UNREST OVER STATE OF STOUFFVILLE ROAD

Tarvia Top Wanted Between Stouffville and Uxbridge Serving Goodwood

Over fifty citizens of Uxbridge and Whitchurch Townships, and the villages of Stouffville and Goodwood met here on Thursday evening to discuss road matters as they pertain to the Stouffville road running across Uxbridge township from Stouffville to the Town of Uxbridge. Reeve H. W. Sanders acted as chairman and largely signed petitions were completed for presentation to Ontario County Council, asking for a public meeting in Goodwood to discuss the matter of completing this heavily trafficked thoroughfare as an improved county highway with the view of having it assumed finally as a part of the Government road system.

Mr. George Todd led the Uxbridge division, and said he regretted the fact that there was no representative from the Uxbridge Township council. He said that he couldn't conceive of the County or the Government assuming another road west from the town of Uxbridge to either Aurora or Newmarket when the Stouffville road remains incomplete. Nevertheless this is advocated in Uxbridge town and the north of Uxbridge Twp.

George Leary and L. P. Evans were present from Whitchurch Township. Mr. Evans pointing out that it would be natural for the ratepayers in the north end of his township to desire a road running east and west from Uxbridge, but felt that it should not interfere with the completion of Stouffville road. Mr. Leary said he would co-operate to complete the 10th con. of Whitchurch with a tarvia top.

The Uxbridge delegation felt that the town of Uxbridge should give them real support in urging the completion of their road, but reported the ratepayers in the north were divided, some agitating for a new road west of that town.

Whitchurch Township is only interested in the Stouffville road to the extent of two and a half miles from Stouffville to Lincolnville, and farmers residing within the area affected will get behind the scheme by attending the public meeting to be called at Goodwood in the not very distant future.

There was a strong feeling that the Stouffville road to Uxbridge should be surfaced with tarvia or cement right away. The heavy traffic is ruinous to the district from the terrible dust, and the road itself will not stand up with only a gravel top.

COUNCIL AGREES TO MARKHAM RELIEF INCREASE COST OF BURIAL LOTS

Women Gather in Council Chambers

A voluminous document was presented to the village council on Monday evening by Auditor Thos. B. Rae setting out in detail every aspect of the financial set-up of the village, in accordance with the recent requirements of the Department of municipal affairs. Ratepayers will in future have an opportunity to read the report in a later issue of this paper, for the figures are to be published. The statement of the auditor was accepted by the council and the auditor paid his salary of \$25, plus \$25 additional for the great amount of extra work involved. The resolution, sponsored by Councillors Watts and Weldon concurred in the recommendation that the treasurer's bond be increased to \$2000, thus doubling the present bond.

Reeve H. W. Sanders presided over the meeting, at which all councillors were present.

Members of the Cemetery Commission, H. O. Klinck, K. G. Tarr and Secretary L. E. O'Neill presented a new schedule of rates for plots at the cemetery. They are \$40, \$30, and \$20, according to location. Unlike many of us who go to church and camp into the back row, at the cemetery everybody scrambles for the front row, and so they will have the privilege of paying for the front location. The new rates were adopted by the council on resolution with seal attached moved and seconded by Councillors Watts and Weldon. It was also decided to meet the Cemetery Commission to redraft the bylaws some time this month, bringing them up-to-date. The new rates, it is pointed out, are still below those imposed in other municipalities of which those present had knowledge.

Constable Quibell obtained a new agreement from the council for policing the village. His pay is raised from \$150 per year to \$300, and he was awarded the work of keeping the pavement clean again. Council asked for a better kept road this summer than heretofore.

The tax roll for 1935 was accepted by the council, and a resolution passed to pay the collector his \$100 salary. There was a slight improvement in the collections for 1935 over the previous year.

The town electrician will be asked to overhaul the wiring at the hall, following complaints that certain wires were in a dangerous condition.

John Castle was present and gave the council figures on about 1,000 ft. new water mains proposed to be laid on the north side of Main street in the extreme west end. The idea is to eliminate pipes running under the pavement, which are liable to burst any winter and cause damage to the road. The estimated cost of the work and piping would exceed \$1,000.

Snow shovelling accounts were ordered paid amounting to \$42.41, and other accounts as follows: Hospital account \$6, Brathwaite Hardware \$1.45, Goudie Hardware \$1.35, W. Crossen, cartage \$1, C. Tarr, work, \$3.50, H. Quibell, court \$10.40.

BETHESDA

Whitchurch Council meets next Saturday.

Miss Kathleen Stockley and Mr. Haines spent Sunday in Toronto.

Mr. and Mrs. Fred Allin, Murray and Shirley, visited on Sunday with Mr. and Mrs. Walter Graham, of Aurora.

Mr. and Mrs. Roy Nelson were Sunday guests of Mr. and Mrs. Roy Smith.

Mr. and Mrs. Washington Paisley and Mrs. Snider of Stouffville were entertained at dinner on Tuesday by Mr. and Mrs. A. B. Shaffer.

The next meeting of the Junior Institute will be held on Tuesday, April 21st, at the home of Miss Jeanne McEwen.

The sap is running better this week. A couple of the local tappers boiled late into the night on Monday to make room for a fresh supply of sap to be gathered the next morning.

The girls met on Thursday of last week at home of Mrs. Arthur Paisley and before they left for home, they had two lovely quilts, to account for their gathering.

Last week when the paper was printed the weather was not as spring-like as it was when yours truly wrote the Bethesda column. We hope this week is more favourable because it's the Easter season and no one wishes to don a new spring suit under cloudy skies and in a snow blizzard (weather man take notice.)

MARKHAM RELIEF ENDLESS PROBLEM

Women Gather in Council Chambers

A crowd was on hand in the council chambers at Unionville on Monday to meet Markham Township Council in April session. A number of women were in the group, and were loudest in their protest against the manner in which the council propose to dish out relief this spring under relief officer A. V. Orr.

All able bodied men are cut off relief now as work is available. Reeve G. B. Padgett was firm in his attitude that the Campbell report would be strictly adhered to in maintaining allotments. William Laughlin, among others declared that he would refuse to accept a wage of \$1 per day and board from any farmer. He wanted \$2 or nothing and would stay on relief.

The reeve thought otherwise. Any man refusing the stated wage would get no relief, he warned.

Reeve Padgett and Deputy Reeve Rennie were appointed a committee to interview the officials of relief recipients and readjustments.

Relief amounted to \$1,500 for January besides the funds expended on road work, which for the past three months amounted to \$27,049.

A letter was received from the authorities commenting on the enormous increase in hospitalization expenses in the last ten years for York county. It was \$42,000 in 1926 and in 1935, \$285,000. The writer recommended more drastic cutting expenses.

There have been 15 families dropped from relief, and May 1st will see 66 more.

HOUSE-TO-HOUSE RADIO CHECK NOW BEING CARRIED ON

Mr. Jack Sanders, son of Blake Sanders, has been commissioned by the Department of Marine at Ottawa to make a house to house canvas throughout the village of Stouffville and the north half of Markham Township, demanding the radio owners to purchase a radio license. Mr. Sanders is now on the job and where he finds a receiving set without a license he gives the owner an opportunity to make his purchase forthwith. Otherwise he is reported to the Department.

Heretofore the farmer, has been fairly immune from the radio tax because it was not feasible to call at every farm, but now under the new conditions the country will be checked up the same as in towns and cities. In Stouffville there are several issuers of licenses, including the post office, Brathwaite and Storeys. Mr. Sanders will now be an issuer with added powers.

Tomorrow, Friday, is a public holiday, when business places will be closed.

An extraordinary shipment of Florida Oranges, about 8 lbs to the dozen, just a ball of juice, at extra low prices. Ratcliff & Co.

DUTCH SERVICE MARKS FUNERAL FOR BISHOP GROVE

The funeral of the late Levi Grove, Altona, bishop in the Mennonite Church, (Wilsner Brethren) was held on Thursday morning from the home of his daughter Mrs. Sam. Fretz, to the old Dutch Church and cemetery at Altona, for service and interment. Preacher Amos H. Martin was here from Ephrata, Pa., representing the church and Bishop in the original settlement of the Mennonite folk in America.

The customs and practices of the old Mennonite body was observed, men kissed the men, and women embraced the women, on meeting at the late home where Abram Smith conducted the service. The little brick church which had been the Mennonite meeting house since 1852 down to about 1919, was filled to capacity and an over-flow congregation assembled in the Union Church close by, where a service was conducted by Rev. Isaac Brubacher of the Stouffville branch of the Mennonite Church.

In the Dutch meeting house the minister Amos Martin, from the U.S.A. was assisted by Rev. W. M. McGuire, of Toronto, and Leonard Hoover of Wideman's congregation. As was the custom of the old Mennonites, the body was not taken into the building, the casket being opened at the door with the Undertaker, L. E. O'Neill, protecting the remains from the elements with an umbrella as it was pouring rain at the hour of service.

The pall bearers were Messrs. Jos. Byer, George Carter, J. O. Spang, Peter and David Nighswander and Isaac Lehman.

The committal service was sung and read in the Dutch tongue, while Mr. Martin preached in English, with the occasional phrase coming in Dutch. The high esteem in which the late Bishop Levi Grove was held was freely referred to, and his demise is mourned by many. He was a pillar of the Church of God and an outstanding workman among the Wilsner Brethren which group carried on the original branch of the Mennonite body formed at Altona after 1919.

STOUFFVILLE VETERANS

A meeting will be held on Monday, April 13th, in the Fire Hall, at 8 o'clock p.m. All veterans are invited to spend a social hour together. Those that have books please bring them so we can have a check up.

CHURCH HILL

The monthly meeting of the Jubilee Branch of the Women's Institute will be held on April 15th, 1936, at the home of Mrs. W. Lazenby. Note the change of date. Roll call to be answered with a housecleaning hint. There will be a good program provided. Everybody welcome.

"POLLY" CAST MADE A REAL HIT

The local Young People's Society of the United Church were rewarded with a full house in Ratcliff's Hall on Friday evening to witness their drama entitled "All on Account of Polly." The story of the play was of a most pleasing nature, and the characters were admirably portrayed by the local talent. Miss Luella Gayman as Polly Perkins the small town girl finds herself literally thrown into the high society Beverley family headed by Miss Winitred McDonald and Mr. F. Marshall. The Beverley daughters played by Miss Edna Burkitt and Miss Eulah Brillinger are the "up with the Joneses" type, while the son played by Mr. Fred McNair has the idea that life consists of a pretty girl and a full pocket book. The stirring Irish brogue of the maid Miss Shirley Colcleugh and the topping bit of English displayed by the prospective son-in-law, Mr. Donald Rowbotham add greatly to the comedy touch in the program.

Words of welcome to the audience were expressed by the trainer of the group, Rev. Mr. Young, while Rev. Mr. Laidlaw moved a hearty vote of thanks to Mr. and Mrs. Young for their untiring efforts in getting up the play. Several musical selections were also rendered between acts.

The cast was as follows: Ralph Beverley, (Polly's Guardian) Frederick Marshall; Baldwin, (his son); Fred McNair; Peter Hartleigh, (A Prospective son-in-law); Donald Rowbotham; Silas Young, (A Money Lender); Wilbert Gower; Harkins, (A Butler); Jack Penock; Tommy, (Poor Little Boy); Jack Davis; Polly Perkins, (Small town Girl); Luella Gayman; Jane Beverley, (The Wife); Winitred McDonald; Hortense, (Her Elder Daughter); Edna Burkitt; Geraldine, (Her Younger Daughter); Eulah Brillinger; Mrs. Herbert Featherstone, (One of "400"); Kathleen Houston; Mrs. Clarence Chadfield, (Social Climber); Vira Tindall; Marie, (maid); Shirley Colcleugh; Miss Rembrandt, (A Manicurist); Mary Laidlaw; Miss Bushnell, (Hairdresser); Mildred Burkitt; Pudgy, (Tommy's Sister); Kathleen Kellington.

The farm stock and implement sale on the farm of Mr. George E. Davies, proprietor of the big dance hall and amusement centre, on the north shores of Lake Musselman, was held last Friday with excellent prices being realized. Mr. Davies only recently stocked the place with new implements, but has decided to give up farming to devote all his energies to his other interests.

The Massey Tractor sold for \$500 to Herbert Oliver, while the potato digger and the tractor cultivator each brought \$70 regarded as more or less a bargain. A farm wagon was knocked off at \$32, and a seed drill for \$70, to Arthur Downswell. A tractor plow went at \$39; a set of sleighs \$15, and horse rake \$25.

The registered Jersey Cow realized \$75, with other cattle going at very good prices too.

5 CLAREMONT LADIES SUFFER BROKEN BONES

Five of Claremont's married women were seriously injured last Thursday afternoon when they were proceeding from Claremont to Brooklin to attend a missionary meeting.

The car in charge of Mrs. Walter Ward, evidently got out of control proceeding down the steep hill about a half mile east of Brougham, on No. 7 Highway. It crashed into a large tree damaging the engine and axle and injuring each of the passengers. Mrs. Ward herself sustained a broken leg and arm, Mrs. Frank Cooper received a broken shoulder blade, and Mrs. Tomlinson, wife of the village doctor there suffered a bad scalp wound, cut tongue and lips, and a broken collar bone. Mrs. Thos. Condy and Mrs. T. Standbury, the other two passengers both suffered broken legs, and the community was in a state of excitement as a result of the unfortunate occurrence. Dr. S. S. Ball of Stouffville was called to assist Dr. Tomlinson in rendering medical aid to the injured. The injured were removed to Oshawa hospital.

SALE AT MUSSELMAN'S SEES SOARING PRICES

The farm stock and implement sale on the farm of Mr. George E. Davies, proprietor of the big dance hall and amusement centre, on the north shores of Lake Musselman, was held last Friday with excellent prices being realized. Mr. Davies only recently stocked the place with new implements, but has decided to give up farming to devote all his energies to his other interests.

The Massey Tractor sold for \$500 to Herbert Oliver, while the potato digger and the tractor cultivator each brought \$70 regarded as more or less a bargain. A farm wagon was knocked off at \$32, and a seed drill for \$70, to Arthur Downswell. A tractor plow went at \$39; a set of sleighs \$15, and horse rake \$25.

The registered Jersey Cow realized \$75, with other cattle going at very good prices too.
