There was a real good turnout of young people from Altona last Tuesday night to go to the Bloomington Christian Church where they rendered a splendid program. Mrs. Barkis Reesor, teacher of the young ladies' S.S. Class, was also present, and took an active part on the program. The whole service was much enjoyed and proved to be a real spiritual uplift.

## HONOR THE KING BY EMULATING HIS VIRTUES

Is Tribute Paid Late King George V. at Our Public Memorial Service

The mass service held in honor of the late King George V. in the United Church on Tuesday afternoon, was largely attended, considering the condition of the weather which was anything but inviting. The affair was marked as a great solemn occasion in which all the people mourned the loss of their monarch, and bore testimony to their love and devotion in the solemnity of the occasion.

Eight ministers of the gospel occupied the platform and most of them participated in the service at some place on the program. The United Church choir undertook to preside over the music and rendered one anthem number under direction of Mr. Robert Leslie, while Miss Anne Lehman was at the pipe organ.

Prof. Thos. Mitchell gave the Memorial Address, which concluded with a powerful appeal for loyalty and devotion to the new monarch, challenging every citizen to rally round the new King by giving him support, their prayers, and unstinted devotion, in words which awakened a distinct feeling of love and admiration for the empire.

Dr. Mitchell extolled the virtues of the late King George in his own inimitable style. He was a peace-loving man, he loved his mother who was great before him, he was great in the sanity of his judgment, and in his self-control. Features which contributed to develop these outstanding attributes of his life were the influence of a good mother, the aid of a good wife, his relationship to servant and neighbor, attitude to democratic government, and his ultimate knowledge that he had the affection of the empire at his back.

We can best honor his memory, declared Dr. Mitchell, by emulating his virtues, and giving rallying support to the empire and new king upon the throne.

The last post was sounded by Mr. Ormsby Lehman with the large congregation all standing, followed by an organ number by Miss Anne Lehman, "The Dead March in 'Saul'."

Rev. W. H. Fuller pronounced the invocation, and Rev. Isaac Brubaker read the lesson from 23rd Psalm. Rev. Chas. McGrath offered a prayer for the King, the empire and the people, with the closing prayer from Rev. E. Smalley and the benediction by Rev. T. Laidlaw. Mr. Carl Boardway rendered a solo number.

Reeve H. W. Sanders acted as chairman and announced the numbers on the program. The Stouffville War Veterans, including men from the army, navy and air force, marched in a body to the church under command of President Ralph Burkholder. The veterans wore the regulation purple arm band, and the color bearers were Messrs. J. Green, Geo. Austin, Geo. Saunders and Jas. McGovern. The boys occupied seats reserved for them in the front of the church.

## A DAY OF MOURNING

Tuesday was generally observed as a day of mourning in Stouffville with all mercantile places of business closed for the day. Flags were at half-mast, and several places displayed the royal purple mourning in honor of the late King George—almost zero weather prevailed all day with a stiff breeze, and this left the streets deserted of people, all day and evening. Despite the cold the public memorial service was well attended.

## APPOINTED FARM MANAGER

Mr. and Mrs. Fred Mowder were in town this week visiting his mother Mrs. Jos. Mowder, prior to their locating at Audley where Fred has been appointed farm manager on a 350 acre estate belonging to a Toronto gentleman.

Mr. and Mrs. Mowder will take over their new duties on February 1st, while the home farm at Claremont will be worked by Mrs. Mowder's father, Mr. John Coombe, formerly of Uxbridge.

We wish Mr. and Mrs. Mowder every success in their surroundings.

## 24 BOYS CHARGED AS "FOUND INS"

The visit of two county police to Stouffville on the evening of January 18 the aftermath of which was a charge of keeping a common gambling house laid against the Fong Brothers at the Chinese cafe, is proving to be no pink tea affair. On Monday this week and succeeding days Constable Quibell has been busy delivering summonses to all those who were caught in the police net, and charged with being "found ins," and which list includes the names of boys numbering no less than 24.

On the night of the swoop some of the lads, the plain clothes police led into deeper water. It is said, by stumping them to play certain games of chance, and all unmindful the boys fell. Probably half of those against whom charges have been laid were mere spectators, but how they will fare before the magistrate on Thursday is a matter for speculation.

That a chartered buss will be put into service to escort all those implicated to the court house in the city, is not likely, but there will be some doubling-up in order that all might be transported.

## MAN FOUND DEAD MONOXIDE VICTIM

Body of Roy Lundy Discovered in Garage.

Roy H. Lundy, 55, brother of C.E. Lundy, editor of the Aurora Banner, was a victim of carbon monoxide from his automobile late Friday afternoon. He was found dead in the garage at the rear of his home, 303 Sunnyside Avenue, Toronto. It is not known how long he was there before the body was discovered.

Mr. Lundy was for some years general manager of the Arco Company, Limited. He was a Mason and member of the Scottish Rite Society. He attended St. Jude's Anglican Church.

Deceased is survived by his wife and two daughters, Mary and Elizabeth.

## RINGWOOD

Miss Jennie Fockler spent Monday in Toronto with her cousin Mrs. Ken Ellis.

Several from this district attended the Memorial Service in the United Church in Stouffville on Tuesday for our late Sovereign King George the Fifth.

## BETHESDA

On Tuesday the last rites were performed for our beloved Sovereign of the British Empire. One quarter of the earth's population, his subjects mourn his death.

The Annual Business Meeting of the church is being held in the church on Thursday evening.

Mr. and Mrs. S. P. Foote were to guests of Mrs. D. Snider of Stouffville on Monday of this week.

We are very sorry to announce the death of Mrs. Matiland Spence, who after a very short illness passed away on Tuesday night. She leaves a bereaved husband and a small baby a few months old.

The local store has been closed for a few days as both Mr. and Mrs. Wilson were away.

Misses Bessie and Velma Bolender have gone to Toronto, where they will be for the remainder of the winter. We have so few girls in our community, that it is with regret that we see two of them leave, even though it is not for a very long time.

Shall we or shall we not become misogynists. This is the question which any two boys in any community might ask themselves after getting stuck in a snowdrift, following an enjoyable evening at the home of the girl friends. If they were misogynists they would have been in bed instead of floundering through the snow in the early morning hours. But, consider, after the auto bravely attempted to meander through the bank, and came to a dead stop on no fault of its own, you had to walk home in a blustery winter storm. See how healthy it was, you got exercise fresh air, deep breathing, cooling breezes around the temples to soothe the surging waves of temper, and the feverish pitch of peevishness.

The cold weather and high winds have produced some artistic snow creations. Last Thursday's severe storm filled up the roads, thus necessitating the use of a snow plow the following day. It looks as if winter has come to stay.

## A Good Wife

Heaven's Gift To Man

EVANGELIST JOHN MOSES BAKER  
Baltimore, Maryland

There is nothing on earth that we cherish.  
And nothing a husband loves more,  
Than the wife that was given to help him,  
And save in temptations so sore.

When trials and conflict surround him,  
She then is his comfort and stay,  
And when the dark clouds gather o'er him,  
Her smile quickly drives them away.

In sorrow and anguish what comfort,  
Comes from her watching and care,  
No battle so fierce or no danger  
To keep her away from him there.

She will stand by when all others forsake him,  
And keep brave and true till the last,  
And in life's darkest hour will comfort,  
Until every temptation is past.

She will always be sweetheart and dearest,  
Of any on earth he holds dear,  
Her voice will always be sweetest  
Of any he ever will hear.

At last when life's journey is ended,  
By her side he will lie down to rest,  
And in Heaven she will be with him,  
Forever and even the blest.

## ST. JAMES' HOLDS 75TH ANNUAL

The 75th annual meeting of St. James Presbyterian Church was held Monday evening and was very well attended. Rev. W. H. Fuller, moderator presided, which was preceded by a supper served by the ladies of the congregation and which was thoroughly enjoyed by some 40 members and friends.

The membership of St. James stands at 55, two being removed by death this year, and four added by certificate.

Total money raised for all purposes was \$697.66 with expenditures to practically consume the amount, save for a small balance to commence the new year. The W.M.S. contributed \$124 with a sale and allocation.

The Sunday school receipts were \$65.87 and the number on the roll totals 24.

Willing Helpers raised \$125 to assist the church funds. Mr. James Rennie was appointed secretary-treasurer of the church and also one of the managers along with Wm. Beach. The auditors are Mr. and Mrs. Beech. During the year the church was re-roofed costing over \$100 for material but all the labor was done gratis.

## SHORT COURSE CLOSES ON FRIDAY

Friday of this week will bring to a close the classes in Home Economics and Agriculture which have been conducted in Stouffville during January. The members are planning a banquet to be held in Ratcliff's Hall, Friday evening for which the Stouffville Senior Institute will do the catering.

Despite the severe cold weather and almost impassable country roads several days during the past week, the young people have managed to attend regularly. A full program has kept all busy and interested.

On Friday morning a cream grading competition was held under the supervision of Mr. Davies of the Dairy Branch Department of Agriculture, Toronto. Prizes for this contest were generously provided by Mr. Jos. Borinsky, of the Stouffville Creamery. First prize of \$2.00 was won by Miss Edna Pearce with a score of 94 per cent; Second prize of \$1.00 went to Miss Gladys Evans, with 93.4 per cent. Over 50 members of the girls and boys classes entered the contest.

Wednesday morning, a group picture was taken, and the students were honoured with short visits by Mr. R. S. Duncan, Director, Agricultural Representatives, Toronto, and Mr. Porter, Editor Farmers' Advocate, London. Other activities during the week have included a literary meeting, hockey games, and the regular lectures.

It is expected the young people will organize at the close of the course, so that they may continue to meet together periodically, and thus keep intact the largest short course class yet organized in York County. The Tribune will publish a picture of the class in a later issue, from the photo taken on Wednesday.

## MISS L. SLATER DIES IN HER 90TH YEAR

The funeral of the late Miss Lois Slater took place from her late residence, Balmoral Avenue, Toronto, on Saturday afternoon to the family plot in Buttonville Cemetery, Markham Township.

Miss Slater was in her 90th year, and was the daughter of the late Benjamin Slater, of the Fourth Concession of Markham, and sister of the late Jonathan Slater, one-time warden of York County. She taught school for about 35 years in Toronto, her first school being Fairbank. Miss Slater was a Presbyterian and interested in all church activities.

## PHONE COMPANY IS IN FAIR FINANCIAL CONDITION

The balance sheet of the Bethesda & Stouffville Telephone Co., as presented at the annual meeting of the shareholders held in Stouffville on Monday shows the financial position of the company to be steadily improving since the depth of the depression was reached around 1932. The operating loss is gradually being reduced and for 1935 was \$1,833 after paying a five per cent dividend to shareholders, and laying aside a substantial reserve as provided under the statutes.

The total assets of the company are valued at \$105,100, and the head office is located in the Ratcliff block where the annual meeting was held with the president Mr. A. D. Bruce presiding. The old board was re-elected, and it is interesting to note that there has been no change in the chief executive offices since the formation of the company 30 years ago.

They are:—  
President—A. D. Bruce  
Vice-President—Dr. Sangster  
Secretary—D. W. Heise  
Treasurer—J. H. Ratcliff

## UNITED FOLK WILL HEAR OF LARGE FUNDS RAISED

The annual congregational meeting of the Stouffville United Church is called for this Wednesday evening when the financial statement for the year will be presented.

Total receipts for all purposes are \$6,334, an increase over two years ago of about \$400. For general local expenses by envelopes and loose collections there was raised \$3,026, and \$1,262 for Missions and Maintenance fund. The Women's Missionary Society raised \$510, the Woman's Association \$327, and the Young Peoples \$278. Three young peoples missionary societies, the Garret Auxiliary, Catharine Johnson Band, and Mary Haig contributed a total of \$565, while the choir and trustee board raised \$75 to make up the total.

One contributor to the weekly offering paid in \$265, while three other members are responsible for amounts considerably in excess of \$100 each.

The general operating expenses for 1935 were \$3,529, which is \$500 short of receipts for this purpose, and for which the annual report shows a loan was made.

There are 14 names on the In Memoriam roll, and 3 others were removed by letter from the church records. Two members were received by profession of faith, and 12 by certificate. There were six marriages solemnized during the year.

Rev. Thos. Laidlaw, pastor, will preside at the annual meeting, when the new Official Board will be elected for 1936.
