Our bread is real food. It's the food that belongs on your table. It's the bread that will help build up the health of your family. It's the bread that you should order by name to avoid substitution and that's a rather important thing to remember.

Miss Kathleen Steekley was a weekend visitor with Mr. and Mrs. E. Hunt of Gormley. The W.M.S. is holding its November meeting at Mrs. Hunt's on Wednesday afternoon of this week.

Smiles'n Chuckles! Not the kind that pop forth from every dimple in Fred Allin's cheeks and wreaths his mouth in a continual, happy, grin. Why? Oh! it takes a baby girl to do the trick. Congratulations.

The members of the Jr. Institute will please notice the change in the date of their next meeting. It will be held at Miss Anna Bolender's on Thursday, November 14 instead of the third Thursday in the month. At this meeting, a course on "suppers" will begin and it is hoped that every member will be there, alert and ready to absorb all the ideas given, and then to go home and make a practical application of the lesson learned by preparing the same dish for family.

At the Hallowe'en party of last Thursday night, approximately eighty guests were present and all were in costume but fifteen. Ghosts, Jaibirds, Chinese, Ethiopians, Italians, Pirates, all mingled together and there was no scrapping either. A huge witch of massive proportions took first prize and also told your fortune when you visited her (?) in the cave. With such a crowd it was difficult to carry out the program planned but even so the Hallowe'en spirit was thoroughly aroused. To climax the evening we had the earthquake which topped off everything.

Last Friday night there was a splendid attendance at the meeting which celebrated the 40th anniversary of the W.M.S. in Bethesda. The front of the church was prettily decorated with house plants, autumn flowers and artificial bouquets. Directly in front of the pulpit, was placed a three story cake with forty tiny, pink candles on it which later were lighted by Mrs. D. Snider and Mrs. A. Andrews. The cake was made by Mrs. Wm. Hunt. Mr. McEwen was chairman of the entire meeting. Music was rendered by the local choir; two duets were also given by Mrs. Roy Morley and Miss Lottie Atkinson. It was very interesting to hear read the minutes of that first W.M.S. meeting, forty long years ago. Of the several names read from the roll call of that gathering, three were present on Friday evening being Mrs. William Powell of Aurora, Mrs. A. Andrews, also of Aurora and Mrs. D. Snider of Stouffville. A very touching part of the program was when Mrs. McEwen conducted a short memorial service to those members of forty years ago who had passed away. As each name was read a flower of beautiful, pure white chrysanthemum was placed in a vase, making a lovely bouquet when all were arranged. Mrs. Jones of Markham gave the address, outlining the great work done by the W.M.S. throughout the whole world, mentioning some very interesting historical points in connection with it. Mrs. Jones and Mrs. Kirby, of Markham, gave suitable readings. At the close of the meeting the cake was cut and served to all those present. We give our deepest thanks to all those who helped in any way to make the meeting a success.

Goodwood

The third and last administration of toxoid for diphtheria will be given on November 8. Mr. and Mrs. J. E. Wagg visited on Sunday with her brother, Thos. Forsythe in Toronto.

The hunting season is here again. A number of sports are planning to leave for the north some day this week.

The Ladies' Aid of the Baptist church met at Mrs. Fred Woodland's Tuesday evening. There was a thanksgiving program.

Stewardship group led the B.Y.P.U. meeting at which there was a good attendance. Miss Ethel White took the topic "Mr. and Mrs. Stafford sang."

Visitors with Mr. and Mrs. Ernest Morgason for anniversary Sunday were Miss Edna Lemon, Miss Beatrice Adams, Toronto, Wm. McIntosh, Brampton.

Come one, Come all, to the Big Chicken Pie Supper at the United Church, on Friday evening. Lots of chicken, and other good things followed by a play "Wild Ginger." Come and make this Thanksgiving Supper the best yet.

A fair attendance greeted the "Alert Bible Class" meeting in the United Church on Monday evening. Howard Haynes and Rev. Mr. Burry led the opposing sides on two live questions. Dean Wagg led an interesting recreation contest. Come again November 18.

United anniversary services were very largely attended. Rev. Mr. Clare, of Brechin accompanied by his quartette from Udney, one of his appointments, also Miss McDowell, A.T.C.M. pianist who also rendered a solo with guitar accompaniment, the tenor of the quartette joining with her in the chorus of her selection. In all it was well worth while. Rev. Clare's text for the evening service was "The Great Invitation," a well chosen text and his sermon was certainly inspiring.

Yes! Hallowe'en is over, and glad are we to state, But really now, that earthquake, was bad as sure as fate. And Oh! how thankful we should be, As people in a country grand, To know we did not suffer loss, And still are here allowed to stand With homes unharmed, though much alarmed, were people far and wide. We're pleased to know that we must be on higher powers side. For things like that are sent from one who knows our faults and failing too. So perhaps its just a warning, That finer things we better do. And see if that will help our land, For right and right alone will stand Let's try.

Last Sunday was a day of anniversaries. In addition to the observance at the United Church in town, the church at Goodwood also observed their anniversary, as well as the Mennonite church at Gormley. Large congregations greeted all three churches.

BLOOMINGTON

A daughter of one of our former well remembered Bloomington families passed away in Toronto on Friday last, when death claimed Mrs. Austin Wagg in her 51st year. Interment was at Pine Hills cemetery at the east end of Toronto. Mrs. Wagg's maiden name was Luta May Patterson, and besides her husband is survived by one daughter and one sister who is Mrs. W. E. Morden of this place. The late Mrs. Wagg was born and raised in our community.

Bloomington Anniversary — The 43rd Anniversary of the Bloomington Christian Church, will be held on Sunday next, November 10th.

Rev. Thomas Mitchell, D.D. will be the speaker at 11 a.m. Music by Miss Alma, and Mr. Eugene Baker.

The evening service at 7 p.m. will be in charge of the Kinsmen quartette. Mr. Oliver Ramer will bring the message. We invite all to worship with us at these services.

YORK PLOW BOYS HAD GOOD SUCCESS

Forty-five Junior Farmers competed in the Annual Home Plowing Competition for York County. This is a record number of boys to compete in this Competition and the judge, Mr. Wm. Doherty, made the statement that the work was equal to that of the Provincial Match at Caledonia. One hundred and fifty plow boys and their parents and friends were in attendance at the banquet catered to by the Vellore Women's Institute. Included among the guests were Mr. A. J. H. Eckardt, Mr. and Mrs. J. P. MacGregor, Mr. C. H. Hodge, Miss Ethel Chapman and Miss Betty Wallace, all of Toronto; Warden George Kellam, Reeve of Richmond Hill and other councillors of the local municipalities. A very fine musical programme followed the supper. Harvey Leek, president of the County Jr. Farmers, acted as toast master. Among the artists were John Walsh, accordion player; the Elder Quartette; and Gordon McMillan and Sam Davidson. Miss Ethel Chapman of "The Farmer" was the guest speaker.

This was also made the occasion for presentation of the trophies won by the York County Plow Team at the Provincial Match. Mr. C. H. Hodge, Editor of "The Farmer," made presentation of their beautiful trophy with miniature cups for the members of the team. The following boys constituted the team which stood first among seventeen Counties: Ivan Raymer, Milliken; Norman Jarvis, Milliken; Lewis Wells, Lemoville. Miss Betty Wallace of the Institutes Branch made presentation to the girls of their prizes for their project work during the year. The prize list for the Plowing Competition was financed through donations by township councils, manufacturing and business firms and private individuals. The following are the first and second prize winners in the Home Plowing Competition: Class 1 — Sod — Wm. Tapscott, Milliken; Lewis Wells, Lemoville. Class 1A — Stubble — Allan Gray, Stouffville; Cameron Kennedy, Agincourt. Class 2 — Tractor — Ross Couperthwaite, Agincourt; William Kennedy, Agincourt. Class 3 — Walking Plow — Roy Couperthwaite, Agincourt; Andrew McClure, Woodbridge. Class 4 — Tractor — Allan Crone, Mount Albert; Denzil Oldham, Mt. Albert. Class 5 — Boys 16 years and under — Melbourne Emmerson, Stouffville; Roy Smith, Gormley. Beginners' Class — Hartley Sellers, Agincourt; Howard Turton, Lloydtown. Class 7 — Beginners' Class for 3 north townships — Russell Harrison, Mt. Albert; Alex. Hunter, Mount Albert.

There are two specials which might be noted — the Jas. McLean special for the best finish in the boys' class was won by Melbourne Emmerson of Stouffville; the Wm. Doherty special for the youngest boy competing was won by Russell Watson, son of Robt. Watson, Woodbridge, a well-known plowman at local and Provincial Matches. Russell Watson at 10 years of age, plowed a remarkably good land.

All the members are urged to be present and bring their catalogues and lists of new books. One hundred years ago, on November 25, 1935, Andrew Carnegie was born in Dunfermline, Fifeshire. SLOW PAYS WILL BE LEFT IN THE DARK

When Clerk J. S. Dougherty revealed that he had extended the time for cutting off the current from those householders who failed to comply strictly with the conditions on which electricity is sold, he was told by one of the councillors at Monday night's meeting that he would be held strictly accountable for any loss resulting. No extensions will be tolerated, it was stated, and in future no extensions beyond those provided in the bylaw will be given. Stouffville hydro customers in arrears may as a result expect their current to be disconnected without days of grace.

CHURCHILL The Churchill Women's Institute will hold their monthly meeting on November 12th, 1935, at the home of Miss Marjorie Clark. Roll call to be answered with a remedy for colds — Burns — Blood Poison. There will be a quilting with a Pot Luck lunch. Each member bring one thing. — Everybody welcome. International Opens Nov. 30 Preparations are under way to receive a record breaking entry of live stock and farm crops at the 1935 International Live Stock Exposition which will be held for the 36th year at the Chicago Stock Yards. The Exposition will take place from November 30th to December 7th. The show will be staged in the mammoth new amphitheatre, constructed last year on the same site as the buildings that had housed this largest stock show on the continent since 1900 and which were destroyed by fire in the Spring of 1934.

Cost of Horsepower Professor L. G. Heimpe of Macdonald College, says: There are 192,174 farms in Ontario, and figuring the horsepower cost at 12 1/2 cents per horse hour, or \$1.25 per day, the horse-power bill for the province would be \$39,529,000 annually. There are also 19,000 tractors in Ontario and their operation cost per hour is in the neighbourhood of 70 cents. Adding together the horse-power cost and that of tractors brings the total bill to nearly \$43,000,000 per year. Both mechanical and horse-power represent actually expenditures, and waste of power due to dilapidated condition of machinery causes losses which are just as real as those due to low crop yields.
