Goodwood

Mrs. R. Hockley was in Toronto, for the weekend.

Get your maple syrup from J. F. Reid, he has No. 1 syrup.

Mrs. Wm. Collins and Mrs. Bert May spent the weekend in Toronto.

Herbert Wagg of Mount Albert, and Laurie Wagg of Markham called on friends in Goodwood, on Sunday.

Miss Fraser is home again after her recent illness. We hope she will soon be able to be back at work again.

Mr. and Mrs. Garnet Vanzant of Stouffville, have moved to Clearview Farm, Goodwood, owned by Mr. George Maye.

The Goodwood United Church had their wood bee, on the church grounds, Thursday afternoon, March 26th, when about 50 men gathered with saws, axes etc., and completed the cutting of the large logs that afternoon after which they partook of a hot supper supplied by the ladies in the basement of the church. The ladies gathered in the afternoon and had a quilting bee while the men were sawing. All were pleased at the success of the afternoon and went home in good spirits. Great credit is due the committee in charge for the successful afternoon.

Mr. Horace Johnson of the 7th concession has moved on the Jos. Crawford farm just vacated by Mr. C. Reynolds.

Mr. Justice Todd, has gone to work for Mr. Gostick, at Atha, for the summer.

Mr. Ross Middleton, attended a big banquet of the Shell Gas. Co. at the Royal York Hotel, recently.

Presume the citizens along the Stouffville road will soon be asked to sign a petition to have the good road come through here.

By The Toronto Correspondent.

Hello Goodwood friends (Toronto speaking) The correspondent wishes you all a very Happy Easter—Spring is here and as we read of the delay on the railway from the water we think of Goodwood forty years ago this March when another such winter as we have had. We remember it well as it was at this time one of Goodwood's well known residents stopped railroading. Jas. Davey, for 34 years patrolled Goodwood section of the G. T. Railway. Later he moved to Toronto where he resided and died in 1911.

Mrs. Hill who for the past three months has been staying with her brother Walter Davey, returned to Newmarket Wednesday last.

Mrs. George Lee is improving in health and was able to take a little auto ride on Sunday last.

Miss Flewell of Uxbridge visited Mrs. Lee last Sunday, also Mrs. Chas. Lee, of Goodwood visiting Mr. and Mrs. Lee this week.

Glad to hear our friend Dudley White of Altona, has recovered, after injury to his foot while cutting

THRILLING! EXCITING! ABSORBING!

HIDDEN HARVEST

NEW ROMANCE OF THE FARM

A FULL LENGTH FEATURE TALKING MOVIE. DON'T MISS THIS PICTURE. FREE TICKETS MAY BE OBTAINED BY ALL LIVE STOCK AND POULTRY OWNERS.

WEDNESDAY, APRIL 15th at 8 p.m.

The talking picture "HIDDEN HARVEST" will be shown at RATCLIFF'S HALL.

According to Stiver Bros., this film is of exceptional interest to anyone engaged in farming. It is a full two-hour regular feature film that is highly entertaining and amusing. It is made doubly interesting because the story deals with farm life from start to finish. Included in the film are many excellent scenes of familiar farm activities.

Complimentary tickets for farmers and their families are being issued at Stiver's Store.

down trees.

The worst must be over. Howard Harper and Chas. Peasby are on their trips to the City.

Mrs. Walter Lewis after visiting Ontario for three months has arrived back at her home in Sask. Her husband is a Goodwood Old Boy.

John Davey, Mount Albert, is sporting a closed car for Easter.

With the closing of the hockey season for the next few days our thoughts will be on Easter hats. The city shops have all colors and shapes, and by the way the correspondent's hat is in a terrible shape. Pass the hat, please.

No doubt our Goodwood friends wonder at times where do all the boys and girls go when they leave the old home town. Well as one who knows and sees a few we can say that in one manufacturing plant no less than three Uxbridge boys, one Ballantrae boy, one Port Perry boy, and two Goodwood boys can be found.

The correspondent was asked by a motorist this week if that road from Stouffville to Uxbridge had a pavement on yet. So as the Scribe does not own a car or drive one he had to stop and think. All the answers he could give was "no" but I hope it will be this summer. Not for the sake of the Scribe, but for his friends who drive cars. Other districts can get paved roads, why such a delay on this one.

A paved road from Stouffville to Uxbridge would mean more people and a lot more business. Boost up our old town, put Goodwood on the map this year. Wake up councillors of our good Township.

Sorry to hear that Mrs. T. Hayward, living near Mount Albert, is not so well. Mrs. Hayward is the sister of Miss Minnie Lee, and for the past few years has to be moved from place to place in an invalid chair.

The correspondent visited Mr. John McCullough twice last week in the hospital. Holding the hand of the scribe Mr. McCullough said, "Tell all my friends at Goodwood that each day I feel better and hope very shortly to be able to sit up."

We had a phone call from one of Goodwood's old boys, Art. Jones who for years was with the Gillespie Fur Company, Mr. Jones is Warden at St. Chad's Anglican Church.

Walter Davey is nearing the end of twenty-five years' service with The firm Ault & Wiborg Co. Ltd., Canada's leading Ink and Color Makers. Five years previously with the Sinclair & Valentine Company makes almost thirty years in the same business.

Chas. Lee, and Mr. Fred Middleton drove to the city Friday. Mr. Lee visited his Musselman Lake neighbor, Mr. Eveddle who met with a motor accident.
