GRAY COACH LINES

SABBATH ROOST RAIDERS MADE A DARING STEAL

A rather spectacular robbery occurred on Sunday when roost raiders visited the farm of W. F. St. John just east of town, in daylight, and made off with about 40 hens. The family decided to go visiting, and left home in the middle of the morning, returning before 8 in the evening when they discovered the robbery. Tracks of a car were clearly visible to the garage which adjoins the hen pen.

No one appears to have noticed a car on the St. John farm during the day, although Lloyd Turner lives just across the way to the west states that his dog set up a big noise about 3 o'clock and had to be called in the house to be quieted. The animal may have sensed something wrong, it is thought. Being the Sabbath Day, a truck would not likely have ventured on the roads for such a mission, and the tracks indicated that it was a passenger car in which the birds had been conveyed. It would also appear that the robbery was carried out by someone who knew the movements of the St. John family, which had only suddenly decided in a hurry to make the trip from home on that particular day.

That a sneak-thief would operate in this way in broad daylight, is something to be wondered at. Can they be in the neighborhood? Could strangers possibly have known the family was away? These are questions for the police to ponder over, and we understand they are at work. This manner of theft smashes the old proverb, which says "the better the day, the better the deed."

STOUFFVILLE JUNIORS WIN 5-1

The first hockey game of the season for Stouffville's Junior squad was played in Markham against East York on Thursday night last. The local gang threw everything they had into the game and the score was quite descriptive of the play.

Due to the condition of the ice and the fact that it was a pre-season tilt accounted for considerable "bush whacking" throughout. Stouffville being short two of their star performers, namely Spencely and Draper a shift in the lines was necessary. A couple of less experienced subs were brought into play but on the whole gave good account of themselves.

The first period was rather ragged neither team having any advantage. Following a scoreless opening stanza the boys went to work with a will and Murray Holden opened the score sheet on a pass from John Button shortly after the beginning of the second. The locals went into the third period with a two goal lead which was added to on three occasions by Ashenurst and Nerlick. During the dying moments Lou Morden staged a short fistie struggle at centre ice but was speedily banished along with his East York opponent for five minutes by Referee Johnson. With less than five minutes to play off the final stanza the Yorkers sent everyman into Stouffville territory and succeeded in robbing Vic. Paxton of a 5-0 shutout.

The star performer of the game was unquestionably Ernie Nerlie the centre player for the local's second line. He packs a shot that would make Connacher blush and his quick shifts and bursts of speed proved the highlight of the game.

THE NEW AFRICA IN THE MAKING

An Illustrated Travelogue by Denzil G. Ridout

100 Hand-Coloured Views

A most interesting coloured illustrated travelogue, on Africa, will be given by Rev. D. G. Ridout, F.R.G.S., in the Stouffville United Church, on Monday evening, January 13th, at 8 o'clock. These views have been so much in demand that although we endeavoured to secure them in October 1935, the earliest date for which they could be booked was after the new year. Mr. Ridout has recently returned from a 30,000 mile tour to and through Africa. "The Star Weekly" says, "It is doubtful if a finer collection of human interest photos has ever come out of the dark continent."

This programme will be made doubly interesting by having Mr. R. K. Williams, baritone soloist of Kimbourne Park, United Church, and Mrs. R. G. Williams organist, assisting in making this evening a profitable and entertaining one. Come and bring your friends. Silver collection will be taken during the evening.

REEVE GETS RECORD HIGH MAJORITY

There were two highlights to the election results in Whitchurch on Monday, when Reeve Newton Rae was returned with a majority of 348 votes. Firstly it will go down on record as one of the tightest votes polled in recent years. Of a possible poll of 2400 votes only 790 voters went to the polls. Secondly, the majority was one of the heaviest. The opinion prevalent was that an election was unnecessary. However, now that it is over, the 1935 council should feel proud. Their action in building the township hall has been vindicated by the ballot, also their manner of wiping off tax arrears.

Mr. Herman Kidd, defeated candidate, had been in the council for nine years, and was defeated a year ago by Mr. Rae by 97 votes. Up to that time Mr. Kidd had an unbroken record.

Reeve Rae is now starting his second term, but had two years as deputy in 1933-1934.

The vote by polls on Monday was:

For Reeve of Whitchurch	Kidd	Rae
Wilcox Lake	16	96
Bethesda	31	31
Lemonville	15	101
Bloomington	11	88
Bogartown	2	39
Pleasantville (4th)	6	122
Cedar Valley	38	46
Vivian	102	46
	221	569

Majority for Rae 348

INAUGURAL COUNCIL MEETINGS

All municipal councils will meet on Monday January 13 for their inaugural session of the year. Township Councils will hold their usual daytime sessions, while in Stouffville council will be sworn in at 11 o'clock and adjourn until evening.

VICTORIA SQUARE NEWS

Mr. and Mrs. W. F. Nichols, Mr. and Mrs. L. L. Nichols and Mrs. R. Ratcliff met with quite a serious accident while on the way to attend a funeral at Parkhill. The car was badly damaged and Mr. L.L. Nichols received cuts about the head.

The community was startled at noon hour when the dreaded cry of "fire" came over the local telephones. The location was the home of Mr. Clare Sanderson, Fifth Ave. Help which came in large numbers, and also Unionville and Richmond Hill Fire Brigades failed to save the structure, which now lies in ruins. The two-story seven room structure erected in 1926 was of fire resisting construction, but the blaze which originated in the upstairs, defied all efforts of fire fighters. All furnishings on the ground floor were removed to safety. But dense smoke prevented removal of furnishings from the second story. The sympathy of the community goes out to Mr. and Mrs. Sanderson and their family in the loss of their home.

ANGLICAN PASTOR'S FAREWELL

Rev. J. J. Robins, rector of Markham and Stouffville Anglican parish, has tendered his resignation and will preach his farewell sermon here next Sunday afternoon at 3 o'clock. Rev. Mr. Robins is going to Bolton, and his departure removes a minister whose outstanding pulpit oratory has no peer in this district, and he will therefore be greatly missed by his people here. The larger part of the Anglican parish is stationed at Markham village, where the rectory is also located.

LATE DAVID HILL

Richmond Hill lost one of its best known and most highly respected citizens, Tuesday evening, Dec. 31st, in the passing of David Hill. A resident of that village for forty-four years he earned a reputation for industry and integrity and his death removes one who for nearly half a century was actively associated with the business and public life of his community. The funeral was held Saturday afternoon with a private service at the house at 2.30 o'clock followed by a public service at 3 p.m. in the Richmond Hill United Church which was attended by many members of the Masonic Lodge of which the late Mr. Hill was an outstanding member for many years.

The late David Hill was born in 1863 in the County of Antrim, Ireland, and was the fourth son of the late Captain James Hill who sailed the seven seas as a master mariner for many years. He came to Canada with his parents at the age of eight years and in his early manhood followed in his father's footsteps and followed the life of a sailor, sailing with his brother the late Sam Hill on the Great Lakes until 1891 when he moved to Richmond Hill. In that year he founded the business firm which for the past forty-four years has been known throughout York County as David Hill and Company.

Prominent in fraternal circles his passing will be mourned by a very wide circle of friends. Honored many times by his fraternal associates he had the distinction of being a Past Chief Ranger of the Woodmen of the World, Past Master Court Richmond A.O.F., Past Master of the I.O.U.W., Past Master of Richmond Lodge A.F. & A.M. No. 23 G.R.C. having served as Master in 1904 and 1905. In 1933 he was honored by Grand Lodge A.F. & A.M. by appointment as a Grand Lodge officer and in 1931 Richmond Lodge conferred on him honorary life membership.

He is survived by his widow, Osburgha Pearl Foster Hill, has first wife having predeceased him nine years ago, one daughter Mrs. Victor Pugsley of Sedley, Saskatchewan, four sons and three brothers. Like their father the four sons are all actively associated with Masonry, P. C. Hill a Past Master of Richmond Lodge 1922, L. A. Hill a Past Master of Richmond Lodge in 1931, Dr. C. E. Hill a Past Grand Supt. R.A.M. 1934, and A. R. Hill a present I. G. Richmond Lodge. P. C. Hill, L. A. Hill, and A. R. Hill have been associated with their father in the business firm of David Hill & Co. and Dr. C. E. Hill has been in practice at Lansing since 1921. The four brothers surviving are William Hill, of Buffalo, N.Y., James Hill of Elmvale, for 17 years was associated with his brother in business here, John Hill of Peterboro and Allan Hill of Alliston.

The funeral service on Saturday was conducted by Rev. C. W. Follett and Rev. G. E. Coulter of the United Church of which the late Mr. Hill was a lifelong member. Interment will take place in Richmond Hill Cemetery.

Markham Township electors were for reeve, while James Rennie satisfied with their 1935 council, for downed W. C. Gohn by 395 for deputy they were returned for 1936 with-puty reeve. The old councillors are out any change. The veteran George Hooper, Reesor and Sumersfeldt. Padgett led W. L. Clark by a 194 Vote by polls:—

MRS. BAKER BURIED AT BAKER HILL

TREMENDOUS CROWD PAYS LAST RESPECTS

The largest crowd ever to assemble at a funeral in south Whitchurch gathered together on Saturday afternoon as a mute, silent testimony of sorrow and regret on the untimely death of Edna Gertrude Clubine, wife of Morgan Baker, M.P.P. for North York.

Mrs. Baker was in her 48th year and was the only daughter of Mr. and Mrs. Ezra Clubine of Whitchurch, who both survive her. She is also survived by her husband three daughters, Alma, Dora and May, and two sons, Merlyn and Allan, as well as two brothers, Dr. Israel Clubine, Toronto, and Altheon Clubine, at home. She was a member of Baker Hill Baptist Church, active in all its organizations, and deeply interested in the parliamentary success of her husband whom she assisted in local political organizations.

The Baker Hill Church was crowded an hour before the time of service, and the friends outside ran into many hundreds from all walks in life. Hon. Arthur Roebuck with a number of deputy ministers represented the Ontario Government, while other notables included W. P. Mulock, M.P., W. J. Gardhouse, A.J. H. Eckardt.

The service was taken by the pastor Rev. W. E. Smalley, while Rev. E. C. MacLeod preached the sermon. His text was from Psalm 23:4, "Yea though I walk through the valley of the shadow of death I will fear no evil for Thou art with me." The speaker sought to emphasize the fact that one may pass through the valley of death without fear if they are one with Christ, which was a comforting thought to throw out. Miss Fockler and Mrs. Stafford sang two duet numbers, "Rock of Ages" and "Abide with Me."

The pall bearers were: Professor W. Baker, Guelph; Everett Baker, Baker Hill; Earl Pipher, Newmarket; Lou Donor, Toronto; Ernest Hunt and Ross Hunt, Gormley.

Mrs. Baker's demise moved this district to a state of remorse such as is not often felt. Her sincere and loveable ways, coupled with a family attachment which permeated her life and that of husband and children made her passing very hard to bear. More than 50 wreaths banked the bier at the late home, while hundreds of letters of sympathy from far and near were received by the bereaved family.

COURT DAY BRINGS POOR LUCK

Tuesday was an unlucky day for any Stouffville folk having anything to do with police courts, for both witness and defendant. Dr. Sangster was summoned as a witness by Constable Quibell in the charge against Fred Todd of reckless driving arising out of Todd colliding with Harry Paisley's truck parked on Main street. The doctor was proceeding along a city street when someone attempted to make a left hand turn without giving the necessary signal, it is alleged. Dr. Sangster's Oldsmobile ploughed into the other bus with considerable force both being badly wrecked. Our medical man had to return home with the constable, leaving his car for repairs. Fred on the other hand was assessed \$10 and costs for ploughing into Paisley's truck, and given suspended sentence on a charge of not reporting an accident.

Archib Wagg, native of Goodwood now living at Port Huron, Mich., visited his cousin Isaac Barkey in Stouffville this week. It is 42 years since he saw the old home section.

SCARBORO 4 STOUFFVILLE 4

Last week we asked you to come to the opening hockey game, but we had no idea you were going to get a dollar's worth of hockey for 25c. Ask any one that was there! Stouffville and Scarboro were the competing teams playing a tie game, 4 all. Right from the drop of the puck until the end both teams kept up teams missing some close ones. In season.

Stouffville opened the scoring after nine minutes of play in the first period then Scarboro came right back and evened it up, with both teams missing some close ones. In the second period Scarboro scored two goals in a row, first by Thompson and the second by Harrison to make the score 3-1. But to show what the local boys are made of they came back in the last period and scored two goals to even it up. Spencely and Redshaw getting the goals. In the ten minutes of overtime Nerlick broke away when Scarboro was caught napping and scored for Stouffville and this lead they held until 45 seconds to go when Scarboro tied it up. There were no particular stars in the game everyone playing their part very best. Enthusiasm was at fever heat, and the fans nearly raised the roof several times. Paxton played a particularly fine game in the Stouffville nets.

The next game here Tuesday night, January 14, brings Aurora to town, the fastest team in the group, so don't fail to come. Over 200 cheered the boys on the first appearance, this year and this they certainly appreciated.

ENOUGH RAILS TO BAND THE EARTH

If all the rails comprised in the tracks of the world's railways were to be placed side by side, they would form a steel pathway 15 ft. wide right around the earth. Similarly, if all the world's locomotives and rolling stock were to be placed end to end they would more than cover the entire length of this steel pathway.

BENJ. PALMER DEAD IN VANCOUVER

A native of Claremont and an old resident of this district died in Vancouver on December 22, 1935, when Benjamin Palmer passed away in his 86th year, at his late home 3310 Selkirk Street. He was laid to rest at Ocean View cemetery just the day before Christmas.

Older residents will recall Mr. Palmer when he lived here. He married Miss Mahala Jones of Altona, and was therefore a brother-in-law of our Ralph Jones of Altona. Besides his wife the deceased is survived by four sons and two daughters. They are: Joseph, of Vancouver, Austin of Penticton, Hewson of Trail, and Ralph of Everett, Washington, also Misses Mary and Sarah at home.

It is 51 years ago since Mr. and Mrs. Jones moved from the Stouffville district to Manitoquin Island where they successfully farmed for some time. Their family continued westward, soon to be followed by the parents who retired in Vancouver where they had spent long and happy years. The announcement of the death of Mr. Palmer will be read with general regret by the wide circle of friends whose associations in the early days here are remembered with pleasantness.

ANOTHER GEORGE FLINT

In Brooklyn, New York City, on New Year's Eve, a son, George Schuyler Flint, was born to Rev. and Mrs. George Y. Flint, of East Berlin, Conn. The young man is the first grandchild of Chancellor and Mrs. Chas. W. Flint, of Syracuse University. He perpetuates the family name "George" familiar to old residents of Stouffville, who know George Flint Sr. then George Flint Jr. father of Chancellor Flint, and of George Walter Flint. The name passed to Chancellor Flint's son and now to his grandson.
