councillor George Leary absent.

The Unemployment Relief Dept. of the Ontario Government advised council that until further notice late in the fall the policy as adopted regarding relief provides that each municipality shall have full charge of detail relief administration within its own boundaries, assisted by monthly grants in aid from the treasury of the province. Heretofore the government paid two-thirds of money spent. Whether they will continue to pay this extent will only be learned after their inspector audits the accounts. It is expected however that there will be no material change in government support for the present.

W. W. Gardhouse, county treasurer, advised that the warden and commissioners of the County of York would meet on the second and fourth Thursday each month for handling business between sessions.

Ralph E. White, agricultural representative, filed with council the official returns for York County concerning the T.B. restricted area vote showing 4091 owners with 3370 voting for the scheme.

The bylaw was passed to appoint R. E. Ratcliff tax collector again this year at a salary of \$300. A new style of tax bill will be issued this year, which is calculated to explain the rates better than was done on the old style slips.

Considerable time was spent in hearing a couple of Newmarket dog owners whose canines were caught killing sheep. They contributed \$43 cash to cover compensation paid by council to the sheep owner Chas. Cook. Armitage. Reeve Rae says he advised farmers to kill any dog caught at sheep right on the spot. Further, the statutes say, "persons may kill any dog found killing sheep or straying between sunset and sunrise on premises where sheep are kept."

Several sheep claims were paid on the following resolutions: Evans—Cook—that treasurer pay Douglas McClure \$24 for three injured and three killed.

Cook—Evans—that treasurer pay H. Shackman \$27 for 4 killed.

Toole—Cook—that treasurer pay A. F. White \$24 for three sheep killed and 3 injured.

Evans—Toole—that treasurer pay Harry Hill \$17 for two sheep killed and 3 injured.

Cook—Toole—that treasurer pay Chas. Cook \$43 for 7 sheep killed.

Chas. Cook was awarded \$10 for bringing about the destruction of two dogs found with his sheep, and Harry Hill was awarded \$5.00 for the destruction of one dog.

North York Plowmen was made a grant of \$20 for their annual match which will be held in the township in October.

Total money voted to pay relief bills for August was \$188.39, and road accounts summed up \$527.73.

SCOTIA'S PREMIER WILL SPEAK FOR COL. BILL MULOCK

Hon. Angus L. Macdonald, premier of Nova Scotia, will visit the riding of North York, Tuesday evening, Sept. 24th, and will address a public meeting in Aurora along with Bill Mulock the Liberal candidate in this riding. Mr. Macdonald is a young man who led the forces of Liberalism to decisive victory in the province down by the sea a little while ago and is the "Mitch" Hepburn of the Maritimes. He is a young forceful speaker and is looked on as one of the coming statesmen of Canada. Last week North York electors heard from Hon. J. G. Gardner one of the western premiers and on Sept. 24th will have an opportunity of hearing the message of an eastern provincial leader. Premier Macdonald will be the third provincial premier to visit this riding in the present campaign. All the electors were invited to hear Hon. Angus L. Macdonald, premier of Nova Scotia, and Bill Mulock, the Liberal candidate, in Aurora, Tuesday night, Sept. 24th.

20 JOBS OPEN

Last week an experienced farm hand advertised in The Tribune for a position and up to Saturday night, we had received no less than twenty applications from farmers who were in need of a steady hand.

What is wrong that so many are classed as unemployed in York County, when one small advertisement reveals so many positions available? Surely if so many jobs are available in this locality, other sections are much the same. No able bodied man need to seek long for a place of employment in the light of such authentic facts as is revealed in this instance. All these applicants are desirous of securing a farm hand for a considerable term, a year or more.

PLOWING MATCH IN WHITCHURCH

The annual plowing match of the North York Plowmen will be held in Whitchurch Township again this year on Wednesday, Oct. 23, on the farm of Davis and Blanchard in the northend of the municipality. The farm is located on the townline of Gwillimbury, just 2 1/2 miles east of Newmarket. Ample land for sod and stubble competitions is available and the match is expected to be one of the best on record. Last year the Association merged their annual competition with the Provincial match at O'Connor's farm, Wexford.

TURNIPS & POTATOES

Turnip shipping commenced last week from the local depot for the first this fall, with the shipper R. E. Brown sending out five car loads, mostly consigned to New York. The initial cars were bought at 17c a bushel, but the price has since eased to 15c, and on Wednesday even showed signs of softening.

Potatoes have been running up to satisfactory levels, when early this week they retailed in Toronto at \$1.25 and \$1.35 a bag. The wholesale price was quoted at \$1.10 and up. Farmers will likely cash in readily at these prices, which are not likely to be maintained when once the heavy shipments from Eastern provinces comes on the market.

ARCHAEOLOGIST VISITS SCENE OF OLD INDIAN FORT

It may be news to the younger generation to learn that an old Indian fort is believed to have once been located on the sixth concession of Whitchurch on or near the Murphy farm. Many relics have been found in the past on the property, and some of them are now in the Museum at Toronto. Last Sunday the scene of the old fort was visited by W. J. Whiteberg, of the Indian Department, Ottawa, Mr. McElwraith from the Toronto museum, and P.M. Pringle, Toronto artist. The Ottawa man has been at St. Thomas for two months digging for relics. He had ten men employed. The party had heard a great deal about the relics found in Whitchurch, and this induced the Archaeologist from the Dominion capital, to visit the sight of the former fort. He expressed the belief that some day the government will establish a National Park on one of these places.

In the days of the Indian trails through this section, the red men travelled from Frenchman's Bay north to Atha and west to Whitchurch enroute to Lake Simcoe. The trail passes the Murphy farm where the old fort is believed to have been located.

UXBRIDGE TWP. COUNCIL

Uxbridge Township Council met at Goodwood on Saturday with Reeve Pickard presiding, and all members present. The Goodwood Women's Institute wrote expressing appreciation of the letter received from council from their July meeting commending the work of the Institute. The letter signed by Mrs. J. E. Wagg, president, and Mrs. Ed Sheehy secretary, said in part that words of appreciation from a governing body like the council, filled them with enthusiasm to go forward to greater work.

Council authorized a letter of appreciation sent to one J. J. Montague, who after losing both legs in the Great War at Vimy, is now working a 50 acre farm in the north of the township. He recently received a medal from King George.

A bylaw was passed repealing all former bylaw on tax penalties and substituting therefore the following:

On all taxes not paid on or before the 15th day of December in each and every year, a penalty of 3 per cent will be imposed and collected, and on all taxes remaining unpaid at 31st December, interest at the rate of one half of one per cent per month or fraction thereof will be added and imposed until said taxes are paid.

The by-law for changing the Municipal Elections to an earlier date was unanimously laid over till a later date to ascertain the wishes of the ratepayers at our next nomination.

The following Road Accounts were passed for payment:

Cecil Wallace, gravelling \$32.50; Harvey Carroll, gravel \$9.20; Ira Redshaw gravelling, \$94.80; James Sharrard, gravel, \$24; W. E. Locke, gravel & gravelling \$246.00; John M. Rae, grease and repairs \$2.50; Ross Middleton spikes and work on grader, \$4.75; D. Shillingford, 40 rods wire fence \$12; Justice Todd repair culvert \$2.00; David Symes drag, cut weeds \$10; Walter Todd, fill at culvert \$9.10; Jos. Jones, plek stones, cut brush & weeds \$10.60; J. C. Ward, cut weeds \$4.00; Fred Redshaw cut weeds \$9.60; J. G. Johnson cut weeds, \$4.00; A. G. Clark put in culvert & drag \$10.80; John Palister put in culvert \$2.00; Howard Storey, haul timber \$2.00; Charles Peasly haul timber \$9.80; T. W. Wilson bridge timber, \$82.12; Pedlar People, Culvert \$60.48; Ingot Iron Co. Grader Blades, \$7.18; Sawyer Massey Co. two grader blades, \$6.68; Uxbridge Hardware bridge timber, \$60.24; Nelson McDowell 35 rods wire fence \$10.50; Fred Jackson grading \$9; Geo. Lee drag & repair to bridge \$18.30; W. Todd haul gravel \$6.30; Ira Redshaw 185 yards gravel \$27.75; Relief Account of \$13.05; Municipal ord supplies, \$13.78; Wm. Parrott sheep killed \$8.00; Jos. Jones \$1.00

DAVID CURTIS DEAD

A native of Mongolia David Curtis died in Winnipeg on Sept. 16, in his 73rd year. Interment takes place at Regina today (Thursday.) The late Mr. Curtis farmed for many years in the vicinity of Stouffville, and went West to enter mercantile business. His wife who was Minnie March (sister of Fred March of Bethesda) survived him some years. There survive two daughters and one son, also two brothers Messrs.—Robert Curtis of Stouffville, and Arthur of Merlin, and one sister Miss Ruth Curtis of Daytona Beach, Florida.

PASTOR'S SILVER WEDDING MARKED BY CHURCH FOLK

A large number of members and adherents of the Stouffville United Church assembled in the basement on Thursday evening to do honor to the pastor, Rev. Thomas Laidlaw and his charming wife, on the occasion of their silver wedding Anniversary.

While the guests were assembling Miss Agnes Kilack rendered several piano selections. Prayer was offered by Rev. Herbert Lee, chairman, and all joined in singing "Blest be The Tie that Binds." An excellent and delightful musical program befitting the happy occasion was presented by several of Stouffville's most talented singers, Miss Anne Lehman acting as accompanist. Those contributing were Mrs. J. M. Storey, "There's a Rainbow Shining Somewhere," Miss Doris I. Ross, "Because," Mrs. H. G. Kellington and Mr. Wm. Hewlett, "Oh, Wert Thou in the Cold Blast," Mr. Carl Broadway, "Kind is My Mary," and Miss Luella Gayman, "I Love Thee." Mr. K. G. Tarr then contributed very acceptably, one of the choice recitations of his earlier days, "In Boughton Yard." The chairman, out of his ample fund of anecdote and wealth of experience, kept the "bride and groom" in constant remembrance of the occasion.

To the strains of the wedding march, the winsome bride, very charmingly attired in the wedding gown of 1910, showing little indication of the stress and strain of the intervening years, and at her side the groom, still light of step and wearing a kindly reminiscent smile, proceeded slowly down the aisle towards the flower-decked platform. Here they came face to face, not with the minister of that earlier day, but rather our good oldswoman F. L. Button, K.C., and Mrs. Blake Sanders, the former gave the address, and the latter made the presentation.

Mr. Button reviewed the ministry of Mr. and Mrs. Laidlaw among us, the consuetive leadership of the pastor the delightful service of song by his partner, their fine community spirit, the growth of the congregation and the improvement of church premises for more efficient work. On behalf of all present he extended sincerest congratulations and good wishes for many years to come.

Mrs. Sanders then presented the large silver serving tray, suitably engraved as the gift of the church.

Responses from the groom and bride in turn were brief, neat, sincere expressions of their reactions, expressing the hope that future years would develop and maintain the finest Christian relationships and accepting the gift as a pledge to renewed service.

At this juncture an interesting coincidence was revealed—Rev. Robert Young and his good wife, lately returned to Stouffville as permanent residents, were also celebrating their wedding anniversary. In recognition of this happy union and of their reunion with the friends of their former pastorate, this esteemed couple were invited to the front where Mrs. D. C. Smith presented to "the bride" a large bouquet of gladioli. Mr. Young in a humorous but earnest reply voiced appreciation and announced his intention of taking an active part in the work of the local church upon completion of a period of rest.

The ladies served a delightful lunch, while all present, extended personal greetings to the honored guests of the evening, who, we all hope, will enjoy many more happy years, together.

55 YEARS MARRIED

Mr. and Mrs. Sam. P. Foote, Bethesda, observed their 55th wedding anniversary on Sept. 8th, at their comfortable home on the 5th of Whitchurch. Both Mr. and Mrs. Foote are enjoying very good health, and the passing years have not in the least dimmed their interest in the wide circle of friendships which they have woven around them—Mr. and Mrs. Foote were married in the town of Uxbridge, lived at Prince Albert for a time, then moved to the 5th concession of Whitchurch Mrs. Foote was the former Laura Banbury.

Few citizens of Whitchurch are more widely known than the genial "S.P." whose advice is so frequently sought, for his extensive municipal experience is invaluable. We join with one and all their friends in wishing for Mr. and Mrs. Foote continued health and happiness in the eventide of their lives.

The Richmond Hill Liberal had a clipping last week from their files back in Sept. 12, 1895, (40 years ago) which stated the thermometer registered 95 in the shade that day.

LOCAL HYDRO RESERVES \$39,525

(By E. George Smith)

Stouffville's total of Hydro reserves and surplus is now \$39,525, its reserve for equity in the Hydro system \$8,912 and there are 430 Stouffville Hydro consumers.

With local, liquid assets in excess of liabilities, Stouffville is one of 102 hydro municipalities which are considered "out of debt."

This total of \$39,525 in reserves and surplus, which compares with a reserves and surplus total of but \$5,277 in 1924, the second year of Hydro operation in Stouffville is itemized as follows in Hydro accounts:

Reserve for equity in Hydro system \$8,912; depreciation on local plant \$2,576; debentures paid \$13,507; and operating surplus \$14,528.

Stouffville's total of 430 Hydro consumers constitutes a growth from 278 in 1924; horsepower used in 1934 according to the latest report statistics was 182 as contrasted with 79 in 1934; total revenues last year were \$12,670 as against \$9,796 in 1924— domestic and commercial revenues last year were \$9,841, as compared with \$8,018 in 1924; kilowatt hours sold for lighting were 338,965 as compared with 69,364 in 1924; and plant capital is now valued at \$27,067 as compared with but 18,193 in 1924.

With domestic and commercial lighting rates last year of 2.7 and 4.8 cents per kilowatt hour respectively, Stouffville enjoyed the low average cost to lighting consumer of 2.90 cents per kilowatt hour.

The rate is much less than the average rates prevailing in even larger United States cities. It has been calculated that the application to Ontario of United States private power rates would add over \$40,000,000 annually to Ontario's electricity bills.

In its efforts to extend throughout all Ontario the advantages of cheap publicly owned power, the Ontario Hydro Electric Power Commission last year instituted special rate inducements including "free power" on certain electrical conveniences, to rural Ontario.

As a result, rural Ontario is becoming "hitched to Hydro" with increased rapidity, 479 miles of new rural line having been authorized this year. At this time last year only 157 miles of new rural line had been sanctioned. About 4,000 rural customers in all are being added to Hydro service in 1935.

NATIONAL LEAGUE CALLS MEETING FOR RATCLIFF'S HALL

The League for National Government will hold a public meeting in Ratcliff's Hall, Saturday evening, September 21st, at which speakers will address the audience on the aims and objectives of the League.

The League for National Government is a non-partisan educational organization, the primary objective of which is to mobilize an already existing large and growing body of public thought which is at present inarticulate and place it in the hands of a strong and aggressive National Council which can make its voice articulate and its influence felt.

MRS. SARAH STOUFFER

As the result of a stroke suffered about a week previously, Mrs. Sarah Stouffer passed away at her home in Cookstown, on September 3rd, in her 75th year.

The late Mrs. Stouffer, whose maiden name was Sarah Barkley, was born in Stouffville, where some fifty-two years ago, she married Aaron Stouffer, who predeceased her over forty years. For the past fourteen years she has resided in Cookstown. She was formerly a member of Stouffville Baptist Church and latterly an active worker in Ebenezer W.M.S. Of a rather quiet disposition, she was a fond and loving mother.

She leaves to mourn her loss two sons and one daughter, Clarence at Fleet, Alta., Willis of Mount Dennis, and Mrs. C. Cook (Ida), of West Gwillimbury; also one brother, John Barkley, at Stouffville.

A short service was held at her late home in Cookstown on Thursday, September 5th, with Rev. Butt, of Churchill, officiating, following which the remains were taken to Stouffville where the funeral service was conducted in the Baptist Church with Rev. McEwan, of Bethesda United Church officiating.

Pall bearers were Messrs. T. Thorpe, L. A. Hartman, Stetham, Kneeshaw, Wm. Gardner, Herb. Nichol and Chas. Jackson.

Interment was made in Stouffville Cemetery—Bradford Witness.
