**HERE IS THE RECORD—FACTS, Not Theories ACTS, Not Promises**

**Bonus For Dairy Farmers**

A fund of \$1,000,000.00 has been set up from which cheese milk producers will receive a bonus of 1½c for every pound of cheese made from milk shipped to the cheese maker. By diverting milk from butter to cheese, this will help both classes of dairying, as lessened butter production will bring higher prices.

**Widening Empire Markets:**

Through the Ottawa Agreements of 1932, the Conservative Government secured preference, by quota and otherwise, in the markets of the Empire for Canadian farm and other primary products. As a result, the total value of Canadian exports to Empire countries has increased by \$118,000,000.00 in the past two years.

**Protecting Canadian Markets:**

When the United States, in the Spring of 1930, enacted tariffs that effectively barred Canadian farm products out of that Country, the Conservative Government, as soon as it got into office, provided tariffs on farm goods that preserved the Canadian market for the Canadian farmer.

**Wheat Board Established:**

Under legislation passed at the last session of Parliament, the Wheat Board was established, by means of which the Canadian Wheat crop can be marketed systematically and at the best possible prices obtainable. The Board is designed to protect wheat prices from unscrupulous speculators.

**BETTER WHEAT PRICES**

The minimum price which Mr. Bennett has set on western wheat will undoubtedly be reflected in increased prices for the Ontario grades, resulting in increased revenues for the Ontario farmer.

No Government in one term of office has done so much for the farmer, all farmers; the wheat grower, dairy farmer, mixed farmer.

**Goodwood**

The Baptist Young People held their election of officers last Thursday night. They are: President—Jean Slack; Vice President—Lorna Wag; Secretary—Nellie Jones; Treasurer—Reuben May; Pianists—Edna Brignall, Grace Wag; Supt. Bible Reader's Course—Olive May; Group Leaders—Olive May, Ethel White, Mrs. Henderson, Daniel Wag. Satisfactory reports were given from all departments. Average attendance last year 33. A very enjoyable meeting of the Young Men's Class was held last Monday evening in the United Sunday School room. One of our members, Mr. Lorne Tindall led in an interesting discussion. From this time on the class will be recognized as the Goodwood Albert Bible Class. On account of the report in the Star last Saturday evening of the serious accident that befell Mrs. Wilbert Legate in Toronto, Miss Zana Legate left for the city to be with her. We understand the accident was the cause of an auto hitting Mrs. Legate and her sister while crossing the street.

**BETHESDA**

Mr. and Mrs. Clifford Burkholder visited with Mr. and Mrs. Arthur Steckley on Sunday evening. Mr. and Mrs. A. B. Sheffer spent part of Sunday at Mr. and Mrs. Parker Smith's near Newmarket. A very happy foursome from this district motored to Aurora last Wednesday to attend the inter school field day held there. Two of our enthusiastic young men, just in the prime of voting years, specially asked that the local correspondent send out their request which is "Vote for Bill Mulock." Saturday afternoon all cars wended their way toward Markham Fair. Almost all families from Bethesda were represented and everyone enjoyed meeting friends at every turn. As soon as a short conversation was finished with one friend not seen for a long time we continued on wondering whom we would encounter next. Good old Markham Fair, a place where everybody meets everybody else.
