MAN WHO HELPED HEW VILLAGE FROM WOODS IS DEAD

The death of John Boadway at Kettleby Wednesday last week following about two months illness, removes a native son of Stouffville born here 84 years ago. His parents were Peter Boadway and his wife Rachael Yake pioneers to this district. A brother of the deceased, our Isaac Boadway, tells us that he remembers when his brothers William and John were young fellows they were given a contract by the late Edward Wheeler to cut eight acres of cordwood from the land now forming the north-west corner of the village, much of which is occupied today by houses. Some of the cordwood was sold to the Grand Trunk Railway which had just established the line through Stouffville. "It was just 64 years ago when my brothers cut the wood, and Mr. Wheeler was a little afraid they would not get it done on time," said Mr. Boadway to The Tribune.

The late John Boadway who farmed near Kettleby in King Township for long years is survived by his wife who was Ellen Ramsden and who reached her 84th birthday on October 10. There is one son Wilber of Newmarket, and two daughters Mrs. Leslie Mount of Kettleby and Mrs. Ellis Pratt of Thornhill, also two brothers Isaac of Stouffville, Peter of Markham, and one sister Mrs. Jas. Drewery. Deceased is survived by 17 grandchildren.

The funeral was held on Saturday from the late home to Kettleby cemetery for interment.

GORMLEY

Friends will be looking forward to the coming anniversary services of the Mennonite congregation here which was organized about fifty-two years ago. November 3rd will be observed to commemorate the event, when Rev. D. Chateau, evangelist, will be the preacher for day, bringing two messages. One morning and evening, with Mr. O. Ramer preaching in the afternoon. Music will be supplied by the Kinsmen Quartette, Toronto, and a profitable time will be anticipated.

It is interesting to note that Mrs. D. Hoover was the first member of Gormley congregation over half a century ago. Mr. Isaac Pike, veteran teacher and preacher, opened the Sunday School here at that time. The present fine brick church was erected and dedicated in 1931, when the charge was part of the Markham circuit. The present pastor is Rev. Shantz, who is doing fine work here.

COMING !!

Stouffville and community are again in line for a special treat this fall as the Jr. Women's Institute have been fortunate in securing "Sonny-Jane" the hilarious 3-act comedy given by the Markham Dramatic Club, in that village, on the nights of October 4 and 5. The town hall on both these evenings was crowded, standing room being hardly available.

Now the girls are asking your support from this community on the evening of Friday, Nov. 1, at Ratcliff's Hall. We promise you an evening of real entertainment.

Orchestral music between acts, doors open at 7.30, programme beginning sharp at eight. Admission 25 and 15c. Plan to come and bring your friends.

MASONIC BRETHREN HONOR MEMBER OF 42 YEARS

Dr. D. C. Smith Decorated with Regalia of Grand Stewart.

Declaring that but two men who had served as Worshipful Masters of Richardson Masonic Lodge, Stouffville prior to the year in which he filled that office in 1899, were alive today, Dr. D. C. Smith gave an interesting reminiscent address before nearly 150 members and guests from all over the jurisdiction on Friday evening in the Ratcliff block. It was the occasion of the presentation of regalia to Dr. Smith who had recently been appointed to the office of Grand Stewart by the Grand Lodge of Canada. The gift was made by his brethren in the local lodge, who also tendered him a banquet to mark the event.

The banquet toast list was presided over by Mr. J. F. Reid, worshipful master, and Dr. Croach, Toronto, proposed the toast to Grand Lodge, responded to by J.P. Henderson, Birchcliff, district deputy grand master. Mr. H. C. Tugwell, Toronto, proposed a toast to Dr. Smith, to which the guest of the evening made an impressive reply. Dr. Smith said he was deeply touched by the kind words and sentiments expressed on this occasion, and for the mark of esteem paid him by his local brethren who had bestowed on him the regalia of his high office. Referring to the history of masonry in Stouffville he dealt with the various periods since the local lodge received its charter in 1860—75 years ago. He recalled his acquaintance with James Bowman, the first ruling master, and at whose funeral he acted as pall bearer in 1902. For years the lodge was practically officered by men from Toronto, including outstanding public men in their day, such as the late John A. McGillivray and Dr. Ohronoteka.

Dr. Smith said he was first made a mason 42 years ago, and served as W.M. in 1899, and only George Collard and John McGrath are left of the past masters of 36 years ago, still active men in the district. He paid tribute to men like the late W. H. Todd for his long years of service to masonry, and as one of the many who had passed on. The late W. H. Todd, joined the order in 1880, he said, and his death severed a link that had bound them in brotherhood for many years.

Prior to the banquet served by the wives of the local masonic brethren the lodge assembled in their own rooms in the Lehman block, where Rt. Wor. Bro. John Ness, Toronto, formally presented the collar and apron bedecked with heavy gold lace and gold plated insignia of office on Dr. Smith.

THANKSGIVING MARKET

There was a very fair market in Stouffville on Tuesday, the occasion being Thanksgiving market. While it could not for a moment compare with the crowds that came to town 20 years ago on market day, it was a larger one than usual for the present time. Poultry came in fair quantity, excepting ducks which were not to be had at all. Geese ranged from 12 to 14c, chicken 15 to 20c, eggs 30 to 33c a dozen, and butter 20 to 23c pound.

MR. HARRY WORLING

RETURN TO NEW YEAR ELECTION IN TWO PLACES

Up in Bruce County they have been experimenting with the earlier date allowed under the Statutes for municipal election, and after an actual trial reverted to the old date of holding the nomination on the last Monday in December with the election the first Monday in January. The Chesley Enterprise reports on the matter thus:—

Chesley Council has done the right thing in changing the date of municipal nominations from the last Monday in November and first Monday in December to date one month later. This is on account of the abbreviated financial statement on the last of November without the last payment of taxes not appearing and being of little information to the ratepayers. Elderslie township experimented with the earlier date and changed to the latter as the financial statement afforded so little statistical information and the council considered it was a waste of municipal funds in having a partial statement of the township's affairs printed. The Enterprise favored the earlier dates when the statutes first gave councils the privilege of making the change but we, too, have changed our mind as the actual working out of the earlier date has not been satisfactory, especially since the depression set in when taxes have been difficult to collect even at the later date.

SUNDERLAND NEARS THE TOP

The snappy Sunderland Baseball nine, which nosed Stouffville from the local league championship this summer, have travelled along until last week they came to grips with Courtwright, the only team between them and the Ontario championship. Courtwright came up from near Windsor for the first game, meeting Sunderland in the Brock village, only to be beaten by a 3-2 score, with the visitors complaining of receiving several alleged raw decisions at the home plate. On Saturday, Sunderland travelled down into southwestern Ontario where Courtwright apparently plays better ball than they displayed in Brock township, for they took the local champions for a ride to the score of 17-5. A third game will have to be played this week with the best two out of three being declared champions of the O.B.A. town groups.

All the local baseball fans are cheering for Sunderland, but they admit that Courtwright will be a hard team to defeat. Sunderland may have been thrown off their stride because of the long motor trip to the Windsor district, but wait and see what will happen when the teams meet at Guelph or some other point that will divide the travelling distance.

His Passing Recalls The Tragic Death of His Three Children From Diphtheria 40 Years Ago

The death of Frederick Harvey Quantz at his late home on the 8th concession of Markham, removed from the municipality one who has been all his years there. He was in his 76th year, and was born at Cashel where he spent most all his life, farming the corner farm so well known to a wide circle of acquaintances. He was a member of the Peachs Church, and a quiet industrious man, like his father before, the late Frederick Quantz. The late Harvey Quantz was twice married, his first wife being a Jennings. To their union three children were born, and a tragedy, fresh in the memory of older people was the death of the three at the one time from diphtheria when they were but children. Mr. Quantz is survived by his second wife, whose maiden name was Maria Brownberger. They had no children. One sister, Mrs. John Houck of Cashel also survives him. Since retiring from the farm at Cashel they lived a mile and a quarter north of Mount Joy where Mr. Quantz passed away.

LOCAL FARMERS ARE CHAMPIONS PROVINCIAL MATCH

York County and Stouffville farmers scored signal success at the International Plowing Match held in Haldimand County last week, and attended by over 100,000 people. There were during the four days 544 plowmen competing, and some of the choice wins came to Stouffville farmers.

For the second straight year the York County team composed of Ivan Raymer, Norman Jarvis, and Lewis Wells (Lemonville), won the inter-county competition and the farmer trophy over Haldimand County team their nearest rivals. There were 13 counties in this competition.

Win Timbers won first in high cut, Fred. Timbers first with 2-furrow tractor, and Harry Pugh 3rd Wednesday and first on Friday with 3-furrow tractor. Percy Brown, employed on Lloyd Turner's farm captured a second prize.

Among those who attended the match from this district as spectators were R. E. Ratcliff, Jim. Hall, Elmer Wells, Allan Lewis, Melvern Emmerson, Donald Harper, Norm. Steckley, Floyd Steckley and Arthur Paisley.

SUPPING BEER AT LAKE BRINGS FINE

James F. Leeder, 24, King Township; Albert Ryman, 19, N. Scott, 20, and Harold Billings, 19, Aurora, were fined \$10 and costs each in County Police Court on Monday for consuming beer in a motor car at Wilcox Lake on Saturday night.

Constable John Williamson, Whitechurch, and Constable Robert Windsor, Wilcox Lake, testified to seeing the four youths in a motor car, each with a quart bottle of beer, half filled, between his knees and a paper cup in his hands.

"Don't you boys realize that you can't have beer till you are 21 years of age? I am reducing the charge because under illegal possession you would be fined \$100 to \$1,000 or three months," said Magistrate Keith. "You may not always get a counsel who will give you the benefit of his advice—free

MARKED 87th YEAR

The 87th anniversary services of the II Markham Baptist Church were held on Sunday and Monday, October 20 and 21 with Rev. W. S. Whitcombe, former pastor, but now a professor in the Toronto Baptist Seminary, as the special speaker on Sunday and Rev. Thomas Mitchell late of Edmonton, but now of Ringwood, for Monday evening. The church recently repainted, was profusely decorated with flowers for the occasion.

Mr. Whitcombe's morning discourse was from Gal. 3:13 showing the Bible teaches all men are under a curse because of sin, but God allowed the curse to fall on Christ so that we might be free from the curse. The deliverance is offered to all who will accept it. His text in the evening was from John 14:6. He declared that Jesus was, not only the truth, but the source of all truth also that He not only lived, but was the source of all life and that because He was both the truth and the life He was therefore the way. He defined "way" as the path from the starting point of the individual to his goal. People come in contact with us here but cannot go with us when we depart from this life. If Jesus is permitted to come in contact with us here, He will take us to our eternal goal, Heaven.

The church was well filled for the morning service and packed at the evening service. Thus Rev. Mr. Whitcombe was well assured of the warm reception always awaiting him in the hearts of the people of this district. The choir from Baker Hill church rendered special music in the morning while the Misses Mary and Violet Hay of Toronto sang three numbers in the evening.

The rain on Monday evening may have affected the enthusiasm of some of the would-be church goers as the attendance was not what might have been expected. However those who were there, greatly enjoyed the address of Rev. Mr. Mitchell from Jos. 3:35 "Sanctify yourselves for tomorrow the Lord will do wonders among you." He stated in the beginning that God sanctifies by His Holy Spirit, yet there are ways by which we help or hinder the process. We help by the habit of withdrawal from the things of the world, by the habit of concentration on the things that are good and by the habit of receptivity. The wonders manifest themselves in our spirit, our body and our environment. The male quartette from the Peachs United Church rendered special music

FORMER LOCALITES MARK 50 YEARS MARRIED

A golden wedding celebration at Minnedosa, Man., as recorded in the Winnipeg Tribune, is of more than passing interest to our readers because the principles in the affair are a former well known Ballantrae couple, Mr. and Mrs. Gray. Mr. Gray is a brother of our Mrs. Sandy Stewart, Mill street, and Mrs. Ira Russell, Victoria street, Stouffville, and Russel Gray, Con. 3, Whitechurch. The Winnipeg Tribune says:—

"Surrounded by their children and four of their seven grandchildren, Mr. and Mrs. William Hamilton Gray, residents of Minnedosa and district for 47 years, observed their 50th wedding anniversary, Wednesday, at their home in Minnedosa.

During the day a reception was held in their honor at which Mr. and Mrs. Gray received the congratulations and best wishes of their numerous friends and relatives. Both are enjoying excellent health, and, although Mr. Gray retired from active work several years ago, he still takes a keen interest in the affairs of the community.

Mrs. Gray was born at Mount Albert, on July 22, 1863, a daughter of Mr. and Mrs. James McCarty. She received her education and spent her youth in Ontario schools.

Mr. Gray was also born in the county of York, at Ballantrae, on Sept. 25, 1862, a son of Mr. and Mrs. Edward Gray. The anniversary of the golden wedding was also Mr. Gray's birthday, being 73 years of age.

On Sept. 25, 1885, Mrs. Gray, whose maiden name was Margaret Jane McCarty, was united in marriage to William Hamilton Gray. The ceremony took place at the home of the bride's parents in Mount Albert.

After farming for three years in Ontario, Mr. and Mrs. Gray came to Manitoba and settled on a farm 11 miles south of Minnedosa. They came to Minnedosa with their family in 1907, when Mr. Gray was appointed warden of the local coal, which position he held until 1910, when he accepted a position with the Canadian Pacific railways.

He retired from railroading in 1927, and returned to Ontario, where he spent the following three years. He returned to Minnedosa in 1931, and have since made his home here. Both are members of the United Church of Canada, having been members of the Methodist church prior to union. Mrs. Gray is an active church worker and a member of the Ladies' Aid. In politics Mr. Gray is a stiff conservative.

Mr. and Mrs. Gray are the parents of four children, three of whom are now living. They are: Mrs. E. J. Bebdome, Gary, Ind., U.S.A.; Mrs. Hilton G. Smith, Minnedosa; and Mrs. George Andrews, Minnedosa. A son, Harold, died in Sarnia in 1932. Seven grandchildren and six great-grandchildren are also living.

BETHESDA NEW JR. INSTITUTE

Mr. and Mrs. Harold Phillips from Niagara Falls were Sunday visitors with Mr. and Mrs. William Hunt.

Mr. and Mrs. A. B. Sheffer, Mr. and Mrs. William March and Bobby of Aurora and Mrs. D. Snider of Stouffville had Sunday dinner with Mr. and Mrs. Louis Brillinger.

A group of young men from here motored to Caledonia last Thursday where the Provincial ploughing match was held.

Last Thursday afternoon marked the end of the Friendship Circle and the beginning of the Bethesda Jr. Women's Institute. The meeting was held at the home of Mrs. Arthur Steckley and the attendance was large. Mrs. Reesor President of the Institute for this district was present to read the rules and formally organize the Bethesda Branch. Mrs. Graham, District Secretary was also present. We wish the newly formed organization much success in the future.

The Junior Institute is holding a Halloween party on Thursday evening, October 31, at Mr. and Mrs. Chas. Atkinson's home. Everyone is requested to come in costume. The witch will be there to tell your fortune, ghosts will escort you, etc. Refreshments to be brought by the ladies, will be sandwiches, pumpkin pie and candy.
