## AGRICULTURAL REP. WHITE SENT TO PERTH COUNTY

**W. M. Cockburn is Transferred  
Here From Ottawa as  
Successor**

After seven years here as York county agricultural representative, Ralph E. White has been transferred to Stratford as representative for Perth county, considered like York as principally a livestock county.

Before coming here, Mr. White had been for seven years Kent county representative stationed at Chatham. He went to Chatham following graduation from O.A.C.

Mr. and Mrs. White will probably move about May 1. Mr. White takes up his new duties on April 1.

The new representative here will be W. M. Cockburn, who has been Carleton county representative for the past eight years. Mr. Cockburn graduated in 1923 and was assistant here in Newmarket to R. J. Rogers.

He was then transferred to Barrie as representative for North Simcoe. Later he went to Alberta and taught agriculture for two years at Claresholm school. He then returned to Ontario and went to the Carleton office. His home is in the Guelph district.

During his service here, Mr. White has built up the Junior Farmers and Institutes until at the present time there are nine active organizations. He has inaugurated the boys' club work, including grain clubs, calf clubs, goat clubs, hog clubs.

Mr. White is president of the local badminton club and is chairman of the committee of stewards at Trinity United Church.

## LATE MRS. PERRY RESIDENT 60 YEARS

In the death of Mrs. Charles Perry on Thursday last, Stouffville loses a resident who had lived here continuously for 60 years, or since her marriage. With the exception of the first year, she had lived in the same house all this time. Mrs. Perry's death followed a short illness. She was 80 years of age. The funeral on Saturday afternoon was from the late home to Stouffville cemetery, being conducted by Rev. H. Lee and the Rev. Robt. Young, two former pastors.

Born in Wick, Scotland, she then Jessie Budge came to Canada at the age of 18 years with her brother who died in Buffalo about 20 years ago. Jessie located in Markham Township and two years after her arrival she married the late Chas. Perry who passed away in 1922. To them were born two sons and one daughter. The sons Bert and Harry are both dead, and the only daughter (May Elizabeth) now Mrs. E. J. Venables, of Hamiota, Man., arrived from the West in time to be with her mother when the end came. There are seven grandchildren and five great grandchildren also surviving.

Mrs. Perry was beloved by a wide circle of friends, and her length of years, living along, was largely attributed to her sympathetic interest in others. Although a confirmed Scotch Presbyterian before she left the Old Land, Mrs. Perry united with the Methodists in this country and was a member of the local United Church at the time of her death. For many years her husband learned his trade as painter and decorator before he migrated to Canada, he learned it well, and when a lasting job was required, Charles Perry could always be relied on to perform it.

## GORMLEY BIBLE SCHOOL

This Large Dwelling Serves at Present the Double Purpose of Administration Building and Dormitory

The Ontario Bible School at Gormley established only this year held its closing exercises for the fall and winter term last Wednesday, Thursday and Friday. The Baccalaureate service on Wednesday, and valedictory address on Friday evening were by John H. Hostetter of New York. The student group of 43, hail from far away point, and include 20 local students.

The fine residence of Mrs. Clara Wideman shown above has been devoted to the needs of this school, and already dreams for its enlargement are taking expression. It contains dormitory accommodation for 25; class rooms and library of over 200 volumes. The Academic Course of study consists of the two lower school and two middle school years of study, as outlined by the Ontario Dept. of Education.

Through considerable sacrifice and co-operation the expenses to the studies are so low as to seem almost impossible. Roomrent 25c week, tuition fee 50c week, board \$1.25 week. These rates will be slightly raised for the coming school year.

The Ontario Bible School exists for a definite and unique need, explains its president Jacob G. Kuhns, A.B. The need of a chance for training for those who cannot find time and funds for attendance at a training school during a full academic year. The Tunker people as a whole are an agricultural people, and our problem is to found a school for the young people which can be attended at the season of the year when seasonal labors on the farm are lightest. It will provide a workable combination of secular and religious subjects for practical christian work, pastoral, Sunday School and Missionary.

## BISHOP LEVI GROVE DEAD AT ALTONA

Levi Grove, Bishop of the Mennonite Church, at Altona died on Monday at his late home on the 9th of Pickering Township at Altona on Monday, following only a ten day illness. Had he lived until July Mr. Grove would have reached his 68th year.

He was a native of Markham Township, being a son of the late Jacob E. Grove, of Ringwood, who had a family of two sons and two daughters. The girls are both dead and the only surviving member of the family is a brother, J. L. Grove, of Ringwood. Levi married Susan Meyer and they located at Almira, where some years of their life was spent. He is survived by his bereaved widow and three daughters, Mrs. Sam. Fretz, Mrs. Willis Davis, and Mrs. Frank Sellers.

In early manhood, the late Mr. Grove united with what is known as the old Mennonite church, in which body he became a prominent worker and preacher, rising to the rank of Bishop, and it is while in this high office he is called of God to go to his eternal Home.

## 4-HOUR DELAY FOLLOWS WASH- OUT ON C.N.R.

The passenger trains on the local C.N.R. were held up for several hours between Goodwood and Uxbridge last Friday night, when a washout undermined a stretch of track 2 1/2 miles beyond Goodwood at Beaver Creek.

Both trains to and from Toronto were delayed four hours, the washout being 30 feet long. The discovery was made by the Goodwood section man. The delay was the first serious flood danger on this branch of the railway. Heavy freshets from the high land in the district had inundated the tracks and a slide of embankment, which shifted to the tracks, made them impassable.

Passengers on both trains, one of which was bound for Toronto and the other for Lindsay, had to be content with sitting idly at either end of the flooded area or wandering about Goodwood and Uxbridge. The tracks at Goodwood were completely under water, in some places two feet deep. The crews from Toronto were ordered to stand by until the tracks were ballasted and repaired.

Auxiliary crews from Lindsay, with an engine trailing a long load of cinders, reached Uxbridge at 9.32 p.m. and ties were placed under the tracks to block them up and cinders used as ballast. The work train reached Goodwood at 10.45 p.m., followed by a train from Belleville.

## THE TREES

On Thursday last Mr. W. H. Moore representing the Ontario Department of Highways visited Stouffville at the request of the local Horticultural Society, and in company with H. O. Klinck, president of the society, Reeve H. W. Sanders, representing the village and Councillors R. E. Brown and Walter Brilling, of the Roads and Walks Committee, make a survey of the principal streets studying the condition; arrangement and selection of our ornamental shade trees. It was found advisable in the interest of the immediate and future beauty of our streets to dispense with many trees, remove the dead wood from others and to arrange for planting of suitable kinds in the neglected spaces, also to remove some heavy branches that are a menace to the safety of traffic. Before much definite work can be done it will be necessary to consult both the County Roads Supt. and the Hydro officials.

Mr. Moore assured the party that his advice will be at their disposal at all times in planning a system of planting and care of trees that will be a credit to our town in years to come.

## PRICE OF HORSES FEATURE OF SALES

The local auctioneer A.S. Farmer conducted a farm stock sale every day last week, one in Scarborough and the others all in the more local district. Probably the largest sale in the home district was the dispersal of goods and chatties belonging to Arthur Alleyne of Gormley, Mr. Alleyne and his only surviving sister of five who formerly lived with the brother on the farm will retire from active farm work and live in a portion of the large farm house. The 100 acres being on the 3rd of Whitechurch and near the Markham townline is rented to Mrs. Alex. Duncan. The sale on Thursday drew a large crowd, most of whom had to be transported from the concession line to the scene of the house and barns one mile off the road over a mow packed lane, later, slush. The struggle to reach the scene of the auctioneer's baton seemed to make the crowd all the more keen, and after many of them had bought something the everlasting question heard was, "how am I going to get it home."

Horses again featured the live stock prices, and as it seems, cattle decline and horses soar. The best mare aged, realized \$130, and cows sold at an average of \$40. Implementations were keenly bid despite the fact that they had long been in use. For instance, a seed drill bought at a sale many years ago for \$17 (no doubt a bargain) went up to \$60 at this sale, while a plow bought by Mr. Alleyne some years back for \$14 sold for \$30 on Thursday. Peas were knocked off at 92c bushel, seed barley 50c bushel, and mixed grain 89c cwt. There was a lot of house furniture sold at what was regarded as high prices.

## PROMINENT FAMILY OF MAKKHAM BEREAVED

Following quite a lengthy illness, Mrs. John R. Campbell passed away on Saturday at the home of her daughter - Mrs. Harvey Moyer, at Dickson Hill, in her 77th year. The funeral was held from the late home on Monday to Stouffville cemetery for interment. The service was conducted by Rev. Thos. Laidlaw, Rev. G. Young and Dr. Mitchell. She was borne to the grave by six relatives, Messrs. Roy, Robt. and Gordon Risebrough, Arthur Stephens, Lew Hicks, and Dr. Kelly, Unionville.

Born in York Township, Mrs. Campbell's maiden name was Margaret A. Risebrough. After her marriage 53 years ago to John R. Campbell, the couple settled on the Campbell homestead in Vaughan Township. They also lived for a short time in Western Canada, but 25 years ago came to Dickson Hill and acquired land there.

Mrs. Campbell is survived by her sorrowing husband who has been prominent in municipal affairs in Markham for a quarter century and by one son Kenneth on the home farm, and two daughters, Mrs. Harvey Moyer at whose home the mother died, and Mrs. Fred Hicks, of Hamilton. Mrs. Walter Stephens of Newmarket and John Risebrough, Toronto, are the only surviving brother and sister of the deceased.

In the death of Mrs. Campbell a beautiful type of christian mother has been called from this earthly sphere. She loved her home, and the welfare of her family was her constant thought. Many were the friends who knew the sterling worth of Mrs. Campbell. She was a member of Stouffville United Church.
