# YORK LIKES BILL MULOCK

Warm Praise from the Pen of an Admirer

Bill Mulock, the Liberal candidate in North York, in visiting all parts of the riding this week has received an enthusiastic reception from the electors and the swing to Mulock is more noticeable every day. It was just a year ago on Monday last that Mr. Mulock was elected in the byelection with a majority of nearly four thousand votes and with the largest vote ever accorded a candidate of any party in this constituency. Present indications are, his vote on Monday, Oct. 14th, will be larger than a year ago, and his majority Mr. and Mrs. H. J. Carter of Fort much increased. The wonderful reception and as-

surance of support which Bill Mulock is receiving is due not only to the demand of the people for a change from the ruinous Bennett policies but is also due to his own personal popularity. Bill Mulock's and hundreds of electors who formerly were associated with other 10:00 a.m.—Sunday School parties this time are solidly supporting his candidature. The Liberal candidate possesses to a marked degree those qualities of heart and mind which are so necessary for real accomplishment in public life. Above all else he is honest and sincere. He has proven himself an able representative of the people and already has commanded the attention and respect of the Nation and proven a worthy representative for this historic riding. If again elected on Oct. 14th, as he will be, he will add further honor to a name already reverted in the hearts of Mr. and Mrs. John Todd died of a the people of Canada and reflect Chicken Pie Supper.
