# CELEBRATE THEIR ANNIVERSARY

Unusual enthusiasm prevaded the anniversary occasion of the Stouffville United Church congregation held on Sunday with special services both morning and evening, and a supper and concert on Monday. The Sabbath services were well attended, with capacity congregations to hear Rev. Dr. Thomas Mitchell who did not disappoint his congregations who came in anticipation of hearing addresses of rare ability and carrying a note of helpfulness.

He believes we are approaching the day when the minister will throw his messages on the walls of the homes of his parishoners, and will call his families to a stimultaneous family worship. In that day life will be religious, and religion will be life.

In closing the preacher stressed the fact that each of his hearers could help to make the church of today into the Church of Tomorrow.

The evening text was Luke's word in chapter 4:14, "And Jesus returned in the power of the spirit into Galilee." What would it mean, said the speaker for you and me to be called to go out to our tasks in this power? He was sure that in such a ness of co-operation, and a new November 11.
